

WELCOME

Major League Baseball® would like to thank you for participating in the exciting Major League Baseball® PITCH HIT & RUN™ competition. This skills program provides boys and girls, ages 7-14, the opportunity to showcase their pitching, hitting & running abilities in one of two divisions: baseball or softball.

The competition is easy to execute and the program includes three levels of competition, including the Finals during 2020 MLB® All-Star Week.™ The PITCH HIT & RUN™ program is administered by Major League Baseball's Baseball & Softball Development Department. Additional program management is done by LEJ Sports Group and other MLB partners.

MISSION STATEMENT

PITCH HIT & RUN™

To provide youngsters across the country with an opportunity to participate, free of charge, in an exciting baseball/softball skills competition in the safest atmosphere possible; to provide youth organizations with an easily administered program that communicates effectively, supplies consistent and timely information, and delivers all materials on schedule in an effort to provide the highest quality program of its kind.

PITCH HIT & RUN™ is intended to encourage youth participation and showcase the top youth talent in baseball/softball. Since there is no registration fee for this program, every boy and girl, ages 7-14, will have a chance to compete. Participants will compete in three important aspects of baseball/softball: pitching, hitting & running.

PROGRAM OVERVIEW

PARTICIPANTS

All participants must have their parent or guardian **REGISTER ONLINE at PitchHitRun.com** prior to the competition. Parents/guardians should be ready and able to show proof of participant age (copy/picture of birth certificate, etc.).

DIVISIONS/AGE GROUPS

There are two separate divisions of PITCH HIT & RUN™: baseball and softball. Participants may compete in either division. Once a participant has competed in a division, he/she must remain in that division for all subsequent levels of the competition, and may not switch divisions. **This should reflect the respective division in which the participant plays locally in team/league play.** Attempts to compete in both divisions will result in disqualification. Participants will compete in one the eight division age groups listed below. Age is determined as of July 17, 2020 (please see age verification chart on p.8).

SAFETY PRECAUTIONS

Please consider baseball/softball safety regulations throughout the warm-up period and during the administration of the PHR competition to avoid injuries to the participants. All parents and spectators should remain off the field at all times. As you read through the administration of each skill in the handbook, please be aware of the safety note indicated at the bottom of the page (Pitch - p.10, Hit - p.12 and Run - p.14). If you have any questions or need suggestions with regard to safety precautions, please contact pitchhitrun@mlb.com.

LOCAL COMPETITION COORDINATOR'S RESPONSIBILITIES

1. Register online at PitchHitRun.com.
2. Receive information/materials necessary to host a competition.
3. Promote your competition:
 - Visit PitchHitRun.com/host for electronic resources to promote your event to your digital and social media networks.
 - Share your unique registration link with your network to ensure online pre-registration.
 - Participants should be encouraged to register online prior to the week of your event.
 - Utilize promotional material provided in your Host Kit.

The responsibility to promote your competition is optional, but highly recommended for a successful event.

4. **You will be provided a listing of pre-registered participants the week of your event.** From this, you can create scoresheets (electronic scoresheets can be found at PitchHitRun.com/host). If you are interested in receiving this listing earlier, please contact pitchhitrun@mlb.com.

Any participant registrations after this listing is distributed will need to be added manually by the Host. Please refer to the REGISTRATION CHECKLIST at PitchHitRun.com/host for guidance.

5. Staff and administrate competition.
See p. 17 for a Competition Review Summary to assist in administering the competition.
6. Award participants (see p. 6 for rules on who is awarded and advances).
7. Submit Local Competition results at PitchHitRun.com/host. If you encounter problems submitting results, please contact pitchhitrun@mlb.com.

All participant registrations must be completed online at PitchHitRun.com in order to participate at the Local level and advance to subsequent levels.

Visit PitchHitRun.com/host to download electronic materials, submit results and utilize other host resources.

LEVELS OF COMPETITION

PITCH HIT & RUN™ is established in geographic markets across North America. The markets encompass neighboring states/provinces, when necessary, to ensure the availability of the program to all participants. Participants are eligible to advance through three (3) levels of competition – Local, Team Championship and Finals.

Local Level

Through mid/late May*

It is recommended that Local events be held prior to mid-May with results received immediately following to ensure that Local winners can have the opportunity to advance to the nearest Team Championship.

