RAY REPORT—The American League champion Tampa Bay Rays continue the third World Series in franchise history with tonight's Game 5 at Tropicana Field, their final home game of the 2026 season... are seeking their first Commissioner's Trophy after falling short against the Dodgers in 2020 (at TEX Globe Life Field, 4-2) and Phillies in 2008 (4-1)...joined the Dodgers (5), Astros (4), Giants (3), Phillies (3), and Rangers (3) as the only franchises to appear in three World Series since 2008 and the Dodgers (3) and Astros (2) as the only teams to appear in two since 2020...defeated the Guardians in the ALCS (4-2) and swept the Yankees in the ALDS (3-0)...earned the No. 1 seed in the AL for the fourth time in franchise history (2020-21, 2010) and captured their fifth AL East title (also: 2008) after leading the Junior Circuit for 93 straight days to end the season from June 27 on, the longest streak since the 2005 White Sox (171)...including the regular season, they are 7-1-1 in their last nine series (Sept. 3–pres.) and 15-6-1 in their last 22 (July 20–pres.)...since becoming the Rays in 2008, their .545 (1,621-1,356) winning pct. ranks third in MLB to the Dodgers (.588) and Yankees (.571)...between the regular season and postseason, their 106 wins are the most in franchise history, surpassing 2008 (105).

- The Rays came within three outs of elimination last night before all five of their batters in the 12th inning reached safely (error, 1B, 1B, 1B, 1B), capped by **Ben Williamson's** pinch-hit, walk-off single (see "October Magic" below for more information).
- It marked their first win in a World Series game since **Brett Phillips'** walk-off single in Game 4 of the 2020 World Series vs. LAD, snapping a five-game losing streak in the Fall Classic.
- The Rays became the fourth team to recover from an extra-inning deficit to stave off World Series elimination, joining the 2011 Cardinals (G6 vs. TEX), 1986 Mets (G6 vs. BOS), and 1912 Red Sox (G8 vs. NYG)—all three of those clubs went on to win the World Series.
- It marked the 17th walk-off win by a team facing elimination in the history of the Fall Classic, including the second to avoid a sweep along with the 1910 Cubs in Game 4 vs. the Philadelphia Athletics (MLB.com's Sarah Langs)...the 12-inning affair tied the longest game in such a win in World Series history, matching the Red Sox in 1975 vs. CIN (G6), the Cubs in 1945 vs. DET (G6), and the Washington Senators in 1924 vs. NYG (G7)...it was the Rays third-longest postseason game by innings behind 2022 ALWC Game 2 at CLE (15) and 2021 ALDS Game 3 at BOS (13).
- Six Rays relievers combined to hold the Brewers to a 4-for-27 (.148) clip...overall, the Rays pitching staff has yielded three runs or fewer in 10 of 13 games this postseason.

CEREMONIAL FIRST PITCH—Tonight's ceremonial first pitch will be thrown by longtime Rays broadcaster **Dewayne Staats**, the play-by-play voice of televised Rays games since the club's inaugural season in 1998...coming off his 51st big-league season, Staats has called over 7,000 major league games.

OCTOBER MAGIC—Last night, **Ben Williamson** became fourth Ray to record a walk-off PA in the postseason, joining **Brett Phillips** in Game 4 of the 2020 World Series vs. LAD (single), **José Lobatón** in Game 3 of the 2013 ALDS vs. BOS (HR), and **B.J. Upton** in Game 2 of the 2008 ALCS vs. BOS (sac fly)...it was the first pinch-hit walk-off in Rays postseason history...Williamson is the third player to record a pinch-hit, walk-off PA with his team facing World Series elimination, joining MIN **Gene Larkin** in 1991 (G7 vs. ATL - 1B) and KC **Dane Iorg** in 1985 (G6 vs. STL - 1B)...it was the sixth such PA to avoid elimination in any postseason game, also joining BOS **Trot Nixon** in 2003 (ALDS G3 vs. OAK - HR), ATL **Francisco Cabrera** in 1992 (NLCS G7 vs. PIT - 1B), and PHI **George Vulkovich** in 1981 (NLDS G4 vs. MON - HR).

- It marked the 19th walk-off, pinch-hit PA in any game in franchise history, first since **Harold Ramírez's** single on June 24, 2022 vs. PIT.

NOW OR NEVER—The Rays are the 44th team to fall behind 3-0 in a best-of-seven series...only two of the previous 43 teams forced a Game 7: the 2004 Red Sox, who came back to defeat the Yankees, 4-3, in the ALCS before sweeping the Cardinals for their first World Series championship in 86 years, and the 2020 Astros, who rallied for three straight wins against the Rays in the ALCS before Tampa Bay's decisive, 4-2 win in Game 7 to claim the franchise's second AL pennant...the 2004 Red Sox lost Game 3, 19-8, at Fenway Park before rallying for wins of 6-4 (12 innings), 5-4 (14 innings), 4-2, and 10-3 to complete the 3-0 comeback...of the 25 previous clubs to fall behind 3-0 in a best-of-seven World Series, none have made it as far as a Game 6...the Rays are one of five teams to force a Game 5 after facing a 3-0 deficit, joining the 2024 Yankees (vs. LAD), 1970 Reds (vs. BAL), 1937 Giants (vs. NYY), and 1910 Cubs (vs. ATH)...only one team in the "big four" North American sports leagues (NBA, NFL, NHL, MLB) has come back from a 3-0 deficit in a best-of-seven chapmionship series: the Toronto Maple Leafs against the Detroit Red Wings in the 1942 Stanley Cup Final.

