POSTSEASON 2025 — SAN DIEGO PADRES Game Notes

WILD CARD SERIES | GAME #2 | **SAN DIEGO PADRES AT CHICAGO CUBS | WEDNESDAY, OCTOBER 1, 2025 | 12:08 PM PT / 2:08 PM CT** | **WRIGLEY FIELD**

Postseason moves pretty fast. If you don't win once in awhile, you could miss it.

- The Padres look to bounce back in Game 2 of this best-of-3 Wild Card Series at Chicago (NL) in a must-win situation after dropping Game 1 on Tuesday afternoon, 3-1.
  - Dating back to Game 1 of the 2022 NLDS at LAD (Oct. 11), 13 of the Padres' last 17 Postseason appearances have been decided within 2 runs, with a total run differential of -3 during this span.
- Game 1 was a tale of 2 halves as **RHP Nick Pivetta** (5.0 IP, 3 H, 2 ER, 9 SO) retired 15 of his 18 batters faced, while the Cubs bullpen retired 17 of the final 18 Padres to end the game.
  - Pivetta joins **Michael King** (2014) and **Sterling Hitchcock** (1998) as the only Padres starting pitchers to strikeout 9+ without issuing a walk in their postseason start.

By way of the K

- The Friar staff struck out 13 total batters on Tuesday, tied for the 3rd most in a single postseason game in club history...4 of the top 6 instances have been recorded since 2022.
- With his 9 strikeouts in his start, **Pivetta** is now tied for the 5th-most strikeouts in a single postseason game in Padre history (also: Chris Young, Oct. 7, 2006 at STL).
- Making his postseason debut, **RHP Mason Miller** (1.0 IP, 3 SO) continued his strong stretch on the mound, closing out his September (both reg. and postseason) with 13.1-straight scoreless innings, allowing just 1 hit across 40 opponents' at-bats (.025) and recording 29 of his 40 total outs via the strikeout (72.5%).

And with that, the regular season comes to an end

- The Padres finished the 2025 regular season with a 90-72 record (.556) and in 2nd place in the NL West, 3.0 games behind LAD.
  - This is the 4th time in the last 6 seasons that the Padres have made a Postseason appearance, ranking 7th among all Major League teams with 26 postseason games since 2020.
- With the sweep of ARI on Sunday afternoon, the Padres reached the 90-mark for the 6th time in franchise history and the 1st time in consecutive seasons, joining the 1984 (92), 1996 (91), 1998 (98), 2010 (90) and 2024 clubs (93).
  - Manager Mike Shildt has also won 90+ games in each of his first 4 full seasons as a Major League manager (other: 2019, 2021, 2024, 2025).
- Over the last 2 seasons, SD's 183 wins are their most ever in back-to-back combined years, extending their new record from the previous total from 2006 (88-74) and 2007 (89-74).
  - Shildt is the only SD manager to win that many games in total successive seasons as there were different managers during the 2006 (Bochy) and 2007 (Black) seasons.
  - Their 183-141 record (.565) is the 5th-best mark in the Majors since 2024 (4th in the NL).
- The Friars went 15-7-2 across their final 24 series, dating back to July 4-6 vs. TEX...they owned an overall 44-32 (.579) record during this stretch, the 3rd-best mark in the NL.

Model of Con-Cease-tency

- **RHP Dylan Cease** gets the nod for Game 2 on Wednesday afternoon, making his 5th career postseason appearance (4th start).
- During his regular season campaign, he surpassed the 30+ start mark for the 5th-straight season and was 1 of just 4 pitchers league-wide to record such a streak.
- He finished the season ranked 2nd only to **Tarik Skubal** (508) with 501 whiffs on the season, while his 215 strikeouts were the 6th-best mark among ML pitchers.
  - Since 2021, his 2,437 whiffs have led all of baseball, with **Kevin Gausman**'s 2,146 coming closest, as well as leading in total starts (162), strikeouts (1,106) and pitches thrown (15,571).

