NOTES

EXECUTIVES

JOHN SEIDLER

CHAIRMAN

John Seidler is the Chairman and Control Person of the San Diego Padres and has been an owner of the Padres since 2012. He was appointed to his position with the Padres in 2025 succeeding Chairman and interim control person Eric Kutsenda.

John is also the Chairman and CEO of O'Malley Seidler Partners, LLC, a family office that manages assets on behalf of four generations of the O'Malley-Seidler family. Previously, he was the co-founder, Chairman and CEO of a firm that provided comprehensive development, engineering, construction and project management services for electric power generation projects. Over two decades, it completed 16 projects located in ten different states and two Canadian provinces.

John currently serves as a board member of Rawlings Sporting Goods, which manufactures baseball and other sports equipment.

Born in Pasadena, California, John earned a Bachelor of Science degree in Engineering from Santa Clara University and both a Juris Doctor and Master of Business Administration from Loyola Marymount University. John is an avid SCUBA diver and an amateur photographer and enjoys the challenge of underwater photography.

John and his wife Laurie have been married 34 years. They have three adult children ranging from 22 to 30, a son-in-law and a grandson. When their youngest started college, they bought a home in San Diego so they could attend more Padres games and now spend a majority of their time here.

ERIK GREUPNER

CHIEF EXECUTIVE OFFICER

Erik Greupner was promoted to his current post of chief executive officer in January 2021. Greupner oversees the Padres' operations and leads the growth and development of the club's business and culture. 2025 marks his 15th season in San Diego after joining the club in December 2010. During his tenure as CEO, the Padres have consistently ranked in the top three among all Major League Baseball clubs in attendance and set all-time franchise records in attendance, season ticket sales, and every local revenue category. Under his leadership, the Padres became the first MLB club to secure a jersey patch partner, have significantly grown its fundraising and positive impact in the San Diego and Baja community through the Padres Foundation, and have meticulously maintained and transformed Petco Park while retaining the continuous ranking as USA Today's No. 1 Ballpark in MLB. Beginning in 2023, he led a first of its kind partnership between the Padres and MLB Media to broadcast local games, create Padres.TV, and build a MLB club record number of DTC subscribers.

Prior to assuming the role of CEO, Greupner served as president of business operations from December 2018 through December 2020 and chief operating officer from November 2016 to November 2018. While serving in those posts, he guided the club through the COVID-19 pandemic, led the club's successful effort to secure the development rights for a transformational multi-use real estate project on Tailgate Lot, and oversaw the team's business operations, including all revenue generation. During this time, the Padres set sponsorship, ticketing, and non-baseball event revenue and attendance records. The Padres also positively impacted the San Diego community through supporting racial justice efforts and frontline workers during the pandemic, including launching California's first COVID-19 super vaccination site at Petco Park.

Greupner served in various roles for the Padres from December 2010 to November 2016. Over this period, he led the lobbying efforts and negotiations that resulted in the Padres amending its lease with the City of San Diego to significantly increase the number of non-baseball events at Petco Park and positively impact the regional economy. Greupner also led the negotiations of a new long-term lease and construction of the Padres' Spring Training facility and renovated stadium in Peoria, Ariz. Finally, Greupner's efforts were instrumental in securing the 2016 MLB All-Star Game in San Diego.

Prior to joining the Padres, Greupner worked as a corporate and transactional attorney with the international law firm Gibson, Dunn & Crutcher LLP. While at Gibson Dunn, he advised senior management of public and private companies in general corporate matters, acquirers and targets in mergers and acquisitions, and institutional investors and fund sponsors in the formation and operation of private investment funds.

Prior to his time with Gibson Dunn, Greupner worked in sales management roles with Goldman Sachs & Company and Scudder Weisel Capital, LLC.

Greupner earned his Juris Doctor degree magna cum laude from the University of San Diego School of Law, where he was a member of the Order of the Coif. He served as a judicial intern for the Honorable M. Margaret McKeown, U.S. Court of Appeals, Ninth Circuit.

A native of Minneapolis, Minn., Greupner graduated cum laude from Wheaton College, Illinois with a Bachelor of Arts degree in philosophy and communications. During his four years at Wheaton, Greupner was a defensive back and receiver for the Thunder football team. He currently serves on the MLB Media board and board of trustees of the Rady Children's Hospital Foundation. He has also served on MLB's International Committee and the President's Working Group of the Business and Media Board. He and his wife, Laura, have a son and two daughters.

A.J. PRELLER

PRESIDENT OF BASEBALL OPERATIONS & GENERAL MANAGER

A.J. Preller was promoted to his current position of president of baseball operations and general manager in February 2021. He originally joined the Padres as executive vice president/general manager on August 6, 2014, making him the 5th-longest tenured GM in Major League Baseball.

Under his leadership, the Padres have reached the postseason twice in the last four years. In 2022, San Diego reached the National League Championship Series, marking the first time the club advanced to the NLCS in 24 years (1998). San Diego defeated the New York Mets, 2-1, in the Wild Card Series and beat their division rival Los Angeles Dodgers, 3-1, in the NLDS before falling to the Philadelphia Phillies, 4-1, in the NLCS. The club ended a 14-year postseason drought in 2020 with a 37-23 (.617) regular season record, their best winning percentage in club history. After finishing the season with the second-best record in the National League, the Padres defeated the St. Louis Cardinals in the NL Wild Card Series, their first postseason series win since 1998 and the first postseason series win at Petco Park.

Over his tenure, Preller has overseen the acquisition of a significant level of talent through various channels. He signed marquee free agents, including Manny Machado, Xander Bogaerts and Ha-Seong Kim. Across multiple years, he executed trades netting a talent haul of Juan Soto, Fernando Tatis Jr., Yu Darvish, Blake Snell, Joe Musgrove, Josh Hader, Jake Cronenworth, Luis Arraez, Michael King, Dylan Cease, Jason Adam and Tanner Scott, among others. Along with the professional scouting group, Preller mined the waiver wire and minor league free agency to find key bullpen pieces and eventual All-Stars in Kirby Yates and Brad Hand along with Craig Stammen. Under his direction, the amateur scouting department has drafted several consensus top prospects, including Jackson Merrill, Robby Snelling, Dylan Lesko, MacKenzie Gore, C.J. Abrams, James Wood, Robert Hassell and Cal Quantrill, while the international scouting staff signed Ethan Salas, Leo DeVries, Jairo Iriarte, Samuel Zavala, Adrian Morejon, Luis Patiño, Tirso Ornelas, Andrés Muñoz and Emmanuel Clase.

While constructing a winning Major League roster, Preller has also strengthened and preserved the club's farm system, earning a Top 3 ranking from 2019 through 2021. The Padres made history in 2019 with a record-breaking 10 players on MLB Pipeline's Top 100 Prospects list. The farm system is once again one of the strongest in MLB entering 2024, including No. 4 in ESPN's yearly rankings (was 23rd entering 2023).

Prior to his time in San Diego, Preller served as assistant general manager of the Texas Rangers, overseeing the player development and scouting departments and serving as a key advisor on all player acquisitions. Over 10 years in Texas, Preller was integral to the Rangers' efforts to upgrade the talent level throughout the system, playing an instrumental role in the club's consecutive World Series appearances in 2010-11, as well as in the construction and organization of the Rangers' development program in the Dominican Republic. From 2010-13, he served as a senior director of player personnel, overseeing professional, international and amateur scouting.

Before joining the Rangers, Preller spent three years in the baseball operations department of the Los Angeles Dodgers, working with the professional, amateur and international scouting departments. He also was heavily involved in salary arbitration work for the Dodgers.

A native of Huntington Station, N.Y., Preller graduated Summa Cum Laude from Cornell University in 1999 and was inducted into the South Huntington Hall of Fame in 2012. He began his baseball career with an internship for the Philadelphia Phillies before taking a position with the Arizona Fall League where he worked under Hall of Famer Frank Robinson, whom he later joined at Major League Baseball for two years, aiding Robinson in several areas and working closely with the Labor Relations Department on salary arbitration issues.

CAROLINE PERRY

CHIEF OPERATING OFFICER

Caroline Perry was promoted to her current position of Chief Operating Officer in January 2023. She is the highest-ranking female employee in Padres history and is currently one of only three female COO's in Major League Baseball (other: Marti Wronski, Brewers).

- Shildt has led his clubs to the Postseason in each of the four full seasons he's managed (2019-21 with the St. Louis Cardinals and '24 with San Diego), and omitting both his 2018 season as the Cardinals' interim manager and the Pandemic-shortened 2020 season, he's posted 90-or-more wins in each of his first three seasons as a manager. - Prior to joining the Cardinals, from 1999-2003, Shildt was an associate scout for the MLB Scouting Bureau and was head varsity coach at West Charlotte High School from 1994-96. Shildt has five years of collegiate coaching under his belt, working as the hitting coach and recruiting coordinator at both UNC-Charlotte and UNC-Asheville.

PERSONAL

- Son of Merle and Lib Shildt, Mike in grew up in Charlotte, N.C. His mother was an administrative assistant to Frances Crockett, the GM of the Charlotte O's from 1977-1984 (the Double-A affiliate of the Orioles). Merle and Lib, both from Maryland, were Orioles fans, leading Lib to apply for a job with the O's affiliate. In 2018, Lib said about Mike in an interview with the Charlotte Observer, "He was just one of the clubhouse boys, doing various amounts of things. Then they let him shag balls with the players. Those years clinched his love for baseball." Before her passing in 2019, Lib was honored in 2017 with the Buster Sloan Award with the Charlotte Knights (the Triple-A descendant of the old Charlotte O's) and again in 2018 during the Knights' Women in Baseball Night.
- At 8 years old, Mike's first job at Crockett Park earned him $5 per game to gather foul balls. He became a clubhouse fixture as a kid, and he bonded with an Orioles' up-and-coming prospect, Cal Ripken Jr. Mike would go on to wear No. 8 throughout most of his career.
- Was 10 years old when he began his job as the scoreboard operator at Crockett Park. After games would end, he would sprint to the concession stands, pick up a tray of food for that game's umpires, and run to the umpire room to deliver the food. He spent his afternoons shining cleats, making food runs, and doing miscellaneous tasks required of a clubhouse attendant.
- Never played professional baseball in the big leagues or at the minor league level, and among current managers, only Shildt never played in the minors at all. He is 1 of 8 men since 1900 to have played zero games of professional baseball before becoming a Major League manager, and he is 1 of 6 to do so without also owning the team he managed. He won the 2019 NL Manager of the Year award with STL, becoming the only Manager of the Year to have never played professionally.
- Played high school baseball at Olympic High School, and he played collegiality as a utility infielder at University of North Carolina Asheville from 1987-90, graduating with a business degree. Joined the UNC Asheville coaching staff program

from 1992-93. In 2019, Shildt was inducted into the UNC Asheville Athletics Hall of Fame.

- Became the coach at West Charlotte High School, and after leaving the high school, joined UNC Charlotte to become an assistant coach for the Charlotte 49ers baseball team from 1997 and 1998.
- In 1999, Shildt decided to enter the business of baseball training and created the On Deck Baseball Skill Development Academy, leasing a building that used to house a wine and beer distributorship. One of the 1st to graduate the program, Daniel Bard, went on to pitch 5 big league seasons. Mike would stage showcases in which college coaches and professional scouts were paid to attend workouts of aspiring players.
- In 2003, John Mozeliak, then the Cardinals' scouting director, asked Frank Marcos, who ran the scouting department, to recommend someone to cover North Carolina, South Carolina and the eastern half of Tennessee. On Christmas Eve of 2003, Mike was hired as a scout for the Cardinals.
- In 2004, he joined the St. Louis organization as a scout, and he became a minor league manager in 2010, winning 3 championships while ascending from Rookie League Johnson City to Triple-A Memphis before joining the MLB staff in 2017 as a quality control coach and then 3B coach. Was named bench coach in 2018, and mid-season on July 14, 2018, the Cardinals named Shildt as the interim manager of the Cardinals, replacing Mike Matheny.
- George Kissell, who served in the Cardinals organization for more than 6 decades as player, scout, coach, and manager, authored the "Cardinal Way". Kissell was tragically killed in an automobile accident in October 2008, and his handbook was eventually duplicated by his son, who gave one of just a handful of copies to Shildt. The handbook contains tenants of the game that include coaching checklists and philosophies, and it stresses attention to detail and the importance on putting the organization first. The black leather-bound notebook sits on his desk, and Mike still refers to it almost every day.
- A co-founder for the Baseball For Life organization, which held it's 1st summer camp in 1999. It is an organization in Charlotte, North Carolina that looks to teach young people throughout the community the importance of our four pillars of character: service, stewardship, leadership, and ownership...the organization's role is to coordinate and channel the community's resources in a way that most positively impacts young people.

LEAGUE OF HIS OWN IN 2022, he became the first pitcher in MLB history to post an 8-0 record (or better) with an ERA of 1.60-or-lower and 80+ strikeouts over his first 12 appearances of a season.

WHEN IT MATTERS MOST Was the starting pitcher in 3 consecutive Postseason series in which the Padres clinched from 2022-24. He closed out NYM in G3 of the 2022 Wild Card Series at Citi Field, sent the Padres to the 2022 NLCS in G4 at Petco Park vs. LAD, and started the 2nd of the two-game Wild Card sweep of ATL in '24.

WHEN IT MATTERS MOST Tossed 100+ pitches in 2 of his 3 Postseason outings in '22, joining Kevin Brown (5 times in '98) as the only 2 hurlers in Padres franchise history to have multiple 100+ pitch outings in a single Postseason run.

RING ME Made 7 relief appearances for the Astros during the 2017 World Series championship run. Earned the win in Game 5 of the World Series vs. LAD, tossing a scoreless 10th inning in HOU's 13-12 victory.

- Went a combined 7-4 with a 2.74 ERA (26 ER, 85.1 IP) 87 SO and just 10 walks in 16 minor league games (14 starts).
- Was the starting pitcher for the U.S. Team in the All-Star Futures Game and tossed a perfect first inning in front of his hometown crowd at Petco Park in San Diego.
- Recalled by HOU on Aug. 1 and made ML debut in relief on Aug. 2 vs. TOR...tossed 4.1 scoreless innings in his debut, allowing just 1 hit and 1 walk while striking out 8 in a 2-1 Houston loss...set a Major League record for strikeouts by a reliever in a ML debut...also set a franchise record for most scoreless relief innings in a ML debut, which was previously held by RHP Jose Cisnero (3.2 IP in 2013).
- Made his first big league start on Aug. 7 vs. Texas and gave up 1 run in 7.0 IP of a no-decision.
- Became the 3rd pitcher since 1913 to record at least 6 strikeouts and issue no more than 1 walk in each of his 1st 3 app. in the Majors; the only other two to do it were RHP Johnny Cueto (2008) and RHP Masahiro Tanaka (2014).
- His 21 strikeouts over his first 3 games in the Majors marked the 3rd-most in club history.
- Received his first ML win Aug. 12 @ TOR (2 ER, 7.0 IP).

- Spent 1st full season in **2013** pitching in the Gulf Coast League...began **2012** season with the Bluefield Blue Jays (R) before being acquired by HOU as part of a 10-player deal on July 20...began his pro career in **2011**, splitting the campaign between the GCL Blue Jays and Bluefield (R).

PERSONAL

- His parents own and operate a coffee shop in the San Diego suburb of Alpine, Calif...the shop saw an unprecedented amount of business following Joe's historic no-hitter on April 9, 2021 at TEX.
- Following the no-hitter, he was handsomely rewarded with a lifetime supply of beer from Ballast Point Brewing, and he collaborated with Resident Brewing to create his own beer, the No-No Joe Double IPA.
- Had a mural painted of him at Grossmont High School in San Diego's East County, where he was a 2011 graduate...he pitched and played first base, going 7-5 with a 2.40 ERA (27 ER, 78.2 IP) and 100 strikeouts in 14 games as a senior...also hit .350 (36-for-103) with 9 HR and 32 RBI...was part of the offensive and defensive line on the football team.
- His first tattoo was an interlocking "S" and "D" set inside a baseball on his left arm with "est. 1992" underneath...his grandmother, Lucy Papitto, was not fond of the decision...Joe reminded her of that in a FaceTime call the day he officially became a member of the Padres and 10 years after he got that ink, he pulled up his sleeve for her and said with a smile, "I told you it would play out."
- His favorite player growing up was Padres pitcher Jake Peavy, and he wears No. 44 in his honor.

