APRIL SPRINGS ETERNAL

- The Colorado Rockies return home for the 34th Home Opener in franchise history, the 32nd at Coors Field … will host the 2025 National League East Champion Philadelphia Phillies over the weekend before welcoming the Houston Astros for three games Monday-Thursday.
- The Rockies are 18-15 all-time in their Home Opener, including 17-14 at Coors Field … have won two of their last four home openers after losing to the Athletics 6-3 in the 11th inning in 2025.

ABOUT THE LAST WEEK

- The Rockies took the 2-1 victory over Toronto in the 10th inning Wednesday at Rogers Centre, the first series win in Toronto in franchise history … picked up their first series win of the season after not winning their first series of 2025 until a sweep of Miami June 2-4, their 20th series of the season.
- Colorado scored 14 runs in their first win of the season on Monday, their most runs since Aug. 1, 2025 at Pittsburgh (17), and their most on the road since May 17, 2025 at Arizona (14) … seven of their 14 runs came in the sixth inning, the first time they scored seven in an inning on the road since they also scored seven on May 7, 2023 at New York-NL.
- With their win on Monday, the Rockies finished the day with a positive run differential on the season for the first time since April 2, 2023 (1,063 days) … it is the longest gap between ending a day with a positive scoring margin in club history, breaking the previous record of 380 days between July 12, 2019 and July 26, 2020.
- The Rockies began their 34th Major League season by being swept in a three-game series in Miami, losing all three games by one run (1-2, 3-4, 3-4) … sixth time in the Divisional Era (since 1969) and ninth time in Major League history a team has lost the first three games of the season by one (last: Chicago-AL in 2024).

EARLY TRENDS

- The Rockies have nine stolen bases on the season, the second-most in the Majors behind Milwaukee's 15 … have stolen at least one base in five of their six games… their nine stolen bases are tied with the 1993, 1995 and 1997 Rockies for the second-most in franchise history through six games.
- Colorado has 12 stolen base attempts, the second-most behind Milwaukee's 16, despite ranking 15th in the Majors with 88 stolen base opportunities … the Brewers have had 104 stolen base opportunities through six games.
- With Hunter Goodman's home run Tuesday, five different players have hit the Rockies five home runs: Goodman, Braxton Fulford, Troy Johnston and TJ Rumfield.
- The Rockies' 12 doubles on the season are tied for the fourth-most in the Majors … the Rockies 7.5% extra-base hit rate (XBH/PA) is tied for the sixth-highest rate in the Majors.

MORE RUM(FIELD) PLEASE

- First baseman TJ Rumfield has gone 9-for-21 (.429) with one double, one home run and three RBI through his first six career games … his .429 average is tied for sixth in the Majors while his nine hits are tied for 10th.
- Rumfield is the seventh Rockie in franchise history to record at least nine hits through his first six career games, joining Warming Bernabel (2025), Trevor Story (2016), Ben Paulsen (2014), Brad Hawpe (2004), Derrick Gibson (1998) and Jayhawk Owens (1993).
- The 2026 Abby Greer Award winner for Rockies Spring Training MVP has reached base safely in his first six Major League games, first Rockie to do so since Bernabel reached base in his first seven career games in 2025.
- Rumfield is the first Rockies rookie to start the first four team games of a season at first base in club history.

VALUE IN VERSATILITY

- Wednesday's win was the first time in franchise history that the Rockies had at least four players log time at first base in a single game (Willi Castro, Troy Johnston, Edouard Julien, TJ Rumfield) … it was the second time this season having at least three players log time at first in the same game (also: March 29 at Miami; Castro, Johnston, Rumfield).
- Colorado has had four active position players play at least three innings at multiple positions on the field this season: Jordan Beck (LF, RF), Willi Castro (1B, 2B, 3B, LF), Troy Johnston (1B, LF, RF) and Jake McCarthy (LF, CF, RF) … only three players have played at least 45 of the 51.2 total innings this season in one position: Brenton Doyle in CF (46.2), Kyle Karros at 3B (48.2) and Ezequiel Tovar at SS (51.2).

RING THE BELL

- The Rockies were swept by Philadelphia in their season series 0-7 in 2025, dropping three games at Citizens Bank Park March 31-April 3 and four games at Coors Field May 19-22 … Colorado is 99-135 all-time against the Phillies and have gone 6-21 against the club since 2022.
