ERIK GREUPNER

CHIEF EXECUTIVE OFFICER

Erik Greupner was promoted to his current post of chief executive officer in January 2021. Greupner oversees the Padres' operations and leads the growth and development of the club's business and culture. 2026 marks his 16th season in San Diego after joining the club in December 2010. During his tenure as CEO, the Padres have consistently ranked in the top three among all Major League Baseball clubs in attendance and set all-time franchise records in attendance, season ticket sales, and every local revenue category. Under his leadership, the Padres became the first MLB club to secure a jersey patch partner, have significantly grown its fundraising and positive impact in the San Diego and Baja community through the Padres Foundation, and have meticulously maintained and transformed Petco Park while retaining the continuous ranking as USA Today's No. 1 Ballpark in MLB. Beginning in 2023, he led a first of its kind partnership between the Padres and MLB Media to broadcast local games, create Padres.TV, and build a MLB club record number of DTC subscribers.

Prior to assuming the role of CEO, Greupner served as president of business operations from December 2018 through December 2020 and chief operating officer from November 2016 to November 2018. While serving in those posts, he guided the club through the COVID-19 pandemic, led the club's successful effort to secure the development rights for a transformational multi-use real estate project, and oversaw the team's business operations, including all revenue generation. During this time, the Padres set sponsorship, ticketing, and non-baseball event revenue and attendance records. The Padres also positively impacted the San Diego community through supporting racial justice efforts and frontline workers during the pandemic, including launching California's first COVID-19 super vaccination site at Petco Park.

Greupner served in various roles for the Padres from December 2010 to November 2016. Over this period, he led the lobbying efforts and negotiations that resulted in the Padres amending its lease with the City of San Diego to significantly increase the number of non-baseball events at Petco Park and positively impact the regional economy. Greupner also led the negotiations of a new long-term lease and construction of the Padres' Spring Training facility and renovated stadium in Peoria, Ariz. Finally, Greupner's efforts were instrumental in securing the 2016 MLB All-Star Game in San Diego.

Prior to joining the Padres, Greupner worked as a corporate and transactional attorney with the international law firm Gibson, Dunn & Crutcher LLP. While at Gibson Dunn, he advised senior management of public and private companies in general corporate matters, acquirers and targets in mergers and acquisitions, and institutional investors and fund sponsors in the formation and operation of private investment funds.

San Diego defeated the New York Mets, 2-1, in the Wild Card Series and beat their division rival Los Angeles Dodgers, 3-1, in the NLDS before falling to the Philadelphia Phillies, 4-1, in the NLCS. The club ended a 14-year postseason drought in 2020 with a 37-23 (.617) regular season record, their best winning percentage in club history. After finishing the season with the second-best record in the NL, the Padres defeated the St. Louis Cardinals in the NL Wild Card Series, their first postseason series win since 1998.

Over his tenure, Preller has overseen the acquisition of a significant level of talent through various channels. Under his direction, the amateur scouting department has drafted several consensus top prospects, including Jackson Merrill, MacKenzie Gore, C.J. Abrams, James Wood, Ryan Weathers and Cal Quantrill, while the international scouting staff signed Ethan Salas, Leo DeVries, Jairo Iriarte, Samuel Zavala, Adrian Morejon, Luis Patiño, Tirso Ornelas, Andrés Muñoz and Emmanuel Clase.

Prior to his time in San Diego, Preller served as assistant general manager of the Texas Rangers, overseeing the player development and scouting departments and serving as a key advisor on all player acquisitions. Over 10 years in Texas, Preller was integral to the Rangers' efforts to upgrade the talent level throughout the system, playing an instrumental role in the club's consecutive World Series appearances in 2010-11, as well as in the construction and organization of the Rangers' development program in the Dominican Republic. From 2010-13, he served as a senior director of player personnel, overseeing professional, international and amateur scouting. Before joining the Rangers, Preller spent three years in the baseball operations department of the Los Angeles Dodgers, working with the professional, amateur and international scouting departments. How Obtained	Signed as a Major League free agent on November 17, 2026
Contract Status	Signed through 2026 with a club option for 2027

QUICK HITS

- Signed by SD as a Major League free agent in February 2025, but SD declined their club option for 2026 before he re-signed with SD on a 1-year deal for 2026 in November 2025 with a club option for 2027.
- Opened the 2025 campaign as SD's No. 5 starter and the club went 3-0 across his first 3 starts, including his first 2 MLB winning decisions on March 31 vs. CLE and April 12 vs. COL.
- Made a total of 5 stints with SD in 2025 and worked exclusively in relief across his final 14 appearances from July 6-September 26, going scoreless in 9 of those 14 outings (1-1 record, 4.67 ERA, 2 holds, .150 BA against).
- Developed a sweeper as part of his pitch arsenal while in Korea in 2024 and it was his most used pitch in 2025 (33.3%). Limited opponents to a .132 clip (7-for-53) against the pitch, T-10th lowest BA against any sweeper league-wide (min. 200 pitches thrown).
- Spent 2024 with the NC Dinos of the Korean Baseball Organization, and was awarded the Choi Dong-won Award, the KBO equivalent of MLB's Cy Young Award, after leading the league with 182 strikeouts and finishing 2nd in both wins (13) and ERA (2.69) across 26 appearances (all starts).
- Across parts of 8 minor league seasons for BOS (2016-22), PHI (2023), SEA (2023) and SD (2025), Hart has managed a 44-51 record, 3.78 ERA (319 ER, 760.1 IP) and 666 strikeouts against 290 walks in 162 appearances (128 starts) with 5 complete games.

2025 SEASON

- 2025 marked his first MLB action since 2020 with BOS, and he made 20 appearances (6 starts) for SD across 5 separate stints with the club.
- Cracked SD's Opening Day roster and opened the campaign as the club's No. 5 starter, making 5 consecutive starts (2-2, 6.00 ERA) from March 31-April 23 prior to his first option to Triple-A El Paso on April 25.
- Earned the winning decision in his Padre debut on March 31 vs. CLE, guiding the Padres to a 5-0 start for the first time in franchise history and his first MLB win...the Padres would go on to win 2 more contests, extending their franchise record to 7-0 to begin the season...he struck out 4 Guardians and walked 1 behind 5.0 innings of 2-hit ball...the only damage came on solo shots from Jose Ramirez and Austin Hedges.
- Did not make it out of the first inning in his 2nd start on April 6 vs. CHC at Wrigley Field (0.2 IP, 2 H, 5 ER, 4 BB), but the Padres came back to win the contest.
- SD won a third consecutive start of Hart's on April 12 vs. COL...he took the mound for his 1st career start vs. an NL West opponent, tossing 6.0-shutout innings of 1-hit ball in SD's 2-0 victory...his 6.0 scoreless frames were part of a 37.0 consecutive scoreless innings streak by SD hurlers, tying for the 2nd-longest streak in franchise history (1988), trailing only the 40.0 consecutive scoreless innings set in 40.0 IP by the 1984 club....the Padres tossed 5 shutouts in their first 9 home games of the season, becoming just the 2nd team to ever accomplish the feat, joining the St. Louis Brown Stockings in 1876 - the very first year of MLB....the club also became the first pitching staff to shut out their opponents 7 times in March/April, the most shutouts for a team's pitching staff in March/April in one season in MLB history.
- SD lost all of his next 3 starts (April 18 @ HOU, April 23 @ DET and May 28 vs. MIA), allowing a combined 12 ER and 6 HR across 14.0 IP (7.71 ERA, .333 BA against).
- Following the May 28 spot start vs. MIA, Hart worked exclusively in relief for SD starting with his next call up on July 6...in his 14 relief outings from July 6-September 26, went scoreless in 9 of the 14 with a 1-1 record, 2 holds, 4.67 ERA, .150 BA against and a 20-to-7 SO/BB ratio (10.38 SO/9 IP).
- Opponents sent just 57 lefties to the plate against Hart, and he retired 44 of the 57 (7 1B, 2 2B, 1 HR, 3 BB) for a .189/.246/.283 slash line and 13 SO...righties went 28-for-110 (.255/.320/.527), with 8 of the 9 HR he allowed and a 24-to-10 SO/BB ratio.
- In his 11 appearances (3 starts) at Petco Park, he went 3-0 with a 3.91 ERA and .169 BA against...in his 9 road appearances (3 starts), he went 0-3 with an 8.66 ERA and .311 BA against.

- Was teammates on the 2009 under-18 U.S. National Team with teammate Nick Castellanos. Both grew up in Hialeah, FL, but went to different high schools.
- Graduated from Brito Miami Private High School and was drafted 3rd overall by the Orioles in 2010.
- Manny's grandfather, Francisco Nuñez, had the largest impact on his passion for baseball…he passed away during his senior year of high school and Machado writes his initials (FN) in the infield dirt as he takes the field every game.

- Began the season with 6-straight scoreless outings with Double-A San Antonio from April 4-19 before being scored upon (3 ER) in his 7th appearance on April 22 at Amarillo…across those 7 outings prior to his call-up to the big league roster, he struck out multiple hitters in each outing and posted a 19-to-1 SO/BB ratio (20.85 SO/9 IP).
- Selected to the Major League roster on April 27 from Double-A San Antonio but did not make his MLB debut before being optioned to Triple-A El Paso on May 4.
- Went scoreless in 5 of his 7 outings with El Paso, posting a combined 11-to-1 SO/BB ratio with a career-high 7 of his 8 ER allowed coming in 1 outing May 20 vs. Tacoma…remove that outing, and his 6.91 minor league ERA was 2.57 across his other 13 outings.

- Became the 1st Padre since Adrian Morejon in 2019 to record 5 strikeouts without issuing a walk within his first 3 career games in the Majors, and 1 of 6 Padres to start his career in such a way while limiting opponents to 1-or-fewer runs (last: Brad Wieck in 2018).

- Picked up his first career win July 12 vs. PHI after stranding both runners in scoring position in the 7th and retiring 3 of 4 BF.
- Posted a career-best 9.1 scoreless-inning streak across 9 straight outings from July 23-August 12.
- On August 18 vs. SF, became the 10th Padres rookie to give up 7 runs-or-fewer in his first 30 career appearances (last: Tom Cosgrove in '23).
- Placed on the 15-day IL (right shoulder inflammation) on September 12 before being reinstated on September 24.

QUICK HITS

NO NO JOE Threw the first no-hitter in Padres history in the franchise's 8,206th game on April 9, 2021 @ TEX.

TOMMY JOHN Underwent Tommy John surgery on Oct. 11, 2024 to repair a torn UCL, performed by Dr. Keith Meister prior to Game 5 of the NLDS @ Dodger Stadium. He rehabbed and traveled with the team on nearly every road trip during the 2025 season.

WHEN IT MATTERS MOST Was the starting pitcher in 3 consecutive postseason series in which the Padres clinched from 2022-24. He closed out NYM in G3 of the 2022 Wild Card Series at Citi Field, sent the Padres to the 2022 NLCS in G4 at Petco Park vs. LAD, and started the 2nd of the two-game Wild Card sweep of ATL in '24.

HERE TO STAY Nearly two weeks after appearing in his first All-Star Game at Dodger Stadium on July 19, 2022, the San Diego native signed a 5-year extension with the Padres through the 2027 season on August 1, 2022.

LEAGUE OF HIS OWN In 2022, he became the first pitcher in MLB history to post an 8-0 record (or better) with an ERA of 1.60-or-lower and 80+ strikeouts over his first 12 appearances of a season.

HOME SWEET PETCO Despite missing all of '25 recovering from Tommy John surgery, his 57 career starts at Petco Park entering '26 were 4th-most in the ballpark's history (including postseason action), trailing only Jake Peavy (93), Clayton Richard (83) and Yu Darvish (64). Of the 29 pitchers that made at least 25 starts at Petco through from 2004-25, he ranked 2nd in WHIP (1.08), 3rd in ERA (2.91), 8th in SO/9 IP ratio (9.82) and opponents' OPS (.658) and 10th in opponents' AVG (.225).

RING HIM Made 7 relief appearances for the Astros during the 2017 World Series championship run. Earned the win in Game 5 of the World Series vs. LAD, tossing a scoreless 10th inning in HOU's 13-12 victory.

FULL CIRCLE Earned the start and tossed a perfect 1st inning for the USA Team in the 2016 All-Star Futures Game at Petco Park in his hometown of San Diego. Nearly 2 years later he tossed 7.0 shutout innings on the Petco Park mound on June 29, 2018 vs. SD w/ PIT in front of nearly 100 family members and friends.

- Placed on the 15-day IL on May 5 with right elbow inflammation before being reinstated on May 21…he made 2 starts on May 21 @ CIN and May 26 vs. NYY (combined 2.16 ERA across 8.1 IP) before being placed on the 15-day IL again with the same injury on June 1…transferred to the 60-day IL on June 28 before being reinstated on Aug. 12, missing a total of 63 team games and 76 calendar days in between starts from May 27-Aug. 11.
- Once being reinstated from the 60-day IL on Aug. 12, he was quality in 6 of his 9 starts from Aug. 12-Sept. 26, going 3-1 with a 2.15 ERA (12 ER, 50.1 IP), .195 opponents' AVG and 0.87 WHIP.
- His 2 starts vs. LAD bookended his season…got the ball for Game 2 of the 2024 MLB Season in the Seoul Series in South Korea, allowing 5 ER on 7 hits and did not factor into SD's 15-11 victory…posted his 10th quality start and his 3rd in a row to close out his regular season campaign on Sept. 26 at Dodger Stadium, allowing 2 ER on 6.1 IP in SD's 7-2 defeat…Musgrove ended 2024 still in search of his first career winning decision vs. LAD, despite having posted quality starts in nearly half (6) of his 14 starts vs. LAD (4.22 ERA, .254 opp. AVG, 1.39 WHIP).

JOE MUSGROVE

- In his 2nd start of the season, Game 2 of the 4-game Opening Series at Petco Park on Mach 29 vs. SF, he snapped a streak of 9 consecutive starts in between losing decisions vs. the NorCal foe…it was his first losing decision vs. the Giants since May 8, 2021.
- His first winning decision came in his first quality outing of the season in his 3rd start on April 3 vs. STL in SD's 3-2 win…in his other start of '24 vs. STL, he was quality again but did not factor into SD's 4-3 loss…he's earned the win in 2 of his 4 starts vs. STL as a Padre, going a combined 2-0 with a 2.45 ERA (6 ER, 22.0 IP)…in a 7 start stretch vs. the Cardinals as a member of the Pirates from August 30, 2018-July 24, 2020, he was the recipient of 7 straight losing decisions, to go along with a 8.07 ERA (32 ER, 35.2 IP) and just a 1.26 run support average…his 13 career starts vs. STL through 2024 are 3rd-most he's made against any franchise (including Postseason), trailing only his 16 vs. SF and his 14 vs. LAD .
- Took the mound for his 10th career start vs. the Chicago Cubs, and just his 2nd as a Padre, on April 9 at Petco Park… he was tagged with his 2nd loss of the season in SD's 5-1 defeat…it took him 47 pitches to get thru the first 2 frames yet he was scoreless thru 4 frames, before Yan Gomes hit a first-pitch curveball 410 feet in the 5th…Musgrove departed the contest with the bases loaded before Stephen Kolek surrendered a grand slam on a 2-0 pitch to Christopher Morel.
- The right-hander turned in his 2nd quality outing and got his 2nd winning decision in his 5th start of the season Monday, April 15 at MIL…entered the contest riding a 14.2 scoreless-inning streak across parts of his previous 3 starts vs. MIL dating back to April 19, 2021, but the Brewers scored all 3 of their runs and 6 of their 7 hits came vs. Musgrove in the 1st 2 innings, as he went scoreless and allowed just 1 hit across innings 3 thru 6.
- Posted season highs in IP (7.0 – tied, 2x) and total pitches (99) in SD's 6-3 win April 21 vs. TOR.
- In his 3rd start after being reinstated from the 60-day IL on Aug. 23 vs. NYM, he twirled 7.0-shutout innings of 1-hit ball

- His first tattoo was an interlocking "S" and "D" set inside a baseball on his left arm with "est. 1992" underneath...his grandmother, Lucy Papitto, was not fond of the decision...Joe reminded her of that in a FaceTime call the day he officially became a member of the Padres and 10 years after he got that ink, he pulled up his sleeve for her and said with a smile, "I told you it would play out."
- His favorite player growing up was Padres pitcher Jake Peavy, and he wears No. 44 in his honor.

- SD was on the losing end in each of his first 5 appearances before going 3-0 in all 3 of his September appearances (all starts)…earned his first ML victory on Sept. 16 @ OAK behind 5.1 IP of 2-run ball in SD's 5-2 victory…struck out a career-high 9 hitters in SD's 4-2 victory on Sept. 22 vs. STL but did not factor into the winning decision…tossed a career-high 6.0 IP on Sept. 27 @ SF in his final outing of the campaign but did not factor into SD's 5-2 victory.
- In his 6 starts, he went 1-3 with a 4.55 ERA (16 ER, 31.2 IP), 24 SO, 11 walks, and a .233 opponents' AVG…in his 2 relief outings, he posted a 3.72 ERA (4 ER, 9.2 IP) with a .275 AVG against.
- Limited RHH to a .224 clip (19-85) while LHH batted .267 (20-75), but 6 of his 9 HR allowed came vs. the right side.
- With no runners on base, opposing batters hit .284 (29-102)…with RISP, he limited them to a .185 AVG (5-27) and with RISP/2 out, they hit .214 (3-14).
- Featured a knuckleball, throwing the pitch 181 times (26.9%) with a .242 opponent clip (8-33)…his 181 pitches thrown with his knuckle were the most of any pitcher in a season since Steven Wright threw 719 in 2018…they're also the most knuckleballs thrown in a season by any Padre (since Statcast started tracking pitches in 2008).

Dickey in 2022: "They want to see that pitch at the highest level again...so they have that interest in it."