IMPORTANT NOTE: In order to have a participant advance to subsequent levels, **ALL** participant registrations and results must be logged online at PitchHitRun.com.

*The date of the Team Championship in each Major League Baseball® market will determine how late a corresponding Local Competition may be scheduled, which means you could schedule your Local Competition later in May if you find out that your corresponding Team Championship is scheduled on a later date. **To avoid any conflict with the winners advancing in the competition, please attempt to conduct your local event by mid-May.**

Team Championship

Late May – June

This level of competition consists of the top Champions from the Local Level and will be hosted at Major League Baseball® ballparks.

Finals

MLB® All-Star Week™

The top youngsters from the Team Championship Level will compete at the Finals during 2020 MLB® All-Star Week.™

WHO IS AWARDED & WHO ADVANCES

Local Competition

The CHAMPION for each division age group that is represented at your Local Competition is awarded and is eligible to advance to their assigned Team Championship.

The CHAMPION is determined by comparing the CUMULATIVE score of participants' pitch, hit and run scores in each division age group.

NOTE: The PITCH HIT & RUN™ competition no longer awards individual skill winners, i.e. Pitch Champ, at the Local level.

The Local CHAMPION in each division age group DOES NOT automatically advance to the Team Championship. His/her score must be compared to other qualifiers in that MLB® team market* in order to determine the top three (3) scorers in each division age group who will advance to the Team Championship. All qualifiers will be notified by PITCH HIT & RUN™ as to their advancement.

**The geographic location of a Local event will determine the Team Championship in which the winners will be eligible for and have to opportunity to advance to. Team Championship assignments are pre-determined and may not be adjusted. Local Champion scores in each division age group within each Team Championship market will be ranked and participants will be notified accordingly as to their possible advancement.*

Team Championship

All scores are reset to zero and all participants will receive the following:

- PITCH HIT & RUN™ Cap
- PITCH HIT & RUN™ T-shirt
- Team Championship Award
- Two (2) tickets to a game in their MLB® Team Market

The Team Champion in each division age group has the opportunity to advance to the Finals. **All Major League Baseball® Team Champions DO NOT automatically advance to the Finals.** His/her score is compared to the other Major League Baseball® Team Champions in their division age group to determine the top scorers advancing to the Finals.

Finals

All scores are again reset to zero and participants receive an all-expenses paid trip for two (2) to compete in the Finals held during MLB® All-Star Week™.

Tiebreakers

In the event of a tie when awarding the CHAMPION in each division age group, the player with the highest **Hit** score among those involved with the tie will win the tiebreaker. If a tie still exists, the player with the highest **Run** score of those involved with the tie will win the tiebreaker.

COMPETITION RULES

Birthdate/Age Verification Chart

For all levels of the PITCH HIT & RUN™ program, each competitor's age is taken as of July 17, 2020. This is to ensure that competitors remain in the same age group for the duration of the program. Use the chart below to determine the appropriate age group for each competitor.

Age as of July 17, 2020

Age 7/8	July 18, 2011 to July 17, 2013
Age 9/10	July 18, 2009 to July 17, 2011
Age 11/12	July 18, 2007 to July 17, 2009
Age 13/14	July 18, 2005 to July 17, 2007

Parents/guardians should be ready and able to show proof of participant age (copy/picture of birth certificate, etc.)

Major League Baseball® Sponsorship Regulations

If not for the funding of Major League Baseball® and its sponsors, this program would not be free for organizations nor participants. There are strict regulations and applicable law for use of the MLB® PITCH HIT & RUN™ logo or any wordmark, logo or other trademark of Major League Baseball®, any of the 30 Major League™ Clubs, sponsors or any of their affiliated entities. Request for usage must be submitted to Major League Baseball® via LEJ Sports Group.

Eligibility

- The competition is free for all participants.
- All boys and girls, ages 7-14, are welcome to participate.
- Participants may compete in more than one Local Competition, but may only compete once in subsequent levels of the competition.
- Competing in both divisions will result in disqualification.
- All participants must submit an ONLINE registration form.
- Parents/guardians should be ready and able to show proof of participant age (copy/picture of birth certificate, etc.).