PERSONAL

- Son of Carlos Patiño Jimenez and Zulma Arzuza Rada, both college professors across Colombia over the last 25 years. Their jobs often took them hundreds of miles away from Patiño and his older sister, Silvia, for weeks and sometimes months at a time. In their parents' absence, the children were raised by their grandparents and 2 live-in nannies.
- Credits his velocity to focusing on developing his lower half long before turning pro, including running for 45 minutes every day at local soccer fields with his father in Colombia.
- Rose through the Padres system with former prospect and current Washington Nationals left-hander MacKenzie Gore at almost every stop in their careers from rookie ball through Double-A…Gore helped Patiño learn English and Patiño helped Gore with Spanish.

- Had his streak of 6 consecutive quality starts snapped Sunday, June 30 at Fenway Park, the longest QS start streak by an SD hurler in '24.

- Waldron entered 2025 having thrown the 3rd-most knuckleballs (1,116) in the Statcast era (since 2015), trailing only R.A. Dickey (7,465) and Steven Wright (3,737).

HISTORY & RECORDS

2024 SEASON

The 2024 Padres finished with 93 wins, the 2nd most in team history behind just the 1998 club's 98 wins (98-64, .605). It was the 5th 90+ win season in Padres' history and their 1st since 2010 (90-72). The 2024 Padres were the 1st team in MLB history to have turned a triple play, thrown a no-hitter, hit back-to-back-to-back home runs, and to have an 8+ run come-from-behind win in the same season.

San Diego went 93-69 (.574), finishing the year with the NL's top Wild Card spot and 5.0 games behind the Division-leading Dodgers, who went 98-64 (.605). Of the 6 Division Winners in the AL/NL, the Padres had more wins than 2 of them (more than the Astros' 88 wins and the Guardians' 92 wins), and they tied with the NL Central-champion Brewers' 93 wins. The Friars went 45-36 (.556) at home and 48-33 (.593) on the road. While the Padres' 45 home wins ranked just T-11th most in club history at home in a season, they ended 2024 with the most road wins in team history (48), surpassing the 1996 club's 46 victories on the road.

On November 14, 2023, Padres' Chairman and Owner Peter Seidler passed away at the age of 63. The Padres honoured Peter with a celebration of life ceremony at Petco Park on Saturday, March 23. The team wore a "PS" jersey patch in Seidler's memory during the entirety of the 2024 season.

On September 24, 2024 @ LAD, the Padres turned a game-ending triple play to clinch a Postseason berth. With the Padres up 4-2 with nobody out and runners on 1st & 2nd, Robert Suarez forced Miguel Rojas to ground into a 5-4-3 triple play. 3B Manny Machado stepped on 3rd, threw to Jake Cronenworth at 2B, who threw to Donovan Solano at 1B. The triple play was the Padres' 9th in club history, their 1st since June 10, 2010 @ NYM (G2), and their 1st to ever win a game. SD became the 1st team in MLB history to clinch a Postseason berth in a game-ending triple play (h/t @Elias). 2024 marked San Diego's 8th playoff appearance in club history and their 3rd since 2020, joining the following teams: 1984, 1996, 1998, 2005, 2006, 2020, & 2022. The Padres failed to reach the Postseason in 2023, and this Wild Card Series is their 1st playoff appearance since losing 4-1 to the Phillies in the 2022 NLCS.

Padres batters finished the season ranking 1st in MLB in batting average (.263) for the 1st time in franchise history (their previous latest game before this season in leading in AVG was after their 55th game in 1990 when they led with a average of .280). The D-backs also had a .263 average, but the Padres' edged them out in the ranking with a .2634 clip (1456-for-5526), while the D-backs were 0.2629 (1452-for-5522). Excluding the Pandemic-shortened 2020 season, the Padres' .420 slugging percentage was their highest in a single season. Their 190 home runs hit ranked 3rd-most behind the 2023 (205 HRs) and 2019 (219 HRs) SD clubs.

Padres batters struck out just 1,077 times, the fewest of any team, and their 17.6 strikeout percentage was also the lowest in MLB. Their 20.3 swing-and-miss percentage was also the lowest of any team (their 2305 swing and misses were the fewest in MLB), and they led the Majors in percent of swings put in play (39.7 %). SD batters also led the Majors in 2-strike hitting, batting .201 (577-for-2865) when hitting with 2 strikes. Their 577 hits with 2 strikes also led all teams. Luis Arraez's .269 clip with 2 strikes was the 3rd highest in MLB.

It was the Padres' 55th season, and both the Padres and the Nationals were the only active franchises to take 55+ seasons before leading both leagues in team batting average for the 1st time (Nationals are also in their 55th year). The teams to take 55+ years since their club's inception to lead the Majors in average are the Mets (took 58 years from 1962-2019 and led MLB in 2020) and the Astros (took 55 years from 1962-2016 and led MLB in 2017), h/t @Elias.

In 80 regular season Petco Park games in 2024, the Padres set a new all-time franchise single season attendance record with 3,314,593,

2024 SEASON CONT.

surpassing the previous record in 2023 (3,232,310 in 79 games). Including the Korea Series, the Padres' 3,330,545 home attendance finished ranking 3rd behind the Phillies (3,363,712), and Dodgers (3,941,251). In Game 4 of the NL Division Series against the Dodgers, the Padres welcomed 47,773 fans, setting a new Petco Park single-game attendance record. The Padres continue to set new single-game attendance records with each home Postseason game so far this year. In Game 2 of the Wild Card Series, the Padres saw an attendance of 47,705, which eclipsed 50 million fans throughout Petco Park's 20 year history.

21-year-old Jackson Merrill finished the 2024 season with a 5.3 WAR (FanGraphs) leading all Major League rookies (Rookie of the Year winner, Paul Skenes, had a 4.3 WAR). Merrill led all MLB rookies in games played (156), hits (162), extra-base hits (61), RBI (90), AVG (.292), SLG (.500), OPS (.826), and T-1st in HR (24). Merrill had the most XBH (61) and RBI (90) of any SD rookie in a season, and his 24 home runs ranked 2nd behind just Hunter Renfroe's 26 in 2017. His 162 hits were also 2nd-most of any SD rookie behind Benito Santiago's 164 (1987). Merrill became the 5th Major League rookie to ever have 156 games played, a .500 SLG, and at least 90 RBI in a season, joining Pete Alonso (2019, NYM), Albert Pujols (2001, STL), Dick Allen (1964, PHI), and Tony Olivia (1964, MIN). The 4 prior players he joined all won Rookie of the Year. Jackson had 6 game-tying or go-ahead HR in the 8th inning-or-later, tying him with Frank Robinson (1956) for the most in a season by a player 21-or-younger since 1900. He also had 5 game-tying or go-ahead HR in the 9th-or-later this year, becoming the 1st player aged 21 or younger in MLB history to do so and surpassing Mel Ott's 4 in 1929. No other player this season had more than 3 such home runs. On March 20 vs. LAD in Korea (for the Korea Series), Merrill made his MLB debut in center field at 20 years and 335 days old, becoming the 1st player younger than 21 to make his debut outside the United States or Canada. He was the 1st Padre to debut before turning 21 since Ryan Weathers on Oct. 6, 2020 (was 20 years and 294 days old) vs. the Dodgers in the NLDS in the Pandemic-shortened season. In starting in CF, he became the 12th Padre to make his debut in center and the youngest Padre to ever do so (previous youngest Padre to make his debut with SD as a center fielder was Tony Gwynn on July 19, 1982 at 22 years and 71 days old). He also joined Andruw Jones and Ken Griffey Jr. as the only players in the last 50 years to start Opening Day in center field before turning 21 (h/t @Elias). At 21 years and 165 days old in Game 1 of the Wild Card Series, Jackson Merrill became the youngest Padre to ever record a Postseason hit and the 5th-youngest player in MLB history to start a Postseason game in center field behind Bryce Harper, Willie Mays, Mickey Mantle and Andruw Jones. He doubled and tripled in Game 2 of the Wild Card Series, becoming the youngest player since Xander Bogaerts in 2013 to hit a triple in the Postseason (did so on Oct. 26, 2013 BOS @ STL). Merrill grew up watching Bogaerts play as a Red Sox fan. In Game 2 of the WC Series, Merrill also became the 1st SD rookie to have 2 XBH in a Postseason game in club history. With his home run in Game 2 of the NLDS @ LAD on Sunday, October 6th, he became the youngest Padre to homer in the Postseason and the 4th-youngest center fielder to hit a Postseason homer, behind Bryce Harper (2012), Andruw Jones (1998), and Mickey Mantle (1952). On August 1st, the Padres announced Jackson Merrill as the club's 2024 Heart & Hustle Award nominee. Created by the MLB Players Alumni Association in 2005, the Heart & Hustle Award is voted on by Alumni and active Major League players and is presented annually to an active player who demonstrates a passion for the game of baseball and best embodies the values, spirit and traditions of the game. On Monday, October 7th, Merrill was named the Padres' nominee for the 2024 Hank Aaron Award, an honor that recognizes the most outstanding regular season offensive performer in each League.

Luis Arraez, who was acquired by the Padres from the Marlins on May 4, won his 3rd straight batting title with a National League-leading .314 average, besting LAD's Shohei Ohtani (.310) and ATL's Marcell Ozuna (.302). Arraez won the 2023 NL batting title with Miami (.354) and the 2022 AL batting title with Minnesota (.316). In doing so with San Diego, he became the 1st player in baseball's

2024 SEASON CONT.

Modern Era (since 1900) to win a batting title with 3 different teams, and he did so in 3 straight seasons. It was the 1st time a Padre won a batting title since Tony Gwynn in 1997, who won 8 batting titles with San Diego. Arraez will join Gwynn and Gary Sheffield (.330 in 1992) as the only 3 Padres to win the award. He was the only player to win a batting title in the AL & NL in consecutive seasons (2022-23), and he was 1 of just 8 AL/NL players since 1900 to win batting titles with multiple clubs. Arraez finished with 200 hits exactly, his 2nd straight season with 200+ hits and behind just his 203 in '23 for the most in his career.

On September 10 @ Seattle, Manny Machado hit his team-leading 26th home run of the season and his 164th as a Padre, setting a new franchise record and besting Nate Colbert's previous record of 163. He extended his home run total as a Padre to 167 with his multi-homer game on Sept. 16 vs. Houston. Machado finished 2024 leading the team in home runs (29), RBI (105), hits (163), and he now has 1,900 career hits since debuting in 2012. Discounting the Pandemic-shortened 2020 season, Machado has hit at least 28 home runs in 5 straight seasons since joining the Friars (2019, 2021-24). In 2020, he hit 16 home runs in 60 games for a career-best 14.00 PA/HR. On September 9th, MLB announced that Machado was named the Padres' 2024 nominee for the Roberto Clemente Award, baseball's most prestigious individual honor for Major Leaguers. The award is the annual recognition of a ML player who best represents the game of Baseball through extraordinary character, community involvement, philanthropy and positive contributions, both on and off the field. As part of the annual program, each MLB Club nominates one player to be considered for the league-wide Award in tribute to Clemente's achievements and character.

Dylan Cease was traded to the Padres on March 13 from the White Sox (as the Padres and staff were preparing to take the bus to the airport for their 13-hour, 23-minute voyage flight to Seoul, Korea). They acquired Cease from the White Sox in exchange for right-handers Steven Wilson, Drew Thorpe, and Jairo Iriarte, and OF Samuel Zavala. On July 25th @ Washington, Dylan Cease tossed the 2nd no-hitter in Padres' history and the 1st of his career, permitting 3 walks with 9 strikeouts. It was the Padres' 1st since Joe Musgrove's no-hitter on April 9, 2021 @ Texas. After waiting out a 1 hour and 16-minute rain delay in the top of the first inning, Cease permitted a leadoff walk to Lane Thomas in the bottom of the first inning before setting down 8 straight. Cease issued another walk to Thomas in the 4th inning and a walk to CJ Abrams in the 7th inning, marking WSH only 3 base runners in the game. He finished the start by retiring the contest's final 9 batters in order. Before his no-hitter, Cease had 1 instance in his career in which he was 1 out shy of a no-hitter (Sept. 3, 2022 vs. MIN), which was broken up by now-teammate Luis Arraez. After Dylan got the final out, Arraez asked Bryce Johnson for the ball to hand to him on the field. Cease became the 6th pitcher in the Expansion Era (since 1961) to both lose a no-hit bid with 2 outs in the 9th inning-or-later and later complete a no hitter, joining Roy Halladay, Dave Stieb, Tom Seaver, Jim Maloney, and Larry Dierker. Cease also made MLB history in becoming the 1st pitcher since at least 1901 with 30+ strikeouts and 2-or-fewer hits allowed in a 3-outing span. In 2024, he also made 6 starts of 6.0+ innings pitched with 0-or-1 hits. Those 6 outings are 2 more than any other pitcher in a season since at least 1901 (h/t @ Sarah Langs).

On July 15th, with the 25th overall selection, the Padres drafted LHP Kash Mayfield in the 1st round of the 2024 MLB First Year Player Draft out of Elk City High School (Okla). Mayfield ranked as the nation's No. 27 prospect in the Class of '24 by MLB Pipeline. The 19 year old is a 2x Gatorade Oklahoma Baseball Player of the Year award winner, and this past Spring, he went 8-0 on the mound with a 0.16 ERA and 115 strikeouts in 44.0 innings.

Prior to the All-Star break, the Padres were just 1 game over .500 at 50-49, and they entered the 2nd half losing 3 straight series. The Padres had 5 All-stars: Jurickson Profar, Jackson Merrill, Fernando Tatis Jr., Luis Arraez, and Robert Suarez. Profar, Suarez, and Merrill played in their 1st ASG, and though they didn't play in the game, it was Tatis' 2nd All-Star selection (also 2021) and Arraez's 3rd (2022-24). The 5 All-Stars tied for the 2nd most in team history with the 5 in 2021, 1992 and 1998. They trailed just the 7 in 1985 for the most in SD history. With Tatis and Profar, the Padres had multiple fan-elected starters for the 7th time in team history, and the 1st since 1997 (Tony Gwynn & Ken Caminiti). On July 3rd, MLB announced Profar and Tatis Jr. would both start the NL All-Star game, becoming the 1st outfielders in SD history to win a fan election since Tony Gwynn in 1999, and the duo were the 1st pair of San Diego outfielders to earn starts together. It was the 1st time the Padres had 5 All Stars since 2021 (Tatis, Jake Cronenworth, Yu Darvish, Mark Melancon, and Manny Machado). With Profar, Tatis, and Merrill, it was the 1st time the Padres ever had 3 outfielders selected to an All-Star Game. At 21 years old, Merrill was the 1st Padres rookie to ever be named an All-Star and the youngest Padre ever (youngest prior were Roberto Alomar in 1990 at 22-155), per Elias. He was the youngest player to be named to the All-Star team in this Midsummer Classic. The last time a player as young or younger played in the All-Star Game was in 2013: Bryce Harper (20-273), Manny Machado (21-010), and Jose Fernandez (20-350).

On Sunday, July 28th, the Padres acquired RHP Jason Adam from the Rays in exchange for RHP Dylan Lesko, OF Homer Bush Jr., and C J.D. Gonzalez. At 3:30 pm PT on Tuesday, July 30th, the Padres announced they acquired LHP Martín Pérez from the Pirates in exchange for LHP Ronaldys Jimenez. At 3:40, SD announced the acquisition OF Brandon Lockridge from the Yankees in exchange for RHPs Enyel De Los Santos and Thomas Balboni Jr. At 3:55, SD announced they acquired LHP Tanner Scott and RHP Bryan Hoeing from the Marlins in exchange for RHPs Adam Mazur and Bryan Hoeing, LHP Robby Snelling, and INF Jay Beshears. After bolstering their 'pen at the trade deadline (since July 30th) with RHP Jason Adam from the Rays and LHP Tanner Scott and RHP Bryan Hoeing from the Marlins, Padres' relievers posted 10.21 strikeouts per 9 IP (4th in MLB), 3.63 SO/BB ratio (4th in MLB), a 3.04 ERA (5th-best in MLB), and allowed just 62 walks (T-3rd fewest).

The Friars emerged from the All-Star break winning 8 consecutive series and going 19-4 in their 1st 23 games out of the break. The 8 straight series wins out of the break tied a franchise record for consecutive series victories with their 8 straight from May 11-June 7, 2007. The Padres snapped the series win streak with their series loss against the Rockies from August 16-18. The D-backs also won 8 straight series out of the break, making it the 1st time in MLB history multiple teams had an 8-series win streak in the same season out of the break (h/t @Elias). SD's 43-20 (.683) record in the 2nd half was the best in MLB, SD pitchers had a 3.38 ERA (4th in MLB), and SD batters scored the T-5th most runs (312). At home since the All-Star Break, the Padres have gone 19-8 (.704) at Petco Park, winning 7 of their 9 series at home in that time for the 2nd-best home winning % in the 2nd half (LAD's 24-10, 706). SD pitchers had a 2.99 ERA and SD batters had a .446 SLG at home in the 2nd half.

