Spring Training Game No. 17 • Spring Training Home Game No. 9

March 11, 2024 • CoolToday Park • North Port, Fla. • 680AM/93.7FM/BRN

TODAY'S GAME: The Braves continue their exhibition schedule today against the Minnesota Twins with their 17th of 32 games this spring...The club will play 16 games at CoolToday Park in North Port, Fla. and 16 games on the road...This afternoon's contest is the third of six scheduled exhibition meetings between the clubs...Atlanta won the first exhibition on February 29, while Minnesota returned the favor on March 4...The teams will play again on March 22, 25 and 26...During the regular season, Atlanta will visit Target Field for a three-game set, August 26-28.

The Braves will host nine different major league teams at CoolToday Park, including three games each against the Baltimore Orioles and Minnesota Twins and two games each against the Boston Red Sox, Pittsburgh Pirates and Tampa Bay Rays...The Detroit Tigers, New York Yankees, Philadelphia Phillies and Toronto Blue Jays will make one visit each to North Port.

On March 17, Atlanta will travel to Boston's JetBlue Park at Fenway South in Fort Myers, Fla. for the inaugural edition of MLB Spring Breakout...The event is aimed toward showcasing baseball's future: the current stars of Minor League Baseball...Games will be played between teams comprised of each MLB organization's top prospects.

CAMP BREAKDOWN: The Braves currently have 39 players in camp, 17 of whom are pitchers (seven left-handers and 10 right-handers)...Atlanta also has four catchers, 10 infielders and eight outfielders in camp...There are 10 non-roster invitees (two catchers, five infielders and three outfielders)...The club opened camp with 60 players.

The Braves today optioned RHP AJ Smith-Shawver to Triple-A Gwinnett and reassigned C Sebastián Rivero to minor-league camp.

23 IN '23: The Braves clinched the 23rd division title in franchise history last season, beating Philadelphia, 4-1 on September 13 at Citizens Bank Park to win the National League East...The 23 division titles are the most in major league history, two more than Los Angeles (NL) and three more than New York (AL)...Last season also marked the franchise's 29th postseason berth in the Modern Era (since 1900) and its sixth straight.

The Braves won a major league-record 14 consecutive division titles from 1991-2005, with the first three coming as NL West champs before moving into the NL East in the strike-shortened 1994 season...They also won the West in 1969 and 1982, and the East in 2013 and every year since 2018.

The six straight division titles marks the longest streak in baseball...The Astros have won three straight AL West titles dating to 2021, while the Dodgers have won each of the last two NL West crowns.
