TROP-TOBER ROLLS ON—The Rays and Guardians continue their best-of-seven AL Championship Series tonight at Tropicana Field, with the Rays needing one victory to claim their third AL pennant after winning back-to-back games to overcome a 2-1 deficit...defeated the Astros in 2020 (4-3) and the Red Sox in 2008 (4-3) in their previous two ALCS appearances...earned the No. 1 seed in the AL for the fourth time in franchise history (2020-21, 2010) and captured their fifth AL East title (also: 2008)...are seeking their third World Series appearance since becoming the Rays in 2008, which would make them the sixth team to appear in the Fall Classic three times over that span along with the Dodgers (5), Astros (4), Giants (3), Phillies (3), and Rangers (3)...swept the Yankees in the ALDS, becoming the fourth team to sweep a division series since the current playoff format was implemented in 2022—the other three, the 2023 Diamondbacks (vs. LAD), 2023 Rangers (vs. BAL), and 2022 Astros (vs. SEA), all went on to appear in the World Series, with the Rangers and Astros hoisting the Commissioner's Trophy...the Rays have gone 6-2 through eight postseason games, matching their records over the same span during their 2020 and 2008 runs to the Fall Classic.

★ The Rays scored in each of the first three innings and collected a postseason-high 12 hits, their most since Game 3 of the 2020 ALDS at NYY (13), in last night's 3-1 win, drawing within one victory of the AL pennant...they have won back-to-back road games in the postseason for the third time, joining Games 3 and 4 of the 2010 ALDS at TEX and Games 3 and 4 of the 2008 ALCS at BOS.
★ Four Rays tallied multiple hits, tied with Game 4 of the 2010 ALDS at TEX (Longoria, Peña, Upton, Zobrist) for the club's second most in a postseason contest behind Game 3 of the 2020 ALDS at NYY (Arozarena, Choi, Kiermaier, Perez, Wendle)...the lineup has produced seven individual multi-hit efforts over the last two games compared to six in the Rays first six postseason games.
★ The pitching staff, led by **Drew Rasmussen's** 7.0-inning effort, did not yield an extra-base hit for the sixth time in club postseason history, first since Game 1 of the 2021 ALDS vs. BOS...it was their second time accomplishing the feat on the road, joining the 2019 AL Wild Card Game at OAK.
★ Rays pitchers have yielded 3 ER or fewer in seven of eight games this postseason, recording a 2.54 ERA (71.0IP, 20ER)...their 0.97 WHIP ranks second among postseason teams (NYY - 0.81).
★ The Rays have won 11 of their last 13 games at Tropicana Field, a stretch that began with a postseason-clinching, 3-1 win on Sept. 11 vs. HOU.

THIS DAY IN RAYS HISTORY—Today marks the 18th anniversary of Game 7 of the 2008 ALCS, when the Rays defeated the Red Sox, 3-1, to earn their first World Series berth after **Matt Garza** worked 7.0 IP of one-run ball and **David Price** tallied the final four outs for his first career save...**Kevin Cash** did not appear in the game, but was a catcher on the Red Sox ALCS roster alongside **David Ross** and **Jason Varitek** and was in Tropicana Field's visiting dugout when the Rays celebrated their pennant-clinching win.

★ **B.J. Upton** will throw tonight's ceremonial first pitch...he began his career with the Rays and spent eight of his 12 big-league seasons in Tampa Bay (2004, 2006-12) after the club selected him No. 2 overall in the 2002 First-Year Player Draft...Upton paced the majors in postseason home runs (7) and RBI (16) in 2008 to lead the Rays to their first World Series appearance, the latter of which remains a franchise record for a single postseason...11 of the 16 RBI came in the ALCS, tied for third most in an ALCS/NLCS in postseason history.
★ The Rays clinched both of their previous World Series berths at home, but only 2008 came at Tropicana Field...in 2020, they were considered the home team for a neutral-site game in San Diego vs. HOU.