The Padres had 4 separate winning streaks this year of at least 5 straight wins, and their season-high winning streak was 7 games (done 2x: 1st from July 20-27 and again from August 3-10). When scoring 1st this year, the Padres had the 2nd-best record in baseball (68-17, .800), behind just the Dodgers (68-15, .819). The Padres had 10 walk-off wins this season, tying for the 4th-most walk-off victories of any team this year (tying with Marlins, Rangers, and Phillies), trailing just the Mets (11), Giants (11), and Mariners (11). The Friars had

2024 SEASON CONT.

38 victories this year in games in which they came from behind, and those comeback wins were the 4th-most of any National League club, behind just the Brewers (39), Mets (40), and Dodgers (43). On April 8 vs. the Cubs, the Padres rallied from an 8-run deficit to beat the Cubs 9-8 and tie the largest comeback win in franchise history (other was "Daniel Camarena Game" when the Padres erased an 8-run deficit on July 8, 2021, and reliever Daniel Camarena hit a grand slam off then-Nationals pitcher Max Scherzer for his first career hit). On April 8, 2024 vs. CHC, San Diego plated 7 runs in the 6th. SD batters finished the season hitting .269 with RISP, the 4th-best clip with RISP in baseball (behind the Rangers' .271, Royals' .282, and D-backs' .285). With runners on base, they hit .275, 3rd-best in MLB to the D-backs' .278 and Royals' .280. In the 7th inning or later, their .266 average led the Majors. San Diego had the best record in 2024 in extra-inning games, going 10-2 (.833) this season. It comes after posting the lowest winning percentage in the National League in extra-inning games (went just 2-12, .143 in 2023). The Padres travelled the most miles of any team in MLB this year at 51,690 miles (largely in part because of their Korea Series).

SD went 48-33 (.593) on the road in 2024, the best winning percentage as the visitor in the NL and 2nd-best record in MLB behind NYY's 50-31 (.617). The 48 wins were the most on the road of any team in club history, besting the 1996 club (46 road wins). SD pitchers held opponents to a .238 average in road games in 2024, the lowest opponent average in road games in a season in club history.

SD saw monthly accolades for Robert Suarez (NL Reliever of the Month for May), Jackson Merrill (NL Rookie of the Month for June & August), Dylan Cease (NL Pitcher of the Month for July), and Tanner Scott (NL Reliever of the Month for July, with MIA).

On Sept. 17th vs. HOU, the Padres hit their 102nd HR at Petco Park, setting a new Padres' home run record at home (besting their 101 HR in 2019 at home). San Diego finished the year with 111 home runs hit in downtown San Diego, the 5th-most homers of any team hit at home in MLB behind the Phillies (112), Orioles (112), Yankees (118), and Dodgers (130).

On July 12, 2023, MLB announced that the Padres will open the 2024 season against the Dodgers in Seoul, South Korea. In preparation for San Diego's Opening Day on March 20 vs. LAD, the Padres departed Arizona (Spring Training) for Korea on March 13th after their 1:10 first pitch game vs. the A's. The Seoul Series were the 1st MLB regular-season games ever played in Korea, and it was the 9th time that the season opened outside the 50 U.S. states and Canada (1st time in 5 years since the A's vs. Mariners in 2019 in Tokyo, Japan). It is the Padres' 2nd time opening a season abroad, having done so in 1999 in Monterrey, Mexico (Rockies vs. Padres). It was the 2nd consecutive season that the Padres will play a series outside of the United States or Canada (Mexico City, 2023). Ha-Seong Kim returned to Korea, where he played for 7 seasons from 2014-20 with the Kiwoom Heroes. The Padres and Dodgers spit the 2-game Korea Series (LAD won 5-2 in Game 1 and the Padres won 15-11 in Game 2 of the visiting team). The Padres had 3 Asian-born players on their roster in Yu Darvish (Japan), Yuki Matsui (Japan), and Ha-Seong Kim (South Korea). No Padre team has ever had more than two Asian-born players on it's Opening Day roster. Other than Yu Darvish and Ha-Seong Kim from 2021-23, the only time they had multiple on their OD roster was in 2006 with current Padres' Special Assistant, Baseball Operations Chan Ho Park (South Korea) and Dodgers' Manager Dave Roberts (Japan). During the Seoul Series in Korea, the Padres adopted the mini heart as their celebration when they get a hit (in addition to a bigger heart with their hands over their head), a trend that took root in South Korea in which the index finger and thumb come together like a snap to form a tiny heart. The gesture was popularized by K-pop idols, who would often use the mini heart to express gratitude to their fans.

Yu Darvish got the 2024 Opening Day nod vs. Tyler Glasnow for Game 1 of the Seoul Series, which was Darvish's 1st time pitching in Asia in a professional (non-WBC) game since he pitched for the Hokkaido Nippon-Ham Fighters in Japan in his last season in Nippon Professional Baseball (NPB) in 2011. It was Darvish's 3rd Opening Day start in his 4 seasons with the Friars (1st since 2022), and he joins a group of 5 pitchers that have started at least 3 opening days for the Padres. Randy Jones, Jake Peavy and Eric Show all started 4, and Andy Benes started 3. He did not make his 3rd consecutive Opening Day start last year due to his pitching commitments for Team Japan in the World Baseball Classic (which he won with former teammate Yoshinobu Yamamoto). Darvish was placed on the Restricted List in early July due to a personal family matter. He missed time early in the year with a neck issue and later landed on the Injured List in June with a groin strain. On September 23rd vs. CWS, Darvish went 6.1 innings of 2-run ball with 3 hits and 0 walks allowed and 9 K's. With his 6th strikeout in the 3rd inning (of Luis Robert Jr.), Darvish reached 2,000 career MLB strikeouts, becoming the 1st Japanese-born pitcher to ever reach the 2,000 K-mark in MLB. Darvish got his 110th MLB win on September 27 @ AZ, and with his 93 wins in Japan's NPB, he tied Hiroki Kuroda for the most combined wins (203) between Japan and MLB (Kuroda had 79 wins in the Majors and 124 in Japan).

Between the Padres infield and outfield, the Padres had 7 former shortstops playing 2024. Manny Machado (played shortstop for 236 total games between the Orioles, Dodgers, and Padres), Ha-Seong Kim (San Diego's SS for most of the season), Xander Bogaerts (prior to 2024, played in 1,338 career games at SS between the Red Sox and Padres), Jake Cronenworth (played in 61 career games at SS for San Diego), Fernando Tatis Jr. (last played SS in 2021 but has played in 242 games at short), Jackson Merrill (though he hadn't played any big league games at SS, he was drafted as a shortstop and played in 178 career minor league games at SS compared to his 5 games in the OF in the minors), and Jurickson Profar (was signed by the Rangers originally as a shortstop and played 104-career games at SS at the ML level).

In Yu Darvish, Joe Musgrove, Dylan Cease, Michael King, and Matt Waldron, the Padres rotation to start the season consisted of only righties. In Game 112 of the season for San Diego (August 3 vs. COL), it marked the Padres' 1st time starting a left-handed pitcher with Martín Pérez getting the ball. The only other Padres' season in which they played more games before seeing a southpaw starter was in 2015 (148 games without one), per Elias.

On October 4, starter Joe Musgrove announced that he would undergo Tommy John surgery. He exited his start on Wednesday in Game 2 of the Wild Card series in the 4th inning with right elbow tightness.

In Game 1 of the Wild Card Series in San Diego's 4-0 win vs. Atlanta, the Padres became the 1st team in MLB Postseason history to have 15 punchouts in a shutout win and 0 walks allowed. In Game 2 of the Wild Card Series vs. ATL, the Padres became the 1st team in MLB Postseason history to have 6 consecutive hits and hit for the cycle in the same inning. They also did it all with 2 outs in the inning (h/t @OptaStats). In Game 2 of the NLDS @ LAD, the Padres became the 1st team in MLB history to hit 6 home runs in a road Postseason game. In Game 3 of the NLDS in San Diego, the Padres won 6-5, but they allowed a grand slam, only scored in 1 inning, and didn't score after the 2nd inning. No other team in MLB history has done all of that and yet still won the game (regular season or Postseason), h/t @OptaStats.

1984 NL CHAMPIONSHIP SERIES

The 1984 Padres became the first team in NLCS play and only the second team in Championship Series history to come back from a 2-0 deficit to win the series (1982 Milwaukee Brewers in the ALCS). The Chicago Cubs hit six home runs in the first two games at Wrigley Field, winning 13-0 and 4-2. But in their return home to San Diego, consecutive record-breaking crowds filled San Diego/Jack Murphy Stadium as the Padres swept the trio of home games, advancing to their first-ever World Series. First baseman Steve Garvey hit .400 (8-for-20) in the five games en route to his second-career NLCS MVP Award. In Game 4, Garvey went 4-for-5 with a dramatic two-run HR off Cubs' ace reliever Lee Smith in the bottom of the ninth. The Padres rallied from a three-run deficit in the fifth game, with Craig Lefferts earning the win in each of the final two games.

1998 NL CHAMPIONSHIP SERIES

The Padres were considerable underdogs heading to Atlanta to take on the Braves, on the Atlanta, the "team of the '90s." San Diego had not played in the NLCS in 14 years, and the start of the series opener at Turner Field was further delayed by rain by 2 hours and 1 minute. The game started at 10:16 p.m. and went into extra innings, capped by a 10th-inning solo home run from Ken Caminiti to win 3-2.

The Padres claimed Game 2 behind Kevin Brown's three-hit, complete game shutout, fanning 11 in the process. In front of 62,779 at Qualcomm Stadium in Game 3, Sterling Hitchcock and four relievers led the Friars to a 4-1 win, combining to allow one run with 12 strikeouts and out-pitching four-time Cy Young winner Greg Maddux. The Braves claimed both Games 4 and 5, and back at Turner Field, Sterling Hitchcock, the eventual NLCS MVP fanned eight in 5.0 innings of two-hit, shutout ball. The Padres plated five runs in the sixth, advancing to their second World Series with a 5-0 win.

1998 WORLD SERIES

The Padres made their first World Series appearance in 14 years in taking on the New York Yankees, who had tied the American League record with 114 regular season wins. In the series opener at Yankee Stadium, the Friars stormed to a 5-2 lead on a two-run home run off the bat of Greg Vaughn in the third and back-to-back homers by Tony Gwynn and Vaughn in the fifth. In the seventh, New York plated seven runs with Chuck Knoblauch's game-tying, three-run homer and Tino Martinez's game-winning grand slam.

In the second game, New York scored nine runs on 14 hits in the first five innings on the way to a 9-3 win, shifting the series to the West Coast. Game 3 went scoreless until the sixth, when San Diego struck first with an RBI single by Tony Gwynn. The Padres went up 3-0, but Yankees retaliated with two runs in the seventh and three in the eighth. The Padres closed to within 5-4 in the eighth before Mariano Rivera ended the Friars' threat. In Game 4, before the largest crowd to ever see a baseball game in San Diego (65,427) the Padres and Yankees were locked in a scoreless tie until the sixth, when New York broke through against Kevin Brown on an RBI groundout. Then in the eighth, the Yanks extended the lead on an RBI single by Brosius and a sac fly by Ricky Ledee. Rivera worked out of a bases-loaded jam in the eighth and shut down the Padres in the ninth as the Yankees closed out their 24th World Series Championship.

2005 NL DIVISION SERIES

The Padres, crowned National League West Champions with an 82-80 record, traveled to St. Louis to face the NL Central Champion Cardinals in the second postseason meeting between the two clubs (first: 1996 NLDS). NL strikeout leader Jake Peavy was tagged for eight runs on eight hits over 4.1 innings, and he was forced from the game by a previously injured fractured rib. The Padres plated three runs in the ninth to cut the lead to 8-5 before Ramon Hernandez struck out with the bases loaded to end the game.

Pedro Astacio started Game 2 at Busch Stadium, and though he allowed just three hits, he issued three walks. Though the Padres scored two late runs and out-hit St. Louis for a second consecutive game, they fell by a score of 6-2. The Padres returned to San Diego two days later, hosting their first-ever postseason game at Petco Park, though the Friars fell 7-4 in the final game of the series.

2006 NL DIVISION SERIES

In winning its second straight National League West Division title in 2006, the Padres made back-to-back trips to the postseason for the first time in franchise history. The Padres finished with an identical 88-74 record as the Los Angeles Dodgers, but they claimed the crown after winning the season series, 13-5.

The Friars drew the St. Louis Cardinals in the first-round of the playoffs for the second consecutive year, marking the third playoff meeting between the two clubs since 1996. In Game 1, Jake Peavy took the mound, blanking the Cardinals for 3.0 innings before giving up five runs over the next 2.1 frames. 2005 National League Cy Young Award winner Chris Carpenter limited San Diego to one run in the Padres' 5-1 loss. In Game 2, veteran David Wells held St. Louis to two runs over 5.0 innings, but STL's Jeff Weaver combined with four relievers to blank San Diego 2-0 in front of 43,463 at Petco Park. In Game 3 in St. Louis, Chris Young shut out the Cardinals for 6.2 innings at the new Busch Stadium, and Trevor Hoffman pitched a perfect ninth for his first postseason save since the 1998 NLCS. The 3-1 win was the first postseason victory for the Padres since clinching the National League Pennant in 1998. In Game 4, Chris Carpenter tossed 6.0 scoreless frames against San Diego, and the eventual World Series Champion Cardinals bested the Friars 6-2.

2020 NL WILD CARD SERIES

In the 60-game regular season, shortened by the COVID-19 pandemic, the Padres clinched their 1st Postseason berth since 2006 with their 7-4 win on September 20 vs. Seattle. The Padres faced off against the St. Louis Cardinals in the Wild Card Series, losing the first game 7-4 before winning the next two 11-9 and 4-0, respectively.

In Game 2, both Fernando Tatis Jr. and Wil Myers hit two homers apiece, marking the 2nd time in MLB history that teammates homered multiple times in the same Postseason game. The other time was 88 years ago exactly by NYY's Babe Ruth and Lou Gehrig on October 1, 1932 in Game 3 of World Series @ CHC, which was the fabled game in which Ruth called his shot in the 5th inning.

The San Diego bullpen worked 6.2-or-more innings in all three games for just the second time in MLB Postseason history, and they became the 1st team in Postseason history to use 8+ pitchers in three straight games. It marked the Padres first Postseason series win since they defeated Atlanta in the 1998 NL Championship Series.

2020 NL DIVISION SERIES

The Padres faced the eventual World Series Champion Los Angeles Dodgers in the best-of-five series at Globe Life Field in Arlington, Texas. Due to the pandemic, the two teams quarantined prior to their travel to Texas, and they also stayed at the same hotel in Dallas.

In Game 1, starter Mike Clevinger (acquired by SD from Cleveland on August 31, 2020) was unable to make it out of the 2nd inning, leaving the game with an injury (would later undergo Tommy John surgery on November 17, 2020). LHP Ryan Weathers made his Major League debut in the third inning, and he worked 1.1 IP of hitless, scoreless ball while striking out 1 with 2 walks.

In Game 2, center fielder Cody Bellinger robbed Fernando Tatis Jr. of a 7th inning, go-ahead home run. Despite cutting the deficit to 6-5 in the 9th inning, the Padres had their come-from-behind threat end with the bases loaded.

In the final game of the series, San Diego fell 12-3 to the Dodgers to end the Friars' World Series bid. Adrian Morejon got the start, and the Padres used a MLB Postseason record 11 pitchers in the game. On a postgame Zoom interview, Fernando Tatis Jr. said: "This is a growing pain. We're just getting started."

2022 NL WILD CARD SERIES

The Padres claimed Game 1 of the NL Wild Card Series in New York with Yu Darvish on the mound. Darvish's 7.0 innings were the most he had ever worked in a playoff game, and the Padres homered 4 times off starter Max Scherzer.

San Diego lost the second game 7-3, with Blake Snell going 3.1 innings with 6 walks. In the elimination game, the Padres had Joe Musgrove on the mound, making his 1st-career Postseason start. He tossed 7.0 scoreless innings with 1 hit allowed and only 2 baserunners. He struck out 5 and walked 1 in 89 pitches, and entering the bottom of the 6th, Mets' Buck Showalter requested the umpires search Musgrove for illegal substances, of which they found none. Musgrove became the 1st pitcher in MLB Postseason history to toss 7.0 scoreless innings with 1 or 0 hits allowed in an elimination game.

2022 NL DIVISION SERIES

Going against the 111-win Dodgers, the Padres beat LA in four games in the NL Division Series. Their only loss to the Dodgers came in Game 1 in Los Angeles, when Mike Clevinger went just 2.2 innings with 5 runs allowed. San Diego claimed Game 2 in Chavez Ravine, Yu Darvish punched out 7 Dodger batters and went 5.0 innings with 3 runs allowed. Relievers Robert Suarez and Nick Martinez both recorded holds with 2.2 scoreless innings, and Josh Hader entered the game with 2 outs in the 8th, recording his 1st save of 4+ outs since August 14, 2020 with Milwaukee.