Miscellaneous

- In the event of threatening weather conditions, cancellations and rescheduling will be determined by PITCH HIT & RUN™ officials at the competition site.
- Major League Baseball® PITCH HIT & RUN™ endorses proper conduct and good sportsmanship.
- Major League Baseball®, LEJ Sports Group, and state coordinators and organizers of PITCH HIT & RUN™ reserve the right to make rulings and recommendations regarding PITCH HIT & RUN™ determined to be in the best interest of the program. All rulings and recommendations are final.
- Participation in PITCH HIT & RUN™ authorizes Major League Baseball® and LEJ Sports Group to use participant's name, likeness and other personal rights for promotional use without compensation.

Note: Research has shown that it will take each participant approximately two (2) minutes to complete the competition. Considering this time allotment, if you are expecting 200 kids or more, be prepared to have multiple fields and/or multiple stations available, or consider having two (2) separate competitions.

PITCH

Visit **PitchHitRun.com** and click on About for instructional videos to assist you with the administration and setup of the PITCH

Objective: The PITCH portion of the competition will test how accurately a competitor can throw strikes to a designated “Strike Zone” target from a designated distance (35 feet for the softball division and 45 feet for the baseball division). **Any method of underhand/overhand pitching or throwing is accepted.** An attempt hitting ANY portion of the target will be deemed a strike.

Suggested Equipment:

- **Baseball Division** - Six (6) baseballs
- **Softball Division** - Six (6) 11-inch softballs (Participants in the 7/8 and 9/10 age groups)
- **Softball Division** - Six (6) 12-inch softballs (Participants in the 11/12 and 13/14 age groups)
- “Strike Zone” target (provided in Host Kit)
- Pitching Line (pitching rubber, cones, chalk line, etc.)
- Cable Ties (provided in Host Kit)

Procedure:

- Each competitor receives six attempts to hit the designated “Strike Zone”.
- **Baseball Division:** Participants pitch/throw from **45 feet** away
 - Participants compete with a standard baseball
- **Softball Division:** Participants pitch/throw from **35 feet** away
 - Participants in the 7/8 and 9/10 age groups should compete with an 11-inch softball
 - Participants in the 11/12 and 13/14 age groups should compete with a 12-inch softball
- The “Strike Zone” target (17” x 30” banner) reflects a standard MLB™ strike zone.
- It is recommended that the “Strike Zone” target be adhered to a backstop/fence or net with the provided Cable Ties. The bottom of the “Strike Zone” target should measure **20 inches from the ground** for all competitors.
- The competitor must start from the pitching line and deliver each ball to the “Strike Zone” target. Treat the pitching line just as you would a pitching rubber in a real game. A participant can follow through after the pitch/throw and finish in front of the pitching line.
- Each attempt hitting ANY portion of the “Strike Zone” target is worth 75 points.

Safety:

- Due to the involvement of a pitched ball, please ensure that participants are standing neither behind the target, nor within 50 feet of the side of the target.

Suggested Staff and Field Set Up:

- Judge: Stands at the pitching line to ensure the competitor has at least one foot touching during the delivery. A participant can follow through after the pitch/throw and finish in front of the pitching line.
- Judge: Determines the number of pitches hitting the "Strike Zone" target.
- Scorer: Records the number of pitches hitting the "Strike Zone" target and points earned on the scoresheet.

Scoring:

- Score is based on the number of pitches that hit ANY portion of the "Strike Zone" target.
- Each attempt hitting ANY portion of the "Strike Zone" target is worth 75 points. See page 19 for a Conversion Table.
- If the participant does not hit any portion of the target, he/she will receive zero points for that pitch.
- If a player receives zero strikes, they should receive the minimum score of 50 points.

HIT

Visit **PitchHitRun.com** and click on About for instructional videos to assist you with the administration and setup of the HIT

Objective: The HIT portion of the competition will test a competitor's ability to hit from a stationary batting tee where hits will be measured for distance and accuracy.

Suggested Equipment:

- One (1) adjustable batting tee
- **Baseball Division** – Six (6) baseballs.
- **Softball Division** – Six (6) 11-inch softballs (Participants in the 7/8 and 9/10 age groups)
- **Softball Division** – Six (6) 12-inch softballs (Participants in the 11/12 and 13/14 age groups)
- Measuring tape (at least 250 feet, positioned from home plate, through second base toward straight-away centerfield).
- Two (2) different sized baseball/softball bats

Note: Participants may use their own bat. Any type of bat is acceptable.