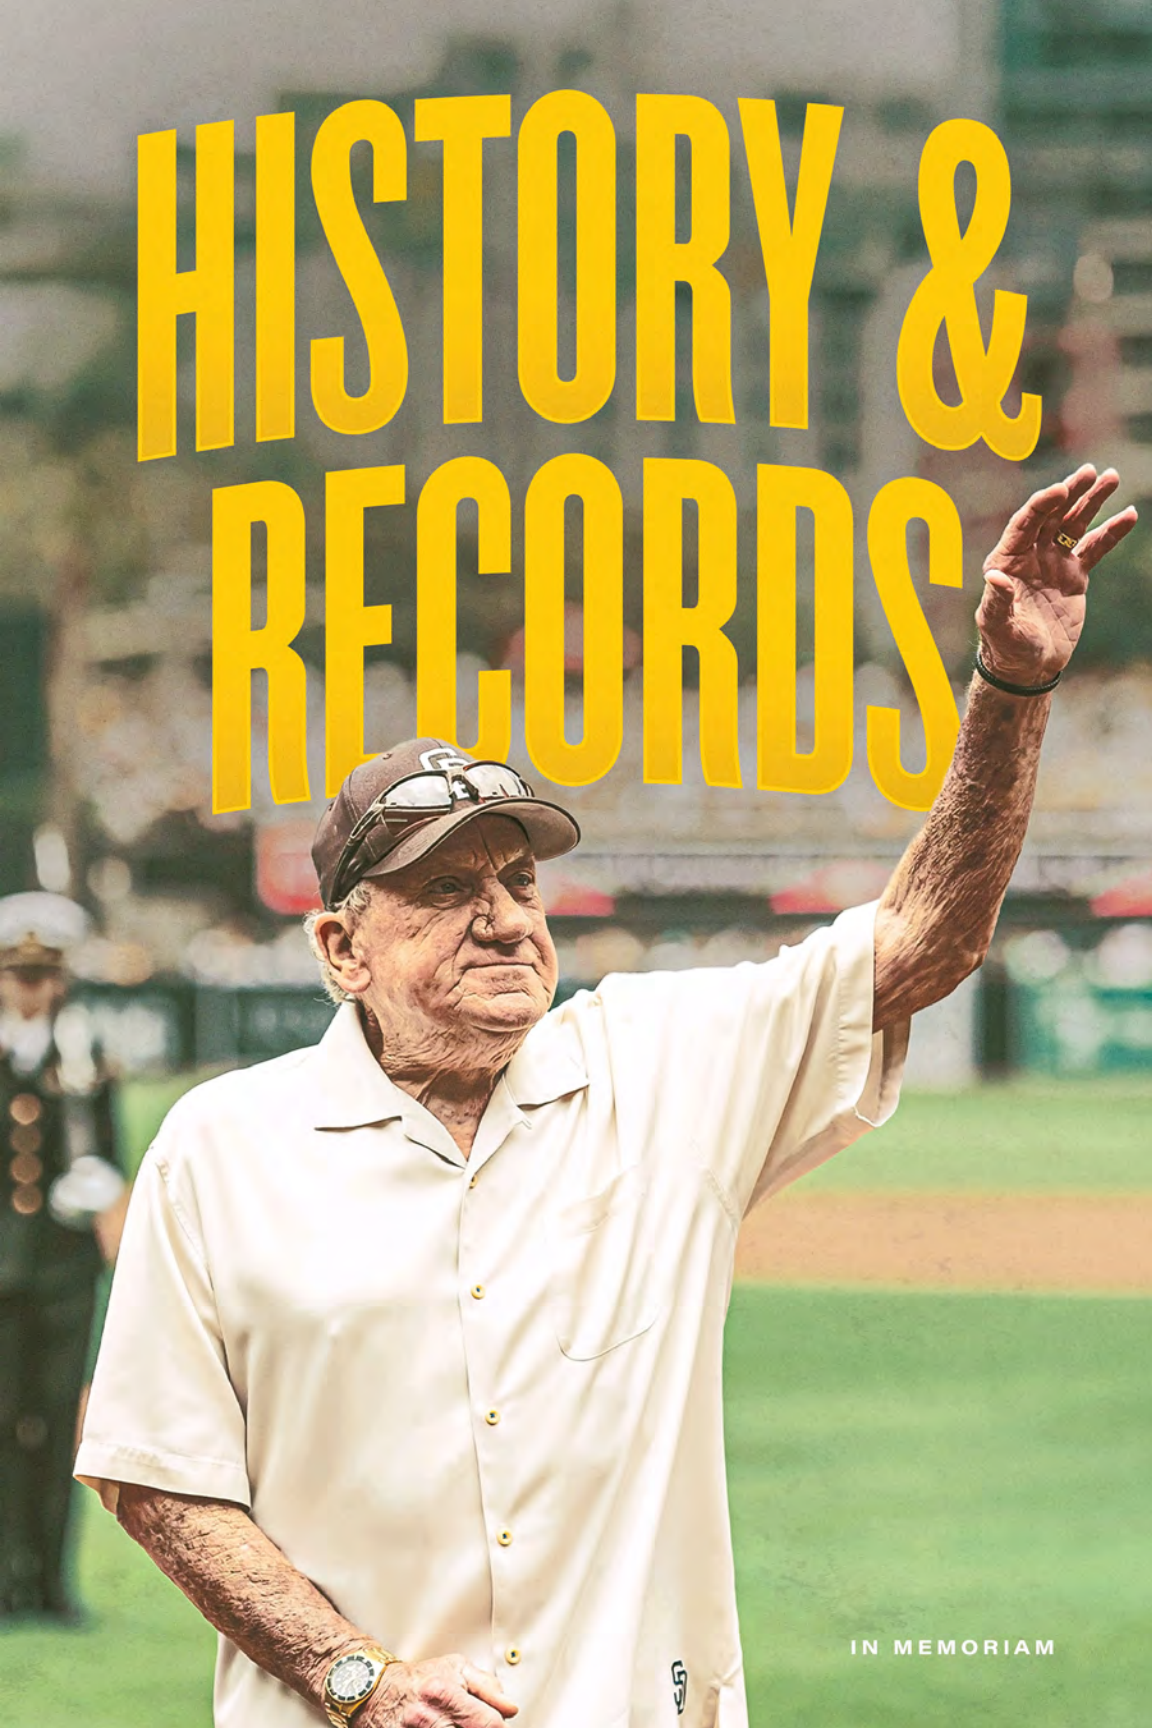
HISTORY & RECORDS



IN MEMORIAM

2025 SEASON

The Padres completed the 2025 regular season with a 90-72 record (.556) with a 2nd place finish in the NL West (3.0 games behind LAD), while earning the 2nd Wild Card spot (2.0 games behind CHC). It was the 4th time in the last 6 seasons that San Diego had reached the Postseason. Entering the playoffs, the Padres ranked 7th among all Major League teams with 25 postseason games since 2020.

San Diego won 7 of their final 8 games during the regular season to ultimately secure the franchise's 6th 90+ win season (1984, 1996, 1998, 2010, 2024, 2025) and their first 90+ win seasons in consecutive years. In addition, the combined 183 wins between the 2024 and '25 seasons are their most ever in consecutive combined years, surpassing their previous totals from 2006 (88-74) and 2007 (89-74). Mike Shildt was the only San Diego manager to win that many games in total successive seasons as there were different managers during the 2006 (Bochy) and 2007 (Black) seasons. Currently, their 183-141 record (.565) is the 5th-best mark in the Majors since 2024 (4th in the NL).

The Padres clinched their Postseason spot in the 1st game of the final homestand vs. MIL on Sept. 22 on a Freddy Fermin extra-inning, walk-off single in the 11th inning, the Padres' 8th walk-off of the season. It was Fermin's 5th career walk-off and his 3rd during the 2025 season, finishing the year as 1 of 10 players to record 3+ walk-offs during the season and the only player to record at least 1 with different teams. Per Elias, it was the 6th instance since 2023 that a club had recorded a walk-off win on the same day that they clinched a playoff spot, and the 1st time in franchise history that the Padres clinched on a walk-off.

The Faithful made Petco Park a playoff atmosphere each game throughout the 2025 season, setting franchise records in both overall attendance and sellout totals. The club finished the regular season with the 2nd-highest average home attendance (42,435) and the 2nd-highest total attendance at home (3,437,201). Out of 81 home games, 72 were Petco Park sellouts including 29 of the 32 games after the All-Star break. The club's home opener had an official attendance of 45,568 fans, the largest Opening Day crowd in Petco Park history, breaking the previous record set on March 30, 2014 vs. LAD. The Padres homestand from Aug. 18-24 marked the highest paid attendance for a 7-game homestand in franchise history with 300,116 fans in attendance, surpassing the previous best homestand that was set during the 1st homestand earlier in the season (284,864). The 62nd sellout on Sept. 9 set a new club record for most sellouts in a single season, surpassing the previous record set in 2023. In all, the Friars finished with a 52-29 record (.642) at home in 2025, tied for the 2nd-best win percentage in the NL and the 2nd-best win rate by a Padre team at home in a season, behind only the 1998 club (54-27, .667). They also finished 20-5-1 in home series, winning 12 of their final 15 (12-2-1) and 14 of the final 18 (14-3-1) with their 20 series wins at Petco Park setting a new single-season franchise record, surpassing the 1988 club (17).

The 2025 success at Petco Park started with a tone-setting Opening Day comeback win over the Braves, thanks to a 4-run, 7th inning rally with a pinch-hit home run by Gavin Sheets in the eventual 7-4 win. Sheets became the 1st player to hit a pinch-hit home run in his 1st plate appearance in a Padres uniform since 2014's Seth Smith (March 30, season opener) and became the 3rd Padre to hit a pinch-hit homer in the team's 1st game of the season (other: Rickey Henderson, 1997; Seth Smith, 2014). Jackson Merrill matched his career high with 4 RBI and became the 1st Padre (21 or younger) to drive in 3+ runs in a season-opener and the 1st MLB player since Carl Crawford in 2003. The Padres went on to sweep the Opening Weekend Series, 4-0, marking just the 3rd time the Padres had swept their 1st series of the season and their 1st 4-game series sweep. It also marked just the 2nd time in franchise history that a Padre team started the season 4-0, joining the 1984 squad.

The Padres went on to sweep the 1st homestand (3-0 vs. CLE) and started the season 7-0 for the 1st time in franchise history and were only 1 of 2 teams to start the season undefeated after Opening Week (other: LAD at 8-0). It was the 1st time since the start of the 3 divisional system (1969) that 2 National League teams started a season with a 7-0 record and were the 1st pair of teams in the Majors with such a start since KC's (9-0) and SF (7-0). The team went on to extend their franchise-best 15-game win streak at home (dating back to Sept. 18, 2024) which was the longest streak by any team since the 2022 Yankees (also 15 G). In addition, the club started their season at home with an 11-0 record for the 1st time in franchise history and tied for the 5th-longest home streak to begin a season in MLB history, behind only the 1907 Giants (15 G), 2023 Rays (14 G), 2009 Dodgers (13 G) and 1911 Tigers (12 G). During the 11-game

2025 SEASON CONT.

stretch, the SD staff threw 6 shutouts and allowed just 15 total runs, becoming the only team in MLB history to record such a stretch through the first 11 home games of a season.

In the midst of their 15-0 win streak at Petco Park, not only did the Padres sweep their 1st meeting against the Rockies, but they did not allow a run in 27.0-straight innings from April 11-13. It was just the 3rd back-to-back-to-back shutout wins in franchise history since the Wild Card Era (Sportradar). The scoreless streak continued when the Rockies returned to Petco Park from Sept. 11-14, shutting out Colorado in Game 1 of the series before eventually having the streak snapped at 41.0 innings after a 3-run home run in Game 2. Per Elias, it was the longest streak at home vs. a single opponent since Minnesota against Kansas City from April 18-Sept. 4, 2004 (42.0 IP). The 41.0-inning streak also surpassed the previous franchise-best 31.0-inning streak vs. Houston that was recorded from April 22-July 26, 1988. The 4-straight shutouts vs. the Rockies from April 11-Sept. 11 were the most consecutive shutout wins against a single team at home in franchise history, either within a single season or spanning multiple innings.

On April 2, the Padres signed Jackson Merrill to a 9-year contract through the 2034 season with a club option for 2035. He kicked off his 2025 campaign on a strong stretch, slashing .378/.415/.676 through his first 10 games before landing on the Injured List on April 8 with a right hamstring strain. During his 2025 season, he had a total of 3 stints on the Injured List, including from June 15-June 22 with a concussion and from August 23-September 1 with a left ankle sprain. After returning from his final stint on the Injured List, he finished the month of September on a high note, with 16 of his 25 hits going for extra bases (7 2B, 2 3B, 7 HR) and a 1.053 OPS. From September 6 through the remainder of the season, he finished tied for the league lead with 16 extra-base hits and was 1 of 3 players to record multiple doubles, triples and home runs during this stretch. Of his 67 RBI on the season, 35 were recorded after the All-Star break (51 G) and 29 within the final 42 games. The Padres went 31-13 in games where he drove in at least 1 run and had won 16 of the final 21 such games.

Fernando Tatis Jr. was named the National League Player of the Week for April 14-20 after he slashed .375/.385/.958 with 3 multi-hit games, leading all players in slugging and runs scored (9), tied for the most home runs (4) and ranked in the Top 10 for extra-base hits (T2nd, 5) and RBI (T8th, 7). It was Tatis' 3rd-career NL Player of the Week Award accolades, his 1st since 2021 (April 25), and was the only Padre to earn the weekly honor during the 2025 season. Since 2020, he is just 1 of 4 players to be named NL Player of the Week 3-or-more times while in a San Diego uniform. He was named a finalist for the 2025 Hank Aaron Award after he finished the season with a single-season career-best 111 runs scored, the 4th most by a Padre in a single season, and was 1 run shy of Greg Vaughn (1998) for the 3rd most. He also set career highs in games played (155), hits (159), walks (89) and stolen bases (32), and was just 1 of 7 players with at least 100 runs scored and 30 stolen bases on the season. The 5-tool player earned his 2nd Gold and Platinum Glove in right field (other: 2023) after finishing the season as one of the most well-rounded outfielders, ranking 3rd in fWAR (6.3), 5th for overall arm strength (95.5 mph), tied for 5th in defensive runs saved (15) and tied for 8th in fielding run value (9). He also earned his 3rd career Electric Play of the Week after robbing a home run off the bat of SF's Rafael Devers on Aug. 20, 1 of his 4 robbed home runs within a 27-game span at Petco Park from August to September.

En route to earning his 3rd career Silver Slugger Award at 3rd base and for the 2nd-straight season, Manny Machado had a milestone year across many offensive stats. He finished his 2025 campaign ranking among NL leaders in 2+ hit games (T5th, 47) and hits (9th, 169), as well as finishing with the 4th-most hard-hit balls (252) and tied for the 7th-most 100.0+ mph balls in play (182) in the Majors. On June 6 at MIL, he tallied his 350th career home run, becoming just the 102nd player in Major League history to record 350+ career home runs and was the 33rd to reach the feat during their age-32 season or earlier and the 1st to reach the milestone at such an age since Mike Trout in 2023 (Elias). On June 9 vs. LAD, with his RBI double in the 1st inning (and later a single in the 3rd), he eclipsed the 1,000-hit mark as a National Leaguer (2018-pres.) and finished the season as 1 of 23 active players to have recorded 1,000+ hits while playing for an NL team. He reached it in during his 940th NL game, the 2nd-fewest games played among active players to reach the milestone and just behind Ozzie Albies (936 G). On July 7 vs. ARI, he singled in each of his first 2 plate appearances, marking his 1,999th and 2,000th career hits to become 1 of 5 active players in MLB to reach the 2,000-hit milestone and the 297th all-time, and became the 45th-youngest player to debut since 1900 to do so (Elias). In all, with 368 home runs and 2,069 hits, he is just the 79th player in Major

2025 SEASON CONT.

League history to reach the 350+ home run and 2,000+ hit milestone. Per Elias, he became the 12th-youngest player to reach both milestones. Of the 11 other players to have reached the feat at a younger age, 8 are Hall of Famers, with Miguel Cabrera and Albert Pujols not yet being eligible for induction.

The Padres recipient for the 2025 Heart & Hustle Award, Luis Arraez, finished the regular slate of games as the NL-leader in hits (181) and ranked among NL players in multi-hit games (T2nd, 49), 3+ hit games (3rd, 19) and average (4th, .292). His double on Sept. 26 vs. ARI was his 30th on the year and his 4th-straight season with 30+ doubles, just 1 of 7 players with 4-straight such seasons. On Sept. 2 vs. BAL, he recorded a 3-hit effort which marked his 998th, 999th, and 1,000th career hit. Per Elias, among players to debut in the last 10 calendar years (2015), he was the 5th-youngest player at the time of his 1,000th career regular season hit at 28 years and 145 days, behind only Vladimir Guerrero Jr. (26-117), Juan Soto (26-237), Rafael Devers (27-256) and Francisco Lindor (27-322). In addition, he was 1 of 5 players to have recorded at least 30% of his career hits with the Padres, including the 1,000th hit game, joining Dave Winfield (1980), Tony Gwynn (1988), Ryan Klesko (2022) and Phil Nevin (2005).

On July 30 vs. NYM, Yu Darvish earned his 111th career Major League win with 7.0-shutout innings and allowing just 2 hits off of 76 pitches (54 for strikes). With the win, he became the all-time leader for the most combined wins by a player between Japan's Nippon Professional Baseball and Major League Baseball, passing Hiroki Kuroda. Across his 208 career wins, 115 have been earned in MLB and 93 in NPB. He finished the regular season with a 5-5 record, his 12th overall season recording 5+ wins in a single season and his 7th-straight year (including 2020). He finished as 1 of 7 pitchers to have recorded such a streak since 2019 and became 1 of just 8 pitchers to record at least 12-such seasons since 2012 with Sonny Gray, Clayton Kershaw and Max Scherzer having more (13).

Dylan Cease also crossed off a few milestones during the 2025 season, including his 186th start on Sept. 13 vs. COL. With the strikeout of Yanquiel Fernández to end the top of the 2nd inning, Cease eclipsed the 1,000.0 innings pitched milestone and is 1 of 60 active players in the league to surpass the milestone and 1 of 16 to reach the mark since his rookie season in 2019. Later in the 4th inning with the strikeout of Ezequiel Tovar, he became the 6th player in 2025 to reach the 200-strikeout mark and has eclipsed 200+ strikeouts in 5-straight seasons (2021-25), the only pitcher to record 5+ such consecutive seasons. With his 30th start on Sept. 13 vs. COL, he made at least 30 starts in the last 5-straight seasons, dating back to 2021.

Padres Manager Mike Shildt managed his 750th career game in the series finale at Minnesota on Aug. 31 (L, 7-2). Following the game, he owned an overall 421-329 record (.561) between the St. Louis Cardinals from 2018-21 (252-199; .559) and the Padres from 2024-25 (169-130; .565). Per Elias, it was the 6th-best regular season record through a manager's first 750 games within the last 40 years. He finished the year above .500 in each with his 3 full regular seasons (excluding his July 2018 interim managerial role and the COVID-shortened 2020 season) and managed 90+ win years in all of them.