- No team has ever clinched a World Series title at Tropicana Field...the Rays clinched AL pennants at the ballpark this season vs. Cleveland and in 2008 vs. Boston.
- The Rays are attempting to avoid joining the Dodgers (1941, 1920, 1916) and Tigers (1907-09) as the only franchises to lose each of their first three World Series appearances (Stats Perform).
- The Rays are facing elimination for the second consecutive game...they are 11-9 in potential elimination games, with last night's victory marking their first since Game 7 of the 2020 ALCS vs. HOU (4-2), snapping a four-game skid when facing elimination...they are 7-4 in home elimination games and have won five of their last six such contests (2019–pres.)...tonight, the Rays will attempt to win back-to-back games when facing elimination within the same series for the third time in franchise history, which would join Games 3-4 of the 2019 ALDS vs. HOU (10-3, 4-1) and Games 3-4 of the 2010 ALDS at TEX (5-2, 6-3).

WHATEVER IT TAKES—Last night's victory was the Rays fourth this postseason without the benefit of a home run, tying the Brewers for the most in the majors...they had two such wins in franchise history entering the season (2020 ALCS G3 at HOU & 2008 WS G2 vs. PHI)...the four wins with 0 HR match 11 other clubs for the most by an AL team within a single postseason in MLB history...the 2014-15 Royals and 1990 Athletics are the only other AL clubs to turn the trick since 1976...the four combined home runs between the Rays (1) and Brewers (3) this series are tied with 2014 (SF vs. KC) for the second fewest through the first five games of a Fall Classic since 1974, ahead of only 1985 (KC vs. STL - 3HR)...the 1985 World Series concluded with a combined 4 HR after seven games.

PIVOT!—**Chandler Simpson** tied a World Series franchise record last night with three hits, matching **Jonathan Aranda** (2026 G1 at MIL), **Randy Arozarena** (2020 G4 vs. LAD), and **Aki Iwamura** (2008 G1 vs. PHI)...he leads the Rays with six hits this World Series, tied for third most by a Ray in a single Fall Classic (see table on the right)...Simpson is 9-for-23 (.391) with 2 2B, 2 RBI, 3 R, and 4 SB over his last six games since ALCS Game 5 at CLE after going 3-for-18 (.167) in his first six postseason games.

YANDY MAN CAN—**Yandy Díaz** is 3-for-8 (.375) with 1 BB over his last two games after going hitless (0-for-9) in Games 1-2 of this series...he leads the postseason in extra-base hits (7), doubles (5), and runs (T1st, 8) while ranking second in total bases (26) and tying for third in hits (15)...the five doubles are tied with **Kevin Kiermaier** (2020) for the most in a single postseason in Rays history...Díaz, who has appeared in more postseason games than any other player in franchise history (38), has 29 postseason hits as a Ray, second most behind **Randy Arozarena** (38).

- His leadoff single in Game 3 was 115.5 mph, the hardest-hit ball in the postseason since LAD **Shohei Ohtani** (117.3-mph line out) in Game 5 of the 2025 World Series vs. TOR...paired with his 114.6-mph double in Game 1 of the ALCS vs. CLE, Díaz has the two hardest-hit balls by any player this postseason.

FROZEN ROPES—**Victor Mesa Jr.** recorded his MLB-leading fourth outfield assist of the postseason in Game 3 on Monday, throwing out MIL **William Contreras** attempting to stretch a single into a double during the 3rd inning...it extended his franchise record for a postseason career and matched his season-long total from 77 regular season games...the four outfield assists are tied for the most in a single postseason in MLB history, according to Stats Perform, matching NYY **Nick Swisher** in 2009, NYM **Melvin Mora** in 1999, KC **Lonnie Smith** in 1985, PHI **Bake McBride** in 1980, and WSH **Sam Rice** in 1924.

- Mesa Jr. is responsible for four of the 11 outfield assists across MLB this postseason.

THIS AND THAT—The Rays are 3-for-35 (.086) with two outs this series compared to 23-for-98 (.235) with one or zero outs...they are 6-for-17 (.353) in the 1st inning and 9-for-28 (.321) from the 9th frame on, but have gone 11-for-88 (.125) over innings 2-8...Rays outfielders have batted .256 (11-for-43) this series while the rest of the lineup is 15-for-90 (.167)...the Rays staff has held Brewers left-handed batters to a .222 (20-for-90) clip, but righties have hit .383 (23-for-60)...the Brewers are 12-for-17 (.706) when putting the first pitch in play and are batting .286 (18-for-63) following a first-pitch ball compared to .186 (13-for-70) after a first-pitch strike.

DOME SWEET DOME—There have been 216 fair balls that struck one of the four catwalks at Tropicana Field, a ballpark-record 16 of which came in 2026, surpassing 2016 (15)...there have been six fair balls hit off catwalks in the postseason, including NYY **Spencer Jones** earlier this October in ALDS Game 2 (fly out off B-ring)...for more information on the catwalks, see page 486 of the 2026 Rays Media Guide.
