This event is a way of giving back and thanking our brave military for their service and sacrifice. This charity event will include special guests from Major League Baseball as well as leaders from our selected military charities who will share their testimony on the benefit of your donations and the impact it will have on their families.

Last year's event was sold out so please secure your attendance by going to the Pitchers and Patriots web page to reserve your invitation to this memorable event. If you can't make this charitable gala, you can still make a difference by making a valuable donation also on our web page.

Free valet parking, cocktails and hors d'oeuvres will be provided throughout the evening. You will also have the opportunity to bid on unique silent and live auction items not available anywhere else.

We hope to see you at this year's event.

Mike Myers and Mike Timlin