San Diego saw 5 players named to the NL All-Star team in the 95th annual Midsummer Classic in Atlanta, Ga., with all 5 making an appearance in the game. It was the 2nd-straight year that the Padres had 5 players represented at an All-Star Game and the 1st time the club had 5+ players at an ASG in consecutive years. Per Elias, the Padres were the 1st team to ever have 3+ relief pitchers selected to the All-Star Game in the same season. Manny Machado was named the NL starting third baseman, as voted on by the fans, for his 7th overall All-Star nod and 4th fan-elected start in his career, becoming the 1st San Diego third baseman to win multiple fan-elected starts (other: 2022). Fernando Tatis Jr. earned his 3rd career All-Star selection (other: 2021 & 2024) and his 2nd-straight since moving to the outfield, becoming just the 3rd Padre to be named to multiple All-Star rosters as an outfielder. Jason Adam earned his 1st All-Star nod after being selected via the Player Ballot, while Robert Suarez and Adrian Morejon were added to the rosters as replacements. Suarez replaced Chris Sale, marking his 2nd-straight All-Star game, while Morejon made his 1st All-Star team after replacing Zack Wheeler.

As highlighted by the All-Star selections of Adam, Suarez and Morejon, the Padres bullpen was one of the most consistent and solid contributors to the team's success in 2025, leading most bullpens in many categories en route to setting single-season franchise records with 44 wins and a .209 opponents' average. They led all bullpens in saves (49), save percentage (75.4%), ERA (3.03), WHIP (1.15), opponents' slash line (.209/.293/.326), opponents' OPS (.619), hits per 9.0 innings (6.83) and baserunners per 9.0 innings (10.82), and were tied for the most wins (44).

Prior to his season-ending injury on September 1 with a ruptured left quadriceps tendon, Jason Adam had earned a single-season career-high 8 wins (T3rd in MLB), while he also ranked among Major League relief leaders in holds (T2nd, 30), ERA (6th, 1.81) and innings pitched (64.2) at the time of his injury. He logged 47 games through the 1st half of the season and became the 1st Padre pitcher to throw 45+ games before the All-Star break since Joe Thatcher in 2013 (45 G), ranking tied for 3rd overall in Padre history. His 1.70 ERA before the All-Star break was the 2nd lowest in SD history among pitchers who threw 40+ games, behind only Mike Adam in 2011 (1.32 ERA, 41 G).

As another core member of the bullpen, Jeremiah Estrada ranked in the league with a handful of single-season career bests, including strikeouts (1st, 108), holds (T3rd, 33) and games (4th, 77), while also setting career bests in innings pitched (73.0) and saves (3). His 108 strikeouts were the 6th most by a Padre reliever in a single season and became just 1 of 8 Padre relievers to record a triple-digit strikeout season (10th time overall), the 1st pitcher since Kirby Yates in 2019 (101 SO). His 33 holds were the 6th most in a single season in Padre history and the most since Mike Adams in 2010 (38 holds). From Aug. 31 through Sept. 14, he had 7-straight outings with 2+ strikeouts and was the 3rd-longest streak by a short-inning Padre reliever in club history, behind only Miguel Díaz (July 8-Sept. 7) and Brad Hand (May 5-18) in 2018.

Adrian Morejon had a career year during his 2025 campaign, not only setting career bests across every pitching stat but turning out one of the best overall seasons among relievers and in Padre history. He threw to a 13-6 record with 3 saves and 21 holds, a 2.08 ERA (17 ER, 73.2 IP), an opponents' slash line of .186/.235/.236 with just 8 extra-base hits allowed (5 2B, 3B, 2 HR) and 70 strikeouts to 17 walks. He was just the 5th pitcher in franchise history to record 10 wins as a reliever and set a new single-season record for SD with 13 wins, the most by any Major League reliever since Ryan Yarbrough in 2018 (14). He finished the season tied for the lowest inherited runner scored percentage in the Majors at 11.1% (5-for-45 IRS) and tied for the 2nd-lowest mark in club history with Joe Thatcher (2013) and behind only Brad Brach in 2012 (10.9%; 5-for-46). He only allowed 1 home run through his first 34 games in the season (32.2 IP) and finished the season with the 2nd-lowest HR/9.0 innings (0.24) among Major League relievers in 2025.

Rounding out the four horsemen, a term coined by manager Mike Shildt, Robert Suarez held down the bullpen in the closer role, recording a career-high 40 saves and was just 1 of 2 pitchers to hit the 40-save mark in 2025 (other: Carlos Estevez's 42), while his

2025 SEASON CONT.

88.9% save rate (40-of-45) was 7th-best in the Majors but only 1 of the 7 to have more than 35 save opportunities. He became the 5th Padres reliever to reach the 40-save mark in a single season). He started the season by earning NL Reliever of the Month accolades for March/April, the 2nd such accolade of his career (other: May 2024) after going a perfect 12-for-12 in save opportunities, recording a 0.64 ERA (1 ER, 14.0 IP) and 3 walks to 16 strikeouts. He held opponents to a .106/.160/.149 slash line and faced just 8 batters above the minimum (5 H, 3 BB), while his 12 saves led the league and also ranked 3rd in the NL for opponents' average and tied for 5th in innings pitched. He began the season with 6-straight hitless outings, setting a franchise record and ranked as the 3rd-longest streak to start the 2025 season in the Majors. He also set single-season highs in games (70), innings pitched (69.2), strikeouts (75) and games finished (56). His 28 saves were the 2nd-most among all San Diego closers prior to the All-Star break, trailing only Kirby Yates' 30 in 2019. His 73 saves when he made his 200th career appearance on Sept. 11 vs. COL were the 3rd most in Padre history through their first 200 outings, behind only Rollie Fingers (85) and Trevor Hoffman (89).

On the final day of the trade deadline, the Padres made a series of large acquisitions which included Mason Miller and JP Sears from the Athletics; Freddy Fermin from the Kansas City Royals; Will Wagner from the Toronto Blue Jays; Ramón Laureano and Ryan O'Hearn from the Baltimore Orioles; and Nestor Cortes, Jorge Quintana and cash from the Milwaukee Brewers.

The addition of Miller strengthened an already elite bullpen, throwing to a 0.77 ERA (2 ER, 23.1 IP) and holding opponents to a .096/.205/.137 slash line with 45 strikeouts to 10 walks and allowing just 1 extra-base hit in his 22 games with SD. He finished the regular season with the longest-active scoreless streak in the Majors at 21.1 innings (dating back to Aug. 6). In the top of the 8th inning of Sept. 3 vs. Baltimore, he also threw the 121st immaculate inning in MLB history and only the 2nd in Padre history, joining Brian Lawrence (3rd inning; June 12, 2002 at BAL).

After a dominant start to his Padre career, Miller was named Reliever of the Month for Sept. It was the 2nd accolade of his career (other: March/April 2024) after recording a near perfect month where he threw scoreless relief in all 11 outings (12.1 IP) while allowing just 1 hit across 37 at-bats (.027) with 26 strikeouts to 5 walks. He finished his 2025 regular season campaign with 10.0-straight hitless and scoreless innings with 21 of his 30 outs recorded coming via the strikeout. Along with Suarez, it was the 1st time a duo of Padres had won NL Reliever of the Month accolades in the same season.

With the No. 25 overall pick in the 2025 MLB First-Year Player Draft, the San Diego Padres selected left-handed pitcher Kruz Schoolcraft from Sunset High School (Ore.). Schoolcraft, 18, was a 2-time Gatorade Oregon Player of the Year and 2025 Prep Baseball Oregon Player of the Year. In total, the Padres signed all 19 draftees in addition to 11 non-drafted free agents for a combined 15 position players (5 OF, 5 SS, 1 3B, 1 1B, 3 C) and 15 pitchers (11 RHP, 4 LHP). The club signed 27 college players and 3 from the high school ranks.

From July 19, 2024 through April 22 at Detroit, the Padres were not shut out in 86-straight games before falling to the Tigers, 6-0, in the series finale on April 23. At the time, it was the longest active streak in the Majors with the next closest team being Boston at 34 games. It was the 2nd-longest streak by a Padre team, behind only the franchise-record 103-game streak from June 21,2004-April 13, 2005.

On the flip side, San Diego recorded 17 shutout wins in 2025, tied for the 4th most in franchise history and the most since the 2010 club who recorded a franchise-tying 20 shutouts. They finished the 2025 season tied for the 2nd-most wins with DET, behind only PIT (19). Of the team's 17 shutouts, 14 came prior to the All-Star break, setting a franchise record and was the most by any Major League team in the 1st half of the season since 2014's STL (17 SHO) and TEX (14 SHO). Since the 1st All-Star Game in 1933, the Padres were just 1 of 16 teams to ever record 14+ shutouts before the All-Star break.

Throughout the season, the Padres found themselves in a lot of tight games, half to be exact, as the club played in 81 games where the final score was decided within 2 runs. The Friars finished the regular season with a 46-35 record (.568), the 3rd-most wins and 6th-best record in such games. Of the 81 games, 53 were 1-run games, tied for the 4th most in the Majors while they were just 1 of 2 teams to record 30+ wins in 1-run matchups (30-23). They became the 1st Padre team since the 2014 club to play in 50+ 1-run games while recording better than a .550-win rate.

The Friars recorded 6 grand slams throughout the 2025 season, all of which came in the 2nd-half of the year, and 3 of which came within the final 10 games of the season. The 6 grand slams were tied for the 5th-most in the Majors, while SD was the only team to record more than 5 in the 2nd-half of the season. It ranked tied for 5th overall in a single season in franchise history and the 3rd time in the last 6 seasons that the Padres had recorded more than 5 grand slams. It was also the most in a single month in franchise history since Aug. 2020 (6 grand slams), while matching their most in the month of Sept./Oct. (other: 2001, 1989).

The Padres finished the season as one of the best 2-strike hitting teams in the league. They ranked 2nd in the league (1st in the NL) with a .192 average (549-for-2857) and 3rd in game-winning RBI with 2 strikes (37), and logged the 3rd-fewest strikeouts (1,160). As the toughest hitter to strike out in the league, Luis Arraez led all ML players in 2-strike hitting in both average (.287) and hits (78-for-272). He finished the year as only 1 of 2 players to record more walks than strikeouts, while his 32.14 PA/SO (675 PA, 21 SO) was more than 2x higher than the next closest player. In addition, his 65 total whiffs in 2,468 pitches seen on the season were not only the fewest among qualified players, but were the fewest by any player who saw at least 900 pitches.

On the basepath, the Friars finished the 2025 season with the 4th-best stolen base percentage in the NL (77.9%), going 106-for-136 in stolen base attempts while their 27 stolen bases of 3rd base were the most in MLB. Fernando Tatis Jr.'s new career-high 32 stolen bases were tied for the 7th-most swiped bags in the NL and ranked 2nd in MLB with 12 stolen bases of 3rd bases. In addition, his 12 stolen bases of 3rd are tied for the 2nd most by a Padre in a single season. Xander Bogaerts finished the season 20-for-22 in stolen base attempts, setting a new career high. Among players with 20+ stolen bases in 2025, his 90.9% stolen base rate is tied for the 6th highest in the Majors and 2nd in the NL.

The Padres travelled to Chicago to face the Cubs in the 3-game Wild Card Series for only the 2nd time the two franchises had faced each other in Postseason history. SD dropped Game 1 of the series, 3-1, in a tale of 2 halves as Nick Pivetta (5.0 IP, 3 H, 2 ER, 9 SO) retired 15 of his 18 batters faced while the Cubs bullpen retired 17 of the final 18 Padres to end the game. In a must-win Game 2 to extend the season, the Padres bounced back in shutout fashion (3-0) with a 2-run home run by Manny Machado and a collective scoreless effort by the pitching staff (Cease, Morejon, Miller, Suarez). In the winner-moves-on Game 3, the Padres rally in the 9th-inning was too late to come back from as they ultimately fell 3-1.

1984 NL CHAMPIONSHIP SERIES

The 1984 Padres became the first team in NLCS play and only the second team in Championship Series history to come back from a 2-0 deficit to win the series (1982 Milwaukee Brewers in the ALCS). The Chicago Cubs hit six home runs in the first two games at Wrigley Field, winning 13-0 and 4-2. But in their return home to San Diego, consecutive record-breaking crowds filled San Diego/Jack Murphy Stadium as the Padres swept the trio of home games, advancing to their first-ever World Series. First baseman Steve Garvey hit .400 (8-for-20) in the five games en route to his second-career NLCS MVP Award. In Game 4, Garvey went 4-for-5 with a dramatic two-run HR off Cubs' ace reliever Lee Smith in the bottom of the ninth. The Padres rallied from a three-run deficit in the fifth game, with Craig Lefferts earning the win in each of the final two games.

1998 NL CHAMPIONSHIP SERIES

The Padres were considerable underdogs heading to Atlanta to take on the Braves, on the Atlanta, the "team of the '90s." San Diego had not played in the NLCS in 14 years, and the start of the series opener at Turner Field was further delayed by rain by 2 hours and 1 minute. The game started at 10:16 p.m. and went into extra innings, capped by a 10th-inning solo home run from Ken Caminiti to win 3-2.

The Padres claimed Game 2 behind Kevin Brown's three-hit, complete game shutout, fanning 11 in the process. In front of 62,779 at Qualcomm Stadium in Game 3, Sterling Hitchcock and four relievers led the Friars to a 4-1 win, combining to allow one run with 12 strikeouts and out-pitching four-time Cy Young winner Greg Maddux. The Braves claimed both Games 4 and 5, and back at Turner Field, Sterling Hitchcock, the eventual NLCS MVP fanned eight in 5.0 innings of two-hit, shutout ball. The Padres plated five runs in the sixth, advancing to their second World Series with a 5-0 win.

1998 WORLD SERIES

The Padres made their first World Series appearance in 14 years in taking on the New York Yankees, who had tied the American League record with 114 regular season wins. In the series opener at Yankee Stadium, the Friars stormed to a 5-2 lead on a two-run home run off the bat of Greg Vaughn in the third and back-to-back homers by Tony Gwynn and Vaughn in the fifth. In the seventh, New York plated seven runs with Chuck Knoblauch's game-tying, three-run homer and Tino Martinez's game-winning grand slam.

In the second game, New York scored nine runs on 14 hits in the first five innings on the way to a 9-3 win, shifting the series to the West Coast. Game 3 went scoreless until the sixth, when San Diego struck first with an RBI single by Tony Gwynn. The Padres went up 3-0, but Yankees retaliated with two runs in the seventh and three in the eighth. The Padres closed to within 5-4 in the eighth before Mariano Rivera ended the Friars' threat. In Game 4, before the largest crowd to ever see a baseball game in San Diego (65,427) the Padres and Yankees were locked in a scoreless tie until the sixth, when New York broke through against Kevin Brown on an RBI groundout. Then in the eighth, the Yanks extended the lead on an RBI single by Brosius and a sac fly by Ricky Ledee. Rivera worked out of a bases-loaded jam in the eighth and shut down the Padres in the ninth as the Yankees closed out their 24th World Series Championship.

2005 NL DIVISION SERIES

The Padres, crowned National League West Champions with an 82-80 record, traveled to St. Louis to face the NL Central Champion Cardinals in the second postseason meeting between the two clubs (first: 1996 NLDS). NL strikeout leader Jake Peavy was tagged for eight runs on eight hits over 4.1 innings, and he was forced from the game by a previously injured fractured rib. The Padres plated three runs in the ninth to cut the lead to 8-5 before Ramon Hernandez struck out with the bases loaded to end the game.

Pedro Astacio started Game 2 at Busch Stadium, and though he allowed just three hits, he issued three walks. Though the Padres scored two late runs and out-hit St. Louis for a second consecutive game, they fell by a score of 6-2. The Padres returned to San Diego two days later, hosting their first-ever postseason game at Petco Park, though the Friars fell 7-4 in the final game of the series.

2006 NL DIVISION SERIES

In winning its second straight National League West Division title in 2006, the Padres made back-to-back trips to the postseason for the first time in franchise history. The Padres finished with an identical 88-74 record as the Los Angeles Dodgers, but they claimed the crown after winning the season series, 13-5.

The Friars drew the St. Louis Cardinals in the first-round of the playoffs for the second consecutive year, marking the third playoff meeting between the two clubs since 1996. In Game 1, Jake Peavy took the mound, blanking the Cardinals for 3.0 innings before giving up five runs over the next 2.1 frames. 2005 National League Cy Young Award winner Chris Carpenter limited San Diego to one run in the Padres' 5-1 loss. In Game 2, veteran David Wells held St. Louis to two runs over 5.0 innings, but STL's Jeff Weaver combined with four relievers to blank San Diego 2-0 in front of 43,463 at Petco Park. In Game 3 in St. Louis, Chris Young shut out the Cardinals for 6.2 innings at the new Busch Stadium, and Trevor Hoffman pitched a perfect ninth for his first postseason save since the 1998 NLCS. The 3-1 win was the first postseason victory for the Padres since clinching the National League Pennant in 1998. In Game 4, Chris Carpenter tossed 6.0 scoreless frames against San Diego, and the eventual World Series Champion Cardinals bested the Friars 6-2.

2020 NL WILD CARD SERIES

In the 60-game regular season, shortened by the COVID-19 pandemic, the Padres clinched their 1st Postseason berth since 2006 with their 7-4 win on September 20 vs. Seattle. The Padres faced off against the St. Louis Cardinals in the Wild Card Series, losing the first game 7-4 before winning the next two 11-9 and 4-0, respectively.

In Game 2, both Fernando Tatis Jr. and Wil Myers hit two homers apiece, marking the 2nd time in MLB history that teammates homered multiple times in the same Postseason game. The other time was 88 years ago exactly by NYY's Babe Ruth and Lou Gehrig on October 1, 1932 in Game 3 of World Series @ CHC, which was the fabled game in which Ruth called his shot in the 5th inning.

The San Diego bullpen worked 6.2-or-more innings in all three games for just the second time in MLB Postseason history, and they became the 1st team in Postseason history to use 8+ pitchers in three straight games. It marked the Padres first Postseason series win since they defeated Atlanta in the 1998 NL Championship Series.

2020 NL DIVISION SERIES

The Padres faced the eventual World Series Champion Los Angeles Dodgers in the best-of-five series at Globe Life Field in Arlington, Texas. Due to the pandemic, the two teams quarantined prior to their travel to Texas, and they also stayed at the same hotel in Dallas.

In Game 1, starter Mike Clevinger (acquired by SD from Cleveland on August 31, 2020) was unable to make it out of the 2nd inning, leaving the game with an injury (would later undergo Tommy John surgery on November 17, 2020). LHP Ryan Weathers made his Major League debut in the third inning, and he worked 1.1 IP of hitless, scoreless ball while striking out 1 with 2 walks.

In Game 2, center fielder Cody Bellinger robbed Fernando Tatis Jr. of a 7th inning, go-ahead home run. Despite cutting the deficit to 6-5 in the 9th inning, the Padres had their come-from-behind threat end with the bases loaded.