Padres Wild Card Series roster

- The Padres 26-man Wild Card Series roster breaks down as:
  - **RHP (10):** Dylan Cease, Yu Darvish, Jeremiah Estrada, Michael King, Mason Miller, David Morgan, Nick Pivetta, Bradgley Rodriguez, Robert Suarez, Randy Vásquez
  - **LHP (2):** Adrian Morejon, Wandy Peralta
  - **C (3):** Luis Campusano, Freddy Fermin, Martín Maldonado

Clinch-a-tize us, Captain

- In the 1st game of the final homestand vs. MIL on Sept. 22, **C Freddy Fermin** played the hero as he drove the 1st pitch he saw in the 11th inning back up the middle to score **OF Bryce Johnson** from 3rd base for the Padres' 8th walk-off victory of the season and their 2nd within the span of 8 games at Petco (last: Sept. 8 vs. CIN), clinching a berth in the 2025 Postseason.
  - It was Fermin's 5th career walk-off and his 3rd of the season (last: May 9 vs. BOS, with KC)...he is 1 of 10 players to record 3 walk-offs this season and the only player to record at least 1 of those walk-offs with different teams.
  - He is also just 1 of 2 catchers to have 3 walk-offs this season while catching (non-PH or DH situations), joining TOR's **Alejandro Kirk**.
- Per *Elias*, it is the 6th instance since 2023 that a club has recorded a walk-off win on the same day they clinched a playoff spot and just 1 of 3 NL teams, joining MIL (2x, last: Sept. 13 vs. STL in 10 inn.) and PHI (Sept. 26, 2023 vs. PIT in 10 inn.).
  - It was the 1st time in franchise history that the Padres clinched a postseason spot on a walk-off.

Tati, he's so hot right now. Tati.

- **OF Fernando Tatis Jr.** finished the regular season on an 8-game hit streak, during which he slashed .367/.424/.667, and recorded a home run in 3 of his final 4 games played.
  - He finished the season with a career-best 111 runs scored, the 4th most by a Padre in a single season, and 1 run shy of **Greg Vaughn** (1998) for the 3rd-most.
- Across his 14 career Postseason games, he is slashing .346/.443/.788 with 11 of his 18 hits going for extra-bases (5 2B, 6 HR), 12 RBI, a hit by pitch, 8 walks and 13 runs scored.

It's gotta be the goatee, Cotton. It's beautiful!

- Since debuting the new goatee look on Sept. 6, **OF Jackson Merrill** finished the regular season red hot at the plate, slashing .309/.349/.704 with 16 of his 25 hits recorded going for extra bases (7 2B, 2 3B, 7 HR) for a 1.053 OPS.
  - From Sept. 6 through the remainder of the season, he finished tied for the league lead with 16 XBH.
- Of his 67 RBI, 35 were recorded since returning from the All-Star break (51 G) and 29 within the final 42 games...the Padres went 31-13 in games where he drove in at least 1 run and have won 16 of the last 21 such games.
- Went 1-for-3 with a double and run scored in Game 1 on Tuesday...of his 7 career postseason hits, 4 have gone for extra-bases (2 2B, 3B, HR).

He's the Mann

- In his final 12 games, **INF Manny Machado** finished the season with a .304/.360/.565 slash line with 4 home runs, 11 RBI, 4 walks and 10 runs scored.
  - He finished his 2025 regular season campaign ranking among the NL leaders in 2+ hit games (T5th, 47) and hits (9th, 169), as well as with the 4th-most hard-hit balls (252) and tied for the 7th-most 100.0+ mph balls in play (182) in the Majors.
  - With 95 RBI on the season, he has recorded at least 95 RBI in 4 of the last 5 seasons (91 RBI in 2023)...since 2021, he is just 1 of 5 players to record at least 4 seasons with 95+ RBI.
- This is his 7th season reaching the Postseason, all of which, except this season, have previously come during even years over the last 14 years...26 of his 49 career postseason games have been played in an SD jersey.

He's got a Crone to pick with you

- **INF Jake Cronenworth** reached base safely in 16-straight games to finish the regular season, tied for the 5th-longest active streak in the Majors and is tied for the 3rd-longest streak of his career.

Alright, alright, al-raez

- **INF Luis Arraez** ended his regular season with a 15-game hit streak, 1 game shy of matching his career best that was set earlier this season (July 18-Aug. 3)...from Sept. 10-28, he slashed .383/.415/.450 with 7 RBI, 4 walks and 8 runs scored during his streak.
  - His double on Sept. 26 was his 30th on the year and his 4th-straight season with 30+ doubles...he is now 1 of 7 players with 4-straight 30+ double seasons.
  - Finished the regular slate of games as the NL-leader in hits (181), ranking among NL leaders in multi-hit games (T2nd, 49), 3+ hit games (3rd, 19) and average (4th, .292).

