## Celebrate in a Major League Way!

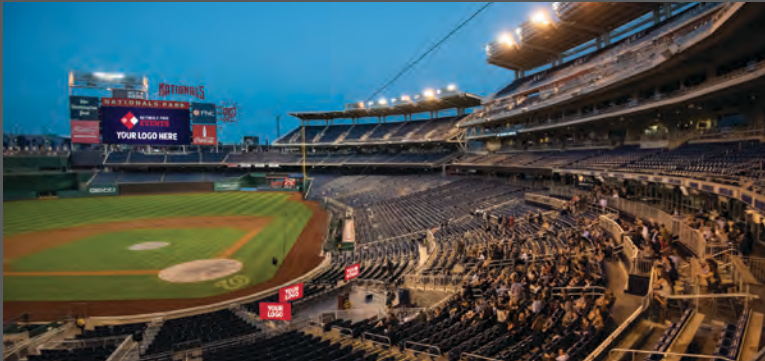

Nationals Park can seat up to 41,000 in an open-air setting and has multiple indoor spaces with spectacular views of the field for your VIPs. Each of our expansive spaces can be transformed to achieve your vision. One of the largest venues in D.C., the ballpark is located just half a block from the Metro with multiple parking options. With our expertise and experience in hosting thousands, you will be able to relax and enjoy your event at Nationals Park.

# Business with a Backdrop

Ready for something different? We have everything you need for your meeting: wide open spaces filled with natural light, an easily accessible location, and plenty of enhancements to keep your guests entertained. Nationals Park has space that can accommodate thousands, making it an excellent off-site venue for your multi-day convention. We have everything you need — with the added benefit of being completely out of the ordinary.

## While the Team's Away, You Can Play

Enjoy a picnic on the field, host a reception in the exclusive Delta Sky360 Club, or have an out-of-the-ordinary experience on the warning track under the lights of a Major League Baseball stadium. Run with the Racing Presidents, snap a selfie and play catch! Nationals Park provides an engaging and unforgettable setting for your next corporate outing.

# Offseason's Greetings

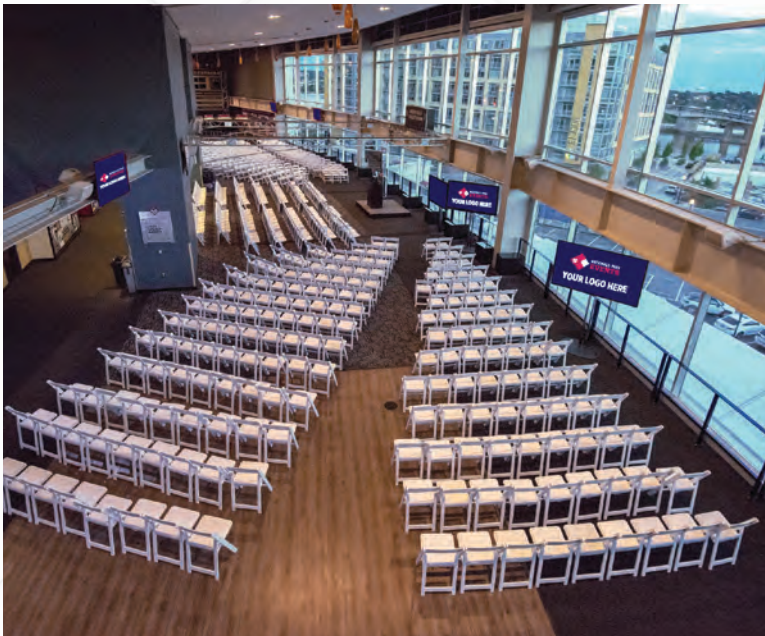

Hosting events at Nationals Park makes your planning easy: built-in décor, hotels and Metro nearby, and premium customizable menus. Have an intimate affair with a reception in the Nationals Clubhouse or throw a large bash in our Infield Club, which boasts an expansive view of the field. Make it memorable with enhancements such as batting practice in the Nationals batting cages and appearances by our most popular mascots.