In the final game of the series, San Diego fell 12-3 to the Dodgers to end the Friars' World Series bid. Adrian Morejon got the start, and the Padres used a MLB Postseason record 11 pitchers in the game. On a postgame Zoom interview, Fernando Tatis Jr. said: "This is a growing pain. We're just getting started."

2022 NL WILD CARD SERIES

The Padres claimed Game 1 of the NL Wild Card Series in New York with Yu Darvish on the mound. Darvish's 7.0 innings were the most he had ever worked in a playoff game, and the Padres homered 4 times off starter Max Scherzer.

San Diego lost the second game 7-3, with Blake Snell going 3.1 innings with 6 walks. In the elimination game, the Padres had Joe Musgrove on the mound, making his 1st-career Postseason start. He tossed 7.0 scoreless innings with 1 hit allowed and only 2 baserunners. He struck out 5 and walked 1 in 89 pitches, and entering the bottom of the 6th, Mets' Buck Showalter requested the umpires search Musgrove for illegal substances, of which they found none. Musgrove became the 1st pitcher in MLB Postseason history to toss 7.0 scoreless innings with 1 or 0 hits allowed in an elimination game.

2022 NL DIVISION SERIES

Going against the 111-win Dodgers, the Padres beat LA in four games in the NL Division Series. Their only loss to the Dodgers came in Game 1 in Los Angeles, when Mike Clevinger went just 2.2 innings with 5 runs allowed. San Diego claimed Game 2 in Chavez Ravine, Yu Darvish punched out 7 Dodger batters and went 5.0 innings with 3 runs allowed. Relievers Robert Suarez and Nick Martinez both recorded holds with 2.2 scoreless innings, and Josh Hader entered the game with 2 outs in the 8th, recording his 1st save of 4+ outs since August 14, 2020 with Milwaukee.

In the 8th inning of Game 2, a greater whitefronted goose made its way to Chavez Ravine, flew to shallow right field, and set up camp. Bright lights can disorient birds that migrate at night, which this species does. The goose became the Padres 2022 Postseason mascot, flying with them to the NLCS.

Game 3 in San Diego marked the Padres' 1st playoff game at home in front of fans since October 5, 2006 vs. the Cardinals in the NLDS. After being held scoreless through 6.0 innings (primarily by Dodgers' starter Tyler Anderson) the Padres mounted a 5-run comeback in the 7th inning to send the Dodgers home and advance to the NLCS for the 3rd time in their history and their 1st in 24 years.

The Friars' win over LAD was the had been second instance in baseball history in which a team won a Postseason series against their opponent that finished with 22+ more wins than them: the White Sox vs. Cubs in the 1906 World Series (Cubs had 23 more wins).

The Padres went 5-14 in the regular season vs. LAD and they ended the regular season trailing the Dodgers by 22.0 games. There have been 3 other teams in baseball history to win a Postseason series in which they finished the regular season with as low (or lower) a winning percentage as the Padres' .263 against the Dodgers this year (minimum 10 games played): the 1983 Phillies beat the Dodgers in the NLCS (went 1-11, .083 vs. LAD), the 1988 Dodgers beat the Mets in the NLCS (went 1-10, 0.91 vs. NYM), and the 1971 Pirates beat the Giants in the NLCS (were 3-9, 0.25 vs. SF)

With the Padres finishing 15th in OPS (.700) and the Dodgers leading MLB with their OPS (.775), there have now been just four instances in MLB history in which a team finished 15th or worse in OPS and defeated a team in a Postseason series who led MLB in OPS. Prior to the Padres win over the Dodgers, the White Sox (16th in OPS) defeated the Red Sox in the 2005 ALDS, the Braves (18th) bested the Indians in the 1995 World Series, and the Cardinals (17th) defeated the Brewers in the 1982 World Series.

2022 NL CHAMPIONSHIP SERIES

After defeating the Dodgers in the NLDS, the Padres advanced to their third Championship Series in club history and their 1st in 24 years (previously in 1984 versus the Cubs and 1998 versus the Braves). The Friars fell in 5 games, winning just Game 2 in San Diego.

San Diego was shut out 2-0 in Game 1, despite starter Yu Darvish working 7.0 innings, of 3-hit ball. In Game 2, the Padres overcame a four-run deficit to win 8-5, the largest a comeback a Padres team had ever made in a Postseason game that they went on to win. In the second game, Austin Nola faced his younger brother, Aaron, and in his second at bat, he lined an RBI single to right-center field. They became the 1st pair of brothers to ever faced one another as batter/pitcher in the Postseason and were the sixth set of brothers in MLB history to face off in a Postseason game.

In Game 3 and their 1st of the series in Philadelphia, Joe Musgrove allowed 4 runs as Friars fell 4-2. The Padres offense went 0-for-7 with RISP. In Game 4, after the Padres put up a 4-run bottom of the 1st inning, starter Mike Clevinger did not record a single out, allowing 3 runs on 3 hits with a walk. Phillies' Bailey Falter also did not make it out of the 1st, which was the 2nd time ever in a playoff game in which both starters didn't get out of the 1st (1st was in Game 4 of the 1932 World Series (Yankees vs. Cubs). It was also the fist time since 1996 in which a pair of pitchers on the same team combined to allow eight or more earned runs in 1.1 innings or fewer in a Postseason game (first since Game 7 of the 1996 NLCS in which Cardinals' Mark Petkovsek and Donovan Osborne allowed nine earned runs in 1.1 IP @ Atlanta).

San Diego saw its season end in Game 5 in Philadelphia, falling 4-3 to the Phillies. Bryce Harper hit a opposite field, two-run, go-ahead home run in the eighth inning of Robert Suarez to give Philadelphia their eventual game-winning runs.

2024 NL WILD CARD SERIES

2024 marked San Diego's 8th playoff appearance in club history and their 3rd since 2020, joining the following teams: 1984, 1996, 1998, 2005, 2006, 2020, & 2022. San Diego shut out the Atlanta Braves 4-0 in Game 1 of the NL Wild Card Series on October 1 behind starter Michael King's 7.0 shutout frames. In his start, he became the 1st pitcher in MLB history to punch out 12 with 0 runs and 0 walks allowed in his 1st-career Postseason start. Fernando Tatis Jr. and Kyle Higashioka both homered in SD's 4-0 win. In Game 1 of the Wild Card Series, the Padres became the 1st team in MLB Postseason history to have 15 punchouts in a shutout win and 0 walks allowed. At 21 years and 165 days old in Game 1 of the Wild Card Series, Jackson Merrill became the youngest Padre to ever record a Postseason hit and the 5th-youngest player in MLB history to start a Postseason game in center field behind Bryce Harper, Willie Mays, Mickey Mantle and Andruw Jones.

In Game 2 of the Wild Card Series, the Padres scored 5 runs in the 2nd inning and bested Atlanta 5-4, sending San Diego to the Division Series against the Dodgers. In the 2nd inning, the Padres logged 6 straight, 2-out hits to plate 5. Kyle Higashioka hit his 2nd home run in as many games to tie the game at 1-1, Manny Machado hit a 2-run double, and Jackson Merrill hit a 2-run triple. Merrill became the youngest player since Xander Bogaerts in 2013 to hit a triple in the Postseason (did so on Oct. 26, 2013 BOS @ STL), and he also became the 1st SD rookie to have 2 XBH in a Postseason game in club history. In Game 2, the Padres became the 1st team in MLB Postseason history to have 6 consecutive hits and hit for the cycle in the same inning...they also did it all with 2 outs in the inning (h/t @OptaStats).

Starter Joe Musgrove exited the game in the in the 4th inning with right elbow tightness after tossing 3.2 innings of 1-hit, 1-run ball. He would later announce before the NLDS on October 4th that he would require Tommy John surgery. San Diego employed 5 relievers: Bryan Hoeing (1.1 IP), Jeremiah Estrada (0.2), Tanner Scott (1.1 IP), Jason Adam (1.0), and Robert Suarez (1.0). They combined for 5.1 innings of 5-hit, 3-run ball with 4 strikeouts and a walk.

2024 NL DIVISION SERIES

San Diego played the Dodgers in the National League Division Series for the 3rd time in the last five years, dropping Game 1 of the series on October 5th with their 7-5 loss. The Padres plated 3 in the 1st inning, which included a Manny Machado 2-run home run to left field. Shohei Ohtani hit a game-tying, 3-run home run in the 2nd, and Xander Bogaerts responded with a 2-run double in the 3rd...the Dodgers plated 3 runs in the 4th, and added on in the 5th. Starter Dylan Cease went just 3.1 innings with 5 runs allowed (earned) on 6 hits, 2 walks, and 5 strikeouts. He allowed 2 walks and a home run (Ohtani's in the 2nd).

San Diego combined for six home runs against the Dodgers in Game 2 of the NLDS on Sunday in Los Angeles, besting the Dodgers 10-2 and setting a Padres' Postseason home run record. They became the 1st team in MLB history to hit six home runs in a road Postseason game. Starter Yu Darvish pitched 7.0 innings of 1-run ball, allowing just 3 hits and 2 walks with 3 strikeouts. Fernando Tatis Jr. hit a pair of home runs for his 2nd-career multi-homer Postseason game (1st was on October 1, 2020 vs. STL in the Wild Card Series)...he added a double, going 3-for-4 with 3 RBI and 3 runs scored. Jurickson Profar robbed a would-be Mookie Betts' home run in the 1st inning, reaching into the left field bleachers and keeping the Padres' lead at 1-0. After Tatis' 1st inning homer, David Peralta hit a 2-run homer in the 2nd, Jackson Merrill hit a 2-run homer in the 8th, Xander Bogaerts hit a solo homer after Merrill (the Padres' 5th time in club history going back-to-back), Tatis homered again in the 9th (a 2-run shot), and Kyle Higashioka added a solo homer in the 9th. Dodger fans, upset to see their team losing, resorted to throw baseballs, trash, and beer onto their field and into the Padres' bullpen, directed at Padres' players.

In Game 3 of the NLDS in San Diego, the Dodgers took an early 1-0 lead in the 1st via a Mookie Betts' home run. San Diego mounted a 6-run 2nd inning, setting a club Postseason record for runs scored in a single frame. In the 2nd, Manny Machado scored via a fielder's choice by SS Miguel Rojas, David Peralta hit a 2-RBI double to right, Kyle Higashioka logged a sac fly to CF, and Fernando Tatis Jr. hit a 2-run home run to left-center field. In the next half inning, the Dodgers loaded the bases against starter Michael King, and Teoscar Hernández hit a grand slam to center field to make it a 6-5 game. King went 5.0 innings with 5 runs allowed on 5 hits, 1 walk, and 3 SO. San Diego employed 4 relievers: Jeremiah Estrada (1.0 IP), Jason Adam (1.0 IP), Tanner Scott (0.2 IP), and Robert Suarez (1.1 IP) to hold the Dodgers at bay, combining for 4.0 IP of 1-hit, shutout ball with 0 walks and 6 strikeouts. The Padres allowed a grand slam, only scored in 1 inning, and didn't score after the 2nd inning. No other team in MLB history has done all of that and yet still won the game (regular season or Postseason).

On October 9 in Game 4, the Dodgers shut out the Padres 8-0 to force a decisive Game 5 in Los Angeles. Starter Dylan Cease made his 1st career start on just 3 days rest, and he went just 1.2 innings with 3 runs allowed (earned) on 4 hits, 1 walk and 1 strikeout.

Yu Darvish got the start for the Padres in the winner-take-all Game 5 on October 11, and despite pitching 6.2 innings of 2-hit ball, the 2 hits were home runs from Kiké Hernández (solo HR in the 2nd) and Teoscar Hernández (solo homer in the 7th)...the Padres were held scoreless again in the game, amassing just 2 hits (Luis Arraez and Kyle Higashioka). San Diego finished the regular season on a 24.0 innings scoreless streak, tying with the 1917 Chicago White Sox for the 6th-longest scoreless streak by an offense in MLB Postseason history. In the 2024 regular season, the Padres prior longest scoreless stretch was 19 innings (h/t @Elias).

2025 NL WILD CARD SERIES

The Padres made their 9th Postseason appearance in club history in 2025, their 4th in the last 6 seasons and just the 2nd time that the club has made playoff appearances in consecutive seasons (other: 2005 & 2006). Entering the playoffs, the Padres were 3-0 all-time in the Wild Card 3-game series and ranked 7th among all Major League teams with 25 overall postseason games since 2020.

As the 2nd Wild Card seed, the Friars travelled to Chicago to face the Cubs, beginning on Sept. 30. The Padres dropped Game 1 by a score of 3-1, in a tale of 2 halves as Nick Pivetta (5.0 IP, 3 H, 2 ER, 9 SO) retired 15 of his 18 batters faced, while the Cubs bullpen silenced the Padre offense, retiring 17 of the final 18 to end the game. Pivetta joined Michael King (2014) and Sterling Hitchcock (1998) as the only Padres starting pitchers to strikeout 9+ batters without issuing a walk in their postseason start. In total, the Friar staff struck out 13 batters, tied for the 3rd most in a single postseason game in club history with 4 of the top 6 instances having been recorded since 2022. Making his postseason debut, reigning Reliever of the Month (Sept.) Mason Miller (1.0 IP, 3 SO) closed out his month of Sept. (reg. and postseason) with 13.1-straight scoreless innings, where he allowed just 1 hit across 40 opponent at-bats (.025) and recorded 29 of 40 totals outs via the strikeout (72.5%).

In a must-win Game 2 to extend SD's season, the Pads bounced back with a 3-0 shutout behind clutch hitting from Manny Machado (2-run home run) and stellar pitching performances from Dylan Cease (3.2 IP, 3 H, BB, 5 SO), Adrian Morejon (W, 2.1 IP, SO), Mason Miller (Hld., 1.2 IP, 5 SO) and Robert Suarez (SV, 1.1 IP, H). It was the 6th shutout win in postseason history for the Padres with the last 4 shutouts being recorded since 2020. In his 2nd postseason appearance just a day after his playoff debut, Miller put on a show, retiring all 6 batters faced, 5 of which came via the strikeout. Through his first 2 career postseason outings, he threw 2.2-hitless and scoreless innings with 8 strikeouts. Per Elias, he became the 1st ever player to strikeout out the first 8 batters he faced in his postseason career and 2 more than the next closest player (Scott Oberg). His 8-straight strikeouts tied Josh Hader (also with SD at the time in 2022) for the most consecutive batters struck out at any point in the postseason (Elias). Miller's strikeout pitch of Carson Kelly was registered at 104.5 mph, the fastest pitch of his career, the fastest all-time by a Padre and the fastest pitch in postseason history in the pitch tracking era (2008-pres.).

In the winner-moves-on Game 3, the Padre staff minimized the damage with another solid outing by the bullpen but the late 9th-inning rally fell short as the Friars ultimately fell 3-1.

In the 3-game series, the Padres fanned 35 batters (13 SO, 11, SO, 11 SO), tied for the most combined strikeouts in Wild Card history with the 2020 Reds. In total, the Padres are the only team in Major League history to surpass the 100-strikeout mark in Wild Card games/series (107). Their 3 games of more than 10 strikeouts are the longest-active postseason streak and the longest such streak in club history. In addition, the 20 recorded strikeouts by the bullpen is the 2nd most by a team in the Wild Card game/series in MLB history, behind only the 2020 Padres (23 SO).

PADRES HALL OF FAME PRESENTED BY SONY

During the Padres' 30th anniversary season in 1999, the ball club established the San Diego Padres Hall of Fame. The Padres set guidelines on how to first nominate then add players to their Hall of Fame using a two-stage process. 16 of the 17 current members of Padres Hall of Fame were inducted using those selection guidelines.

The lone exception was National Baseball Hall of Fame member and native San Diegan Ted Williams. A graduate of Hoover High and a member of the original 1936 minor league Padres of the Pacific Coast League, Williams was inducted into the Padres Hall of Fame at the discretion of club management in 2016.

The Padres Hall of Fame presented by Sony opened at Petco Park on July 1, 2016, showcasing the history of the San Diego Padres and baseball in San Diego.

NATE COLBERT

INDUCTED 1999

Nate Colbert emerged as the first bona fide star to wear a Padres uniform, becoming one of the game's premier power hitters of the early 1970s. The first baseman made three All-Star appearances (1971-73) as a Padres player and led the team in home runs the first five years of its existence.

Colbert's greatest achievement was on August 1, 1972, when he hit five home runs and drove in 13 runs in a doubleheader in Atlanta. The RBI total established a record that has since been tied by St. Louis' Mark Whiten (September 7, 1993 at CIN), and the five home runs tied Stan Musial's Major League record in 1954. To this day, Colbert's 163 home runs are the most in Padres history, while his .469 SLG ranks fifth on the club's all-time list. Colbert passed away on January 5, 2023 in Las Vegas at the age of 76.

RANDY JONES

INDUCTED 1999

Randy Jones was the first Padres pitcher to win the Cy Young award, and he earned tremendous popularity among Padres fans, a relationship that remains strong to this day. The left-handed starter claimed the Cy Young award in 1976 after going 22-14 with a 2.74 ERA and 25 complete games, and he remains the club leader in IP (1766.0), starts (253), complete games (71) and shutouts (18).

The southpaw established a unique rapport with Padres fans, who gave him a standing ovation as he approached the mound for every start. An All-Star in 1975 and 1976, Jones remains an active ambassador for the Padres in the community, making dozens of annual appearances. Jones passed away on November 18, 2025 in San Diego at the age of 75.

RAY KROC

INDUCTED 1999

Ray Kroc purchased the Padres franchise on January 25, 1974, when the club was packed and prepared to move to Washington, D.C. An entrepreneur who created the McDonald's fast-food empire, Kroc ensured that the Padres would remain in San Diego.

He oversaw the club's rise from a perennial loser in the standings to a viable franchise that would eventually win the National League pennant in 1984. After attendance only reached a season-high of at 644,272 before he purchased the club, the Padres drew more than one million fans every year (except the strike-shortened 1981 season). Kroc passed away in January 1984 and would not see his team reach the World Series that year — with the club carrying an "RAK" emblem on its uniform that season. Kroc's wife, Joan, assumed the role of owner after his death, until her sale of the club in 1990. Kroc passed away on January 14, 1984 in San Diego at the age of 81.

DAVE WINFIELD

INDUCTED 2000

Dave Winfield jumped directly into the Padres lineup off the University of Minnesota campus in 1973. In eight Padres seasons, he was named to four National League All-Star teams (1977-80), led the club in home runs on five occasions (1976-80) and paced the team in RBI six times (1974-75, 1977-80). The team MVP in 1978 and 1979, Winfield batted .284 with 154 HR, 626 RBI and 133 stolen bases for San Diego, the start of a 22-year Major League career which culminated in his election to the National Baseball Hall of Fame in January 2001. Winfield was inducted into the Hall of Fame August 5, 2001, the first player to enter Cooperstown as a Padres player.