IN THE DRIVER'S SEAT—Teams leading a best-of-seven series 3-2 through five games have won the series 80 of 117 times (68.4%), including 34 of 49 times (69.4%) in the ALCS or NLCS, when the Game 5 victory comes following a 2-2 series tie, the winning team has claimed the series 46 of 69 times (66.7%), including 15 of 22 (68.2%) in the ALCS or NLCS...this is the third time the Rays have led a best-of-seven set, 3-2, after five games, joining the 2020 ALCS vs. HOU and 2008 ALCS vs. BOS—they won both in seven games.

★ The Rays have held a lead in each of their eight postseason contests, their longest streak at any point in postseason history...only six AL teams in the Wild Card era (since 1987) have recorded longer streaks to open a postseason run: the 2025 Mariners (10), 2024 Yankees (10), 2022 Astros (9), 2009 Yankees (9), 1999 Red Sox (9), and 1996 Yankees (9).

★ They are 8-9 in potential series-clinching games, going 4-3 at home (2-2 at Tropicana Field)...between Game 3 of the ALDS vs. NYY and Game 7 of the 2020 ALCS vs. HOU, they have won their last two potential series clinchers and are seeking a three-game winning streak in such contests for the first time...the Rays have won each of the last four postseason series in which they had a potential clinching opportunity (2026 ALDS, 2020 ALCS, ALDS, and ALWC).

★ This is the first time the Rays have had the opportunity to clinch a postseason series at Tropicana Field since Game 2 of the 2020 AL Wild Card Series vs. TOR (W, 8-2)...they also had clinching opportunities in St. Pete during Game 5 of the 2010 ALDS vs. TEX (L, 5-1) and in Games 6 (L, 4-2) and 7 (W, 3-1) of the 2008 ALCS vs. BOS.

ALL RAS, NO BRAKES—**Drew Rasmussen** is the first pitcher in Rays history to work three consecutive quality starts in the postseason...there have been four postseason starts in Rays history of 7.0 IP or more with one or zero runs allowed—Rasmussen has recorded two of them this year (ALDS G1 vs. NYY & ALCS G5 at CLE)...the others belong to **Matt Moore** (2011 ALDS G1 at TEX) and **Matt Garza** (2008 ALCS G7 vs. BOS)...he is the first pitcher with multiple such starts in a single postseason before the World Series since **SF Logan Webb** in 2021, according to MLB.com's Sarah Langs.

★ Rays starters lead the postseason with a 2.01 ERA (44.2IP, 10ER)...they have covered 62.9 pct. of the club's innings (44.2 of 71.0)—only the Yankees (63.6%) have a higher rate among postseason clubs.

CLOSING TIME—**Bryan Baker** is the third pitcher in postseason history to finish the game in each of his first six appearances while yielding one or zero hits, joining **STL Jason Motte** (2011) and **ATL Mark Wohlers** (1996), according to MLB.com's Sarah Langs...he has worked 13 consecutive scoreless outings (Sept. 8-pres.), tied for the second-longest streak of his career behind a 15-outing run from April 2-May 4, 2023...he leads the postseason with five saves, two more than any Rays pitcher has earned in his postseason career, and has held opponents to a 1-for-18 (.056) clip...Baker's five saves are tied with nine other pitchers for the most through six appearances to open a postseason since saves became an official statistic in 1969—since 2000, only Baker, **AZ Paul Sewald** (2023), **BOS Craig Kimbrel** (2018), **CLE Cody Allen** (2016), and **HOU Brad Lidge** (2008) have reached the mark through five outings.

★ Between the regular season and postseason, he has converted a franchise-record 35 consecutive save opportunities...since 2012, only two AL pitchers have had longer single-season streaks: **BAL Zack Britton** (47) in 2016 and **CLE Emmanuel Clase** (36) in 2024.

★ The Rays are 91-0 this season when leading after eight frames, one of six clubs in the modern era (since 1900) to go 91-0 or better in such contests (see table on the right)...they have won 103 consecutive games when leading entering the 9th (Aug. 29, 2025 at WSH-pres.).

