2019 Pace of Play Rules

15-Second and 20-Second Pitch Timer

Except for the first pitch of an at-bat, the pitcher shall be allowed 15 seconds to throw each pitch with no runners on base and 20 seconds with runners on base. The timer begins as soon the pitcher receives the ball from the catcher while on the dirt circle of the mound during an at-bat. The pitcher must come set or begin his motion before the clock reaches 0:00 or he will be penalized with an automatic “ball.” The hitter must be in the batter’s box by the time the clock reaches 0:05 or he will be penalized with an automatic “strike.” The 15-second clock is waved off and restarted on the next pitch after plays that prompt the hitter to exit the batter’s box (inside pitch, foul ball, etc.).

30-Second Timer Between Batters

The 30-second clock will start as soon as the umpire signals the prior batter out or the prior play concludes during an inning except for the first batter after a break which will use the inning clock described above. The hitter should be in the batter’s box with at least 15 seconds remaining on the clock. If the batter is not in the box and alert to the pitcher with at least five seconds remaining, the umpire should call an automatic “strike” on the batter. If the pitcher does not begin his motion or come set to deliver the pitch prior to the expiration of the timer, the umpire should call an automatic “ball.” In the event the umpire calls time to stop the game (e.g., for the batter to give his batting gloves/protective gear to base coach), the field timing coordinator should shut off the 30-second clock and instead utilize the 15-second pitch clock as detailed above.

2:15 Break Timer

The 2:15 clock starts as soon as the third out is made every half inning. The pitcher can deliver the pitch as soon as he and the batter are ready, however, the pitcher must begin his motion and the batter must be in the batter’s box ready to hit by 0:00 on the clock. If the game is televised, the timer may shift to 2:25 or 2:55 for those games.

30-Second Mound Visit Timer

The stadium timer shall operate during mound visits initiated by a manager or coach. The timer will be set at 30 seconds and will begin counting down when the manager or coach crosses the foul line.

Mound Visit Limitations

Mound visits without pitching changes by managers, coaches and position players will be limited to five (5) visits per team per nine innings. In the event the game goes into extra innings, each team shall receive one additional mound visit per extra inning played which will be added to any unused mound visits left from its initial allotment of mound visits..

Extra-Inning Runner Placement

As implemented universally throughout MLB in 2018, extra innings will begin with a runner on second base with the exception of the October 26 championship game.

Also, the “Robinson Rule” (see below) will be in place for all Arizona Fall League games except the October 26 championship game.

For regular-season games in the Arizona Fall League, each half-inning following the ninth inning (or seventh inning if part of a double-header) will begin with a runner on second base. The batter who leads off an inning shall continue to be the batter who would lead off the inning in the absence of this extra-innings rule. The runner placed on second base at the start of each half-inning shall be the player (or a substitute for such player) in the batting order immediately preceding that half-inning’s leadoff hitter. By way of example, if the number five hitter in the batting order is due to lead off the 10th inning, the number four player in the batting order (or a pinch-runner for such player) shall begin the inning on second base. Any runner or batter removed from the game for a substitute shall be ineligible to return to the game as is the case in all circumstances under the Official Baseball Rules.

For purposes of calculating earned runs under Rule 9.16, the runner who begins an inning on second base pursuant to this rule shall be deemed to be a runner who has reached second base because of a fielding error, but no error shall be charged to the opposing team or to any player. For purposes of Rule 9.02, the official scorer shall keep records of the number of times each batter and runner is placed at second base in accordance with this experimental rule.

NOTE: In accordance with Arizona Fall League extra innings rules, the “Robinson Rule” will remain in effect and all games will end in a tie following the completion of 11 innings.

TODAY'S FALL LEAGUE FIVE

1) Greg Deichmann (OAK) continued his power surge for the Mesa Solar Sox on Monday against the Surprise Saguaros. He launched his league-leading ninth home run, a solo shot to right-center field. The next two closest players in the home run category are Nolan Jones (CLE, MSS) and Joey Bart (SF, SCO) with four apiece. The last player with double-digit homers in the Fall League was Mike Olt who had 13 for the Surprise Saguaros in 2011.

2) Jared Oliva (PIT) is the only player with double-digit doubles this season with 11 for the Peoria Javelinas. The last player to have double-digit doubles in an AFL season was Sam Travis (BOS) for the Scottsdale Scorpions in 2015. 19 doubles in a season are the most in league history set by Carlos Lee for the Phoenix Desert Dogs in 1998.

3) With a win Monday night over the Glendale Desert Dogs, the Salt River Rafters clinched the East division and punched their ticket to the Arizona Fall League Championship Game on Saturday, October 26 at 11 a.m. against the Surprise Saguaros at Salt River Fields. The last time Salt River won a championship was in 2014. They were runners-up to the Peoria Javelinas in 2018.

4) By clinching the West Sunday night, the Surprise Saguaros were the first team to punch their ticket to the 2019 Arizona Fall League Championship Game scheduled for 11:08 a.m. on Saturday, October 26 at Salt River Fields. They will play the winner of the East division which is yet to be determined. Gates open at 10 a.m and tickets are available at the box office.

5) The Arizona Fall League Championship Game is slated for Saturday, October 26 at Salt River Fields. First pitch is scheduled for 11:08 a.m. The Peoria Javelinas are the reigning AFL Champions and have won back-to-back titles.

CHAMPIONSHIP CHAINS HITTER AND PITCHER OF THE WEEK

Hitter of the Week: Salt River Outfielder Luke Raley (Minnesota Twins)

An Ironman in week five, Raley played in all six games recording at least one hit in each. He began his week by going 4-for-12 with a double before he cemented his Hitter of the Week status with a 4-for-4 performance with a pair of home runs and a double, driving in three runs at Surprise. Raley ranks in the AFL top 10 in extra base hits, doubles, and runs.

Pitcher of the Week: Salt River Pitcher Ashton Goudeau (Colorado Rockies)

In two relief appearances in week five, Goudeau continued his dominance, allowing one hit over four innings and striking out seven. He allowed one hit in his first outing against Scottsdale, but quickly ended the threat by striking out the side in that inning and setting the side down in order the next. He would then pitch two perfect innings against Surprise, striking out three. He is one of three AFL pitchers to maintain a 0.00 ERA and leads the three in innings (13.0), strikeouts (18), and WHIP (0.31). He is also one of only two AFL pitchers to throw 10 or more innings and not allow a walk in 2019.