BUZZIE BAVASI

INDUCTED 2001

Already a veteran of nearly 30 years in the game, Bavasi joined C. Arnholt Smith's effort to attract a National League franchise to San Diego in 1967. After securing a team, he served as the Padres first president from the birth of the franchise until 1977.

Bavasi was one of baseball's most respected executives. He began his career with the Brooklyn Dodgers in 1939, serving the organization in a variety of roles. Following a stint in the military as an infantry machine gunner from 1943-46, Bavasi became the general manager of the Dodgers Triple-A club in Montreal. In 1951, he was appointed vice president and general manager of the Brooklyn Dodgers, a post he held through the club's move to Los Angeles, until he resigned to join the effort to bring the Major Leagues to San Diego. Bavasi passed away on May 1, 2008 in San Diego at the age of 93.

JERRY COLEMAN

INDUCTED 2001

Jerry Coleman was the voice of the Padres for 42 seasons, stirring loyal fans across the region with his patented "Oh Doctor!" and "Hang a Star" calls, trademarks of Padres broadcasts from 1972-2013. In 1999, Coleman was recognized by the Padres with a jersey retired in honor of his contributions, not only to the club but also to the San Diego community. The Padres unveiled a star under the press box at Petco Park during the 2004 season, and in 2005, he was inducted into the United States Marine Corps Sports Hall of Fame while also receiving the prestigious Ford C. Frick Award from the National Baseball Hall of Fame in Cooperstown. He was inducted into the National Radio Hall of Fame in Chicago as a member of the 2007 class. In January of 2010, he received a Lifetime Achievement award at the 60th annual Golden Mike Awards. On September 15, 2012, the Padres honored Coleman's 70 years in baseball and 40 with the Padres with a pre-game ceremony at Petco Park, during which the club unveiled a statue of Coleman at the park while the mayor of San Diego proclaimed the day "Jerry Coleman Day."

Coleman's distinguished broadcasting career included stops with the Yankees and 22 seasons calling the CBS Radio Network's "Game of the Week." A former Major Leaguer, who left the broadcast booth in 1980 to become the Padres manager for one season, he played on six World Series clubs in nine seasons (1949-57) with the Yankees, a key member of the greatest dynasty in baseball history. The second baseman made his MLB debut in 1949, earning AP Rookie of the Year honors. The following year, Coleman was an AL All-Star and the World Series Most Valuable Player, as the Yankees swept the Phillies in four games.

Coleman, whose playing career was interrupted twice when he was called upon to serve the United States as a Marine Corps pilot in World War II and in Korea, retired with a lifetime .263 average, 16 HR and 217 RBI in 723 games. He is the only Major League player to see active combat in two wars, and Coleman's distinguished military service record includes 120 missions and two Distinguished Flying Crosses, 13 Air Medals and three Navy Citations. He passed away on January 5, 2014 in San Diego at the age of 89.

TONY GWYNN

INDUCTED 2002

Tony Gwynn, one of the greatest hitters in the history of Major League Baseball, became the first-ever unanimous selection to the Padres Hall of Fame upon his retirement at the conclusion of the 2001 season. In 20 seasons (1982-2001), the man who will forever be known as "Mr. Padre" won a National League-record tying eight batting titles and was selected to 16 All-Star teams.

He retired with a .338 career batting average and 3,141 hits in 2,440 games. Gwynn's hit count includes 543 doubles, 85 triples and 135 HR, and he finished with 1,138 RBI and 319 stolen bases. The Padres career leader in virtually every offensive category, Gwynn retired 17th on the all-time Major League hit list, 17th on the doubles list and eighth on the all-time singles list. His .338 career average, the highest by any Major Leaguer since Ted Williams, is 22nd-best all-time.

Gwynn played on each of the first three Padres Division Championship clubs (1984, 1996, 1998) and batted .371 in the club's two World Series appearances in 1984 against the Tigers and in 1998 against the Yankees. Upon his retirement, he became the 17th player in baseball history to spend his entire career of 20-or-more seasons with one club. Gwynn's unwavering loyalty to the Padres and his undying devotion to the San Diego community further cemented his standing as "Mr. Padre" and one of the greatest ambassadors the game of baseball has ever known.

Gwynn was inducted into the National Baseball Hall of Fame in July of 2007. He passed away on June 16, 2014 in Poway, CA at the age of 54.

DICK WILLIAMS

INDUCTED 2009

Serving as Padres manager from 1982-85, Dick Williams led the Friars to a 337-311 record and .520 winning percentage over four years, finishing at .500 or better each season. In the club's 13 seasons prior to his arrival, the team had posted just one winning season (1978), but under Williams' guidance, the Padres went 92-70 in 1984, reaching the playoffs for the first time in franchise history and advancing to the World Series. Williams passed away on July 7, 2011 in Las Vegas at the age of 82.

TREVOR HOFFMAN

INDUCTED 2014

The most successful closer in Padres franchise history and one of the best ever in the history of Major League Baseball, Trevor Hoffman was inducted into the National Baseball Hall of Fame in July 2018 and into the Padres Hall of Fame on August 30, 2014. In April 2014, Major League Baseball announced the Trevor Hoffman Award, given annually to the National League's best relief pitcher, while the top American League reliever will earn the Mariano Rivera award.

Hoffman, who now serves as the Padres' senior advisor to baseball operations, retired as MLB's all-time saves leader with 601 in 677 opportunities, a 61-75 record, 2.87 ERA (347 ER, 1089.1 IP), .211 opponent batting average and 1,133 strikeouts in 1,035 relief appearances. The seven-time all-star (1998, 99, 2000, 02, 06, 07, 09) also finished in the top 10 in Cy Young voting (1996, 98, 99, 2006) and in the top 25 in MVP voting (1996, 98, 2005, 06).

Over his 16 seasons with San Diego, Hoffman compiled a 54-64 record with 552 saves in 618 opportunities (.893 save percentage), a 2.76 ERA, .211 opponent clip and 1,029 strikeouts in 902 relief appearances. He was the first player in MLB history to reach the 500 and 600 save milestones, and his nine seasons of 40-plus saves are tied with Rivera for the most, all time. He twice had 40+ saves in four consecutive seasons (1998-2001 and 2004-07), the only pitcher to ever accomplish the feat twice. He also recorded a single season franchise-record 53 saves during the 1998 National League title season.

A California native and San Diego resident, Hoffman has been heavily involved in the local community since joining the Padres in 1993. He was named the local recipient of the Roberto Clemente Award on six occasions and was honored with both the Lou Gehrig Award and Teammates for Kids Award in 2006. In addition, he received the Hutch Award in 2005 and was named the 1999 recipient of the Padres Chairman's Award.

Trevor Hoffman, **inducted into the Padres Hall of Fame on August 30, 2014,** addresses the media on the day of his election to the National Baseball Hall of Fame in January of 2018.

BENITO SANTIAGO

INDUCTED 2015

Benito Santiago was unanimously named National League Rookie of the Year in 1987, the first Padre to ever receive the accolade. A five-time National League All-Star, including four with the Padres (1989-92), he played seven of his first 20 Major League seasons for San Diego, hitting .264 (758-for-2872) with 124 doubles, 15 triples, 85 HR and 375 RBI over 789 games from 1986-92.

His four starts behind the plate for the National League All-Star team are the second-most starting nods at the Mid-Summer Classic in franchise history behind only Tony Gwynn and his 12 starts.

The Puerto Rico native also received four Louisville Silver Slugger Awards (1987-88, 1990-91) and three Rawlings Gold Gloves (1988-90) in his career, all with San Diego. His career-best and franchise-record 34-game hitting streak during his rookie season in 1987 still stands as the longest hitting streak in Major League history by a rookie and the longest by a catcher.

GARRY TEMPLETON

INDUCTED 2015

Garry Templeton, who played 10 of his 16 Major League seasons with San Diego (1982-1991). was the first shortstop inducted into the Padres Hall of Fame. The switch-hitter hit .252 with 195 doubles, 36 triples, 43 HR and 427 RBI in 1,286 games for the Padres.

Templeton ranks second to Tony Gwynn among franchise leaders in several offensive categories, including games played, at-bats, hits and doubles, and he ranks fourth in triples, seventh in RBI and eighth in runs scored. He was named a National League All-Star for the Padres and team MVP in 1985 and earned a Louisville Silver Slugger Award in 1984. Over his 10 seasons in San Diego, he posted a .965 fielding percentage at shortstop, the best fielding percentage in club history at the position.

KEN CAMINITI

INDUCTED 2016

Ken Caminiti played four seasons in San Diego (1995-1998), in which he won Gold Glove Awards three straight years (1995-1997), and he also earned three All-Star honors (in 1994 with the Astros and in 1996 and 1997 with the Padres). Caminiti became the first Padre to win the National League MVP award when he was unanimously recognized in 1996, the same year he won the Silver Slugger Award. In 1998, he helped lead the Padres to the World Series.

Caminiti had a career-year in 1996, hitting .326 with 40 HR, 109 runs scored and a club-record 130 RBI, helping the Padres win the National League West Division and sending San Diego to the playoffs for just the second time in franchise history. He passed away on October 10, 2004 at the age of 41.

TED WILLIAMS

INDUCTED 2016

Ted Williams, a 17-time All-Star and Hall of Famer, was a San Diego native who played with the Pacific Coast League Padres before playing for the Boston Red Sox. JACK MCKEON

INDUCTED 2017

"Trader Jack" McKeon spent 11 seasons as general manager of the Padres (1980-90), including parts of three seasons in which he served in a dual role of GM and field manager (1988-90). He earned the sobriquet "Trader Jack" for his renowned ability to instigate and complete transactions. McKeon was 49 when he began his role as general manager, and he made a multitude of the trades and signings that helped lead to the club's 1984 National League title, including a 11-player trade with the St. Louis Cardinals. His most notable trade acquisitions included Garry Templeton, Terry Kennedy, Graig Nettles, Carmelo Martinez and Dave Dravecky. During the 1988 season, McKeon assumed the managerial title after the Padres got off to a 16-30 start, becoming the 12th manager in franchise history. For parts of three seasons, he led the Padres 193 victories, boasting an .541 winning percentage.

KEVIN TOWERS

INDUCTED 2018

Kevin Towers, a former Padres player, scout and front office executive, was posthumously inducted on May 12, 2018 in a special pregame ceremony as part of a weekend-long celebration of the 20th anniversary of the 1998 National League Championship team.

Towers was honored for his nearly thirty years of service with the Padres, most notably as general manager of the club from 1995-2009. Dubbed a "gunslinger" for his fearlessness in making trades, Towers was 34-years-old when he began his role as general manager after serving as the club's director of scouting the previous two seasons. Under Towers, the Padres enjoyed some of the most successful years in club history, including four National League West titles (1996, 1998, 2005, 2006) and a National League pennant in 1998.

The '98 club, which set a franchise record for victories (98), was comprised of a number of Towers' acquisitions, including Wally Joyner, Chris Gomez, Greg Vaughn, Quilvio Veras, Sterling Hitchcock and Kevin Brown. During his tenure in San Diego, Towers was also responsible for acquiring Phil Nevin, Ryan Klesko, Brian Giles, Adrian Gonzalez, David Wells and Heath Bell, as well as drafting future Cy Young Award Winner Jake Peavy. Beyond broadcasting, Leitner has served as the Master of Ceremonies for many Padres events, including Padres Hall of Fame ceremonies, the memorials of Jerry Coleman and Tony Gwynn, Padres Opening Day ceremonies, and Jerry Coleman Day in 2012, which honored Coleman's 70 years in baseball.

The approval and design of Petco Park was Lucchino's lasting legacy, from lobbying city officials and working to win the 1998 vote that approved the ballpark to leading the design of the ballpark. He passed away on April 2, 2024 in Brookline, Mass. at the age of 78.

JAKE PEAVY

INDUCTED 2023

Peavy, the only Padre to ever notch a pitching Triple Crown in franchise history (2007; 19 wins, 2.54 ERA, 240 SO), went 92-68 with a 3.29 ERA (491 ER, 1342.2 IP), 1.19 WHIP and 1,348 strikeouts in 212 career starts for the Padres from 2002 through 2009. A three-time All-Star (2005, 2007, 2012) and unanimous 2007 NL Cy Young Award winner, Peavy finished his Padres career as the all-time franchise leader in strikeouts and ranks 2nd in winning percentage (.575), quality starts (142), SO/9.0 IP (9.04), opponents AVG (.232) and opponents OBP (.297), T-2nd in wins (other: Randy Jones), 3rd in starts, 4th in innings and ERA, and 8th in CG (7) and shutouts (7).

The 6-foot-1, 180-pound right-hander struck out a career-best 16 batters in a game twice (5/22/06 vs ATL, 4/25/07 at ARI), a club record that still stands today. Peavy was originally selected by the Padres in the 15th round (472nd overall) of the 1999 MLB First-Year Player draft out of St. Paul's Episcopal School in Mobile, Ala.

JOHN MOORES

INDUCTED 2023

Under John Moores' ownership from 1994 through 2012, the Padres won four NL West titles and the 1998 National League pennant. He was instrumental in the design and construction of Petco Park in downtown San Diego. Approved by a public vote in 1998, Petco Park was the catalyst for the redevelopment of the surrounding neighborhood and is recognized as one of the most successful public-private partnerships among sports venues. Nearly two decades later, Petco Park was honored by USA Today as the No. 1 Ballpark in America.

Moores focused his efforts on community and philanthropic endeavors during his time with the Padres, including the launch of the Moores Cancer Center at UC San Diego Health, which is currently ranked No. 1 in San Diego and No. 20 in the nation for cancer care (U.S. News and World Report). He founded the River Blindness Foundation, which was absorbed into the Carter Center. The Padres set new standards for Major League Baseball training facilities with their state-of-the-art Dominican Republic Baseball Park in Najayo, San Cristobal. Officially opened on April 30, 2008, the complex serves as the hub of the Padres Latin American operations where international players live and train year-round. The complex is also the home of the Dominican Summer League Padres. It served as the host location for the 2013 Padres' Instructional League.

The facility boasts two regulation-size playing fields and a half field, batting tunnels, covered pitching mounds and a clubhouse containing Major League-caliber weight and training rooms. The complex has housing for over 60 players as well as managers and coaches, including a kitchen and dining facilities. In an effort to create the ultimate facility, the Padres have incorporated on-site classrooms, a librar, computer learning centers and a first-rate player education program.

In conjunction with the construction of its Dominican Republic Baseball Park, the Padres have pioneered a community outreach program aimed at improving the quality of basic public education in the Dominican Republic. The Padres have partnered with SDSU, UCSD, SurFuturo, USAID and the American Chamber of Commerce Dominican Republic to improve four local community schools and incorporate after-school programs for students.

2026 Spring Training marked the 33rd Spring Training season at the Peoria Sports Complex for the Padres in Peoria, Ariz. The complex, located 20 miles northwest of downtown Phoenix, serves as the spring home for both the Padres and the Seattle Mariners, and it serves as the premier Cactus League venue on the west side of Phoenix, providing easy access from the 101 Loop and is within walking distance to Peoria's P83 entertainment district featuring shopping dining and entertainment.

The complex provides separate state-of-the-art facilities for the two clubs, and both the Padres and Mariners clubhouses received over a combined 31 million dollars in renovations prior to the 2014 season. Each team's facility has six full fields, two-half fields for infield and base running drills, a bunting field, four covered batting tunnels and eight open air batting tunnels. Both clubhouses are over 55,000 square feet and include administrative offices, full-service kitchens and cafeterias, weight and training rooms and media workrooms.

Prior to the 2017 season, Peoria Stadium also underwent large LED and audio system upgrades including the following: new 2,100 square foot LED display, which was the largest in baseball's Cactus and Grapefruit Leagues and the first to feature 13HD LED. New display will measure approximately 35 feet high by 61 feet wide and feature a 13HD pixel layout to provide high-resolution imagery. Upgraded audio system includes fully-distributed sound, providing full-range sound reproduction for a powerful audio experience. Additional transformations preceding the 2014 season included the following: New 2,400 square foot team store along with renovated entrance gates and administrative offices. New fixed seats with cup holders as well as new seats along the first and third baselines and field level seating behind home plate.

The Colonnade, a new group space down the third base line was installed in 2016 featuring an upscale catering menu, TV's, private restrooms, full bar and viewing patio for groups of up to 200. New outfield pavilion in left field to accommodate groups of 20-300 as well as widened pedestrian walkway around the outfield. Accessible seating platforms added as well as an ADA accessible ramp to the stadium field. Public restroom upgrades. Infrastructure upgrades to water, fiber and information technology.

The working press box at Peoria Stadium has space for 35 writers and five separate broadcast booths. To reserve broadcast booth space, please contact **Tiffany Seal** in the Padres Media Relations Department at *tseal@padres.com.*

Prior to the 2016 season, the wall in front of the Toyota Beach and the Ballast Point Craft Pier was reduced from 7 feet, 10 inches tall to 5 feet, 2 inches tall. At the right field wall, it goes back to 8 feet tall for the 140-foot length of the wall and LED display. The fence tapers down to 7 feet, 6 inches tall along the side of the trapezoid that forms the Right Field Home Run Deck in right field. It remains at 7 feet, 6 inches tall along the front of the City Cruises Home Run Deck, and tapers back up to 10 feet tall along the side of the trapezoid that connects to the right field foul pole (the length of the fence that forms the City Cruises Home Run Deck is 15 feet, 9 inches along the side nearest to center field, 25 feet, 3 inches along the front of the City Cruises Home Run Deck at the first row of seats, and 15 feet, 9 inches along the side that connects to the right field foul pole).

LIGHTING

The playing field at Petco Park is illuminated by Musco's SportsCluster® LED™ system. The Padres became the first team in the National League to install LED lighting. With specially designed optics, the new system cuts glare both inside and outside the ballpark, enhances television broadcasts and provides a stage-like atmosphere for spectators. Petco Park is now 100 percent LED.

The park features 10 "racks," encompassing 460 light fixtures, all with 1,200-watt bulbs, except for 110, 130-watt housekeeping bulbs. The tallest light standards, which are in a vertical configuration, are atop the First Base and Third Base Towers – 205 feet above the playing field. Other light standards, in a conventional horizontal configuration, are 190 feet above the field.

SIGHT LINES

Designed to provide the best and closest views of the game in Major League Baseball, re-directed seating angles maximize sight lines for baseball and comfort...all seats down the lines are angled toward home plate to maximize views of the field from every seat. The top two decks are built on extended, 56-feet cantilevers to bring all seats lower and closer to the field.