In the 8th inning of Game 2, a greater whitefronted goose made its way to Chavez Ravine, flew to shallow right field, and set up camp. Bright lights can disorient birds that migrate at night, which this species does. The goose became the Padres 2022 Postseason mascot, flying with them to the NLCS.

Game 3 in San Diego marked the Padres' 1st playoff game at home in front of fans since October 5, 2006 vs. the Cardinals in the NLDS. After being held scoreless through 6.0 innings (primarily by Dodgers' starter Tyler Anderson) the Padres mounted a 5-run comeback in the 7th inning to send the Dodgers home and advance to the NLCS for the 3rd time in their history and their 1st in 24 years.

The Friars' win over LAD was the had been second instance in baseball history in which a team won a Postseason series against their opponent that finished with 22+ more wins than them: the White Sox vs. Cubs in the 1906 World Series (Cubs had 23 more wins).

The Padres went 5-14 in the regular season vs. LAD and they ended the regular season trailing the Dodgers by 22.0 games. There have been 3 other teams in baseball history to win a Postseason series in which they finished the regular season with as low (or lower) a winning percentage as the Padres' .263 against the Dodgers this year (minimum 10 games played): the 1983 Phillies beat the Dodgers in the NLCS (went 1-11, .083 vs. LAD), the 1988 Dodgers beat the Mets in the NLCS (went 1-10, 0.91 vs. NYM), and the 1971 Pirates beat the Giants in the NLCS (were 3-9, 0.25 vs. SF)

With the Padres finishing 15th in OPS (.700) and the Dodgers leading MLB with their OPS (.775), there have now been just four instances in MLB history in which a team finished 15th or worse in OPS and defeated a team in a Postseason series who led MLB in OPS. Prior to the Padres win over the Dodgers, the White Sox (16th in OPS) defeated the Red Sox in the 2005 ALDS, the Braves (18th) bested the Indians in the 1995 World Series, and the Cardinals (17th) defeated the Brewers in the 1982 World Series.

2022 NL CHAMPIONSHIP SERIES

After defeating the Dodgers in the NLDS, the Padres advanced to their third Championship Series in club history and their 1st in 24 years (previously in 1984 versus the Cubs and 1998 versus the Braves). The Friars fell in 5 games, winning just Game 2 in San Diego.

San Diego was shut out 2-0 in Game 1, despite starter Yu Darvish working 7.0 innings, of 3-hit ball. In Game 2, the Padres overcame a four-run deficit to win 8-5, the largest a comeback a Padres team had ever made in a Postseason game that they went on to win. In the second game, Austin Nola faced his younger brother, Aaron, and in his second at bat, he lined an RBI single to right-center field. They became the 1st pair of brothers to ever faced one another as batter/pitcher in the Postseason and were the sixth set of brothers in MLB history to face off in a Postseason game.

In Game 3 and their 1st of the series in Philadelphia, Joe Musgrove allowed 4 runs as Friars fell 4-2. The Padres offense went 0-for-7 with RISP. In Game 4, after the Padres put up a 4-run bottom of the 1st inning, starter Mike Clevinger did not record a single out, allowing 3 runs on 3 hits with a walk. Phillies' Bailey Falter also did not make it out of the 1st, which was the 2nd time ever in a playoff game in which both starters didn't get out of the 1st (1st was in Game 4 of the 1932 World Series (Yankees vs. Cubs). It was also the fist time since 1996 in which a pair of pitchers on the same team combined to allow eight or more earned runs in 1.1 innings or fewer in a Postseason game (first since Game 7 of the 1996 NLCS in which Cardinals' Mark Petkovsek and Donovan Osborne allowed nine earned runs in 1.1 IP @ Atlanta).

San Diego saw its season end in Game 5 in Philadelphia, falling 4-3 to the Phillies. Bryce Harper hit a opposite field, two-run, go-ahead home run in the eighth inning of Robert Suarez to give Philadelphia their eventual game-winning runs.

2024 NL WILD CARD SERIES

2024 NATIONAL LEAGUE WILD CARD

2024 marked San Diego's 8th playoff appearance in club history and their 3rd since 2020, joining the following teams: 1984, 1996, 1998, 2005, 2006, 2020, & 2022. San Diego shut out the Atlanta Braves 4-0 in Game 1 of the NL Wild Card Series on October 1 behind starter Michael King's 7.0 shutout frames. In his start, he became the 1st pitcher in MLB history to punch out 12 with 0 runs and 0 walks allowed in his 1st-career Postseason start. Fernando Tatis Jr. and Kyle Higashioka both homered in SD's 4-0 win. In Game 1 of the Wild Card Series, the Padres became the 1st team in MLB Postseason history to have 15 punchouts in a shutout win and 0 walks allowed. At 21 years and 165 days old in Game 1 of the Wild Card Series, Jackson Merrill became the youngest Padre to ever record a Postseason hit and the 5th-youngest player in MLB history to start a Postseason game in center field behind Bryce Harper, Willie Mays, Mickey Mantle and Andruw Jones.

In Game 2 of the Wild Card Series, the Padres scored 5 runs in the 2nd inning and bested Atlanta 5-4, sending San Diego to the Division Series against the Dodgers. In the 2nd inning, the Padres logged 6 straight, 2-out hits to plate 5. Kyle Higashioka hit his 2nd home run in as many games to tie the game at 1-1, Manny Machado hit a 2-run double, and Jackson Merrill hit a 2-run triple. Merrill became the youngest player since Xander Bogaerts in 2013 to hit a triple in the Postseason (did so on Oct. 26, 2013 BOS @ STL), and he also became the 1st SD rookie to have 2 XBH in a Postseason game in club history. In Game 2, the Padres became the 1st team in MLB Postseason history to have 6 consecutive hits and hit for the cycle in the same inning...they also did it all with 2 outs in the inning (h/t @OptaStats).

Starter Joe Musgrove exited the game in the in the 4th inning with right elbow tightness after tossing 3.2 innings of 1-hit, 1-run ball. He would later announce before the NLDS on October 4th that he would require Tommy John surgery. San Diego employed 5 relievers: Bryan Hoeing (1.1 IP), Jeremiah Estrada (0.2), Tanner Scott (1.1 IP), Jason Adam (1.0), and Robert Suarez (1.0). They combined for 5.1 innings of 5-hit, 3-run ball with 4 strikeouts and a walk.

2024 NL DIVISION SERIES

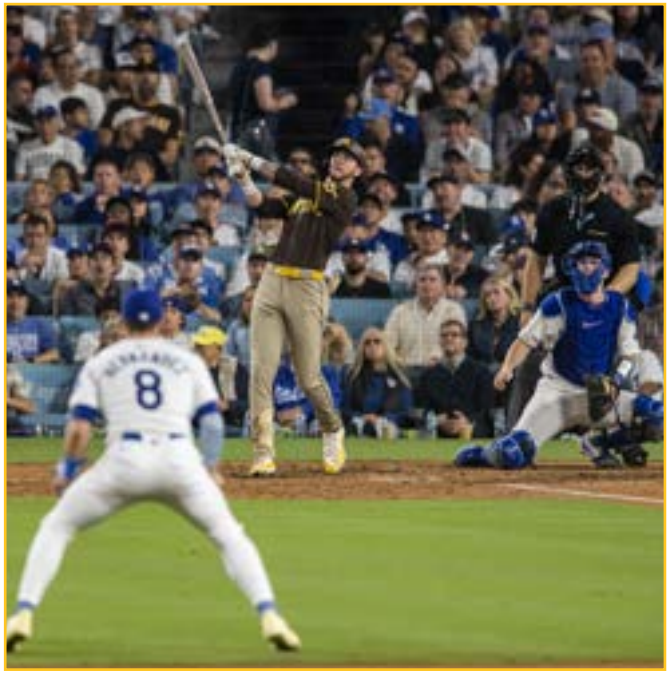

San Diego played the Dodgers in the National League Division Series for the 3rd time in the last five years, dropping Game 1 of the series on October 5th with their 7-5 loss. The Padres plated 3 in the 1st inning, which included a Manny Machado 2-run home run to left field. Shohei Ohtani hit a game-tying, 3-run home run in the 2nd, and Xander Bogaerts responded with a 2-run double in the 3rd...the Dodgers plated 3 runs in the 4th, and added on in the 5th. Starter Dylan Cease went just 3.1 innings with 5 runs allowed (earned) on 6 hits, 2 walks, and 5 strikeouts. He allowed 2 walks and a home run (Ohtani's in the 2nd).

San Diego combined for six home runs against the Dodgers in Game 2 of the NLDS on Sunday in Los Angeles, besting the Dodgers 10-2 and setting a Padres' Postseason home run record. They became the 1st team in MLB history to hit six home runs in a road Postseason game. Starter Yu Darvish pitched 7.0 innings of 1-run ball, allowing just 3 hits and 2 walks with 3 strikeouts. Fernando Tatis Jr. hit a pair of home runs for his 2nd-career multi-homer Postseason game (1st was on October 1, 2020 vs. STL in the Wild Card Series)...he added a double, going 3-for-4 with 3 RBI and 3 runs scored. Jurickson Profar robbed a would-be Mookie Betts' home run in the 1st inning, reaching into the left field bleachers and keeping the Padres' lead at 1-0. After Tatis' 1st inning homer, David Peralta hit a 2-run homer in the 2nd, Jackson Merrill hit a 2-run homer in the 8th, Xander Bogaerts hit a solo homer after Merrill (the Padres' 5th time in club history going back-to-back), Tatis homered again in the 9th (a 2-run shot), and Kyle Higashioka added a solo homer in the 9th. Dodger fans, upset to see their team losing, resorted to throw baseballs, trash, and beer onto their field and into the Padres' bullpen, directed at Padres' players.

In Game 3 of the NLDS in San Diego, the Dodgers took an early 1-0 lead in the 1st via a Mookie Betts' home run. San Diego mounted a 6-run 2nd inning, setting a club Postseason record for runs scored in a single frame. In the 2nd, Manny Machado scored via a fielder's choice by SS Miguel Rojas, David Peralta hit a 2-RBI double to right, Kyle Higashioka logged a sac fly to CF, and Fernando Tatis Jr. hit a 2-run home run to left-center field. In the next half inning, the Dodgers loaded the bases against starter Michael King, and Teoscar Hernández hit a grand slam to center field to make it a 6-5 game. King went 5.0 innings with 5 runs allowed on 5 hits, 1 walk, and 3 SO. San Diego employed 4 relievers: Jeremiah Estrada (1.0 IP), Jason Adam (1.0 IP), Tanner Scott (0.2 IP), and Robert Suarez (1.1 IP) to hold the Dodgers at bay, combining for 4.0 IP of 1-hit, shutout ball with 0 walks and 6 strikeouts. The Padres allowed a grand slam, only scored in 1 inning, and didn't score after the 2nd inning. No other team in MLB history has done all of that and yet still won the game (regular season or Postseason).

On October 9 in Game 4, the Dodgers shut out the Padres 8-0 to force a decisive Game 5 in Los Angeles. Starter Dylan Cease made his 1st career start on just 3 days rest, and he went just 1.2 innings with 3 runs allowed (earned) on 4 hits, 1 walk and 1 strikeout.

Yu Darvish got the start for the Padres in the winner-take-all Game 5 on October 11, and despite pitching 6.2 innings of 2-hit ball, the 2 hits were home runs from Kiké Hernández (solo HR in the 2nd) and Teoscar Hernández (solo homer in the 7th)...the Padres were held scoreless again in the game, amassing just 2 hits (Luis Arraez and Kyle Higashioka). San Diego finished the regular season on a 24.0 innings scoreless streak, tying with the 1917 Chicago White Sox for the 6th-longest scoreless streak by an offense in MLB Postseason history. In the 2024 regular season, the Padres prior longest scoreless stretch was 19 innings (h/t @Elias).

PADRES HALL OF FAME PRESENTED BY SONY

During the Padres' 30th anniversary season in 1999, the ball club established the San Diego Padres Hall of Fame. The Padres set guidelines on how to first nominate then add players to their Hall of Fame using a two-stage process. 16 of the 17 current members of Padres Hall of Fame were inducted using those selection guidelines.

The lone exception was National Baseball Hall of Fame member and native San Diegan Ted Williams. A graduate of Hoover High and a member of the original 1936 minor league Padres of the Pacific Coast League, Williams was inducted into the Padres Hall of Fame at the discretion of club management in 2016.

The Padres Hall of Fame presented by Sony opened at Petco Park on July 1, 2016, showcasing the history of the San Diego Padres and baseball in San Diego.

NATE COLBERT

INDUCTED 1999

Nate Colbert emerged as the first bona fide star to wear a Padres uniform, becoming one of the game's premier power hitters of the early 1970s. The first baseman made three All-Star appearances (1971-73) as a Padres player and led the team in home runs the first five years of its existence.

Colbert's greatest achievement was on August 1, 1972, when he hit five home runs and drove in 13 runs in a doubleheader in Atlanta. The RBI total established a record that has since been tied by St. Louis' Mark Whiten (September 7, 1993 at CIN), and the five home runs tied Stan Musial's Major League record in 1954. To this day, Colbert's 163 home runs are the most in Padres history, while his .469 SLG ranks fifth on the club's all-time list.

RANDY JONES

INDUCTED 1999

Randy Jones was the first Padres pitcher to win the Cy Young award, and he earned tremendous popularity among Padres fans, a relationship that remains strong to this day. The left-handed starter claimed the Cy Young award in 1976 after going 22-14 with a 2.74 ERA and 25 complete games, and he remains the club leader in IP (1766.0), starts (253), complete games (71) and shutouts (18).

The southpaw established a unique rapport with Padres fans, who gave him a standing ovation as he approached the mound for every start. An All-Star in 1975 and 1976, Jones remains an active ambassador for the Padres in the community, making dozens of annual appearances.

RAY KROC

INDUCTED 1999

Ray Kroc purchased the Padres franchise on January 25, 1974, when the club was packed and prepared to move to Washington, D.C. An entrepreneur who created the McDonald's fast-food empire, Kroc ensured that the Padres would remain in San Diego.

He oversaw the club's rise from a perennial loser in the standings to a viable franchise that would eventually win the National League pennant in 1984. After attendance only reached a season-high of at 644,272 before he purchased the club, the Padres drew more than one million fans every year (except the strike-shortened 1981 season). Kroc passed away in January 1984 and would not see his team reach the World Series that year — with the club carrying an "RAK" emblem on its uniform that season. Kroc's wife, Joan, assumed the role of owner after his death, until her sale of the club in 1990.

DAVE WINFIELD

INDUCTED 2000

Dave Winfield jumped directly into the Padres lineup off the University of Minnesota campus in 1973. In eight Padres seasons, he was named to four National League All-Star teams (1977-80), led the club in home runs on five occasions (1976-80) and paced the team in RBI six times (1974-75, 1977-80). The team MVP in 1978 and 1979, Winfield batted .284 with 154 HR, 626 RBI and 133 stolen bases for San Diego, the start of a 22-year Major League career which culminated in his election to the National Baseball Hall of Fame in January 2001. Winfield was inducted into the Hall of Fame August 5, 2001, the first player to enter Cooperstown as a Padres player.

BUZZIE BAVASI

INDUCTED 2001

Already a veteran of nearly 30 years in the game, Bavasi joined C. Arnholt Smith's effort to attract a National League franchise to San Diego in 1967. After securing a team, he served as the Padres first president from the birth of the franchise until 1977.

Bavasi was one of baseball's most respected executives. He began his career with the Brooklyn Dodgers in 1939, serving the organization in a variety of roles. Following a stint in the military as an infantry machine gunner from 1943-46, Bavasi became the general manager of the Dodgers Triple-A club in Montreal. In 1951, he was appointed vice president and general manager of the Brooklyn Dodgers, a post he held through the club's move to Los Angeles, until he resigned to join the effort to bring the Major Leagues to San Diego. Bavasi passed away on May 1, 2008 in San Diego at the age of 93.

JERRY COLEMAN

INDUCTED 2001

Jerry Coleman was the voice of the Padres for 42 seasons, stirring loyal fans across the region with his patented "Oh Doctor!" and "Hang a Star" calls, trademarks of Padres broadcasts from 1972-2013. In 1999, Coleman was recognized by the Padres with a jersey retired in honor of his contributions, not only to the club but also to the San Diego community. The Padres unveiled a star under the press box at Petco Park during the 2004 season, and in 2005, he was inducted into the United States Marine Corps Sports Hall of Fame while also receiving the prestigious Ford C. Frick Award from the National Baseball Hall of Fame in Cooperstown. He was inducted into the National Radio Hall of Fame in Chicago as a member of the 2007 class. In January of 2010, he received a Lifetime Achievement award at the 60th annual Golden Mike Awards. On September 15, 2012, the Padres honored Coleman's 70 years in baseball and 40 with the Padres with a pre-game ceremony at Petco Park, during which the club unveiled a statue of Coleman at the park while the mayor of San Diego proclaimed the day "Jerry Coleman Day."