In the event a participant does not have a bat, sharing of bats is encouraged.

- String (at least 50 feet, used to determine accuracy).
- Six (6) small bean bags/flags used to mark each hit.

Procedure:

- Each competitor will be allowed three swings in an attempt to hit the ball.
- Only the best of the three attempts, as determined by the administrator, will count toward a competitor's score.
- A swing and a miss counts as one attempt (one swing = one attempt).
- A running or walking start is not permitted. Participant may take a single stride step, but cannot take multiple steps in attempt to hit the ball from a walking or running start.
- **Baseball Division** – Participants compete with a standard baseball
- **Softball Division** – Participants in the 7/8 and 9/10 age groups should compete with an 11-inch softball, whereas those in the 11/12 and 13/14 age groups should compete with a 12-inch softball.

Measuring:

- Two spotters are essential for accurately measuring the distance.
- The measuring tape should run in a straight line away from the batting tee.
- For each ball hit, Spotters A or B mark the spot where each ball first lands on the fly, NOT where the ball stops rolling.
- After the competitor's third and final attempt, the administrator will determine the best hit and measure that attempt. If two or more hits are too close to differentiate, then both or all of the attempts should be measured, with only the best attempt scored.

Safety:

- Please ensure that all participants are out of the way of any swinging bats or hit balls. It is recommended that all participants not stationed at the batting tee remain in the dugout area, behind a fence and/or at a safe distance away from the hitting area in order to avoid injury.

Suggested Method for Measuring the Hitters Best Attempt

- 1) Spotters A & B stand on opposite sides of the measuring tape, holding several bean bags/flags to mark the initial landings of the batted balls. A string (50 ft minimum) lies perpendicular to the tape measure in preparation for measurement.
- 2) After the three hit attempts and the best attempt is located, Spotter A (circle) goes to the marked spot of the ball holding one end of the string and Spotter B (star) stands on the tape measure perpendicular to the spot of the ball holding the other end of the string, making sure the string is pulled tight.
- 3) Spotter A walks towards the measuring tape while Spotter B stands still. The string should be pulled tight between them. Once Spotter A reaches the tape measure, the distance between the batting tee and Spotter A will be the "total distance" used to calculate the batter's hit score with the conversion chart.

This method provides an easy way to determine the total distance of the batters hit. The total distance is calculated as:

distance traveled - inaccuracy = total distance (see example on p. 16)

Suggested Staff and Field Set Up*:

Spotters A & B: Mark the spots where each ball first lands and determine each competitor's best hit. Measure the distance of the best attempt and subtract the inaccuracy.

Line Control: Keeps the line orderly and assists in ball retrieval.

Scorer: Records measurements on scoresheet and uses provided HIT Conversion Table to calculate total point score.

Administrator: Places ball on tee.

*If a ball diamond is unavailable, the HIT can be conducted in any open space.

Scoring

- Scores will be based on distance and accuracy rounded to the nearest foot. See page 20 for a Conversion Table.
- If the competitor fails to hit the ball in his/her three attempts, he/she will receive the minimum score of 50 points.
- A competitor will receive the minimum score of 50 points for a hit of less than 50 feet.
- If a ball carries over a fence, continue to measure if at all possible. If not, use your best judgement. If the ball hits the fence on a fly, the measurement should be the distance from home plate to the fence.

RUN

Visit **PitchHitRun.com** and click on About for instructional videos to assist you with the administration and setup of the RUN

Objective: The RUN portion of the competition will measure a competitor's speed in a sprint from the start line, touching third base, and touching home plate. **ALL participants will run a total of 120 feet.**

IMPORTANT:

The most important thing to remember is that for competition consistency, **all competitors complete one turn at third base, and must run the correct total distance** (120 feet for ALL). The competition standard for the distance between bases will be 60 feet.

Adjusting Base Paths: Youth fields with base paths that are longer or shorter than 60 feet can easily be adjusted to be in compliance by moving the start line.