## Infield Club

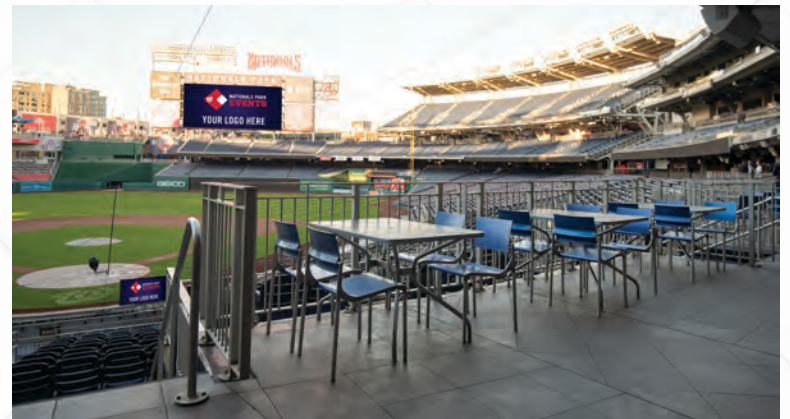

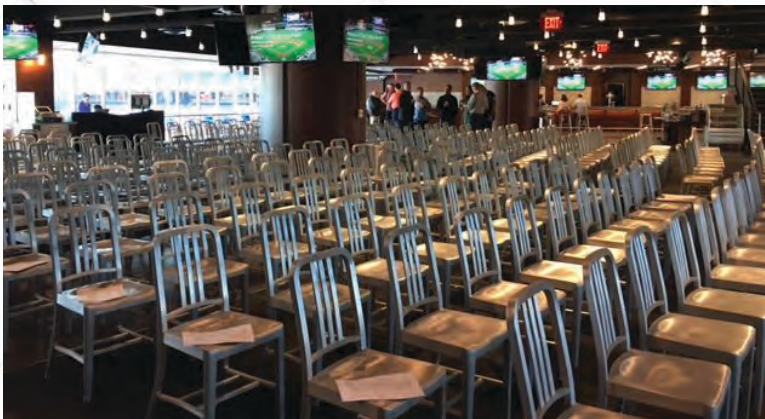

The Infield Club spans the ballpark from first to third base and is optimal for larger groups. With built-in bars, floor-to-ceiling windows, and spectacular views of both the field and the Anacostia River, this space will dazzle your guests.

## PNC Diamond Club

The PNC Diamond Club is one of our most popular spaces, with ample room to support a variety of set-ups. With a patio overlooking the field, it creates the ideal indoor/outdoor experience for your guests.

## Delta Sky360 Club

Located directly behind home plate on the Field Level, this space offers high ceilings with mahogany and granite finishes. Take in a drink at the distinctive oval bar, or add on indoor batting cages and watch guests take their swing from above.

## Home Team Clubhouse

Take exclusivity to another level by having your event in this elite space. This hallowed ground — normally only seen by Nationals players and coaches — can host a memorable reception that will leave your guests feeling like Major Leaguers by the time they leave the Park. (Available November–February only)

## Budweiser Brew House

On a beautiful day, the floor-to-ceiling windows in the Brew House can open to the patio — a perfect space to play games like giant Jenga and cornhole. With casual and nostalgic décor, a built-in bar and breathtaking view of the field, this is the perfect spot to host a party for your group.

## Conference Center

This event space is comprised of five flexible spaces with floor-to-ceiling windows. Easily set your meeting and breakouts with theater-style, board room, U-shape, or classroom-style seating, depending on your vision.

## Field

Join the ranks of few who have experienced the feel of a Major League ballpark from an MVP's perspective. Achieve a lifelong dream by taking batting practice on the field, hosting a dinner on the diamond, or putting on a show for your guests in a space truly unlike any other.