Coleman's distinguished broadcasting career included stops with the Yankees and 22 seasons calling the CBS Radio Network's "Game of the Week." A former Major Leaguer, who left the broadcast booth in 1980 to become the Padres manager for one season, he played on six World Series clubs in nine seasons (1949-57) with the Yankees, a key member of the greatest dynasty in baseball history. The second baseman made his MLB debut in 1949, earning AP Rookie of the Year honors. The following year, Coleman was an AL All-Star and the World Series Most Valuable Player, as the Yankees swept the Phillies in four games.

Coleman, whose playing career was interrupted twice when he was called upon to serve the United States as a Marine Corps pilot in World War II and in Korea, retired with a lifetime .263 average, 16 HR and 217 RBI in 723 games. He is the only Major League player to see active combat in two wars, and Coleman's distinguished military service record includes 120 missions and two Distinguished Flying Crosses, 13 Air Medals and three Navy Citations. He passed away on January 5, 2014 in San Diego at the age of 89.

TONY GWYNN

INDUCTED 2002

Tony Gwynn, one of the greatest hitters in the history of Major League Baseball, became the first-ever unanimous selection to the Padres Hall of Fame upon his retirement at the conclusion of the 2001 season. In 20 seasons (1982-2001), the man who will forever be known as "Mr. Padre" won a National League-record tying eight batting titles and was selected to 16 All-Star teams.

He retired with a .338 career batting average and 3,141 hits in 2,440 games. Gwynn's hit count includes 543 doubles, 85 triples and 135 HR, and he finished with 1,138 RBI and 319 stolen bases. The Padres career leader in virtually every offensive category, Gwynn retired 17th on the all-time Major League hit list, 17th on the doubles list and eighth on the all-time singles list. His .338 career average, the highest by any Major Leaguer since Ted Williams, is 22nd-best all-time.

Gwynn played on each of the first three Padres Division Championship clubs (1984, 1996, 1998) and batted .371 in the club's two World Series appearances in 1984 against the Tigers and in 1998 against the Yankees. Upon his retirement, he became the 17th player in baseball history to spend his entire career of 20-or-more seasons with one club. Gwynn's unwavering loyalty to the Padres and his undying devotion to the San Diego community further cemented his standing as "Mr. Padre" and one of the greatest ambassadors the game of baseball has ever known.

Gwynn was inducted into the National Baseball Hall of Fame in July of 2007. He passed away on June 16, 2014 in Poway, CA at the age of 54.

DICK WILLIAMS

INDUCTED 2009

Serving as Padres manager from 1982-85, Dick Williams led the Friars to a 337-311 record and .520 winning percentage over four years, finishing at .500 or better each season. In the club's 13 seasons prior to his arrival, the team had posted just one winning season (1978), but under Williams' guidance, the Padres went 92-70 in 1984, reaching the playoffs for the first time in franchise history and advancing to the World Series.

TREVOR HOFFMAN

INDUCTED 2014

The most successful closer in Padres franchise history and one of the best ever in the history of Major League Baseball, Trevor Hoffman was inducted into the National Baseball Hall of Fame in July 2018 and into the Padres Hall of Fame on August 30, 2014. In April 2014, Major League Baseball announced the Trevor Hoffman Award, given annually to the National League's best relief pitcher, while the top American League reliever will earn the Mariano Rivera award.

Hoffman, who now serves as the Padres' senior advisor to baseball operations, retired as MLB's all-time saves leader with 601 in 677 opportunities, a 61-75 record, 2.87 ERA (347 ER, 1089.1 IP), .211 opponent batting average and 1,133 strikeouts in 1,035 relief appearances. The seven-time all-star (1998, 99, 2000, 02, 06, 07, 09) also finished in the top 10 in Cy Young voting (1996, 98, 99, 2006) and in the top 25 in MVP voting (1996, 98, 2005, 06).

Over his 16 seasons with San Diego, Hoffman compiled a 54-64 record with 552 saves in 618 opportunities (.893 save percentage), a 2.76 ERA, .211 opponent clip and 1,029 strikeouts in 902 relief appearances. He was the first player in MLB history to reach the 500 and 600 save milestones, and his nine seasons of 40-plus saves are tied with Rivera for the most, all time. He twice had 40+ saves in four consecutive seasons (1998-2001 and 2004-07), the only pitcher to ever accomplish the feat twice. He also recorded a single season franchise-record 53 saves during the 1998 National League title season.

A California native and San Diego resident, Hoffman has been heavily involved in the local community since joining the Padres in 1993. He was named the local recipient of the Roberto Clemente Award on six occasions and was honored with both the Lou Gehrig Award and Teammates for Kids Award in 2006. In addition, he received the Hutch Award in 2005 and was named the 1999 recipient of the Padres Chairman's Award.

Trevor Hoffman, **inducted into the Padres Hall of Fame on August 30, 2014,** addresses the media on the day of his election to the National Baseball Hall of Fame in January of 2018.

BENITO SANTIAGO

INDUCTED 2015

Benito Santiago was unanimously named National League Rookie of the Year in 1987, the first Padre to ever receive the accolade. A five-time National League All-Star, including four with the Padres (1989-92), he played seven of his first 20 Major League seasons for San Diego, hitting .264 (758-for-2872) with 124 doubles, 15 triples, 85 HR and 375 RBI over 789 games from 1986-92.

His four starts behind the plate for the National League All-Star team are the second-most starting nods at the Mid-Summer Classic in franchise history behind only Tony Gwynn and his 12 starts.

The Puerto Rico native also received four Louisville Silver Slugger Awards (1987-88, 1990-91) and three Rawlings Gold Gloves (1988-90) in his career, all with San Diego. His career-best and franchise-record 34-game hitting streak during his rookie season in 1987 still stands as the longest hitting streak in Major League history by a rookie and the longest by a catcher.

GARRY TEMPLETON

INDUCTED 2015

1	Joe Musgrove	April 9, 2021	@ TEX	San Diego native Joe Musgrove struck out 10 and missed a perfect game by hitting Joey Gallo in the 4th with 2 outs. The final out was a ground ball hit by Isiah Kiner-Falefa to SS Ha-Seong Kim to 1B Jurickson Profar.
2	Dylan Cease	July 25, 2024	@ WSH	After waiting through a 1 hour and 16-minute rain delay to before taking the mound in Washington, D.C., Dylan Cease struck out 9, walked 3, and tossed a career-high 114 pitches without allowing a single hit.

Joe Musgrove celebrates with his teammates on April 9, 2021 @ Globe Life Field in Arlington after throwing the Padres' first no-hitter in franchise history. It ended a draught of 8,205 games without a no-hitter, the longest streak in baseball history before getting a team's first no-hitter. The Padres set new standards for Major League Baseball training facilities with their state-of-the-art Dominican Republic Baseball Park in Najayo, San Cristobal. Officially opened on April 30, 2008, the complex serves as the hub of the Padres Latin American operations where international players live and train year-round. The complex is also the home of the Dominican Summer League Padres. It served as the host location for the 2013 Padres' Instructional League.

The facility boasts two regulation-size playing fields and a half field, batting tunnels, covered pitching mounds and a clubhouse containing Major League-caliber weight and training rooms. The complex has housing for over 60 players as well as managers and coaches, including a kitchen and dining facilities. In an effort to create the ultimate facility, the Padres have incorporated on-site classrooms, a librar, computer learning centers and a first-rate player education program.

In conjunction with the construction of its Dominican Republic Baseball Park, the Padres have pioneered a community outreach program aimed at improving the quality of basic public education in the Dominican Republic. The Padres have partnered with SDSU, UCSD, SurFuturo, USAID and the American Chamber of Commerce Dominican Republic to improve four local community schools and incorporate after-school programs for students.

2025 Spring Training marked the 32nd Spring Training season at the Peoria Sports Complex for the Padres in Peoria, Ariz. The complex, located 20 miles northwest of downtown Phoenix, serves as the spring home for both the Padres and the Seattle Mariners, and it serves as the premier Cactus League venue on the west side of Phoenix, providing easy access from the 101 Loop and is within walking distance to Peoria's P83 entertainment district featuring shopping dining and entertainment.

The complex provides separate state-of-the-art facilities for the two clubs, and both the Padres and Mariners clubhouses received over a combined 31 million dollars in renovations prior to the 2014 season. Each team's facility has six full fields, two-half fields for infield and base running drills, a bunting field, four covered batting tunnels and eight open air batting tunnels. Both clubhouses are over 55,000 square feet and include administrative offices, full-service kitchens and cafeterias, weight and training rooms and media workrooms.

Prior to the 2017 season, Peoria Stadium also underwent large LED and audio system upgrades including the following: New 2,100 square foot LED display, which was the largest in baseball's Cactus and Grapefruit Leagues and the first to feature 13HD LED. New display will measure approximately 35 feet high by 61 feet wide and feature a 13HD pixel layout to provide high-resolution imagery. Upgraded audio system includes fully-distributed sound, providing full-range sound reproduction for a powerful audio experience. Additional transformations preceding the 2014 season included the following: New 2,400 square foot team store along with renovated entrance gates and administrative offices. New fixed seats with cup holders as well as new seats along the first and third baselines and field level seating behind home plate.

The Colonnade, a new group space down the third base line was installed in 2016 featuring an upscale catering menu, TV's, private restrooms, full bar and viewing patio for groups of up to 200. New outfield pavilion in left field to accommodate groups of 20-300 as well as widened pedestrian walkway around the outfield. Accessible seating platforms added as well as an ADA accessible ramp to the stadium field. Public restroom upgrades. Infrastructure upgrades to water, fiber and information technology.

The working press box at Peoria Stadium has space for 35 writers and five separate broadcast booths. To reserve broadcast booth space, please contact **Tiffany Seal** in the Padres Media Relations Department at *tseal@padres.com.*

OFFICE ADDRESS

100 Park Blvd. San Diego, CA 92101

Petco, located in San Diego, CA.

39,860 fixed seats, plus ADA accessible seating, ticketing for group/social spaces, and additional Standing Room Only tickets that provide access to standing room locations throughout the ballpark and lawn seating in Gallagher Square.

FIELD DIMENSIONS

Prior to the 2013 season, the Padres altered the dimensions of Petco Park. From the right field porch to the right center gap, the wall was moved in 11 feet, and at the deepest point in left center field, the fence was moved in from 402 feet to 390 feet. After the 2014 season, the club improved the left field seating area and in doing so, brought in the left field and left center field wall four feet.

Left-Center Wall Pad: **343 feet**

Straightaway Center Field: **396 feet**

PLAYING SURFACE

Latitude 36 Bermudagrass

OUTFIELD FENCES

Five feet tall from the Entertainment Suite in the corner of the Western Metal Supply Co. Building to the left field wall. Seven feet tall from the left-field wall to the door that leads to the Padres bullpen at which point it increases to 8 feet tall to the right side of the batter's eye. Prior to the 2016 season, the wall in front of the Toyota Beach and the Ballast Point Craft Pier was reduced from 7 feet, 10 inches tall to 5 feet, 2 inches tall. At the right field wall, it goes back to 8 feet tall for the 140-foot length of the wall and LED display. The fence tapers down to 7 feet, 6 inches tall along the side of the trapezoid that forms the Right Field Home Run Deck in right field. It remains at 7 feet, 6 inches tall along the front of the Right Field Home Run Deck, and tapers back up to 10 feet tall along the side of the trapezoid that connects to the right field foul pole (the length of the fence that forms the Right Field Home Run Deck is 15 feet, 9 inches along the side nearest to center field, 25 feet, 3 inches along the front of the Right Field Home Run Deck at the first row of seats, and 15 feet, 9 inches along the side that connects to the right field foul pole).

LIGHTING

Petco Park took another major step toward energy efficiency and sustainability prior to the 2016 season, with the installation of Musco's SportsCluster® LED™ system, in partnership with Cisterra Development. The Padres became the first team in the National League to install LED lighting. With specially designed optics, the new system cuts glare both inside and outside the ballpark, enhances television broadcasts and provides a stage-like atmosphere for spectators. Petco Park is now 100 percent LED.

The park features 10 "racks," encompassing 460 light fixtures, all with 1,200-watt bulbs, except for 110, 130-watt housekeeping bulbs. The tallest light standards, which are in a vertical configuration, are atop the First Base and Third Base Towers – 205 feet above the playing field. Other light standards, in a conventional horizontal configuration, are 190 feet above the field.

SIGHT LINES

Designed to provide the best and closest views of the game in Major League Baseball, re-directed seating angles maximize sight lines for baseball and comfort…all seats down the lines are angled toward home plate to maximize views of the field from every seat. The top two decks are built on extended, 56-feet cantilevers to bring all seats lower and closer to the field.

SEATING DECKS

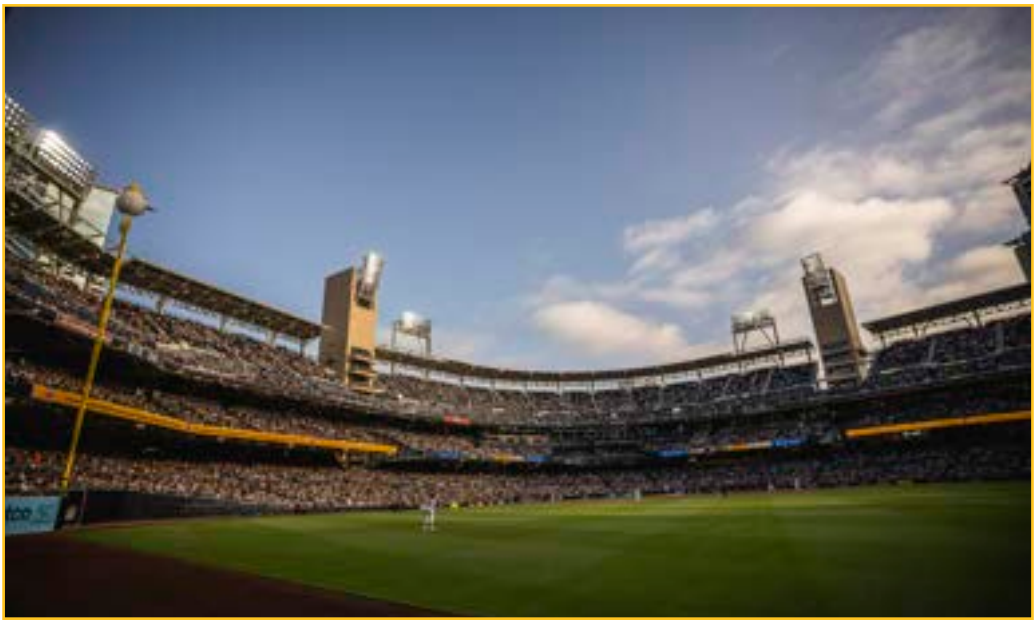

Petco Park has three main seating decks: Field Level, Terrace Level and Upper Deck.

SEAT SPECIFICATIONS

Prior to the 2024 season, 222 new seats manufactured by Dreamseats were installed in the Blue Shield Home Plate Club. Fixed seats elsewhere around the ballpark are manufactured by Hussey Seating and measure 19, 20, 21 or 22 inches in width, depending on location. All seats are navy in color.

SECURITY

In August of 2020, Petco Park received the SAFETY Act designation by the U.S. Department of Homeland Security. The SAFETY Act serves as one of the highest levels of accreditation offered and promotes the development and deployment of effective anti-terrorism measures, including technologies, services and personnel trainings. In 2023, the ballpark earned a red seal indicating SAFETY Act certification and the highest level of liability protection, making the Padres the fifth team in Major League Baseball to earn the distinction.

HD OVERHAUL

Prior to the 2018 season, a second HD video board was added in upper right field. Manufactured by Daktronics, the 55.2 feet by 31.2 feet (1722.24 square feet.) video board uses 13mm HD product that boasts a max 11,000 nits, allowing for optimal viewing during bright sunny days. The second video board allows for mirroring of the main board in left field for replays, features and crowd shots, as well as independent operation and unique content. Prior to the 2016 season, a new LED ribbon board (3.5-feet tall by 70-feet wide) manufactured by Daktronics was installed along the fascia of the top level of The Craft Pier by Ballast Point in right-center field. Prior to the 2015 season, the Padres installed a state-of-the-art high-definition video board that measures 61.2-feet tall by 123.6-feet wide, covering 7,564.32 square feet. At the time of installation, it was the third-largest in Major League Baseball and the largest in the National League.