SEATING DECKS

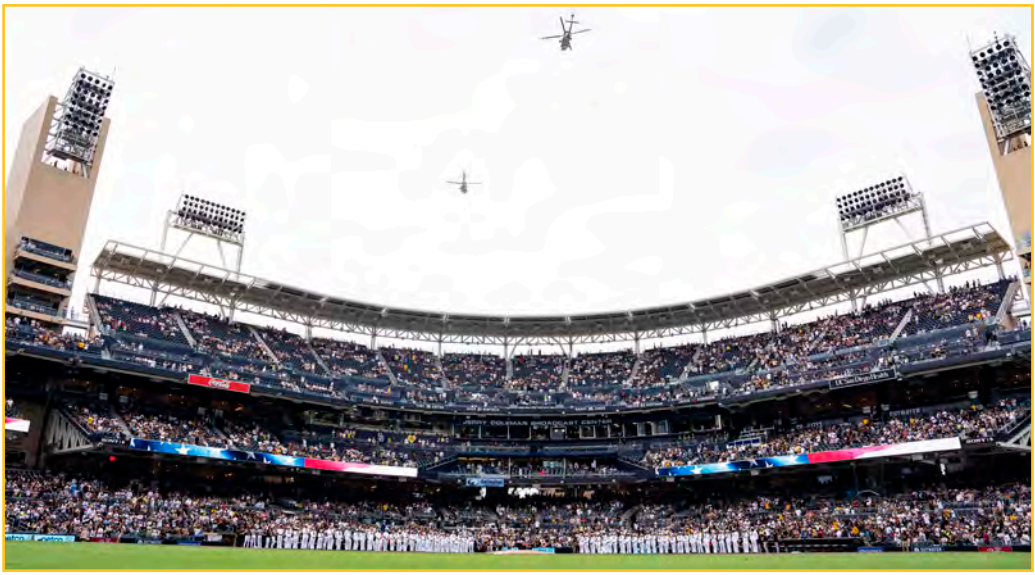
Petco Park has three main seating decks: Field Level, Terrace Level and Upper Deck.

SEAT SPECIFICATIONS

Prior to the 2024 season, 222 new seats manufactured by Dreamseats were installed in the Blue Shield Home Plate Club. Fixed seats elsewhere around the ballpark are manufactured by Hussey Seating and measure 19, 20, 21 or 22 inches in width, depending on location. All seats are navy in color.

SECURITY

In August of 2020, Petco Park received the SAFETY Act designation by the U.S. Department of Homeland Security. The SAFETY Act serves as one of the highest levels of accreditation offered and promotes the development and deployment of effective anti-terrorism measures, including technologies, services and personnel trainings. In 2023, the ballpark earned a red seal indicating SAFETY Act certification and the highest level of liability protection, making the Padres the fifth team in Major League Baseball to earn the distinction.



HD OVERHAUL

Prior to the 2015 season, the Padres installed a state-of-the-art high-definition video board that measures 61.2-feet tall by 123.6-feet wide, covering 7,564.32 square feet. At the time of installation, it was the third-largest in Major League Baseball and the largest in the National League. The Left Field main video board, provided by Daktronics, is nearly five times the size of the previous video screen (30-feet tall by 53-feet wide; 1,590 square feet), which was in place since 2004 when Petco Park opened. The entire board can be run full screen to show live action or video replays, or it can be split into sections for statistical information, graphics and animations. The video board's resolution is 1224x2472, with 3,025,728 total pixels. New LED ribbon boards accompanied the new video board spanning nearly 750 feet along the first and third base lines on the Terrace Level (3.6-feet tall), as well as on the left field grandstand fascia (7.5 feet. tall by 130-feet wide). Sony also provided a state-of-the-art HD control room, including in-house production, broadcast and entertainment systems.

Prior to the 2018 season, a second HD video board was added in upper right field. Manufactured by Daktronics, the 55.2 feet by 31.2 feet (1722.24 square feet.) video board uses 13mm HD product that boasts a max 11,000 nits, allowing for optimal viewing during bright sunny days. The second video board allows for mirroring of the main board in left field for replays, features and crowd shots, as well as independent operation and unique content.

Prior to the 2016 season, a new LED ribbon board (3.5-feet tall by 70-feet wide) manufactured by Daktronics was installed along the fascia of the top level of The Craft Pier by Ballast Point in right-center field. This board compliments the 2013 additions of the right field upper fascia for out-of-town scores, measuring six-feet high by 192-feet wide, and the right field wall board measuring seven-feet high by 104-feet wide.

In 2024, new LED boards were installed throughout Petco Park. This includes LED backstops manufactured by Daktronics to replace rotational signage behind home plate. These new boards allow for state-of-the-art insertion of graphics and advertising behind home plate. Additional boards include a new LED board on the ballpark's East Ramp that measures 26-feet wide by seven-feet tall, and an overhaul of the Right Field Wall LED board with new LED panels.

Prior to the 2025 season, new field-level LED boards, manufactured by Daktronics, were installed on the first and third baselines to allow for additional graphic and advertising opportunities.

TOWER LOFT VIDEO BOARDS

New for the 2026 season, the first and third base towers added 24 feet x 22 feet video boards with a 10mmm pixel spacing for clarity. These added displays will highlight animations, sponsor branding as well as pitchers and statistical information of enhanced pitching stats.

AUDIO SYSTEM

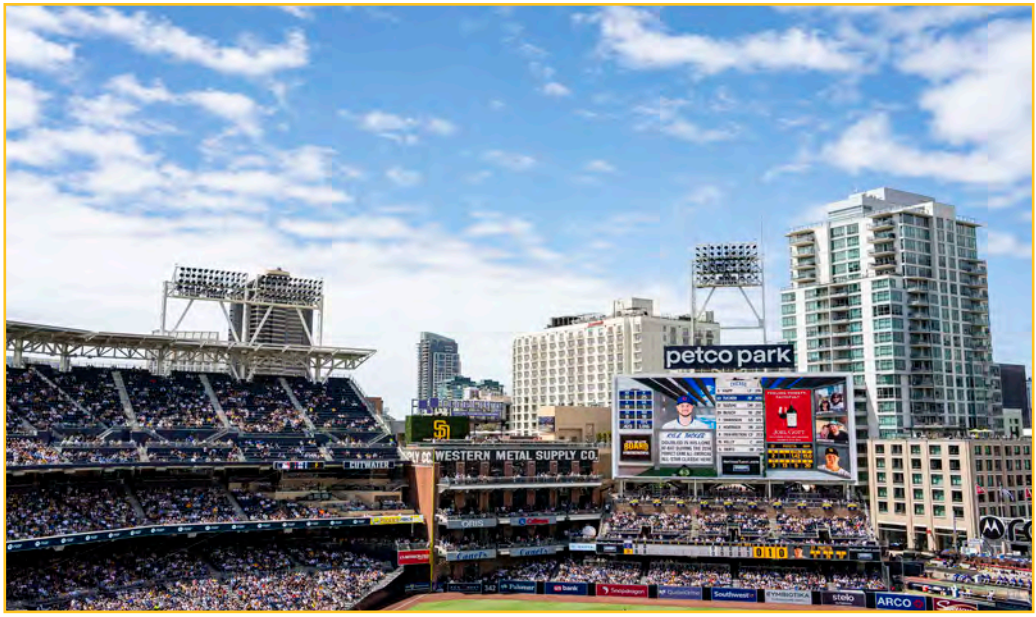
Prior to the start of the 2014 season, Daktronics installed new distributed loudspeakers in numerous locations, replacing speakers in other areas of the park, as well as completely redesigning the entire sound system, based on these new speakers, to provide a base level of uniform system operations.

For the 2025 season, a custom designed line array system was installed at the Sycuan Stage at Gallagher Square. These custom designed L-2 speakers by L-Acoustics provide unmatched sound for concerts, events and baseball games.

New for 2026, the entire audio backbone and signal processing for Petco Park was refreshed, including replacing all amplifiers, switches and fiber transports, moving to the latest Q-SYS and Dante audio network digital signal processing ecosystem.

CONCOURSE FLOORING

Between 2014 and 2015, approximately 255,000 sq. ft. of concourse flooring was replaced with decorative waterproof, flake flooring system manufactured by Neogard and installed locally by KTM Coating.



BATTER'S EYE

Background for batters in center field is painted navy, except for the side facing Gallagher Square. The structure houses an equipment storage room on the Field Level and "The Batter's Eye Porch," a pre- and post-game and special event area 30 feet high by 80 feet long in Gallagher Square. Above this is the Event Management Center for Petco Park and a 10-foot rotational sign that provides a solid background when batters are at home plate and offsets rotating panels between innings.

RETIRED NUMBERS

Prior to the 2016 season, the Padres retired numbers were relocated from the top of the batter's eye to a more prominent location inside Home Plate Plaza, where fans can see them up close and take photos with them. In addition, retired numbers are now positioned on the upper deck façade behind home plate, above the Jerry Coleman Broadcast Center and adjacent press box. The numbers – Steve Garvey's No. 6, Tony Gwynn's No. 19, Dave Winfield's No. 31, Randy Jones' No. 35, Trevor Hoffman's No. 51 and Jackie Robinson's No. 42, which was retired throughout Major League Baseball in 1997 – are flanked by the players' first and last name in white in a ring of honor around the upper deck.

PETER SEIDLER "PS" LOGO

In 2024, the Padres honored their beloved former Chairman and Owner, Peter Seidler, with a heart-shaped jersey patch with Peter's initials, "PS," in the center. A large gold version of the "PS" logo was also added as a fixture to the exterior of the press box.

PADRES HALL OF FAME

The Padres Hall of Fame, presented by Motorola and which showcases the history of the Padres and baseball in San Diego, opened at Petco Park on July 1, 2016. Located on K St. just inside the Gaslamp Gate, it features an 85" TV upon entry, an 80-foot-long, in-depth timeline, a state-of-the-art 4K 100" TV and touch screen interactive theater, and historical memorabilia throughout. The centerpiece of the space is 17 two-sided illuminated panels dedicated to each current member of the Padres Hall of Fame. The panels depict imagery of these legendary Padres, while telling the story of their career highlights and personal achievements.

PROTECTIVE NETTING

The Padres extended the protective netting prior to the 2018 season, separating spectators behind home plate and down the foul lines from the field of play. The netting, manufactured by Promats® Athletics, features the latest technology to minimize the appearance of the net and provide an optimal viewing experience, while maintaining high safety standards. In 2020, the netting was heightened behind the backstop and over both dugouts to 29 feet before tapering down along the foul lines. The end points will remain the same at Section 116 in left field and Section 115 in right field, which surpasses the existing guidelines issued by Major League Baseball.

BULLPENS

The Padres bullpen in left field is 87.8 feet long by 27.8 inches wide and elevated 3.6 feet above field level. The visitors' bullpen was relocated from the field before the 2013 season, and it is now tiered behind the home bullpen, elevated another 3.6 feet. It is 80.11 feet long and 27 inches wide. The visiting team pitches east to west, while the home team pitches west to east. Each bullpen has a separate entrance to the playing field.

DUGOUTS

The Padres dugout is located on the first-base side and is 57 feet long by 14 feet wide. The visitor's dugout on the third-base side is 46 feet long by 14 feet wide. Both dugouts have a retractable awning along with steps that lead to the field for half their length and a rail on the other half.

TEAM CLUBHOUSE FACILITIES

Clubhouses are located on the Field Level, with direct access to the dugouts and service corridor. The home clubhouse is approximately 16,500 square feet, including a 3,560 square foot locker room with 40 cubicles (four feet wide), configured in a circle. The home clubhouse includes a 240-square-foot video coaching area located near the home dugout, with access from inside and outside the clubhouse. Other facilities include a 7,580-square-foot, fully-equipped weight and exercise room, dry sauna, hydrotherapy room, player lounge and kitchen, manager's office, coaches locker room, rehab room, medical facilities, offices, laundry and storage.

The visitor's clubhouse is approximately 8,990 square feet, including a 2,140-square-foot locker room with 40 cubicles, training room, manager's office, coaches locker room, weight and exercise room, player lounge and kitchen, laundry and storage.

Internal batting and pitching tunnels (two for the home team, one for the visiting team) are located on the Service Level with access to the clubhouses and are fully-equipped, including cameras for video recording. Tunnels are sized to accommodate two batters and/or two pitchers. Views to the home batting tunnel are available from the Blue Shield Home Plate Club through one-way glass so club patrons can observe players at work. Additional facilities include an auxiliary locker room (approximately 2,040 square feet), with an operable partition, the umpires' locker room (approximately 910 square feet), a home team family waiting room, and a greenroom/VIP dressing room.

SUITE RENOVATION

Heading into the 2022 season, the Padres embarked on a major renovation at Petco Park that saw the largest suite remodel since the ballpark opened. Seventy premium suites were completely renovated in addition to a remodeled Suite Entrance for Suite Lease Members, costing more than $6 million for the project. The upgraded suites feature brand new furniture with unique seating concepts, 65-inch 4K televisions, access for presentations through the TVs, artwork celebrating current and past Padres teams, customizable branding elements for Suite Lease Members, enhanced and additional lighting, new refrigerators and ice machines, induction cooking, new dishware and additional counter space for food and beverage presentation.

BLUE SHIELD HOME PLATE CLUB

The Blue Shield Home Plate Club underwent a massive renovation immediately upon the conclusion of the 2022 postseason that includes an enhanced VIP entry, expanded bar and dining room that includes a new layout, furniture, art and expanded restrooms while maintaining a unique view into the Padres batting cages. A new grand staircase directly connects the upper club to an expanded and renovated lower club. The new lower club features an expanded interior footprint, a dedicated bar, expanded restrooms and an enhanced fine dining experience.

GALLAGHER SQUARE

Gallagher Square, formerly known as the Park at the Park, features a landscaped park of 2.8 acres beyond the outfield fence. Petco Park is the first Major League ballpark since Forbes Field in Pittsburgh (closed in 1970) to have a park adjacent to the outfield. Gallagher Square is a ticketed area and vital part of the baseball experience on game days, including admission to conveniences and amenities of the seating bowl during select ticketed events. It functions as a special events venue when there is no game and daily as a neighborhood park.

SYCUAN STAGE AT GALLAGHER SQUARE

In March of 2019, the Padres unveiled the latest addition to Petco Park with the debut of the Sycuan Stage at Gallagher Square, which provides a secondary stage for concerts. The venue is the first among Major League ballparks to offer a unique outdoor setting inside of a downtown ballpark. The stage also has a state-of-the-art roof system with the capability to withstand more than 90,000 pounds of production and measures 80' (Width) x 32' (Stage Right Depth) x 36' (Stage Left Depth), allowing for a fully customizable space depending on artist requests.

TOYOTA BEACH & BALLAST POINT CRAFT PIER

In 2016, the Padres unveiled a two-level social space in right-center field inspired by San Diego's beach lifestyle, featuring pilings and decking constructed from environmentally friendly recycled composite wood. The lower level, the Toyota Beach, is utilized as a group space, and the upper level, The Ballast Point Craft Pier, is a multi-use area. In total, the space accommodates nearly 600 people in a standing-room-only capacity. The space was constructed in the location previously occupied by The Beachers seating area and The Toyota Beach play area. As part of the design, the children's sand play area was preserved and relocated to a space along K Street, further removed from the playing field and safe from balls in play. Partners on this project were San Diego-based architecture firm Larimer Design and Clark Construction.

THE GALLAGHER CHAIRMAN'S CLUB & CUTWATER CORONADO CLUB

The Padres debuted additional premium seating options prior to the 2020 season with the Gallagher Chairman's Club and the Cutwater Coronado Club. The Gallagher Chairman's Club is located next to the Padres Ownership suite and allows fans to watch the game from one of the best views behind home plate while enjoying all-inclusive premium food and beverage. The Cutwater Coronado Club offers stunning views of Coronado Island and the iconic Coronado Bridge from the comfort of a private open-air club while enjoying complimentary food and non-alcoholic beverages. Guests also have a dedicated seat to watch the game from their own luxury loge box.

CUTWATER AGAVE CLUB

In 2024, the Padres debuted the newest premium seating area to Petco Park with the Cutwater Agave Club. Located down the left field line on the Terrace level and introduced to the ballpark in 2015 as The Still presented by Cutwater, the private space underwent a full renovation after the 2023 regular season. This multi-million dollar project features luxury finishes, access to semi-inclusive food and beverage offerings, and a private restroom with a variety of seating concepts and options allowing Premium Seat Members the opportunity to further enhance their experience at Petco Park.

WESTERN METAL SUPPLY CO. BUILDING

The historic brick warehouse that housed the Western Metal Supply Company, which dates to 1909 and has ties to the Old West, was renovated and incorporated into the ballpark, with

the left-field foul pole attached to its southeastern corner. The building holds the Padres New Era Team Store on the first floor, 12 party suites (available on an individual game basis) on the third and fourth floors, a restaurant with terrace dining on the fifth floor, and another restaurant and group space on the rooftop, 80 feet above field level.

PETCO BARKYARD

Unveiled in 2016, the Petco Barkyard consists of six semi-private, premium dog-friendly box seats in Petco Park's left-center field, available for every Padres home game. Each of the six boxes in The Barkyard can accommodate up to four people and two dogs. The Barkyard features a designated entrance from K Street in Gallagher Square, a check-in area staffed by a Petco brand ambassador, and a watering station near check-in. A Padres pet concierge is on hand to escort fans and their dogs to and from The Barkyard. Conveniently located just a short walk from the designated Pet Relief Area in Gallagher Square, The Barkyard is tailored to a dog's needs. Each box offers umbrellas to protect dogs from the sun and specially selected easy-to-clean artificial turf that does not retain heat, to ensure every pup's paws stay cool.

VIASAT MILITARY HALL OF HONOR

In 2022, the Padres and Viasat Inc. unveiled the Viasat Military Hall of Honor in Power Alley located on the right field concourse. The Padres, who are widely regarded as Major League Baseball's "Team of the Military," partnered with Viasat to honor former Padres and other MLB players around the league who served in the military and pay tribute to Armed Services' veterans and those currently serving in the U.S. military at home and around the world.

Located near Section 133, the Military Hall of Honor serves as an interactive space allowing fans to view information and different content on each honoree through two touchscreen televisions within the space. Fans can also record and send personalized messages to active-duty military members and various military bases in a dedicated recording booth located within the Hall of Honor area.

ADDITIONAL FEATURES

2015's left field renovation project included the debut of several new social spaces and seating areas, including The Estrella Jalisco Landing, a private 300-person group space immediately below the video board and the Entertainment Suite on the ground floor of the Western Metal Supply Co. Building.