## Center Field Plaza

Center Field Plaza is a wide open, flexible space that can accommodate any event set-up. It boasts a stunning backdrop of the field, and features a high-definition videoboard, which is the perfect way to greet your guests with a welcome message.

## Right Field Plaza

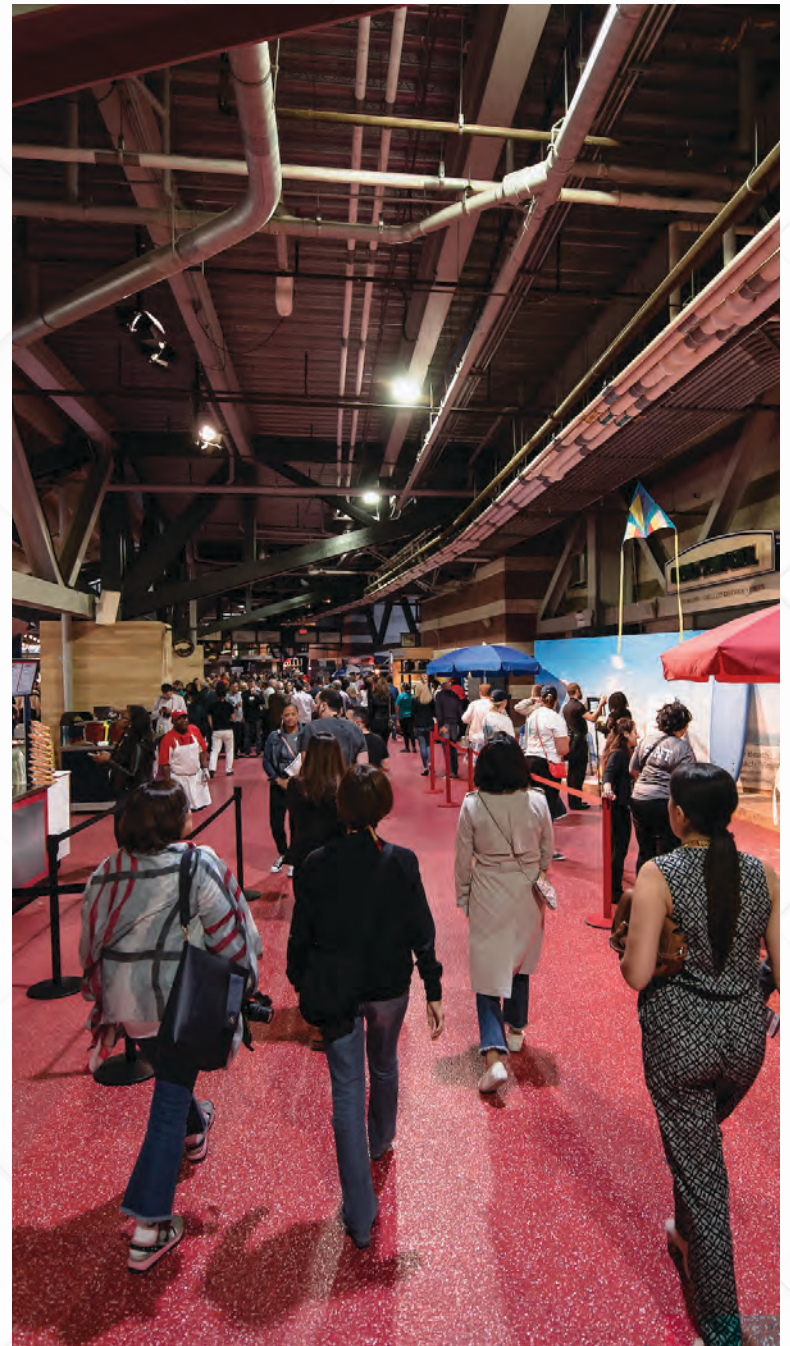

Right Field Plaza is a flexible space that is located adjacent to the Budweiser Brew House and Center Field Plaza. This wide open area is great for inflatables or stages and features a jungle gym for your youngest guests. Give your guests the full ballpark experience by serving premium food and beverage out of the concession stands.