The video board itself, provided by Daktronics, is nearly five times the size of the previous video screen (30-feet tall by 53-feet wide; 1,590 square feet), which was in place since 2004 when Petco Park opened. The entire board can be run full-screen to show live action or video replays, or it can be split into sections for statistical information, graphics and animations. The video board's resolution is 1224x2472, with 3,025,728 total pixels. New LED ribbon boards accompanied the new video board spanning nearly 750 feet along the first and third base lines on the Terrace Level (3.6-feet tall), as well as on the left field grandstand fascia (7.5 feet. tall by 130-feet wide). Sony also provided a state-of-the-art HD control room, including in-house production, broadcast and entertainment systems.

In 2024, new LED boards were installed throughout Petco Park. This includes a LED backstop manufactured by Daktronics with rotational signage behind home plate that allows for state-of-the-art insertion of graphics and advertising behind home plate, a new LED board on the ballpark's East Ramp that measure 26-feet wide by 7-feet tall, and replacing the Right Field Wall LED board. Prior to the 2025 season, new field-level LED boards, manufactured by Daktronics, were installed on the first and third baselines to allow for additional graphic and advertising opportunities.

RIGHT FIELD LED RIBBON BOARD

In 2013, new LED ribbon boards were added to right field upper fascia. The upper right field board measures 6 feet high by 192-feet wide and the right field wall board measures 7-feet high by 104-feet wide. Both boards were provided by Daktronics.

AUDIO SYSTEM

Prior to the start of the 2014 season, Daktronics installed several new distributed loudspeakers in numerous locations, replaced speakers in other areas of the park as well as completely returned the entire sound system to provide a base level of uniform system operations. All systems are tied together using the latest state-of-the-art Digital Signal Processing Systems.

CONCOURSE FLOORING

Between 2014 and 2015, approximately 255,000 sq. ft. of concourse flooring was replaced with decorative waterproof, flake flooring system manufactured by Neogard and installed locally by KTM Coating.

BATTER'S EYE

Background for batters in center field is painted navy, except for the side facing Gallagher Square. The structure houses an equipment storage room on the Field Level and "The Batter's Eye Porch," a pre- and post-game and special event area 30 feet high by 80 feet long in Gallagher Square. Above this is the Event Management Center for Petco Park and a 10-foot rotational sign that provides a solid background when batters are at home plate and offsets rotating panels between innings.

RETIRED NUMBERS

Prior to the 2016 season, the Padres retired numbers were relocated from the top of the batter's eye to a more prominent location inside Home Plate Plaza, where fans can see them up close and take photos with them. In addition, retired numbers are now positioned on the upper deck façade behind home plate, above the Jerry Coleman Broadcast Center and adjacent press box. The numbers – Steve Garvey's No. 6, Tony Gwynn's No. 19, Dave Winfield's No. 31, Randy Jones' No. 35, Trevor Hoffman's No. 51 and Jackie Robinson's No. 42, which was retired throughout Major League Baseball in 1997 – are flanked by the players' first and last name in white in a ring of honor around the upper deck.

PETER SEIDLER "PS" LOGO

In 2024, the Padres honored their beloved former Chairman and Owner, Peter Seidler, with a heart-shaped jersey patch with Peter's initials, "PS," in the center. A large gold version of the "PS" logo was also added as a fixture to the exterior of the press box.

PADRES HALL OF FAME

The Padres Hall of Fame, presented by Motorola and which showcases the history of the Padres and baseball in San Diego, opened at Petco Park on July 1, 2016. Located on K St. just inside the Gaslamp Gate, it features an 85" TV upon entry, an 80-foot-long, in-depth timeline, a state-of-the-art 4K 100" TV and touch screen interactive theater, and historical memorabilia throughout. The centerpiece of the space is 19 two-sided illuminated panels dedicated to each current members of the Padres Hall of Fame. The panels depict imagery of these legendary Padres, while telling the story of their career highlights and personal achievements.

PROTECTIVE NETTING

The Padres extended the protective netting prior to the 2018 season, separating spectators behind home plate and down the foul lines from the field of play. The netting, manufactured by Promats® Athletics, features the latest technology to minimize the appearance of the net and provide an optimal viewing experience, while maintaining high safety standards. In 2020, the netting was heightened behind the backstop and over both dugouts to 29 feet before tapering down along the foul lines. The end points will remain the same at Section 116 in left field and Section 115 in right field, which surpasses the existing guidelines issued by Major League Baseball.

BULLPENS

The Padres bullpen in left field is 87.8 feet long by 27.8 inches wide and elevated 3.6 feet above field level. The visitors' bullpen was relocated from the field before the 2013 season, and it is now tiered behind the home bullpen, elevated another 3.6 feet. It is 80.11 feet long and 27 inches wide. The visiting team pitches east to west, while the home team pitches west to east. Each bullpen has a separate entrance to the playing field.

DUGOUTS

The Padres dugout is located on the first-base side and is 57 feet long by 14 feet wide. The visitor's dugout on the third-base side is 46 feet long by 14 feet wide. Both dugouts have a retractable awning along with steps that lead to the field for half their length and a rail on the other half.

TEAM CLUBHOUSE FACILITIES

Clubhouses are located on the Field Level, with direct access to the dugouts and service corridor. The home clubhouse is approximately 16,500 square feet, including a 3,560 square

foot locker room with 40 cubicles (four feet wide), configured in a circle. The home clubhouse includes a 240-square-foot video coaching area located near the home dugout, with access from inside and outside the clubhouse. Other facilities include a 7,580-square-foot, fully-equipped weight and exercise room, dry sauna, hydrotherapy room, player lounge and kitchen, manager's office, coaches locker room, rehab room, medical facilities, offices, laundry and storage.

The visitor's clubhouse is approximately 8,990 square feet, including a 2,140-square-foot locker room with 40 cubicles, training room, manager's office, coaches locker room, weight and exercise room, player lounge and kitchen, laundry and storage.

Internal batting and pitching tunnels (two for the home team, one for the visiting team) are located on the Service Level with access to the clubhouses and are fully-equipped, including cameras for video recording. Tunnels are sized to accommodate two batters and/or two pitchers. Views to the home batting tunnel are available from the Blue Shield Home Plate Club through one-way glass so club patrons can observe players at work. Additional facilities include an auxiliary locker room (approximately 2,040 square feet), with an operable partition, the umpires' locker room (approximately 910 square feet), a home team family waiting room, and a greenroom/VIP dressing room.

SUITE RENOVATION

Heading into the 2022 season, the Padres embarked on a major renovation at Petco Park that saw the largest suite remodel since the ballpark opened. Seventy premium suites were completely renovated in addition to a remodeled Suite Entrance for Suite Lease Members, costing more than $6 million for the project. The upgraded suites feature brand new furniture with unique seating concepts, 65-inch 4K televisions, access for presentations through the TVs, artwork celebrating current and past Padres teams, customizable branding elements for Suite Lease Members, enhanced and additional lighting, new refrigerators and ice machines, induction cooking, new dishware and additional counter space for food and beverage presentation.

BLUE SHIELD HOME PLATE CLUB

The Blue Shield Home Plate Club underwent a massive renovation immediately upon the conclusion of the 2022 postseason that includes an enhanced VIP entry, expanded bar and dining room that includes a new layout, furniture, art and expanded restrooms while maintaining a unique view into the Padres batting cages. A new grand staircase directly connects the upper club to an expanded and renovated lower club. The new lower club features an expanded interior footprint, a dedicated bar, expanded restrooms and an enhanced fine dining experience.

GALLAGHER SQUARE

Gallagher Square, formerly known as the Park at the Park, features a landscaped park of 2.8 acres beyond the outfield fence. Petco Park is the first Major League ballpark since Forbes Field in Pittsburgh (closed in 1970) to have a park adjacent to the outfield. Gallagher Square is a ticketed area and vital part of the baseball experience on game days, including admission to conveniences and amenities of the seating bowl during select ticketed events. It functions as a special events venue when there is no game and daily as a neighborhood park.

SYCUAN STAGE AT GALLAGHER SQUARE

In March of 2019, the Padres unveiled the latest addition to Petco Park with the debut of the Sycuan Stage at Gallagher Square, which provides a secondary stage for general admission concerts. The venue is the first among Major League ballparks to offer a unique outdoor setting inside of a downtown ballpark. The stage also has a state-of-the-art roof system with the capability to withstand more than 90,000 pounds of production and measures 64"x 28"x5", allowing for a fully customizable space depending on artist requests.

TOYOTA BEACH & BALLAST POINT CRAFT PIER

In 2016, the Padres unveiled a two-level social space in right-center field inspired by San Diego's beach lifestyle, featuring pilings and decking constructed from environmentally friendly recycled composite wood. The lower level, the Toyota Beach, is utilized as a group space, and the upper level, The Ballast Point Craft Pier, is a multi-use area. In total, the space accommodates nearly 600 people in a standing-room-only capacity. The space was constructed in the location previously occupied by The Beachers seating area and The Toyota Beach play area. As part of the design, the children's sand play area was preserved and relocated to a space along K Street, further removed from the playing field and safe from balls in play. Partners on this project were San Diego-based architecture firm Larimer Design and Clark Construction.

THE GALLAGHER CHAIRMAN'S CLUB & CUTWATER CORONADO CLUB

The Padres debuted additional premium seating options prior to the 2020 season with the Gallagher Chairman's Club and the Cutwater Coronado Club. The Gallagher Chairman's Club is located next to the Padres Ownership suite and allows fans to watch the game from one of the best views behind home plate while enjoying all-inclusive premium food and beverage. The Cutwater Coronado Club offers stunning views of Coronado Island and the iconic Coronado Bridge from the comfort of a private open-air club while enjoying complimentary food and non-alcoholic beverages. Guests also have a dedicated seat to watch the game from their own luxury loge box.

CUTWATER AGAVE CLUB

In 2024, the Padres debuted the newest premium seating area to Petco Park with the Cutwater Agave Club. Located down the left field line on the Terrace level and introduced to the ballpark in 2015 as The Still presented by Cutwater, the private space underwent a full renovation after the 2023 regular season. This multi-million dollar project features luxury finishes, access to semi-inclusive food and beverage offerings, and a private restroom with a variety of seating concepts and options allowing Premium Seat Members the opportunity to further enhance their experience at Petco Park.

WESTERN METAL SUPPLY CO. BUILDING

The historic brick warehouse that housed the Western Metal Supply Company, which dates to 1909 and has ties to the Old West, was renovated and incorporated into the ballpark, with the left-field foul pole attached to its southeastern corner. The building holds the Padres New Era Team Store on the first floor, 12 party suites (available on an individual game basis) on the third and fourth floors, a restaurant with terrace dining on the fifth floor, and another restaurant and group space on the rooftop, 80 feet above field level.

PETCO BARKYARD

Unveiled in 2016, the Petco Barkyard consists of six semi-private, premium dog-friendly box seats in Petco Park's left-center field, available for every Padres home game. Each of the six boxes in The Barkyard can accommodate up to four people and two dogs. The Barkyard features a designated entrance from K Street in Gallagher Square, a check-in area staffed by a Petco brand ambassador, and a watering station near check-in. A Padres pet concierge is on-hand to escort fans and their dogs to and from The Barkyard. Conveniently located just a short walk from the designated Pet Relief Area in Gallagher Square, The Barkyard is tailored to a dog's needs. Each box offers umbrellas to protect dogs from the sun and specially selected easy-to-clean artificial turf that does not retain heat, to ensure every pup's paws stay cool.

VIASAT MILITARY HALL OF HONOR

In 2022, the Padres and Viasat Inc. unveiled the Viasat Military Hall of Honor in Power Alley located on the right field concourse. The Padres, who are widely regarded as Major League Baseball's "Team of the Military," partnered with Viasat to honor former Padres and other MLB players around the league who served in the military and pay tribute to Armed Services' veterans and those currently serving in the U.S. military at home and around the world.

Located near Section 133, the Military Hall of Honor serves as an interactive space allowing fans to view information and different content on each honoree through two touchscreen televisions within the space. Fans can also record and send personalized messages to active-duty military members and various military bases in a dedicated recording booth located within the Hall of Honor area.

ADDITIONAL FEATURES

2015's left field renovation project included the debut of several new social spaces and seating areas, including The Estrella Jalisco Landing, a private 300-person group space immediately below the video board and the Entertainment Suite on the ground floor of the Western Metal Supply Co. Building.

The On-Deck Suite, introduced in 2014, is an eight-person suite next to the visitor's dugout, giving fans an unprecedented view of the action closer to the batter's box than the pitcher on the mound is. The Right Field Home Run Deck, created in 2013, is nestled just beyond the wall in right field and houses 56 seats. Picnic Terraces, to the left of the Batter's Eye, have tiered picnic tables and are intended primarily as a group sales area. Palm Court Plaza features 13 palm trees and 13,588 bricks, of which 10,842 are personalized, commemorative bricks. The Omni San Diego Hotel and The Metropolitan (36 luxury condominiums on the top 11 floors of the hotel) connect to the main concourse by a pedestrian skybridge.

ADDITIONAL FEATURES (CONT.)

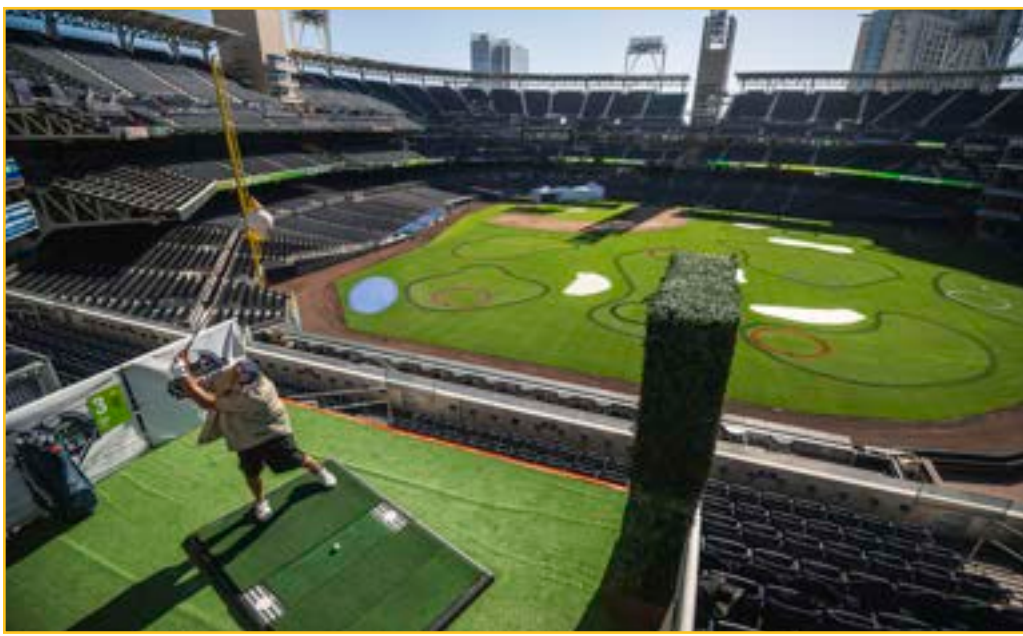

The audio and video graphics to celebrate Padres players' home runs at Petco Park have a distinct military and nautical flavor. The sound of a ship's horn is an actual recording of the horn of the Navy's USS Ronald Reagan (CVN-76) nuclear aircraft carrier, which was formerly home-ported in San Diego. To accompany the horn, fireworks blast from the top of the video board during night games.

WI-FI

Introduced in 2012, the Padres provide wireless internet access to fans at Petco Park in partnership with Verizon.

MORE THAN A BALLPARK

As a premier entertainment venue in Southern California, Petco Park also hosts concerts, special events and other sporting events. Petco Park saw its highest-ever attended event with Garth Brooks Stadium Tour in March 2022 with more than 50,000 tickets sold. In November 2024, it hosted the

10th Annual Links at Petco Park golf event, in partnership with Callaway Golf. The venue transitioned into an outdoor hoops arena in 2015 for the Bill Walton Basketball Festival, featuring a week of community events, tournaments and high school games, culminating in the SDSU vs. USD men's basketball game. In early 2022, the park welcomed monster trucks and dirt bikes back as host of Monster Jam and Supercross. The inaugural World Baseball Classic semi-finals and final were played at Petco Park in 2006, with the site playing host to second-round games in 2009 and 2017. Petco Park has hosted the 2014 Davis Cup, the USA SEVENS Rugby tournament and international soccer matches including the Tijuana Xolos. Additionally, Gallagher Square turns into a winter wonderland with the annual Holiday Market, featuring dazzling Christmas light displays, holiday characters, shops and more.