- If the bases are 50 feet in distance, then the runner must start 20 feet behind second base toward right-center field, and then can run a straight line to third base and continue to home plate ($70+50=120$ feet).
- If the bases are 80 feet apart, then the runner starts 40 feet in front of second base, towards third base, and runs the regular route to home plate ($40+80=120$ feet).

60 ft Base Paths
Example

Shorter than 60 ft Base Paths Example

Longer than 60 ft Base Paths
Example

Suggested Equipment:

- Two (2) bases (bases should be anchored or strapped in place securely)
- Chalk line, cone or base to serve as the start line
- One (1) digital stopwatch

Procedure:

- The competitor will start at second base or the indicated start line.
- He/she will begin from a standing start, and begin running when the administrator yells GO!
- The runner will be timed from the moment he/she leaves second base or the indicated start line, touches an anchored third base, and touches home plate. No sliding is allowed.

Safety:

- Please make sure that bases are anchored or strapped in place securely and that the judge positioned near third base is well out of the way of any participant making a wide turn. Also be sure to conduct a pre-inspection of the surface to ensure the field is free of ruts and holes.

Suggested Staff and Field Set Up*:

Starter: Stands at second base and yells "GO!" to designate when the competitor is to begin running.

Judge: Positioned at third base to insure that all runners successfully tag.

Timer: Located at home plate, begins timing when the starter yells, "GO!" and stops when the runner tags home plate.

Scorer: Records all times and uses RUN Conversion Tables to determine total point value.

*If a ball diamond with bases is unavailable, the RUN can be conducted in any open space. In this case, instead of secured bases, mimic the base paths with cones or markers to make a similar path.

Scoring:

- The runner must touch third base and home plate for the time to be official. If a runner misses a base, he/she will receive the minimum score of 50 points and not be given the opportunity to run again.
- The runner should be allowed to run again if he/she has a false start.
- A competitor will receive the minimum score of 50 points for intentionally sliding into home plate.
- See page 21 for a Conversion Table to easily translate the RUN time into a point total.
- A competitor will receive the minimum score of 50 points for a time of more than 9.50 seconds.

POINT SCORING SYSTEM

Each portion of the competition is individually scored and converted to a total point score through the use of conversion tables. Conversion Tables are provided (pages 19-21), which will allow administrators to easily tabulate point totals.

PITCH

Total points based on six (6) pitches to a designated "Strike Zone" target.

- Each throw hitting any portion of the "Strike Zone" target = 75 points.
- If a player receives zero strikes, they should receive a minimum score of 50 pts.

HIT

Total Points based on the best distance from a competitor's three (3) attempts. Only the best attempt is scored.

- Round up or down to the nearest foot.
- A hit of less than 50 feet will result in the minimum score of 50 points.
- Example: A competitor hits the ball 129'6" (round up to 130'), but the ball lands ten (10) feet to the left of the measuring tape. The total distance would be $130 - 10 = 120$ feet. Use the conversion table on p. 20 and convert 120 feet to 240 points.

RUN

Total points based on the competitor's time from the start line to home plate. Use conversion chart on p. 21

- A time of more than 9.50 seconds will result in the minimum score of 50 points.
- Competitor must touch third base and home plate. If not, the minimum score of 50 points is received.

Sample Score Sheet: 7/8 Baseball Division

Participant	Pitch (6 Pitches/45 ft)		Hit (3 Swings: Best Attempt)		Run (1 Run/120 ft)		Total Score
Name	# Targets Hit	Points	Total Distance	Points	Time	Points	
John	4	$4 \times 75 = 300$	40	min score = 50	8.99	101	451
David	3	$3 \times 75 = 225$	51	$51 \times 2 = 102$	8.25	175	502
William	0	min score = 50	65	$65 \times 2 = 130$	7.02	298	478
Mark	1	$1 \times 75 = 75$	67	$67 \times 2 = 134$	9.55	min score = 50	259
Sean	4	$4 \times 75 = 300$	102	$102 \times 2 = 204$	8.07	193	697
Brandon	2	$2 \times 75 = 150$	10	min score = 50	8.10	190	390
Corey	2	$2 \times 75 = 150$	75	$75 \times 2 = 150$	11.22	min score = 50	350

7/8 Baseball
Champion

For this example, Sean would be the 7/8 Baseball Division Champion that is eligible for possible advancement to the Team Championship.

