2019 Pace of Play Rules

15-Second and 20-Second Pitch Timer

Except for the first pitch of an at-bat, the pitcher shall be allowed 15 seconds to throw each pitch with no runners on base and 20 seconds with runners on base. The timer begins as soon the pitcher receives the ball from the catcher while on the dirt circle of the mound during an at-bat. The pitcher must come set or begin his motion before the clock reaches 0:00 or he will be penalized with an automatic “ball.” The hitter must be in the batter’s box by the time the clock reaches 0:05 or he will be penalized with an automatic “strike.” The 15-second clock is waved off and restarted on the next pitch after plays that prompt the hitter to exit the batter’s box (inside pitch, foul ball, etc.).

30-Second Timer Between Batters

The 30-second clock will start as soon as the umpire signals the prior batter out or the prior play concludes during an inning except for the first batter after a break which will use the inning clock described above. The hitter should be in the batter’s box with at least 15 seconds remaining on the clock. If the batter is not in the box and alert to the pitcher with at least five seconds remaining, the umpire should call an automatic “strike” on the batter. If the pitcher does not begin his motion or come set to deliver the pitch prior to the expiration of the timer, the umpire should call an automatic “ball.” In the event the umpire calls time to stop the game (e.g., for the batter to give his batting gloves/protective gear to base coach), the field timing coordinator should shut off the 30-second clock and instead utilize the 15-second pitch clock as detailed above.

2:15 Break Timer

The 2:15 clock starts as soon as the third out is made every half inning. The pitcher can deliver the pitch as soon as he and the batter are ready, however, the pitcher must begin his motion and the batter must be in the batter’s box ready to hit by 0:00 on the clock. If the game is televised, the timer may shift to 2:25 or 2:55 for those games.

30-Second Mound Visit Timer

The stadium timer shall operate during mound visits initiated by a manager or coach. The timer will be set at 30 seconds and will begin counting down when the manager or coach crosses the foul line.

Mound Visit Limitations

Mound visits without pitching changes by managers, coaches and position players will be limited to five (5) visits per team per nine innings. In the event the game goes into extra innings, each team shall receive one additional mound visit per extra inning played which will be added to any unused mound visits left from its initial allotment of mound visits..

Extra-Inning Runner Placement

As implemented universally throughout MLB in 2018, extra innings will begin with a runner on second base with the exception of the October 26 championship game.

Also, the “Robinson Rule” (see below) will be in place for all Arizona Fall League games except the October 26 championship game.

For regular-season games in the Arizona Fall League, each half-inning following the ninth inning (or seventh inning if part of a double-header) will begin with a runner on second base. The batter who leads off an inning shall continue to be the batter who would lead off the inning in the absence of this extra-innings rule. The runner placed on second base at the start of each half-inning shall be the player (or a substitute for such player) in the batting order immediately preceding that half-inning’s leadoff hitter. By way of example, if the number five hitter in the batting order is due to lead off the 10th inning, the number four player in the batting order (or a pinch-runner for such player) shall begin the inning on second base. Any runner or batter removed from the game for a substitute shall be ineligible to return to the game as is the case in all circumstances under the Official Baseball Rules.

For purposes of calculating earned runs under Rule 9.16, the runner who begins an inning on second base pursuant to this rule shall be deemed to be a runner who has reached second base because of a fielding error, but no error shall be charged to the opposing team or to any player. For purposes of Rule 9.02, the official scorer shall keep records of the number of times each batter and runner is placed at second base in accordance with this experimental rule.

NOTE: In accordance with Arizona Fall League extra innings rules, the “Robinson Rule” will remain in effect and all games will end in a tie following the completion of 11 innings.

TODAY'S FALL LEAGUE FIVE

1: The first walk off hit of the the 2019 Arizona Fall League season belongs to Scottsdale's Nick Maton (PHI). Maton launched a solo home run in the bottom of the ninth on Friday to give the Scottsdale Scorpions a 3-2 victory over the Glendale Desert Dogs. Maton claims it to be the first walk off home run of his life. The last walk off home run in an AFL game came in the Championship Game in 2018 off the bat of Braxton Davidson.

2: Ronald Acuna hit his 40th home run of the season on September 19 against the Philadelphia Phillies becoming the 8th player to join the club in 2019. Seven of the eight players with 40+ homers this year are Fall League alums; Pete Alonso ('18), Cody Bellinger ('16), Jorge Soler ('13), Mike Trout ('11), Christian Yelich ('12), Nolan Arenado ('11), and Ronald Acuna ('17). Eugenio Suarez is the only player this season with 40+ big flies who didn't compete in Fall League.

3: C.J. Chatham of the Peoria Javelinas has scored six runs over his first two games, three in each game. The infielder is Boston's No. 9 prospect. Only one other Red Sox prospect has had a three-run game over the last two AFL seasons, Esteban Quiroz on October 11, 2018. Only one player in the top 10 of runs scored last season had two three-run games, Cole Tucker (PIT) of the Surprise Saguaros. Nick Heath (KC) led the AFL in runs scored with 21 and had only one three-run game.

4: Peoria Javelinas Outfielder, Jarren Duran, missed the first two games of the Arizona Fall League season, but it's for a good reason. The Red Sox No. 4 prospect per MLB Pipeline is currently in Boston receiving the organization's Minor League Base Runner of the Year Award as announced by the team. Duran stole 46 bases and scored 90 runs this season over 132 games split between High-A Salem and Double-A Portland.

5: Important AFL dates to remember: October 12 - Fall Stars Game at Salt River Fields; October 6 - Military Appreciation Game, Scottsdale at Glendale; and October 26 - Championship Game at Salt River Fields.