The Southwest On-Deck Suite, introduced in 2014, is an eight-person suite next to the visitor's dugout, giving fans an unprecedented view of the action closer to the batter's box than the pitcher on the mound is. The City Cruises Home Run Deck, created in 2013, is nestled just beyond the wall in right field and houses 56 seats. Picnic Terraces, to the left of the Batter's Eye, have tiered picnic tables and are intended primarily as a group sales area. Palm Court Plaza features 13 palm trees and 13,588 bricks, of which 10,842 are personalized, commemorative bricks. The Omni San Diego Hotel and The Metropolitan (36 luxury condominiums on the top 11 floors of the hotel) connect to the main concourse by a pedestrian skybridge.

ADDITIONAL FEATURES (CONT.)

The audio and video graphics to celebrate Padres players' home runs at Petco Park have a distinct military and nautical flavor. The sound of a ship's horn is an actual recording of the horn of the Navy's USS Ronald Reagan (CVN-76) nuclear aircraft carrier, which was formerly home-ported in San Diego. To accompany the horn, fireworks blast from the top of the video board during night games.

WI-FI/CELLULAR

First introduced in 2012, Petco Park became one of Major League Baseball's early adopters of venue-wide Wi-Fi, providing fans with wireless internet access throughout the ballpark. The network has since undergone significant recent upgrades, enhancing speed and reliability to meet today's connectivity demands. In addition, Petco Park is equipped with state-of-the-art 5G LTE coverage throughout the venue, ensuring a seamless mobile experience for fans on every level of the ballpark.

MORE THAN A BALLPARK

As a premier entertainment venue in Southern California, Petco Park also hosts concerts, special events and other sporting events. Petco Park saw its highest-ever attended event with Garth Brooks Stadium Tour in March 2022 with more than 50,000 tickets sold. In November 2024, it hosted the 10th Annual Links at Petco Park golf event, in partnership with Callaway Golf. The venue transitioned into an outdoor hoops arena in 2015 for the Bill Walton Basketball Festival, featuring a week of community events, tournaments and high school games, culminating in the SDSU vs. USD men's basketball game. In early 2022, the park welcomed monster trucks and dirt bikes back as host of Monster Jam and Supercross. The inaugural World Baseball Classic semi-finals and final were played at Petco Park in 2006, with the site playing host to second-round games in 2009 and 2017. Petco Park has hosted the 2014 Davis Cup, the USA SEVENS Rugby tournament and international soccer matches including the Tijuana Xolos. Additionally, Gallagher Square turns into a winter wonderland with the annual Holiday Market, featuring dazzling Christmas light displays, holiday characters, shops and more.

Petco Park also serves as a year-round concert venue, having hosted The Rolling Stones (Nov. 2005 & May 2015), Madonna (Nov. 2008), Taylor Swift (Aug. 2015), Billy Joel (May 2016, April 2024), Metallica (Aug. 2017), The Eagles, Zac Brown Band, Journey and Def Leppard (Sept. 2018), Sir Paul McCartney (2014, June 2019), Green Day, Fall Out Boy and Weezer (Aug. 2021), Garth Brooks (March 2022), Red Hot Chili Peppers (July 2022), Motley Crue, Def Leppard and Poison (Aug. 2022), Grupo Firme (Aug. 2022), Bad Bunny (Sept. 2022), Elton John (Nov. 2022, May 2025), Morgan Wallen (July 2023), Zach Bryan (Dec. 2023), Chris Stapleton (March 2024), Sting (April 2024), Blink-182 (June 2024), Foo Fighters (Aug. 2024), Def Leppard and Journey (Aug. 2024), P!nk (Sept. 2024), Green Day with Smashing Pumpkins (Sept. 2024), Post Malone (Dec. 2024) 2024 was a record year for Petco Park with eight stadium shows, surpassing the previous record of seven full venue concerts in 2022. In 2025, Gallagher Square booked a record 43 shows.

From January 12-14, 2024, the Padres hosted the inaugural San Diego Rodeo at Petco Park in partnership with C5 Rodeo Company, Inc. and Outriders Presents. It was the venue's first-ever rodeo and featured the world's top rodeo athletes competing for more than half a million dollars in prize money over the course of a three day competition.

In September 2025, the ballpark hosted back-to-back sold-out Banana Ball games. In November 2025, Petco Park became the first stadium ever to host Survivor Series, as well as the host of the first WWE Premium Live Event to be held in San Diego since 2008.

SOCIALLY DISTANCED

In coordination with local and state health officials, Petco Park continued to serve as a place where memories are made even in the midst of the COVID-19 pandemic. In June 2020, the Premier Lot hosted drive-thru high school graduations, drive-in style movie screenings and the first drive-in concert in California since stay-at-home orders were issued in March. Following the successful drive-in format, Padres-controlled lots were transformed into watch party sites where thousands of fans cheered on the Padres during their playoff run. Gallagher Square also hosted the first ever Halloween Trail and Holiday Market & Trail events, allowing guests to partake in the holiday festivities as part of a socially-distant, safe environment. All events were executed with the utmost regard for health and safety precautions.

COVID-19 VACCINATION SUPER STATION

As the COVID-19 epidemic raged on throughout 2020 and into 2021, Petco Park and the Padres continued to serve as a community pillar for San Diego and beyond. In early January 2021, the County of San Diego announced that the Petco Park Tailgate Lot would be the site of the State of California's first Vaccination Super Station. In partnership with the City of San Diego, UC San Diego Health and the Padres, the vaccination site allowed for up to 5,000 individuals to be vaccinated daily. Operating from 7:00 a.m. to 7:00 p.m. seven days a week, the drive-up site opened January 11, 2021, and a total of 225,000 vaccines were administered. The Padres provided the lot to act as the host site for the super station along with operational support from the organization's event staff.

HOLIDAY BOWL

In June 2021, the Padres and the Holiday Bowl announced a partnership that would bring the historic game to Petco Park, beginning with the 43rd annual Holiday Bowl on December 28, 2021. San Diego City Council voted to overturn a "no football clause" so football could be played at Petco Park.

Petco Park underwent major construction to transform the field from baseball to football, with the first baseline modifactory serving as the east end zone and the left field wall serving as the west end zone. The construction included removing the first baseline wall and adding 2,800 square feet of concrete seating risers over 10 rows of seating in sections 111, 113, 115 and 117 for football, restoring the first baseline seating sections for baseball using 10 sections of removable seating risers (featuring 118 padded seats and 344 regular ballpark seats), removing and relocating the bullpen door and stairs in left field for football and later restoring the outfield walls to the same dimensions for baseball, installing thicker 1.5-inch cut overseeded Bermuda turf, and building sideline suites in right field that could accommodate nearly 500 people. Field goal posts, new play clocks, camera locations and coaching boxes needed to be installed in addition to implementing a completely new scoring system on the video boards.

The Holiday Bowl was set to make its Petco Park debut with the UCLA Bruins (Pac-12) against the NC State Wolfpack (ACC) before the game was ultimately canceled due to COVID-19 health and safety protocols. Instead, the Holiday Bowl made its historic debut at Petco Park on December 28, 2022 when the Oregon Ducks (Pac-12) defeated the North Carolina Tar Heels (ACC). It was the first time football had ever been played at Petco Park. The Holiday Bowl played one more time at Petco Park as part of the partnership on December 28, 2023 featuring the USC Trojans (PAC-12) vs. the Louisville Cardinals (ACC).

ARCHITECTURAL FEATURES

Seating bowl "fractured" by first base and third base Towers housing vertical light standards and other elements to create distinctive "seating neighborhoods." First base and third base Garden Buildings house concession areas, premium seating club membership lounges, offices, restrooms and other programming elements usually housed inside a ballpark. Spacious concourses and terraces afford outstanding views of San Diego Bay, Coronado Bay Bridge, downtown skyline, Pacific sunsets, glimpses of Balboa Park and mountains to the east.

LANDSCAPE

The entire ballpark is designed and landscaped to resemble a garden. The landscape includes plants both inside and outside the park and vines and flowering vegetation spilling over bridges, walkways and trellises. The wall of flowing water at the Home Plate Plaza captures the spirit of San Diego's casual, coastal lifestyle. Garden Buildings feature bougainvillea and colorful planters. Jacaranda trees line the main entrance, Home Plate Plaza features coral trees at the top of the staircase and palms, and Palm Court Plaza features signature palm trees.

Gallagher Square features a dynamic landscape filled with native and drought-tolerant plants that showcase the rich biodiversity of San Diego County. The cyclical bloom of various flowers throughout the year ensures a constantly changing and visually captivating landscape. Towering evergreen Oak trees provide shade, and a large lawn invites relaxation, play and provides a flexible space for community events.

The garden seamlessly integrates a diverse selection of trees, ranging from the distinctive Dragon trees to the stately California Sycamore trees, and includes Date Palms that mirror those found within the ballpark's Palm Court Plaza. The park's landscape has been carefully curated to reflect the essence of San Diego and display the local horticulture.

The space embraces sustainability with lower water-use plant species that conserve resources and support local species, reinforcing the Padres' commitment to creating a sustainable and captivating urban space.

The landscape and vegetation selected are "water-wise," low allergenic and environmentally responsible, requiring minimal use of pesticides and toxic chemicals. The landscapeing is fertailized with compost created from gameday food waste, creating a circular, closed-loop system.

ENVIRONMENTAL FEATURES

An agreement with the Environmental Health Coalition comprehensively addressed issues of air and water quality, urban runoff, removal of hazardous materials, and use of pesticides and toxic chemicals in the construction and operation of the ballpark. Progressive recycling and waste management programs help make Petco Park one of the greenest ballparks in Major League Baseball.

The Padres partnered with Ecosystem in 2023 to provide the stadium's own chiller plant that decreases water use, provides annual savings of more than $1 million, and reduces greenhouse gas emissions by roughly 700 tons per year.

Petco Park also features a two-bin trash system (Compost and Recyclable) to streamline waste management in an effort to reduce organic waste. Delaware North has made foodware at the ballpark compostable, and Aramark sorts the trash in the Petco Park's trash sorting area.

GOING SOLAR

Prior to the 2018 season, the Padres and Petco Park continued their efforts as industry leaders in energy sustainability with the installation of 336-kW solar array and 125-kW energy storage battery. The project consisted of 716 high-efficiency,470-watt solar modules and will generate 336 kilowatts of solar power, enough to power the entire Padres front office. The solar power system serves as the largest solar power system in Major League Baseball.

CLEAN, RENEWABLE ELECTRICITY

In partnership with San Diego Community Power in 2022, Petco Park became the first National League ballpark to run completely off clean, renewable electricity.

BALLPARK DISTRICT

Effective July 1, 2025, the Ballpark District is a designated 22-block area surrounding Petco Park. This effort reflects the Padres' commitment to the entire fan experience at Petco Park, ensuring cleaner streets, safer public spaces, and a more vibrant, welcoming environment before fans step into the ballpark.

TREVOR HOFFMAN WAY & PETER SEIDLER WAY

In 2019, the Padres renamed a portion of Park Blvd in celebration of MLB Hall of Famer Trevor Hoffman. The street is one block between Tony Gwynn Drive and Peter Seidler Way. In 2025, the Padres renamed a portion of Imperial Avenue in honor of their beloved Chairman and Owner Peter Seidler. The street is one block between the intersection of Trevor Hoffman Way and Park Blvd (dissecting the meeting point) and connects to 11th Avenue.

#BrownIsBack

On November 9, 2020, the Friar Faithful witnessed the unveiling of the team's new brown and gold uniforms. Nearly 4,000 fans were on hand as Padres shortstop Fernando Tatis Jr., first baseman Eric Hosmer and third baseman Manny Machado modeled the new threads. The new primary home pinstriped uniform features "PADRES" across the chest in brown with a gold outline, brown and gold piping and the return of the Swingin' Friar in the form of a sleeve patch. The road uniform is brown with a gold "SAN DIEGO" across the chest along with gold piping and the Swingin' Friar patch.

The road alternate features a lighter sand brown color scheme with pinstripes and a brown with gold outlined "SAN DIEGO" across the chest. With the new road color scheme, the Padres became the only team in Major League Baseball to not utilize any gray road uniform. In bringing back the brown, Padres ownership made a point to seek out the feedback of their loyal fanbase and implement this change that signifies a new era in Padres baseball. The unique color scheme also sets the club apart from the rest of Major League Baseball. In addition to the three new brown and gold uniforms, the Padres also unveiled new Sunday military brown camouflage jerseys to be worn as part of their Military Salute Sunday home games.

CITY CONNECT

In Summer 2022, the Padres unveiled their Nike City Connect Series jersey, becoming the seventh and final MLB club in 2022 to debut the new uniforms. Making its on-field debut at Petco Park on July 8, 2022 and worn every home Friday thereafter through 2025, the Padres collection is a nod to the coastal community we live in. It is inspired by the vibrant landscapes in the San Diego and Baja California communities, from the scenic views up and down the coastline, to the ocean's white foam and the stunning pink and yellow sunsets. The vintage typography reminds San Diegans of weathered beach signs marking the special spots they cherish from Oceanside to Imperial Beach and everywhere in between. The uniform's bold colors and decorative details depict the radiant artwork that is prominent within our shared culture, as the Padres are proud of our binational fan base and the region we call home.

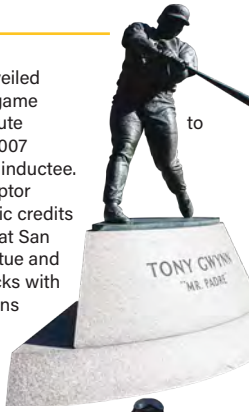
PETCO PARK STATUES

MR. PADRE

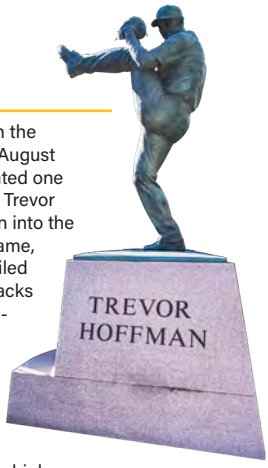


The nine-foot, 1,200-lbs bronze likeness of "Mr. Padre" was unveiled prior to the Padres vs. Phillies game on July 21, 2007 as part of "Tribute to Tony Gwynn Weekend," honoring the 2007 National Baseball Hall of Fame inductee. The statue was molded by sculptor William Behrends, whose artistic credits include a statue of Willie Mays at San Francisco's AT&T Park. The statue and surrounding plaza includes bricks with personalized messages from fans to Gwynn. In 2024, the statue was moved onto the new Tony Gwynn Terrace and repositioned so that he is directly facing the statue of his former teammate, Trevor Hoffman.

THE COLONEL

On September 15, 2012, the Padres honored the late Jerry Coleman's 70 years in baseball and his 40 years with the Padres in a pregame ceremony at Petco Park, during which the club unveiled a bronze statue of Coleman at the ballpark, standing at 7.5-feet tall, weighing 650 lbs. It depicts Coleman in the uniform he wore as a pilot in the Marine Corps. San Diego Mayor Jerry Sanders proclaimed the day "Jerry Coleman Day."

TREVOR TIME



"Hells Bells" blared through the speakers at Petco Park on August 18, 2018 as the club celebrated one of its most iconic figures in Trevor Hoffman. After his induction into the National Baseball Hall of Fame, Hoffman's statue was unveiled prior to the Padres vs. D-Backs game as part of a weekend-long celebration for the closer. William Behrends sculpted the nine-foot, 1,000 lb. likeness, which overlooks the bullpen in left-centerfield and depicts Hoffman's signature high leg kick.

GALLAGHER SQUARE RENOVATION

To commemorate the 20th Anniversary of Petco Park in 2024, the Padres continued its investment in the ballpark by renovating Gallagher Square, providing fans and the community with expanded amenities, and building on the decades-long commitment to deliver "More than a Ballpark."

On October 9, 2023, the Padres officially broke ground on Gallagher Square to begin the project, with the goal of reopening the park in time for the Padres 2024 Opening Day on March 28. Minor projects will continue after Opening day and are expected to be completed by June 2024.

COMMUNITY AMENITIES

The renovated Gallagher Square includes new and improved features for the community, all with an eye toward celebrating the Padres' history and San Diego's baseball traditions.

- Playground and Play Area expanded for wider range of ages and abilities. The playground features a 35 2 1/4 feet tall x 7 feet wide baseball bat made of steel and wood that allows for kids to climb to the top, making it the tallest climbable bat in the world.
- Fenced, off-leash dog park
- Improved Play Ball Field
- Pickleball courts
- Tony Gwynn Terrace viewing deck and picnic space
- Public art displays featuring local artists

As part of this renovation, Gallagher Square has been reconfigured in a manner that will allow for portions of the park to remain open for public use more frequently.

IMPROVED GAMEDAY AND EVENT EXPERIENCE

The iconic statue of Mr. Padre Tony Gwynn has been elevated and surrounded by an expanded viewing deck that provides all new sightlines of games while serving as a picnic space during public hours. Tony is also more visible from the ballpark and directly aligned with his teammate and fellow Hall of Famer Trevor Hoffman.

The project brings a new and expanded fan entry gate (Balboa Gate) to 9th and J Street for improved security and wait times, along with leveled and tiered lawn seating in Gallagher Square where tickets are more affordable than other fixed seating areas within the ballpark.

TONY GWYNN TERRACE

The Tony Gwynn Terrace is the new home to Tony Gwynn's statue and continues to be surrounded by beloved legacy bricks. The terrace also has picnic tables for additional seating, along with a Tony Gwynn Deck Tower that houses new food and beverage space and a new videoboard. Located beneath the terrace is the Tony Gwynn Tunnel where fans can see and hear all about the amazing life and career of Mr. Padre. An additional Padres retail and food and beverage space have been built on the ground level next to the tunnel.

LEGACY BRICK PROGRAM

As part of the renovation project, the Padres created a Legacy Brick Program, where fans who previously purchased a brick near the original Tony Gwynn statue location in Gallagher Square received a new brick with their original inscription installed at the new location. Fans were also given the opportunity to purchase a customizable engraved brick that would be laid in the new Tony Gwynn Terrace viewing deck alongside the existing bricks. Proceeds from the Legacy Brick Program benefit the Tony Gwynn Community All-Star program and other Padres Foundation community initiatives.

GALLAGHER SQUARE IN HD

A new, state-of-the-art videoboard is displayed at the Sycuan Stage that spans across the entire back of the batter's eye. The board measures 73 feet wide by 21 feet tall and uses 6mm of HD product by Daktronics that features amazing resolution and unmatched clarity. The new videoboard has the capability to include the scoreboard lineup and player statistics for the first time.

Four videoboards measuring 16 feet by 9 feet, featuring 6mm in HD product by Daktronics, have been installed in Gallagher Square. Two videoboards are displayed on the Tony Gwynn Deck Tower, one facing the all-new playground and the second one facing the Tony Gwynn Statue and Deck. The other two videoboards are on the Play Ball field so fans can keep up with game action while enjoying Gallagher Square. An additional message board measuring 3.5 feet by 60 feet was added to greet fans as they enter Gallagher Square at the Balboa Gate.