THE BIG THREE—The Rays "Big Three" of **Jonathan Aranda, Junior Caminero**, and **Yandy Díaz** has gone 12-for-28 (.429) with 3 2B, 1 HR, 6 RBI, 1 BB, and 5 R over the last two games...this comes after they combined for a 5-for-34 (.147) clip with 3 2B, 1 RBI, 1 BB, and 3 R over Games 1-3 of the ALCS through right games this postseason, the trio has slashed .281/.330/.417 (.27-for-.26) with 9 XBHI and 9 RBI compared to .202/.251/.301 (.33-for-.163) with 9 XBHI and 16 RBI from all other batters in the Rays lineup.

★ Díaz leads the majors with four doubles this postseason after tallying one across his final 15 regular-season contests...he has doubled in three straight games, tying **Dioner Navarro** (2008 ALDS vs. CWS, Games 1-3) for the longest postseason streak by a Ray...Díaz is 6-for-14 (.429) with 4 XBHI (also: 1HR) and 2 RBI during the streak.

★ Aranda is 5-for-9 with 3 RBI and 1 BB over his last two games on the heels of an 0-for-12 skid.

SMALL BALL—The Rays are 6-2 to begin the postseason despite hitting only 5 HR and going deep in just 1.8 pct. of their PA, the third-lowest rate in the majors, higher than only the White Sox (1.5%) and Cubs (0.0%)...they lead the postseason in sacrifice bunts (11st, 3) and bunt attempts (6) while ranking third in singles (42) and strikeout rate (22.3%)...per Elias, their 5 HR would tie three other clubs for the fewest by any team in the Wild Card era (since 1995) at the time they clinched the AL/NL pennant: the 2014 Giants, 2001 D-backs, and 1997 Marlins...the 2013 Red Sox, 2010 Giants, and 1999 Braves (all 6HR) are the next closest clubs.

★ They have earned three wins this postseason without the benefit of a home run (ALCS G5 at CLE, ALCS G2 vs. CLE, ALDS G2 vs. NYY), surpassing their total in club history entering the year (2)...since 2016, the only club with more such wins in a single postseason is the 2025 Dodgers (5).

★ The Rays are 4-0 when equaling or surpassing their opponent's home run total this postseason after going an MLB-best 75-16 during the regular season...they are a combined 50-2 when out-homering their opponent, the best such record by any club in the modern era (since 1900: min. 20 games out-homering opp.), ahead of the 2020 Yankees (24-17, 960).

★ They have swiped 9 SB without being caught, their second-longest postseason streak behind a 13-SB stretch in 2008 from Game 4 of the ALDS vs. CWS through Game 6 of the ALCS vs. BOS...the 9 SB are second most this postseason to the Brewers (10)...**Taylor Walls** has a stolen base in back-to-back games, joining **Vidal Brujan** (2022) and **B.J. Upton** (2010) as the only Rays to turn the trick in the postseason.

★ The Rays have won three games this postseason with three runs or fewer, tied with the Brewers for the MLB lead—they entered the year with four such postseason victories in franchise history: three in 2020 and one in Game 7 of the 2008 ALCS vs. BOS (3-1)...they led the majors with 23 such wins during the regular season, the club's third most behind 2024 and 2015 (both 24 wins).

FLASHING LEATHER—The Rays have converted 74.3 pct. of opponent balls in play into outs this postseason, up from their majors-best and club-record 72.5 pct. clip during the regular season...they have committed only one error in eight games and pace all postseason teams that advanced beyond the Wild Card round with a .996 fielding percentage, which would mark their second best in a single postseason behind their perfect 1.000 mark over four games of the 2011 ALDS vs. TEX.

