REDBAND RALLY INTERN TOTALS REPORT

Redband Rally Internship | June 17-September 5

TOGETHER, FOR THE RIVER

Personal note from Hannah,

This summer has given me more than I expected: technical skills, leadership confidence, and meaningful community connections. My time as the Redband Rally Intern highlighted the importance of connecting communities to the river as a way to encourage stewardship and protect natural resources. I am so thankful that I was hired for this position with the Spokane Riverkeeper as I was able to grow as a person and gain a plethora of skills that will help me in future careers.
