Regular Season | Game 52 | Road Game 25

NEW YORK CITY MARATHON: In a game that finished five hours and 46 minutes after it started, the Dodgers came away with a 13-inning, 7-5 win and improved their extra-innings record to 4-2. A Los Angeles victory tonight would give the club its 12th series win of the 2025 season (11-5-1). This evening, the Boys in Blue will play the second of three nationally televised games against the Mets in their NLCS rematch, with first pitch scheduled for 7:15 p.m. on FOX. Following tomorrow's series finale at Citi Field on ESPN's Sunday Night Baseball, the Dodgers fly to Cleveland and close out the six-game road trip with three against the Guardians next week (May 26-28).

- The Dodgers' 13-inning win was their longest game since a 16.0-inning affair with the Padres at Petco Park on Aug. 25, 2021. The game was the Dodgers' first contest that went over four hours (4:08) in the pitch-clock era. This was in addition to a one-hour, 38-minute rain delay. The last four-hour game L.A. played was on Sept. 27, 2022, also in San Diego.
- At 32-19 (.627), the Dodgers own the second best record in the National League, just 1.0 game behind Philadelphia (33-18). L.A. is 2.0 games ahead of the San Francisco Giants for first place in the National League West.

- The Dodgers are 13-6 (.684) vs. the National League East this season, having already played each team in the division. Including the 2024 NLCS, Los Angeles is now 20-5 (.800) at Citi Field over the last nine seasons (since 2017). Last year, the Dodgers swept the Mets in Flushing during the regular season and took two of the three games vs. the Mets in New York during the 2024 National League Championship Series.

PLAYING THE LONG GAME: The Dodgers blew a 5-2 ninth-inning lead Friday night, but escaped several sticky situations in the extra frames and came away with a 7-5 win when Teoscar **Hernández** came through in the clutch once again. Hernández snapped a 5-5 tie in the 13th inning with an RBI-double and **Andy Pages** followed with a sacrifice fly to score Hernández and complete the scoring. Hernández collected the Dodgers' only extra-base hit of the game and finished with two hits and three RBI on the night. His 41 RBI rank sixth in the Major Leagues. On the mound, **Clayton Kershaw** started and went 2.0 innings prior to the long rain delay, necessitating that the bullpen cover 11.0 innings. Every member of the bullpen made an appearance except for **Jack Dreyer** as Los Angeles used a season high eight pitchers. **Luis García** (2-0) picked up the win, blanking the Mets over the last 2.1 innings and escaping a bases loaded-jam in the 12th frame with an inning-ending double play while the infield was drawn in. **Ben Casparius** tossed 3.0 scoreless innings and struck out six, a Dodger season high for relievers.

- The Dodger offense enters tonight leading the NL in homers (81), batting average (.266), slugging pct. (.465), OBP (.343) and OPS (.808). Los Angeles has homered in 42 of its 51 games this season, with multi-homer games in 27 of them.

- The Dodgers are hitting .309 with a .945 OPS when runners are in scoring position. Both marks lead the Major Leagues. Last night, the club plated their first five runs with two outs.

- **Freddie Freeman** (1.076, .646) and **Shohei Ohtani** (1.040, .643) rank 1-2 in the NL in both OPS and slugging percentage while **Will Smith** (.457) and Freeman (.429) rank 1-2 in on-base percentage. Ohtani leads the Major Leagues with 53 runs scored and is tied for first with 17 home runs. His 30 extra-base hits are tied with Corbin Carroll and Pete Crow-Armstrong for first in the NL and trail Aaron Judge by two for the most in the Major Leagues.

TONY TIME: Dodger starter **Tony Gonsolin** will take the mound for his fifth start of the season tonight and thus far is 2-0 with a 4.05 ERA (9 ER/20.0 IP) after giving up four runs in 4.0 innings while walking a career high tying five batters last Sunday vs. the Angels. The 2022 All-Star owns a career record of 36-11 with a 3.23 ERA in 83 games (75 starts). He was originally selected by the Dodgers in the ninth round of the 2016 First-Year Player draft.

- Since his ML debut in 2019, Gonsolin's .766 career winning percentage (36-11) is the best in baseball among pitchers with at least 250.0 IP.

FANTASTIC FREDDIE: Dodger first baseman **Freddie Freeman** went 0-for-3 with two walks and a run scored last night and leads the National League with a .361 average, ranking second only to Aaron Judge (.398) for the big league lead.

- Freeman is hitting .370 (40-for-108) vs. righties this season, which is the best mark in the NL. He's also batting .389 (14-for-36) while cracking three homers with runners in scoring position

3-DOG-DAY: On this date in 1973, Dodger outfielder **Willie Davis** became the first Los Angeles Dodger to record six hits, doing so in a 16-inning game against the Mets at Dodger Stadium. Davis finished the game going 6-for-9 with a run, an RBI and a stolen base. The two-time All-Star spent 14 seasons with the Dodgers and holds the LA Dodger franchise record in hits with 2,091. Since "3-Dog," did it, **Paul Lo Duca** (2001), **Shawn Green** (2002), **Chase Utley** (2016) and **Shohei Ohtani** (2024) have all had six hit games in a Dodger uniform.