Petco Park also serves as a year-round concert venue, having hosted The Rolling Stones (Nov. 2005 & May 2015), Madonna (Nov. 2008), Taylor Swift (Aug. 2015), Billy Joel (May 2016, April 2024), Metallica (Aug. 2017), The Eagles, Zac Brown Band, Journey and Def Leppard (Sept. 2018), Sir Paul McCartney (2014, June 2019), Green Day, Fall Out Boy and Weezer (Aug. 2021), Garth Brooks (March 2022), Red Hot Chili Peppers (July 2022), Motley Crue, Def Leppard and Poison (Aug. 2022), Grupo Firme (Aug. 2022), Bad Bunny (Sept. 2022), Elton John (Nov. 2022), Morgan Wallen (July 2023), Zach Bryan (Dec. 2023), Chris Stapleton (March 2024), Sting (April 2024), Blink-182 (June 2024), Foo Fighters (Aug. 2024), Def Leppard and Journey (Aug. 2024), P!nk (Sept. 2024), Green Day with Smashing Pumpkins (Sept. 2024), and Post Malone (Dec. 2024). 2024 was a record year for Petco Park with eight stadium shows, surpassing the previous record of seven full venue concerts in 2022.

From January 12-14, 2024, the Padres hosted the inaugural San Diego Rodeo at Petco Park in partnership with C5 Rodeo Company, Inc. and Outriders Presents. It was the venue's first-ever rodeo and featured the world's top rodeo athletes competing for more than half a million dollars in prize money over the course of a three day competition.

SOCIALLY DISTANCED

In coordination with local and state health officials, Petco Park continued to serve as a place where memories are made even in the midst of the COVID-19 pandemic. In June 2020, the Premier Lot hosted drive-thru high school graduations, drive-in style movie screenings and the first drive-in concert in California since stay-at-home orders were issued in March. Following the successful drive-in format, Padres-controlled lots were transformed into watch party sites where thousands of fans cheered on the Padres during their playoff run. Gallagher Square also hosted the first ever Halloween Trail and Holiday Market & Trail events, allowing guests to partake in the holiday festivities as part of a socially-distant, safe environment. All events were executed with the utmost regard for health and safety precautions.

COVID-19 VACCINATION SUPER STATION

As the COVID-19 epidemic raged on throughout 2020 and into 2021, Petco Park and the Padres continued to serve as a community pillar for San Diego and beyond. In early January 2021, the County of San Diego announced that the Petco Park Tailgate Lot would be the site of the State of California's first Vaccination Super Station. In partnership with the City of San Diego, UC San Diego Health and the Padres, the vaccination site allowed for up to 5,000 individuals to be vaccinated daily. Operating from 7:00 a.m. to 7:00 p.m. seven days a week, the drive-up site opened January 11, 2021, and a total of 225,000 vaccines were administered. The Padres provided the lot to act as the host site for the super station along with operational support from the organization's event staff.

HOLIDAY BOWL PARTNERSHIP

In June 2021, the Padres and the Holiday Bowl announced a partnership that would bring the historic game to Petco Park, beginning with the 43rd annual Holiday Bowl on December 28, 2021. San Diego City Council voted to overturn a "no football clause" so football could be played at Petco Park.

Petco Park underwent major construction to transform the field from baseball to football, with the first baseline modifactory serving as the east end zone and the left field wall serving as the west end zone. The construction included removing the first baseline wall and adding 2,800 square feet of concrete seating risers over 10 rows of seating in sections 111, 113, 115 and 117 for football, restoring the first baseline seating sections for baseball using 10 sections of removable seating risers (featuring 118 padded seats and 344 regular ballpark seats), removing and relocating the bullpen door and stairs in left field for football and later restoring the outfield walls to the same dimensions for baseball, installing thicker 1.5-inch cut overseeded Bermuda turf, and building sideline suites in right field that could accommodate nearly 500 people. Field goal posts, new play clocks, camera locations and coaching boxes needed to be installed in addition to implementing a completely new scoring system on the video boards.

The Holiday Bowl was set to make its Petco Park debut with the UCLA Bruins (Pac-12) against the NC State Wolfpack (ACC) before the game was ultimately canceled due to COVID-19 health and safety protocols. Instead, the Holiday Bowl made its historic debut at Petco Park on December 28, 2022 when the Oregon Ducks (Pac-12) defeated the North Carolina Tar Heels (ACC). It was the first time football had ever been played at Petco Park. The Holiday Bowl played one more time at Petco Park as part of the partnership on December 28, 2023 featuring the USC Trojans (PAC-12) vs. the Louisville Cardinals (ACC).

ARCHITECTURAL FEATURES

Seating bowl "fractured" by first base and third base Towers housing vertical light standards and other elements to create distinctive "seating neighborhoods." First base and third base Garden Buildings house concession areas, premium seating club membership lounges, offices, restrooms and other programming elements usually housed inside a ballpark. Spacious concourses and terraces afford outstanding views of San Diego Bay, Coronado Bay Bridge, downtown skyline, Pacific sunsets, glimpses of Balboa Park and mountains to the east.

LANDSCAPE

The entire ballpark is designed and landscaped to resemble a garden. The landscape includes plants both inside and outside the park and vines and flowering vegetation spilling over bridges, walkways and trellises. The wall of flowing water at the Home Plate Plaza captures the spirit of San Diego's casual, coastal lifestyle. Garden Buildings feature bougainvillea and colorful planters. Jacaranda trees line the main entrance, Home Plate Plaza features coral trees at the top of the staircase and palms, and Palm Court Plaza features signature palm trees.

Gallagher Square features a dynamic landscape filled with native and drought-tolerant plants that showcase the rich biodiversity of San Diego County. The cyclical bloom of various flowers throughout the year ensures a constantly changing and visually captivating landscape. Towering evergreen Oak trees provide shade, and a large lawn invites relaxation, play and provides a flexible space for community events.

The garden seamlessly integrates a diverse selection of trees, ranging from the distinctive Dragon trees to the stately California Sycamore trees, and includes Date Palms that mirror those found within the ballpark's Palm Court Plaza. The park's landscape has been carefully curated to reflect the essence of San Diego and display the local horticulture.

The space embraces sustainability with lower water-use plant species that conserve resources and support local species, reinforcing the Padres' commitment to creating a sustainable and captivating urban space.

The landscape and vegetation selected are "water-wise," low allergenic and environmentally responsible, requiring minimal use of pesticides and toxic chemicals.

ENVIRONMENTAL FEATURES

An agreement with the Environmental Health Coalition comprehensively addressed issues of air and water quality, urban runoff, removal of hazardous materials, and use of pesticides and toxic chemicals in the construction and operation of the ballpark. Progressive recycling and waste management programs help make Petco Park one of the greenest ballparks in Major League Baseball.

The Padres partnered with Ecosystem in 2023 to provide the stadium's own chiller plant that decreases water use, provides annual savings of more than $1 million, and reduces greenhouse gas emissions by roughly 700 tons per year.

GOING SOLAR

Prior to the 2018 season, the Padres and Petco Park continued their efforts as industry leaders in energy sustainability with the installation of a 336,520-watt Sullivan Solar Power system. The project consisted of 716 high-efficiency, 470-watt solar modules and will generate 330 kilowatts of solar power, enough to power the entire Padres front office. The solar power system serves as the largest solar power system in Major League Baseball.

CLEAN, RENEWABLE ENERGY

In a new partnership with San Diego Community Power in 2022, Petco Park became the first National League ballpark to run completely off clean, renewable energy.

#BrownIsBack

On November 9, 2020, the Friar Faithful witnessed the unveiling of the team's new brown and gold uniforms. Nearly 4,000 fans were on hand as Padres shortstop Fernando Tatis Jr., first baseman Eric Hosmer and third baseman Manny Machado modeled the new threads. The new primary home pinstriped uniform features "PADRES" across the chest in brown with a gold outline, brown and gold piping and the return of the Swingin' Friar in the form of a sleeve patch. The road uniform is brown with a gold "SAN DIEGO" across the chest along with gold piping and the Swingin' Friar patch.

The road alternate features a lighter sand brown color scheme with pinstripes and a brown with gold outlined "SAN DIEGO" across the chest. With the new road color scheme, the Padres became the only team in Major League Baseball to not utilize any gray road uniform. In bringing back the brown, Padres ownership made a point to seek out the feedback of their loyal fanbase and implement this change that signifies a new era in Padres baseball. The unique color scheme also sets the club apart from the rest of Major League Baseball. In addition to the three new brown and gold uniforms, the Padres also unveiled new Sunday military brown camouflage jerseys to be worn as part of their Military Salute Sunday home games.

CITY CONNECT

In Summer 2022, the Padres unveiled their Nike City Connect Series jersey, becoming the seventh and final MLB club in 2022 to debut the new uniforms. Making its on-field debut at Petco Park on July 8, 2022 and worn every home Friday thereafter through 2025, the Padres collection is a nod to the coastal community we live in. It is inspired by the vibrant landscapes in the San Diego and Baja California communities, from the scenic views up and down the coastline, to the ocean's white foam and the stunning pink and yellow sunsets. The vintage typography reminds San Diegans of weathered beach signs marking the special spots they cherish from Oceanside to Imperial Beach and everywhere in between. The uniform's bold colors and decorative details depict the radiant artwork that is prominent within our shared culture, as the Padres are proud of our binational fan base and the region we call home.

PETCO PARK STATUES

MR. PADRE

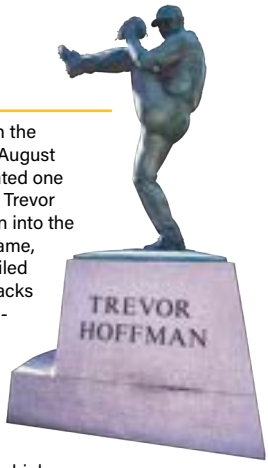

The nine-foot, 1,200-lbs bronze likeness of "Mr. Padre" was unveiled prior to the Padres vs. Phillies game on July 21, 2007 as part of "Tribute to Tony Gwynn Weekend," honoring the 2007 National Baseball Hall of Fame inductee. The statue was molded by sculptor William Behrends, whose artistic credits include a statue of Willie Mays at San Francisco's AT&T Park. The statue and surrounding plaza includes bricks with personalized messages from fans to Gwynn. In 2024, the statue was moved onto the new Tony Gwynn Terrace and repositioned so that he is directly facing the statue of his former teammate, Trevor Hoffman.

THE COLONEL

On September 15, 2012, the Padres honored the late Jerry Coleman's 70 years in baseball and his 40 years with the Padres in a pregame ceremony at Petco Park, during which the club unveiled a bronze statue of Coleman at the ballpark, standing at 7.5-feet tall, weighing 650 lbs. It depicts Coleman in the uniform he wore as a pilot in the Marine Corps. San Diego Mayor Jerry Sanders proclaimed the day "Jerry Coleman Day."

TREVOR TIME

"Hells Bells" blared through the speakers at Petco Park on August 18, 2018 as the club celebrated one of its most iconic figures in Trevor Hoffman. After his induction into the National Baseball Hall of Fame, Hoffman's statue was unveiled prior to the Padres vs. D-Backs game as part of a weekend-long celebration for the closer. William Behrends sculpted the nine-foot, 1,000 lb. likeness, which overlooks the bullpen in left-centerfield and depicts Hoffman's signature high leg kick.

GALLAGHER SQUARE RENOVATION

To commemorate the 20th Anniversary of Petco Park in 2024, the Padres continued its investment in the ballpark by renovating Gallagher Square, providing fans and the community with expanded amenities, and building on the decades-long commitment to deliver "More than a Ballpark."

On October 9, 2023, the Padres officially broke ground on Gallagher Square to begin the project, with the goal of reopening the park in time for the Padres 2024 Opening Day on March 28. Minor projects will continue after Opening day and are expected to be completed by June 2024.

COMMUNITY AMENITIES

The renovated Gallagher Square includes new and improved features for the community, all with an eye toward celebrating the Padres' history and San Diego's baseball traditions.

- Playground and Play Area expanded for wider range of ages and abilities. The playground features a 35 2 1/4 feet tall x 7 feet wide baseball bat made of steel and wood that allows for kids to climb to the top, making it the tallest climbable bat in the world.
- Fenced, off-leash dog park
- Improved Play Ball Field
- Pickleball courts
- Tony Gwynn Terrace viewing deck and picnic space
- Public art displays featuring local artists

As part of this renovation, Gallagher Square has been reconfigured in a manner that will allow for portions of the park to remain open for public use more frequently.

IMPROVED GAMEDAY AND EVENT EXPERIENCE

The iconic statue of Mr. Padre Tony Gwynn has been elevated and surrounded by an expanded viewing deck that provides all new sightlines of games while serving as a picnic space during public hours. Tony is also more visible from the ballpark and directly aligned with his teammate and fellow Hall of Famer Trevor Hoffman.

The project brings a new and expanded fan entry gate (Balboa Gate) to 9th and J Street for improved security and wait times, along with leveled and tiered lawn seating in Gallagher Square where tickets are more affordable than other fixed seating areas within the ballpark.

TONY GWYNN TERRACE

The Tony Gwynn Terrace is the new home to Tony Gwynn's statue and continues to be surrounded by beloved legacy bricks. The terrace also has picnic tables for additional seating, along with a Tony Gwynn Deck Tower that houses new food and beverage space and a new videoboard. Located beneath the terrace is the Tony Gwynn Tunnel where fans can see and hear all about the amazing life and career of Mr. Padre. An additional Padres retail and food and beverage space have been built on the ground level next to the tunnel.

LEGACY BRICK PROGRAM

As part of the renovation project, the Padres created a Legacy Brick Program, where fans who previously purchased a brick near the original Tony Gwynn statue location in Gallagher Square received a new brick with their original inscription installed at the new location. Fans were also given the opportunity to purchase a customizable engraved brick that would be laid in the new Tony Gwynn Terrace viewing deck alongside the existing bricks. Proceeds from the Legacy Brick Program benefit the Tony Gwynn Community All-Star program and other Padres Foundation community initiatives.

GALLAGHER SQUARE IN HD

A new, state-of-the-art videoboard is displayed at the Sycuan Stage that spans across the entire back of the batter's eye. The board measures 73 feet wide by 21 feet tall and uses 6mm of HD product by Daktronics that features amazing resolution and unmatched clarity. The new videoboard has the capability to include the scoreboard lineup and player statistics for the first time.

Two additional videoboards measuring 16 feet by 9 feet, both featuring 6mm in HD product by Daktronics, have been installed in Gallagher Square. One videoboard is displayed on the Tony Gwynn Deck Tower facing the all-new playground, and the other videoboard is on the new Play Ball field so fans can keep up with game action while enjoying Gallagher Square. Two additional 16x9-feet videoboards were added to Gallagher Square in 2025: One to the back of the Play Ball Field and one to the Tony Gwynn Deck Tower.

RESPONSIBLE DESIGN

The improvements resulted in a more sustainable, state-of-the-art space by incorporating:

- Turf to replace some of the grass, enhancing the overall aesthetic and significantly reducing water and re-sodding needs while maintaining grass on a large portion of picnic hill.
- Native trees and vegetation planted throughout the space.
- A Noise Measurement system that allows for real-time monitoring, along with the latest technology that provides sound pressure level prediction.

A MORE ACTIVATED, VIBRANT EAST VILLAGE

The investment in a renovated and improved Gallagher Square is on top of the Padres investing hundreds of millions of dollars over 20 years to build a vibrant East Village through economic development and the creation of hundreds of thousands of jobs. The project is intended to attract more residents and visitors, particularly during the offseason, resulting in:

- A boost to nearby businesses, supporting local small business owners, operators and employees
- Increased local tax revenue, which is invested back into the community
- More living wage jobs for San Diegans

WESTERN METAL SUPPLY CO. BUILDING RENOVATION

In continuing the Padres' longstanding and ongoing commitment to maintain and improve Petco Park, the club embarked on a multi-million-dollar renovation of the Western Metal Supply Co. Building following the completion of the 2024 postseason. The project includes a complete makeover of the Padres New Era Team Store, the Budweiser Loft on the fifth level, and the Rooftop. Construction will be completed in time for the Padres' 2025 Opening Day.

The Western Metal Supply Co. Building's iconic brick façade will remain untouched, while the suites on the third and fourth floors of the building were recently renovated when the Padres remodeled all 70 suites at Petco Park in 2022.

PADRES NEW ERA TEAM STORE

While honoring the history of the Western Metal Supply Co. Building, the Padres New Era Team Store will expand by approximately 1,000 square feet of new floor space and will see increased checkout locations, new modern finishes, lighting and optimized merchandise displays to the existing retail environment, remodeled restrooms, and a transformed Entertainment Suite and exterior deck. The improved Entertainment Suite, located in the left field corner of the playing field, is perfect for groups of 16-or-more and includes an expanded exterior deck with additional field-facing seats, a new premium catering layout, new luxury finishes and furniture, increased in-suite privacy, and access to renovated semi-private restrooms.