Make it O'hurt

- **INF Ryan O'Hearn** finished the season on a 9-game hit streak, his 2nd-longest hit-streak this season and behind only his career-best 10-game streak from earlier in the year (May 21-31).
  - During the streak, he slashed .471/.514/.618 with 2 doubles, a home run, 9 RBI, 3 walks and 5 runs scored...this came after a stretch of 4-hitless games (0-for-14) where he only reached base once (BB) in 15 plate appearances.
- In his last 6 games with a runner in scoring position, he averaged .667 (4-for-6) with 9 RBI, including a bases clearing double and grand slam.

Mess with the bull(pen), get the horns

- One of the most consistent and solid parts of SD's success came from the bullpen who finished the season leading most bullpens or ranking towards the top in many categories.
  - The club's 44 wins and .209 opponent's average from the bullpen are a single-season franchise records.
- In their final 12 games, they threw to a 2.32 ERA (13 ER, 50.1 IP) and held opponents to a .163 clip (28-for-172), as the Padres won 7 of the last 8.

The four horsemen

- Leading the charge in the bullpen throughout the season were the four horsemen, a term used by manager **Mike Shildt** to refer to the 4 high leverage bullpen arms of **RHP Jason Adam, RHP Jeremiah Estrada, LHP Adrian Morejon** and **RHP Robert Suarez**:
- Prior to his injury on Sept. 1 (left quadriceps injury), **RHP Jason Adam** had earned a single-season career-high 8 wins (T3rd in MLB), while also ranking among ML relief leaders in holds (T2nd, 30), ERA (6th, 1.81) and innings pitched (64.2) at the time of his injury.
- **RHP Jeremiah Estrada** finished the season leading the league with 108 strikeouts among relievers and tied for the 3rd-most holds (33) across a career-high 77 games (4th in MLB).
  - In 3 outings vs. CHC this season, he threw 3.0 scoreless and hitless innings while fanning 6 batters against his former team.
- **LHP Adrian Morejon** was just the 5th pitcher in franchise history to record 10 wins as a reliever and set a new single-season record for SD with 13 wins, the most by any ML reliever since **Ryan Yarbrough** in 2018 (14).
  - He also finished the season tied for the lowest inherited runner scored percentage in the Majors at 11.1% (5-for-45 IRS) and tied for the 2nd-lowest mark in club history with **Joe Thatcher** (2013) and behind only **Brad Brach** in 2012 (10.9%; 5-for-46).
  - Enters the WC round with 7 career Postseason appearances, tied with **Randy Myers** (1998) and **Nick Martinez** (2022) for the 5th-most outings in Padres Postseason history.
- **RHP Robert Suarez** recorded a career-high 40 saves and was just 1 of 2 pitchers to hit the 40-save mark this season (other: **Carlos Estevez**'s 42) while his 88.9 save% (40-of-45) was 7th-best in the Majors but the only 1 of the 7 to have 35+ save opportunities.
  - In 10 career Postseason outings, he has thrown to a 2.19 ERA (3 ER, 12.1 IP) with a .186 opponents' average (8-for-43) as the Padres have won 9 of the 10 games in which he has appeared dating back to his posteason debut in 2022 Wild Card Series.

Bonus horseman

- In 22 games with SD (since Aug. 1), **RHP Mason Miller** threw to a 0.77 ERA (2 ER, 23.1 IP) and held opponents to a .096/.205/.137 slash line with 45 strikeouts to 10 walks and allowing just 1 extra-base hit (2-run HR).
  - Finished the regular season with the longest-active scoreless streak in the Majors at 21.1 innings (since Aug. 6) while also recording 10.0-straight innings pitched without allowing a hit, tied for the longest-active hitless streak league-wide.
- Despite only appearing in the 22 games, the flame-throwing right-hander led the team in most 100.0+ mph pitches this season (158) and ranked 2nd for most in a single-season by a Padre since tracking began in 2012, behind only **Robert Suarez**'s 2024 season (184)...in all (including his time with ATH), he threw 422 pitches that registered at 100.0+ mph.