## Concourses

Stretching around the field, the main concourse can be scaled to accommodate the scope of your large event. With built-in concessions stands, bars, and lounge areas, the main concourse will serve as the ideal setting for your large-scale receptions, expos, and festivals.

## Warning Track & Dugouts

Take over the dugouts and warning track to create an impactful experience. Transform the dugouts into a bar, set cocktail rounds on the warning track and try to outrun our Racing Presidents!

## Enhancements

Get your guests in the game with unique activities! From selfies with the Racing Presidents and rides around the Warning Track in the Bullpen Cart to behind-the-scenes tours and swinging for the stands with batting practice on the field, there are tons of options to wow your guests!

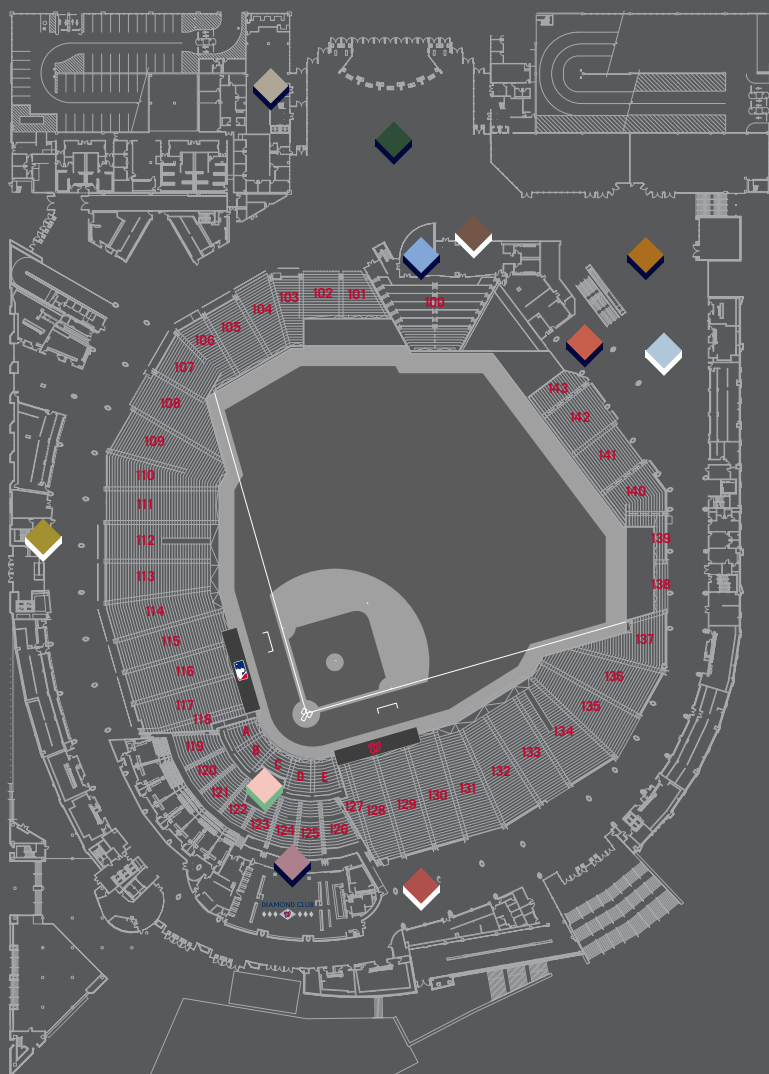

## Catering

Levy brings ballpark fare to a whole new level! From a gourmet spin on classics like truffle and sea salt popcorn and chipotle cheddar sausages, to high-end plated dinners featuring garlic-roasted beef strip loin and peppercorn-encrusted ahi tuna, there is truly something for every taste and type of event.