BUDWEISER LOFT

The new and improved Budweiser Loft features an elevated social space that celebrates the unique historic character of the building while adding refined hospitality touches. The upgrades include a renovated bar, new focused lighting that will enhance the guest experience, new premium furniture and games, and a transformed Foul Pole Suite. The improved Foul Pole Suite, located in the Western Metal Building on the left field foul pole, includes expanded capacity for groups of 20-or-more, a new premium catering layout, new luxury finishes and furniture, and access to renovated semi-private restrooms. The Budweiser Loft is open to general ticketed fans and serves as a Member Happy Hour location on gamedays unless booked for a private group.

THE ROOFTOP

The most transformational change to the Western Metal Building includes a new grand staircase that will for the first time connect the Budweiser Loft directly to the fully renovated Western Metal Rooftop. Designed to elevate the gameday and event experience, the remodeled Rooftop will feature a 4,000-square-foot raised deck that offers all new sight lines to the playing field and increased capacity for more guests in the space. The Rooftop will also include new private restrooms dedicated to the space, a new covered trellis that will provide shade and overhead heating, all new and increased premium lounge seating, and two new video boards measuring 16-by-9 feet so that guests in the space will not miss any of the action on the playing field. The showpiece of the improved Western Metal Rooftop will be a new feature wall on the field-facing side, which will light up, including the night sky, for celebratory moments. Priority for Rooftop private events and gameday experiences is given to groups of 300 guests-or-more; and now with direct connectivity to the Budweiser Loft, can comfortably accommodate groups exceeding 1,000 people.

The San Diego Padres are committed to making a meaningful impact by supporting youth, the military, first responders and under-served communities throughout the San Diego and Baja region.

PADRES FOUNDATION

The Padres Foundation, a 501(c)(3), compliments the club's outreach initiatives in the areas of Live, Learn, Play and Serve. The Foundation raises funds through a number of programs in which fans can participate, including the 50/50 Raffle, Dinner on the Diamond, Broadcast Auction, the annual Garage Sale, Shirts Off Their Backs, Favorite Things Basket fundraiser and more.

PADRES VOLUNTEER TEAM

The Padres Volunteer Team is a regional volunteer force which calls upon Padres fans to donate their time to the San Diego and Baja region's non-profits and civic organizations. Launched in February 2015, the Padres Volunteer Team consists of more than 6,400 volunteers who have collectively given upwards of 62,000 hours to over 85 local non-profit organizations.

FUTURE PADRES: YOUTH BASEBALL & SOFTBALL

In 2025, the Future Padres Youth Baseball and Softball program presented by UC San Diego Health with support from Jack in the Box, provided more than 20,000 youth baseball and softball uniforms at no cost to local leagues.

The Padres' investment in local youth baseball and softball has saved leagues millions of dollars. By providing jerseys, caps and visors, these youth leagues reallocate funds towards other areas of need such as field maintenance, purchasing equipment and concession stand improvements. In some cases, leagues have been able to significantly lower or eliminate registration fees, creating an opportunity for more kids to play baseball and softball.

PADRES BASEBALL & SOFTBALL CAMPS

Launched in 2016, Padres Summer Baseball and Softball camps feature five action-packed days of individualized instruction, marquee competitions, and special events for all skill levels, ages 4-12.

In 2025, campers can look forward to another year of character development and a unique Major League experience that creates lasting memories. Camp is offered at various locations throughout San Diego and includes an official camp uniform

and a meet and greet with a current or former Padres player. The Padres Camp curriculum ensures a safe environment for campers, while offering a highly engaging, and fun experience for kids that participate.

PADRES ROOKIE LEAGUE

The Padres are proud to provide free baseball and softball opportunities to underserved youth through the Padres Rookie League program. Padres Rookie League engages kids ages 5 to 13 in a program designed to teach life lessons and build self-esteem through both baseball and softball. The Padres host Padres Rookie League through relationships with community organizations across the region, including the only site on an active military base, and the only binational site.

PADRES HIGH SCHOOL ALL-STAR GAME & HR DERBY PRESENTED BY SAN DIEGO COMMUNITY POWER

The Padres honor the top high school baseball players in the CIF San Diego Section at the annual Padres High School All-Star Night, presented by San Diego Community Power. This year's game will take place in June (date TBD) at Petco Park.

The All-Star Game features the CIF San Diego Section's best high school players in an exciting East-West format. Some of the top young talent in the country enjoy this once-in-a-lifetime opportunity to suit up and play in Petco Park, America's number-one ballpark.

Prior to the All-Star Game, eight high school long-ball hitters compete in the Padres High School Home Run Derby.

The All-Star teams and Home Run Derby contestants are chosen by the CIFSDS Baseball Advisory Committee. Admission to the All-Star Night is free with the purchase of a ticket to a select Padres game.

PADRES COACH OF THE YEAR PROGRAM PRESENTED BY SAN DIEGO COMMUNITY POWER

The San Diego Padres recognize and honor the positive role coaches play in the lives of student-athletes through the Padres Coach of the Week and Coach of the Year program, presented by San Diego Community Power.

The Padres and San Diego Community Power award one local baseball or softball Coach of the Week for eight consecutive weeks for making a positive impact on the lives of his or her players on and off the field as a coach, mentor and role model. At the end of the program, one of these coaches is named the Padres Coach of the Year during a pregame on-field ceremony at Petco Park.

COACHES OF THE YEAR
2024 - Summer Boyle (Rancho Bernardo HS) & Justin Machado (La Costa Canyon HS)
2023 - Dallas Booker (Morse HS)
2022- Rigo Ledezma (Santana HS) & Ronell Jones (Crawford HS)
2021 - Lori Schmersal (Clairemont HS)
2019 - Desi Herrera (San Marcos HS)
2018 - James Davis (Granite Hills HS)

The Padres Coach of the Year program asks San Diego County high schools as well as local youth baseball and softball programs to nominate coaches who provide valuable leadership and mentorship for the youth in our community.

Each Coach of the Week receives a $1,500 donation to support his or her program or league while the Coach of the Year receives a $10,000 donation.

HONORING THOSE WHO SERVE

Since joining Major League Baseball in 1969, the San Diego Padres have prioritized honoring and supporting San Diego's over 900,000 veterans, active duty and retired service members and their families. The Padres are widely regarded as MLB's "Team of the Military," and the club is known as the

first Major League team to have a dedicated Military Affairs department. In the city with the largest military footprint in the world, the Padres are committed to ensuring that baseball in San Diego will continue to remain an affordable family venue for our entire military community. The Padres are proud to host Military Salutes at thirteen home games throughout the season, recognizing each branch of service, veterans, families and military milestones.

In addition to the thousands of tickets given annually to the military community, the Padres offer tickets year-round to active-duty military, veterans and their families year-round at a 25% discount for Military Salute games and 10% off all other home games through GovX.

MARINE RECRUIT SUNDAYS

The Padres long-standing tradition of hosting recruits from the Marine Corps Recruit Depot at Sunday home games prior to their graduation from boot camp will continue this season. These visits are significant because they represent the first time the recruits are permitted to attend a social event away from their rigorous training schedule and wear their USMC uniforms in public. Marine recruits will once again be a fixture at Petco Park on Sundays.

MILITARY OUTREACH

In recognition and appreciation of those who serve, the Padres Foundation supports several initiatives throughout the year to uplift San Diego's military community. Among these is the Alumni Softball Game in which Padres greats visit a local military base to play softball against enlisted servicemembers. The Padres also host an annual Baby Shower for military mothers-to-be, partnering with Nuna to gift each family a stroller and car seat. With the help of front office volunteers, the Padres assemble thousands of CARE packages for local homeless veterans who receive care at Veterans Village San Diego as well as active duty military members around the globe. Finally, as part of the Padres Foundation's Peter Seidler Legacy Projects initiative, the Padres and Joe Musgrove have partnered with the Armed Services YMCA of San Diego to support an $8.8 million expansion of the Center for Military Families to include a Padres-themed playground and wiffle ball field.

FIRST RESPONDERS

The Padres are proud to celebrate, honor and thank San Diego County's First Responder community and the organizations that support them. In recognition and appreciation of the First Responders' commitment to the citizens and community, the Padres have designated six games as First Responder Appreciation Games, bringing well-deserved attention to the hard work and service the various departments provide. First Responder Appreciation Games are dedicated to all first responder departments throughout the City and County of San Diego, including the San Diego Police Department and other county police departments, San Diego County Sheriff's Department, San Diego Fire-Rescue Department, California Highway Patrol, U.S. Border Patrol, Red Cross, FBI, DEA and other organizations on the front line of service to our community.

PADRES "ESTRELLAS"

The Padres, in partnership with local school districts and non-profits, will recognize and celebrate students from underserved communities who go above and beyond in the areas of civic leadership, academic excellence and improvement on five to six game days. The Padres Estrellas and their families will be hosted by the team to watch batting practice, meet Padres players and be recognized during the game. The Padres look forward to expanding this exciting program in 2025.

COMUNIDAD AWARDS

In 2025, the Padres will celebrate the winners of the 15th annual Hispanic Heritage Comunidad Awards during a pregame ceremony this season. The awards honor community leaders or organizations that have made significant contributions to the region's Hispanic community within the Padres Foundation's four focus areas: LIVE (health & mentorship), LEARN (education), PLAY (recreation) and SERVE (volunteerism, military and first responders). A nominee is selected from each category by the Padres Hispanic Community Advisory Council with the Padres Foundation donating to each of the non-profits chosen.

CROSS BORDER PARTNERSHIP

The Padres hosted baseball and softball clinics to support youth in Tijuana in 2024. During the Padres Holiday Giving Tour, pitcher Jeremiah Estrada visited Liga de Beisbol Infantil y Juvenil Municipal de Tijuana in which Padres Foundation hats were given out along with fielding, pitching and hitting resources to the kids.

A group of Padres front office staff also traveled down to Tijuana to build and decorate a new home for a deserving family through the non-profit organization, Build A Miracle. Padres Tijuana community partners include Build A Miracle, Boys and Girls Club, youth baseball and softball leagues, YMCA Tijuana, local sports institutes and others. The Padres look to continue to expand their community impact in Tijuana in 2025.

CHARITY TICKET PROGRAM

The Padres Charity Ticket Program provides complimentary tickets to non-profit organizations with a primary focus on disadvantaged youth who likely would not be able to attend a Padres game. The Padres are proud to work with Tickets for Kids to assist with the distribution of our charity tickets.

COMMUNITY APPEARANCES

Padres players and alumni make hundreds of appearances in the San Diego and Baja Community in support of club initiatives and local non-profits. These appearances give fans a chance to connect with players and alumni and tighten the bond between the Padres and their community. Appearances include the Padres Thank SD Tour, Padres Holiday Giving initiative, the annual Padres Thanksgiving Turkey Distribution, Rady Children's Celebration of Champions and more.

PADRES FANTASY CAMP

Re-launched in 2019, the Padres Fantasy Camp offers an annual week-long experience at the Peoria Sports Complex in Peoria, AZ. Campers spend the week getting the full big-league Spring Training experience while receiving instruction from notable Padres alumni and coaches. As part of this once-in-a-lifetime opportunity, each participant begins their day by putting on their own authentic Padres uniform in the Padres clubhouse and ends the day sharing stories at the local watering hole with Padre greats. All net proceeds from Fantasy Camp benefit the Padres Foundation. The 2026 Fantasy Camp is set for January 9-15.

TONY GWYNN COMMUNITY ALL-STARS

Padres Hall of Fame outfielder Tony Gwynn was known as "Mr. Padre" for his leadership in the San Diego community. The Tony Gwynn Community All-Star Program was created to recognize and honor San Diego's youth who follow in his footsteps and support their local community. Students working in conjunction with a local non-profit organization to support underserved segments of our community received grants ($45,000 total) to support their efforts.

RANDY JONES COMMUNITY CHAMPION AWARD

The Randy Jones Community Champion Award was created to honor Randy's 50 years of service both on and off the field to the Padres. The award is given annually to a former Padres player for making a positive impact in the community. The inaugural honor went to the award's namesake in 2023. The 2024 recipient of the Community Champion Award was Hall of Fame reliever Trevor Hoffman, known as one of San Diego's most active and giving citizens. The 2025 honor will be presented posthumously on April 11, 2025, to former Padres outfielder Billy Bean for his tremendously positive impact on behalf of Major League Baseball for his work on diversity, equity and inclusion and other social justice initiatives.

DINNER ON THE DIAMOND

The third annual Dinner on the Diamond benefiting the Padres Foundation was held on July 1, 2024. Guests dined on the playing field alongside the entire Padres roster, coaches and ownership. The event featured a special program hosted by Don Orsillo and Mark "Mud" Grant and a musical performance from Ludacris. Dinner on the Diamond raised more than $1 million for the Peter Seidler Legacy Projects and Padres Foundation. Dinner on the Diamond is scheduled for July 3, 2025.

50/50 RAFFLE

During Padres home games, fans can purchase 50/50 raffle tickets for a chance to win 50% of the raffle jackpot. Net proceeds support various Padres Foundation community initiatives. Tickets may be purchased at raffle kiosks throughout Petco Park or from roaming raffle sales representatives. Raffle tickets are on sale from the time gates open until the end of the seventh inning. Participants must be at least 18 years old to play.

PETER SEIDLER LEGACY PROJECTS

Padres Owner & Chairman Peter Seidler helped guide the Padres' community support efforts throughout his leadership of the franchise. His caring spirit for the community and those less fortunate will continue to lead the Padres into the future.

The Peter Seidler Legacy Fund was created within the Padres Foundation to honor the beloved Padres owner, philanthropist and humanitarian, and continue his good work on behalf of those less fortunate in the San Diego and Baja communities. The Fund supports projects and causes dear to Peter's heart. The first year of projects included support for the San Diego Rescue Mission South County Lighthouse shelter, Armed Services YMCA playground and wiffle ball field project, and the Ronald McDonald House expansion project. Each project was funded with support from Manny Machado (San Diego Rescue Mission), Joe Musgrove (Armed Services YMCA), and Yu Darvish (Ronald McDonald House).

JESSE AGLER

2025 marks Jesse Agler's 12th season as a member of the Padres' broadcast team and his fifth as the lead play-by-play broadcaster for Padres radio broadcasts on the club's flagship station 97.3 The Fan. Agler also serves as the fill-in announcer on Padres telecasts.

Agler joined the Padres front office in February of 2014 as a broadcaster and as director of content, a role in which he oversaw all club digital and social operations.

During the baseball offseason, Agler calls play-by-play of national radio broadcasts on Compass Media Networks for NFL, NCAA football and NCAA basketball games. Having come to San Diego by way of Miami, Agler spent four seasons as the pregame, halftime and postgame host on the Dolphins Radio Network. In 2013, he did television play-by-play for the Dolphins' preseason games on CBS-4.

Agler began his professional career in 2005. His experience includes serving as pregame and postgame radio host for the then-Florida Marlins, the Florida Panthers and the University of Miami Hurricanes' football and basketball teams. Agler has also previously been the fill-in play-by-play announcer for the Marlins.

A graduate of the University of Miami, Agler's first job out of college was calling baseball games for the Elkhart (KS) Dusters of the Jayhawk League. Agler and his wife, Tovah, reside in San Marcos with their son, Jonah, and daughter Ellie.

TONY GWYNN JR.

Tony Gwynn Jr. returns for his ninth season as part of the Padres' broadcast team in 2025 after returning to San Diego prior to the 2017 season. Gwynn Jr. enters his fifth season as the full-time color analyst role this year.

Son of legendary "Mr. Padre," Gwynn Jr. played for the Padres from 2009-10. Originally selected by the Milwaukee Brewers in the 2nd round of the June 2003 draft out of San Diego State, he played parts of eight Major League seasons with Milwaukee, San Diego, Los Angeles and Philadelphia. Gwynn Jr. batted a career .238 (381-for-1,600) with 48 doubles, 23 triples, seven home runs, 98 RBI and 192 runs scored in 685 games played.

Gwynn Jr. began his broadcasting career in 2016 after joining the broadcast team for the Dodgers' postgame show on AM 570 LA Sports Radio. Most recently, he has served as co-host of "Gwynn & Chris" on 97.3 The Fan and resides in San Diego with his wife, Alyse, their son Anthony III, and three daughters, Makayla, Jordan and Leighton.

DON ORSILLO

Don Orsillo made his debut as a member of the Padres' broadcast team in 2016, calling games for both television and radio broadcasts. After assuming the full-time television play-by-play duties in 2017, Orsillo called his 3,000th game in 2022 and returns in 2025 for his 10th season in San Diego.
