2019 Pace of Play Rules

15-Second and 20-Second Pitch Timer

Except for the first pitch of an at-bat, the pitcher shall be allowed 15 seconds to throw each pitch with no runners on base and 20 seconds with runners on base. The timer begins as soon the pitcher receives the ball from the catcher while on the dirt circle of the mound during an at-bat. The pitcher must come set or begin his motion before the clock reaches 0:00 or he will be penalized with an automatic "ball." The hitter must be in the batter's box by the time the clock reaches 0:05 or he will be penalized with an automatic "strike." The 15-second clock is waved off and restarted on the next pitch after plays that prompt the hitter to exit the batter's box (inside pitch, foul ball, etc.).

30-Second Timer Between Batters

The 30-second clock will start as soon as the umpire signals the prior batter out or the prior play concludes during an inning except for the first batter after a break which will use the inning clock described above. The hitter should be in the batter's box with at least 15 seconds remaining on the clock. If the batter is not in the box and alert to the pitcher with at least five seconds remaining, the umpire should call an automatic "strike" on the batter. If the pitcher does not begin his motion or come set to deliver the pitch prior to the expiration of the timer, the umpire should call an automatic "ball." In the event the umpire calls time to stop the game (e.g., for the batter to give his batting gloves/protective gear to base coach), the field timing coordinator should shut off the 30-second clock and instead utilize the 15-second pitch clock as detailed above.

2:15 Break Timer

The 2:15 clock starts as soon as the third out is made every half inning. The pitcher can deliver the pitch as soon as he and the batter are ready, however, the pitcher must begin his motion and the batter must be in the batter's box ready to hit by 0:00 on the clock. If the game is televised, the timer may shift to 2:25 or 2:55 for those games.

30-Second Mound Visit Timer

The stadium timer shall operate during mound visits initiated by a manager or coach. The timer will be set at 30 seconds and will begin counting down when the manager or coach crosses the foul line.

Mound Visit Limitations

Mound visits without pitching changes by managers, coaches and position players will be limited to five (5) visits per team per nine innings. In the event the game goes into extra innings, each team shall receive one additional mound visit per extra inning played which will be added to any unused mound visits left from its initial allotment of mound visits..

Extra-Inning Runner Placement

As implemented universally throughout MILB in 2018, extra innings will begin with a runner on second base with the exception of the October 26 championship game.

Also, the "Robinson Rule" (see below) will be in place for all Arizona Fall League games except the October 26 championship game.

For regular-season games in the Arizona Fall League, each half-inning following the ninth inning (or seventh inning if part of a double-header) will begin with a runner on second base. The batter who leads off an inning shall continue to be the batter who would lead off the inning in the absence of this extra-innings rule. The runner placed on second base at the start of each half-inning shall be the player (or a substitute for such player) in the batting order immediately preceding that half-inning's leadoff hitter. By way of example, if the number five hitter in the batting order is due to lead off the 10th inning, the number four player in the batting order (or a pinch-runner for such player) shall begin the inning on second base. Any runner or batter removed from the game for a substitute shall be ineligible to return to the game as is the case in all circumstances under the Official Baseball Rules.

For purposes of calculating earned runs under Rule 9.16, the runner who begins an inning on second base pursuant to this rule shall be deemed to be a runner who has reached second base because of a fielding error, but no error shall be charged to the opposing team or to any player. For purposes of Rule 9.02, the official scorer shall keep records of the number of times each batter and runner is placed at second base in accordance with this experimental rule.

NOTE: In accordance with Arizona Fall League extra innings rules, the "Robinson Rule" will remain in effect and all games will end in a tie following the completion of 11 innings.

TODAY'S FALL LEAGUE FIVE

1) Mesa Solar Sox, Greg Deichmann (OAK), blasted his fourth home run of the young Fall League season on September 28 against the Salt River Rafters. He's played in eight games so far. In 2018, Pete Alonso, Will Craig, and Braxton Davidson tied for the league lead with six dingers the entire AFL campaign. It took Alonso 12 games to reach four homers, Craig 16 games, and Davidson 11 games.

2) Surprise's Luis Garcia (WSH) notched his second 3+ hit night of the season on September 27 against Scottsdale. It was the fourth multi-hit game for Garcia in seven games played. The 19-year-old leads the Fall League thus far with 13 hits. Keston Hiura (MIL) led the AFL in hits last season with 31 in 23 games played. Hiura had 11 total multi-hit games and only two three-hit games during his time in the desert.

3) Forrest Whitley (HOU) of the Peoria Javelinas struck out eight Glendale Desert Dogs in 4.2 IP on September 28, the most of any fall League pitcher this season. Whitley currently leads the league with 14 strikeouts. The right-hander also led the AFL in strikeouts in 2018 with 36 while pitching for the Scottsdale Scorpions. He had two games last season with at least eight strikeouts including his season-high of nine coming on November 15 against his current team, the Peoria Javelinas.

4) Glendale won their third game of the season September 26 against the Salt River Rafters to bring their record to 3-4. It may not seem like a big deal, but considering the Desert Dogs started the season 0-8 in 2018, they are off to a scorching start. Outfielder Jaren Kendall (LAD) is leading the team offensively with a .316 average (6-for-19), a home run, five RBIs, and a run scored over five games played.

5) Important AFL dates to remember: October 12 - Fall Stars Game at Salt River Fields; October 6 - Military Appreciation Game, Scottsdale at Glendale; and October 26 - Championship Game at Salt River Fields.

CHAMPIONSHIP CHAINS PLAYER AND PITCHER OF THE WEEK

Player of the Week: Scottsdale Catcher Joey Bart (San Francisco Giants)

Bart jump-started his Fall League season by homering twice on Opening Night in Mesa and followed it up with another two-hit performance, including a double, on Thursday night against Surprise. He finished his week leading the league in batting average (.556), home runs (2), on-base percentage (.667), slugging (1.333), extrabase hits (3), and total bases (12).

Pitcher of the Week: Glendale RHP Victor Castaneda (Milwaukee Brewers)

In his only start of the week, Castaneda walked the leadoff man against Scottsdale and would not allow another baserunner over the next four innings, even erasing the leadoff walk with a double play from the next hitter. He threw 56 pitches and did not factor in the decision after striking out six overall, including five consecutive hitters across the second and third innings.