Immaculate, no notes

- In the top of the 8th inning of Sept. 3's game vs. BAL, **RHP Mason Miller** recorded the 121st immaculate inning in MLB history, joining **Brian Lawrence** (3rd inning; June 12, 2002 at BAL) as the only players to record the feat in a Padre uniform.
- He recorded the inning using all sliders, becoming just the 3rd pitcher in the pitch-tracking era (2008-pres.) to throw an immaculate inning using all the same pitch (*Sarah Langs*).
  - He joined **Phil Maton** (4-seamer; June 15, 2022) and **Josh Hader** (sinker; March 30, 2019) as the only pitchers to record such innings, while Miller was the 1st during the pitching track era that did not feature any pitch in the fastball pitch group (4-seamer, cutter, sinker).

Slam-tember

- The Friars recorded 6 grand slams on the season, all of which came in the 2nd-half of the year and 3 of which have came within the last 10 games of the season off the bats of **INF Manny Machado** on Sept. 17 at NYM, **INF Ryan O'Hearn** on Sept. 23 vs. MIL and **OF Fernando Tatis Jr.** on Sept. 27 vs. ARI.
- The 6 grand slams were tied for the 5th-most in the Majors while SD was the only team to record more than 5 in the 2nd-half of the season.
  - It ranked tied for 5th overall in a single-season in Padre history and the 3rd time in the last 6 seasons that the Padres have recorded more than 5 grand slams.
  - It was also the most in a single month in franchise history since Aug. 2020 when the Padres recorded 6 while matching their most in the month of Sept./Oct. (other: 2001, 1989).

Thank you to the Friar Faithful

- The Friar Faithful made Petco Park a playoff atmosphere every game throughout the 2025 season, continuing to show why they are the best fans in baseball...Petco Park finished the regular season ranked 2nd among all teams in average home attendance (42,435) with the highest total attendance at home (3,437,201).
  - 72 out of the 81 games at Petco Park were sellouts this season, including 29 of the 32 games after the All-Star break.
  - Both overall attendance and sellout totals were club records.
  - With their 62nd sellout on Sept. 9, the Padres set a new franchise record for most sellouts in a single season, surpassing the previous record that was set in 2023.
- The Padres homestand from Aug. 18-24 marked the highest paid attendance for a 7-game homestand in franchise history with 300,116 fans in attendance, surpassing the previous best set during the first homestand earlier this season (284,864).
- The home opener had an official attendance of 45,568 fans... it marked the largest Opening Day crowd in Petco Park history, breaking the previous record set on March 30, 2014 vs. LAD.
- San Diego finished 52-29 (.642) at home this season, tied for the 2nd-best win percentage in the NL and the 2nd-best win rate by a Padre team through their home games in a season, behind only the 1998 Padre team (54-27, .667).
- The club finished with an overall 20-5-1 series record at Petco Park this season, which included 12 of their final 15 (12-2-1) and 14 of their final 18 series (14-3-1)...their 20 series wins at home set a new single-season franchise record, passing the 1988 club (17).

It's Miller time

- Earlier today, MLB announced that Padres reliever **Mason Miller** was named Reliever of the Month for September, the 2nd time this season that a Padre reliever has been awarded the monthly honor, joining **Robert Suarez** (March/April).
- This is the 2nd accolade in his career (other: March/April 2024) after recording a near perfect month...he threw scoreless relief in all 11 outings (12.1 IP) while allowing just 1 hit across 37 at-bats (.027) with 26 strikeouts to 5 walks.
  - Miller finished his 2025 regular season campaign with 10.0-straight hitless and scoreless innings with 21 of his 30 outs recorded coming via the strikeouts.
- He is 1 of 8 Padres to earn the honor, joining **Trevor Hoffman** (3x), **Robert Suarez** (2x), **Heath Bell** (1x), **Brad Hand** (2x), **Kirby Yates** (1x), **Mark Melancon** (1x) and **Josh Hader** (1x).
  - This is the 1st time the Padres have won NL Reliever of the Month accolades in the same season.

Played to the nines

- Nine Padres were nominated for the 2025 All-MLB Team presented by MGM Rewards, including **2B Jake Cronenworth**,