TONIGHT'S START—Freddy Peralta takes the mound for his 13th career postseason appearance (ninth start)...this is his seventh season pitching in the playoffs and fourth consecutive (2023–pres.)...was acquired from the Mets on Aug. 2 in exchange for minor leaguers **RHP Gary Gill Hill**, **INF Emilien Pitre**, and **OF Aidan Smith**...was traded to the Mets from the Brewers on Jan. 21, 2026 alongside **RHP Tobias Myers** for **RHP Brandon Sproat** and **INF Jett Williams**.
★ Will make his second career postseason start (third outing) in a potential series-clinching scenario, joining Game 4 of the 2025 NLDS on Oct. 9 at CHC (L, 4.0IP, 3H, 3ER, 2BB, 6SO, HR).
★ Tonight will mark the first time Peralta has pitched on two days of rest or fewer since Game 1 and 3 of the 2024 ALWC on Oct. 1 and 3 vs. CHC...Peralta started Game 1 of the ALCS and worked in relief during Game 3.
★ Peralta joined **Matt Moore** in 2011 as the only Rays to toss 10.0 innings with one or zero runs allowed across their first two postseason starts with the franchise...Peralta is the only Dominican-born pitcher to turn the trick in MLB postseason history.
★ Has won a season-high six straight decisions (Aug. 26–pres.), his longest streak since going 7-0 between June 13–July 19, 2025 with the Brewers.
★ The Moca, Dominican Republic native earned his 80th career regular-season win and reached 1,100.0 IP in his last start of the regular season on Sept. 25 at PHIL...he is tied for the 24th-most wins all-time by a Dominican-born pitcher.
★ Since the start of 2023, Peralta's 770 regular-season strikeouts are the fifth most in the majors, trailing **TOR Dylan Cease** (892), **PHI Zack Wheeler** (824), **SEA Logan Gilbert** (787), and **CHC Kevin Gausman** (772)...his 127 starts in that span are tied with Cease and **SF Logan Webb** for the most in the majors.
★ He recorded 5.0 IP or more with one or zero runs allowed in each of his final six starts in the regular season, tied for the fourth-longest season-ending streak in the modern era (since 1900) behind **MIN Johan Santana** (8) in 2004, **CWS Ed Walsh** (8) in 1908, and **CWS Jim Kaat** (7) in 1974.
★ Finished with double-digit wins for the fourth consecutive season (2023–pres.) in 2026...the only other pitchers to have 10 wins or more in every season since 2023 are **Nathan Eovaldi**, **Framber Valdez**, and **Zack Wheeler**...since his major league debut in 2018, his five such seasons are tied for seventh most in the majors.

LAST TIME OUT—Entered in relief of **Nick Martinez** in Game 4 of the ALCS vs. CLE on Oct. 17 (0.2IP, BB), recording two outs in the 6th inning and earning his second career postseason hold (also: NLWC Game 3 vs. NYM)...faced the top three of Cleveland's order, retiring two of three batters faced.
★ Peralta's last start came in Game 2 of the ALCS vs. CLE on Oct. 13, recording his first career postseason quality start (W, 6.0IP, 4H, 0ER, 2BB, 6SO, HBP)...tossed the fastest pitch of his career (regular season or postseason) with a 99.4-mph fastball to **Jo Adell** in the 5th inning...his 96.9 mph average four-seam fastball velocity was up 2.6 from his yearly average prior to entering the start (94.3%)...the 96.9 average velocity on his four-seam fastball was his fastest in any outing (regular season & postseason) of his career (min. 70 pitches), ahead of his 96.4 mph clip earlier this season on Sept. 19 vs. BOS.

PERALTA IN THE POST—Through 12 career postseason appearances (eight starts), he is 2-3 with a 3.43 ERA (44.2IP, 17ER), 50 strikeouts, and a .176 (28-for-159) opp. average...his last postseason start before this year came in Game 2 of the 2025 NLCS vs. LAD, going 5.2 innings with three runs allowed on five hits, one walk, one hit batter, two home runs, and four strikeouts...despite 14 of the 28 hits against him going for extra bases, he has kept opponents to a .640 opp. OPS in postseason outings.
★ Between 2023-25, Peralta tossed 25.1 innings in six postseason outings (five starts) for the Brewers, the eighth-most innings pitched in the NL over that span.
★ Though he has a 4.36 ERA (33.0IP, 16ER) in his eight postseason starts, he has allowed three runs or fewer in seven of the eight...as a starter, he has a .191 (27-for-141) opp. average and a 1.03 WHIP.