RESPONSIBLE DESIGN

The improvements resulted in a more sustainable, state-of-the-art space by incorporating:

- Turf to replace some of the grass, enhancing the overall aesthetic and significantly reducing water and re-sodding needs while maintaining grass on a large portion of picnic hill.
- Native trees and vegetation planted throughout the space.
- A Noise Measurement system that allows for real-time monitoring, along with the latest technology that provides sound pressure level prediction.

A MORE ACTIVATED, VIBRANT EAST VILLAGE

The investment in a renovated and improved Gallagher Square is on top of the Padres investing hundreds of millions of dollars over 20 years to build a vibrant East Village through economic development and the creation of hundreds of thousands of jobs. The project is intended to attract more residents and visitors, particularly during the offseason, resulting in:

- A boost to nearby businesses, supporting local small business owners, operators and employees
- Increased local tax revenue, which is invested back into the community
- More living wage jobs for San Diegans

WESTERN METAL SUPPLY CO. BUILDING RENOVATION

In continuing the Padres' longstanding and ongoing commitment to maintain and improve Petco Park, the club embarked on a multi-million-dollar renovation of the Western Metal Supply Co. Building following the completion of the 2024 postseason. The project includes a complete makeover of the Padres New Era Team Store, the Budweiser Loft on the fifth level, and the Rooftop. Construction will be completed in time for the Padres' 2025 Opening Day.

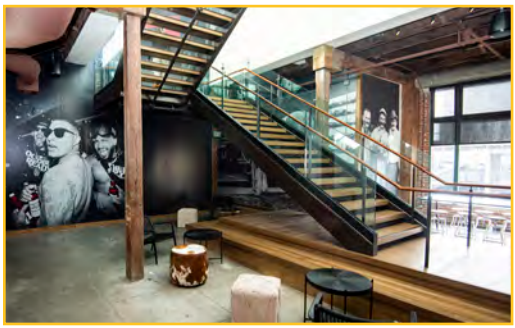
The Western Metal Supply Co. Building's iconic brick façade will remain untouched, while the suites on the third and fourth floors of the building were recently renovated when the Padres remodeled all 70 suites at Petco Park in 2022.

PADRES NEW ERA TEAM STORE

While honoring the history of the Western Metal Supply Co. Building, the Padres New Era Team Store will expand by approximately 1,000 square feet of new floor space and will see increased checkout locations, new modern finishes, lighting and optimized merchandise displays to the existing retail environment, remodeled restrooms, and a transformed Entertainment Suite and exterior deck. The improved Entertainment Suite, located in the left field corner of the playing field, is perfect for groups of 16-or-more and includes an expanded exterior deck with additional field-facing seats, a new premium catering layout, new luxury finishes and furniture, increased in-suite privacy, and access to renovated semi-private restrooms.

BUDWEISER LOFT

The new and improved Budweiser Loft features an elevated social space that celebrates the unique historic character of the building while adding refined hospitality touches. The upgrades include a renovated bar, new focused lighting that will enhance the guest experience, new premium furniture and games, and a transformed Foul Pole Suite. The improved Foul Pole Suite, located in the Western Metal Building on the left field foul pole, includes expanded capacity for groups of 20-or-more, a new premium catering layout, new luxury finishes and furniture, and access to renovated semi-private restrooms. The Budweiser Loft is open to general ticketed fans and serves as a Member Happy Hour location on gamedays unless booked for a private group.



THE ROOFTOP

The most transformational change to the Western Metal Building includes a new grand staircase that will for the first time connect the Budweiser Loft directly to the fully renovated Western Metal Rooftop. Designed to elevate the gameday and event experience, the remodeled Rooftop will feature a 4,000-square-foot raised deck that offers all new sight lines to the playing field and increased capacity for more guests in the space. The Rooftop will also include new private restrooms dedicated to the space, a new covered trellis that will provide shade and overhead heating, all new and increased premium lounge seating, and two new LED video boards measuring 16-by-9 feet so that guests in the space will not miss any of the action on the playing field. One board on the elevator tower boasts 6mm pixel pitch and one board over the bar area boasts a 2.5mm pixel pitch for clarity and up close viewing.

The showpiece of the improved Western Metal Rooftop will be a new feature wall on the field-facing side, which will light up, including the night sky, for celebratory moments. Priority for Rooftop private events and gameday experiences is given to groups of 300 guests-or-more; and now with direct connectivity to the Budweiser Loft, can comfortably accommodate groups exceeding 1,000 people.

DIAMOND ROOM

On January 16, 2026, a new exclusive cocktail lounge opened in one of the Ballpark District's most storied landmarks. Diamond Room, developed by Patina Group and Finest Collective—the Padres hospitality and events division—debuted adjacent to Gallagher Square at Petco Park. With only 50 seats, Diamond Room offers an intimate and differentiated setting with a late 1970s vibe featuring velvet, leather, mirrors, turntables, a disco ball and dark tones, creating a retro-chic atmosphere for guests. Diamond Room also features a speakeasy-type door with direct access to Finest's offices. The restaurant's location allows guests to listen to Gallagher Square's musical performances from afar, catch a glimpse of Padres players at the ballpark, and mingle with San Diego's most discerning crowd. Diamond Room also serves as an ideal premium location for guests to gather before or after an event at the ballpark and can be booked for private events through Finest Collective.

The San Diego Padres are committed to making a meaningful impact by supporting youth, the military, first responders and under-served communities throughout the San Diego and Baja region.

PADRES FOUNDATION

The Padres Foundation, a 501(c)(3), compliments the club's outreach initiatives with areas of focus under Live, Learn, Play and Serve pillars. The Foundation raises funds through a number of programs in which fans can participate, including the 50/50 Raffle, Dinner on the Diamond, Broadcast Auction, the annual Garage Sale, Shirts Off Their Backs and more.

PADRES VOLUNTEER TEAM

The Padres Volunteer Team is a regional volunteer force which calls upon Padres fans to donate their time to the San Diego and Baja region's non-profits and civic organizations. Launched in February 2015, the Padres Volunteer Team consists of more than 6,400 volunteers who have collectively given upwards of 94,000 hours to various local non-profit organizations.

FUTURE PADRES: YOUTH BASEBALL & SOFTBALL

In 2026, the Future Padres Youth Baseball and Softball program presented by UC San Diego Health with support from Jack in the Box, more than 20,000 youth baseball and softball uniforms to local leagues.

The Padres' investment in local youth baseball and softball has saved leagues millions of dollars. By providing jerseys, caps and visors, these youth leagues reallocate funds towards other areas of need such as field maintenance, purchasing equipment and concession stand improvements. In some cases, leagues have been able to significantly lower or eliminate registration fees, creating an opportunity for more kids to play baseball and softball.

PADRES BASEBALL & SOFTBALL CAMPS

Launched in 2016, Padres Summer Baseball and Softball camps feature five action-packed days of individualized instruction, marquee competitions, and special events for all skill levels, ages 4-12.

In 2026, campers can look forward to another year of character development and a unique Major League experience that creates lasting memories. Camp is offered at various locations throughout San Diego and includes an official camp uniform and a meet and greet with a current or former Padres player. The Padres Camp curriculum ensures a safe environment for campers, while offering a highly engaging, and fun experience for kids that participate.

PADRES ROOKIE LEAGUE

The Padres are proud to provide free baseball and softball opportunities to underserved youth through the Padres Rookie League program. Padres Rookie League engages kids ages 5 to 13 in a program designed to teach life lessons and build self-esteem through both baseball and softball. The Padres host the Padres Rookie League through relationships with community organizations across the region, including the only site on an active military base, and the only binational site.

PADRES COACH OF THE YEAR PROGRAM PRESENTED BY SAN DIEGO COMMUNITY POWER

The San Diego Padres recognize and honor the positive role coaches play in the lives of student-athletes through the Padres Coach of the Week and Coach of the Year program, presented by San Diego Community Power.

The Padres and San Diego Community Power award one local baseball or softball Coach of the Week for eight consecutive weeks for making a positive impact on the lives of his or her players on and off the field as a coach, mentor and role model. At the end of the program, one of these coaches is named the Padres Coach of the Year during a pregame on-field ceremony at Petco Park.

The Padres Coach of the Year program asks San Diego County high schools as well as local youth baseball and softball programs to nominate coaches who provide valuable leadership and mentorship for the youth in our community.

Each Coach of the Week receives a $1,500 donation to support his or her program or league while the Coach of the Year receives a $10,000 donation.

HONORING THOSE WHO SERVE

Since joining Major League Baseball in 1969, the San Diego Padres have prioritized honoring and supporting San Diego's over 900,000 veterans, active duty and retired service members and their families. The Padres are widely regarded as MLB's "Team of the Military," and the club is known as the first Major League team to have a dedicated Military Affairs department. In the city with the largest military footprint in the world, the Padres are committed to ensuring that baseball in San Diego will continue to remain an affordable family venue for our entire military community. The Padres are proud to host Military Salutes at thirteen home games throughout the season, recognizing each branch of service, veterans, families and military milestones.

In addition to the thousands of tickets given annually to the military community, the Padres offer tickets year-round to active-duty military, veterans and their families year-round at a 25% discount for Military Salute games and 10% off all other home games through GovX.

MARINE RECRUIT SUNDAYS

The Padres long-standing tradition of hosting recruits from the Marine Corps Recruit Depot at Sunday home games prior to their graduation from boot camp will continue this season. These visits are significant because they represent the first time the recruits are permitted to attend a social event away from their rigorous training schedule and wear their USMC uniforms in public. Marine recruits will once again be a fixture at Petco Park on Sundays.

MILITARY OUTREACH

In recognition and appreciation of those who serve, the Padres Foundation supports several initiatives throughout the year to uplift San Diego's military community. Among these is the Alumni Softball Game in which Padres greats visit a local military base to play softball against enlisted servicemembers. The Padres also host an annual Baby Shower for military mothers-to-be, partnering with Nuna to gift each family a stroller and car seat. With the help of front office volunteers, the Padres assemble thousands of CARE packages for local homeless veterans who receive care at Veterans Village San Diego as well as active duty military members around the globe. Finally, as part of the Padres Foundation's Peter Seidler

Legacy Projects initiative, the Padres and Joe Musgrove have partnered with the Armed Services YMCA of San Diego to support an $8.8 million expansion of the Center for Military Families that includes a Padres-themed playground and wiffle ball field.

FIRST RESPONDERS

The Padres are proud to celebrate, honor and thank San Diego County's First Responder community and the organizations that support them. In recognition and appreciation of the First Responders' commitment to the citizens and community, the Padres have designated six games as First Responder Appreciation Games, bringing well-deserved attention to the hard work and service the various departments provide. First Responder Appreciation Games are dedicated to all first responder departments throughout the City and County of San Diego, including the San Diego Police Department and other county police departments, San Diego County Sheriff's Department, San Diego Fire-Rescue Department, California Highway Patrol, U.S. Border Patrol, Red Cross, FBI, DEA and other organizations on the front line of service to our community.

COMUNIDAD AWARDS

In 2026, the Padres will celebrate the winners of the 16th annual Hispanic Heritage Comunidad Awards during a pregame ceremony this season. The awards honor community leaders or organizations that have made significant contributions to the region's Hispanic community within the Padres Foundation's four focus areas: LIVE (health & mentorship), LEARN (education), PLAY (recreation) and SERVE (volunteerism, military and first responders). A nominee is selected from each category by the Padres Hispanic Community Advisory Council with the Padres Foundation donating to each of the non-profits chosen.

CROSS BORDER PARTNERSHIP

The Padres hosted baseball and softball clinics to support youth in Tijuana in 2025. During the Padres Holiday Giving Tour, Spanish broadcaster and former player Carlos Hernandez visited Liga de Beisbol Infantil y Juvenil Municipal de Tijuana in which Padres Foundation hats, shirts and lunch were given out along with fielding, pitching and hitting resources to the kids.

A group of Padres front office staff also traveled down to Tijuana to build and decorate a new home for a deserving family through the non-profit organization, Build A Miracle. Padres Tijuana community partners include Build A Miracle, Boys and Girls Club, youth baseball and softball leagues, YMCA Tijuana, local sports institutes and others. The Padres look to continue to expand their community impact in Tijuana in 2026.

CHARITY TICKET PROGRAM

The Padres Charity Ticket Program provides complimentary tickets to non-profit organizations with a primary focus on disadvantaged youth who likely would not be able to attend a Padres game. The Padres are proud to work with Tickets for Kids to assist with the distribution of our charity tickets.

COMMUNITY APPEARANCES

Padres players and alumni make hundreds of appearances in the San Diego and Baja Community in support of club initiatives and local non-profits. These appearances give fans a chance to connect with players and alumni and strengthen the bond between the Padres and their community. Appearances include the Padres Thank SD Tour, Padres Holiday Giving initiative, the annual Padres Thanksgiving Turkey Distribution, Rady Children's Celebration of Champions and more.

PADRES FANTASY CAMP

Re-launched in 2019, the Padres Fantasy Camp offers an annual week-long experience at the Peoria Sports Complex in Peoria, AZ. Campers spend the week getting the full big-league Spring Training experience while receiving instruction from notable Padres alumni and coaches. As part of this once-in-a-lifetime opportunity, each participant begins their day by putting on their own authentic Padres uniform in the Padres clubhouse and ends the day sharing stories at the local watering hole with Padre greats. All net proceeds from Fantasy Camp benefit the Padres Foundation. The 2026 Fantasy Camp took place January 9-14.

TONY GWYNN COMMUNITY ALL-STARS

Padres Hall of Fame outfielder Tony Gwynn was known as "Mr. Padre" for his leadership in the San Diego community. The Tony Gwynn Community All-Star Program was created to recognize and honor San Diego's youth who follow in his footsteps and support their local community. Students working in conjunction with a local non-profit organization to support underserved segments of our community received grants ($45,000 total) to support their efforts.

RANDY JONES COMMUNITY CHAMPION AWARD

The Randy Jones Community Champion Award was created to honor Randy's 50 years of service both on and off the field to the Padres. The award is given annually to a former Padres player for making a positive impact in the community. The inaugural honor went to the award's namesake in 2023. The 2024 recipient of the Community Champion Award was Hall of Fame reliever Trevor Hoffman, known as one of San Diego's most active and giving citizens. The 2025 honor was presented posthumously on April 11, 2025, to former Padres outfielder Billy Bean for his tremendously positive impact on behalf of Major League Baseball for his work on diversity, equity and inclusion and other social justice initiatives.

JOHNNY RITCHEY SCHOLARSHIP & BREAKING BARRIERS

The Padres' Johnny Ritchey Scholarship program was created in 2020 to make annual awards to local high school seniors from underserved areas that embody the characteristics and qualities Ritchey displayed on and off the field, including the capacity to overcome adversity and break barriers academically, athletically or in the community. Ritchey, a San Diego native, broke the color barrier in the Pacific Coast League after being signed by his hometown team in 1948. At a time when Major League Baseball was not yet in the Western United States, Ritchey was the first – and often the only - Black player on the field in ballparks throughout the West Coast.

The Padres Foundation in partnership with the California Masons Foundation and Reality Changers award 10 scholarships valued at $10,000 ($2,500 renewed annually) to students that have encountered and, more importantly, overcome significant personal adversities in their life and have used these challenges to strengthen themselves in their pursuit of higher education.

In addition, the Padres with the support of SDG&E and the "Going to Bat for San Diego program" created the Breaking Barrier Forum in 2022. Inspired by Johnny Ritchey, the Forum is an opportunity for local high school students to hear stories of "breaking barriers" and overcoming personal adversity from community and business leaders as well as professional athletes.

DINNER ON THE DIAMOND

The fourth annual Dinner on the Diamond presented by Sycuan Casino Resort benefiting the Padres Foundation was held on July 3, 2025. Guests dined on the playing field alongside the entire Padres roster, coaches and ownership. The event featured a special program hosted by Don Orsillo and Mark "Mud" Grant and a musical performance from T.I. Proceeds from the event benefit the Padres Foundation and the Peter Seidler Legacy Projects. Last year's event raised funds for two new youth baseball projects through partnerships with the Miracle League of San Diego and Liga de Béisbol Infantil y Juvenil Municipal de Tijuana. The fifth annual Dinner on the Diamond is scheduled for April 30, 2026.

50/50 RAFFLE

During Padres home games, fans can purchase 50/50 raffle tickets for a chance to win 50% of the raffle jackpot. Net proceeds support various Padres Foundation community initiatives. Tickets may be purchased at raffle kiosks throughout Petco Park or from roaming raffle sales representatives. Raffle tickets are on sale from the time gates open until the end of the seventh inning. Participants must be at least 18 years old to play.

PETER SEIDLER LEGACY PROJECTS

Padres Owner & Chairman Peter Seidler helped guide the Padres' community support efforts throughout his leadership of the franchise. His caring spirit for the community and those less fortunate will continue to lead the Padres into the future.

The Peter Seidler Legacy Fund was created within the Padres Foundation to honor the beloved Padres owner, philanthropist and humanitarian, and continue his good work on behalf of those less fortunate in the San Diego and Baja communities. The Fund supports projects and causes dear to Peter's heart. In 2025, projects included helping fund the Armed Services YMCA playground and wiffle ball field project, as well as helping with construction of the Ronald McDonald House Padres Clubhouse. Each project was funded with support from Padres players including Joe Musgrove (Armed Services YMCA), and Yu Darvish (Ronald McDonald House). To start 2026, the Padres and the Padres Foundation unveiled a newly renovated Miracle League baseball field at San Dieguito County Park.

Signed by the Dodgers as a free agent in 1984, Hernandez became the second Venezuelan catcher in MLB history, following Bo Díaz. He made his Major League debut in 1990 with the Los Angeles Dodgers. A highly skilled defensive player, he spent his Dodgers career (1990-96) mainly as a back-up catcher to Mike Scioscia and Mike Piazza, appearing in 230 games, with 133 starts. He signed with the Padres as a free agent and in his first full season as a regular catch for the organization, Hernandez batted .262 with 9 home runs and 52 RBI in 129 games played.

Hernandez finished his career batting .253 (315-1244) with 24 home runs, 141 RBI, 102 runs, 51 doubles, one triple and one stolen base in 488 games played. In 22 postseason games, he hit .299 (20-67) with one home run and two RBI.

In 2004, Hernandez led the Toros de Tijuana to the playoffs as manager of the Mexican Summer League team. Hernandez returned to the Padres organization in 2005, serving as the club's catching coordinator until 2007. He served as manager of the prestigious Leones del Caracas Venezuelan Winter League club from 2006-08 and was the catching coordinator for the Arizona Diamondbacks from 2010-13.