COMPETITION REVIEW

Registration

- **Each participant must REGISTER ONLINE.** If a participant did not pre-register online, they should register online on-site at the event (via parent cellphone etc.). Please refer to the REGISTRATION CHECKLIST provided at PitchHitrun.com/host for guidance.
- Verify each participant's date of birth by viewing their birth document. If not available, verify verbally by asking the participant.
- Age is taken as of July 17, 2020, see chart.

Age 7/8	July 18, 2011 - July 17, 2013
Age 9/10	July 18, 2009 - July 17, 2011
Age 11/12	July 18, 2007 - July 17, 2009
Age 13/14	July 18, 2005 - July 17, 2007

Ball Selection

BASEBALL: All baseball players should use a standard baseball for the duration of the event.

SOFTBALL: Softball players in the 7/8 and 9/10 divisions use a 11 inch softball.
Softball players in the 11/12 and 13/14 divisions use a 12 inch softball.

PITCH

- Adhere target to a fence or something similar so that the bottom of the target measures 20 inches above the ground.
- Baseball players throw from 45 ft away from the target; Softball players throw from 35 ft away from the target.
- Each participant gets six (6) attempts to hit any portion of the strike zone banner. If the ball touches any portion of the banner, the player is awarded a strike.
- Each strike is worth 75 points towards to player's total PITCH score. If a player received zero strikes, they should receive the minimum score of 50 points.

HIT

- Each participant gets three (3) swings to hit the ball off of a batting tee, a swing and a miss counts as an attempt.
- The participants are trying to hit the ball as straight and far as possible.
- Volunteers should use markers to mark where each ball lands initially (not where it rolls).
- Measure the best attempt and record the total distance (rounded to the nearest ft) using the formula below:
$$\text{Total Distance} = \text{Distance Traveled (how far the ball went)} - \text{Inaccuracy (distance from center)}.$$
- See p.13 for suggested measuring technique.
- If the "Total Distance" is less than 50 ft, the participant should receive the minimum score of 50 points.
- The "Total Distance" should be doubled in order to calculate the players HIT score.

RUN

- Each participant should run a total of 120 feet while rounding one base.
- Participants should start at 2nd base and run to home plate (base paths may need to be adjusted, see p.14).
- Participants need to touch 3rd base and home plate, if not, they will receive a minimum score of 50 points.
- Volunteers should time the participants from when they start running until the foot touches home plate, use conversion chart on p.21 to convert time to RUN score.

Awards

- For each age group and division represented, the CHAMPION should be awarded.
- The CHAMPION is determined by comparing the CUMULATIVE score of participants' pitch, hit and run scores in each division age group.
- In the case of a tie, please see tie breaker rules on p.7.

Post-Competition

- Visit PitchHitRun.com/host and submit your results.

SUGGESTED EQUIPMENT FOR COMPETITIONS

SUGGESTED EQUIPMENT FOR COMPETITIONS

- ☐ Five (5) administrators
- ☐ Tape Measure (at least 250 feet)
- ☐ Weights or object to hold tape measure in place
- ☐ Six (6) baseballs (any type of standard hardball)
- ☐ Six (6) 11-inch Softballs (7/8 & 9/10 age groups)
- ☐ Six (6) 12-inch Softballs (11/12 & 13/14 age groups)
- ☐ Six (6) flags or bean bags
- ☐ One (1) digital stopwatch
- ☐ String (non-elastic; minimum of 50 feet)
- ☐ One (1) Strike Zone Target*
- ☐ One (1) Pitching Rubber/Chalk Line
- ☐ Four (4) Cable Ties*
- ☐ Conversion Tables*
- ☐ Two (2) different sized baseball/softball bats
- ☐ One (1) adjustable batting tee
- ☐ Writing utensils
- ☐ Clipboard
- ☐ Handbook*
- ☐ Registration Checklist (found at PitchHitrun.com/host)
- ☐ Scoresheets*
- ☐ Participation cards for all participants*
- ☐ Basic First Aid equipment and emergency contact list
- ☐ Table for registration
- ☐ Calculator

To be provided*

(Note: Experience has shown that the above equipment listed is the minimum necessary to conduct a successful competition. It is important to have additional numbers in case of equipment failures.)
