TROP-TOBER ROLLS ON—The Rays and Guardians continue their best-of-seven AL Championship Series tonight at Progressive Field...the Rays have made the ALCS for the third time in franchise history, having won both of their previous trips over the Astros in 2020 (4-3) and the Red Sox in 2008 (4-3)...earned the No. 1 seed in the AL for the fourth time in franchise history (2020-21, 2010) and captured their fifth AL East title (also: 2008)...are seeking their third World Series appearance since becoming the Rays in 2008, which would make them the sixth team to appear in the Fall Classic three times over that span along with the Dodgers (5), Astros (4), Giants (3), Phillies (3), and Rangers (3)...swept the Yankees in the ALDS, becoming the fourth team to sweep a division series since the current playoff format was implemented in 2022—the other three, the 2023 Diamondbacks (vs. LAD), 2023 Rangers (vs. BAL), and 2022 Astros (vs. SEA), all went on to appear in the World Series, with the Rangers and Astros hoisting the Commissioner's Trophy.

★ The Rays lost their ALCS matinee, 3-2, to the Guardians in Game 3...they staked out a 2-1 lead on **Chandler Simpson's** two-run triple in the 4th inning before allowing a two-run homer in the 5th...they failed to score first for the first time this postseason, snapping a five-game streak of striking first that was third longest within a single postseason in Rays history behind streaks to open their playoff runs in 2020 (9G) and 2008 (8G).

★ They mustered only three hits (2 2B, 3B), their fewest in an ALCS or World Series game and fewest in any postseason contest since Game 1 of the 2022 AL Wild Card Series at CLE (3)...it marked the seventh time a club recorded three hits or more in a postseason game without singling, first since the Twins (3) in Game 4 of the 2023 ALDS vs. HOU.

★ Rays hitters struck out 13 times, their second most this season behind March 30 at MIL (14) and most in a nine-inning postseason game since Game 2 of the 2021 ALDS vs. BOS (13).

★ Simpson's three-bagger was the ninth postseason triple in franchise history (last: **Yandy Díaz**, 2020 WS G5) and the first that gave the Rays a lead...it marked the fourth go-ahead triple this postseason across MLB (last: **CLE Jo Adell**, ALDS Game 3 at CWS), tied for the second most during a single postseason in major league history (also: 2012 & 2009) behind 1993 (7).

★ **Liam Hicks** threw out a pair of baserunners yesterday, becoming the first Ray with multiple catcher caught stealings in a postseason game...he joined **Dioner Navarro** (3) and **Mike Zunino** (2) as the only catchers with multiple CCS in postseason franchise history...it was the first time a catcher recorded multiple CCS within the first five innings of a postseason game since **HOU Brad Ausmus** in Game 1 of the 2001 NLDS vs. ATL, when he threw out **Julio Franco** and **Chipper Jones**.

★ **Yandy Díaz** appeared in his 31st postseason game for the Rays, surpassing **Evan Longoria's** franchise record of 30 games...including an appearance in the 2018 ALDS with Cleveland, his 32 career postseason games entering play tonight are tied for the ninth most by a Cuban-born player in MLB history alongside **Aledmys Díaz** and **Kendrys Morales**.

EL PRESIDENTE—**Nick Martinez** takes the ball this evening for his second career postseason start, joining the Rays series-clinching, 4-3 win in ALDS Game 3 at NYY...his 2.47 ERA (98.1IP, 27ER) on the road between the regular season and postseason ranks fifth in the majors (min. 75.0IP) and would be the second lowest in club history behind **Blake Snell** (2.45) in 2018...Martinez is looking to become the first Rays starter to earn a postseason victory on the road since **Ryan Yarbrough** in Game 3 of the 2020 ALCS at HOU and the first outside of a neutral-site venue since **Charlie Morton** in the 2019 AL Wild Card Game at OAK...the last Rays starter to do so in an ALCS or World Series game was **Andy Sonnanstine** in Game 4 of the 2008 ALCS at BOS.

★ Martinez went 2-0 with a 0.62 WHIP in two starts vs. CLE this season, twirling 13.0 scoreless frames while holding Guardians hitters to a .159 (7-for-44) clip with 1 BB and 1 XBH (2B).

★ Rays starters are 2-1 with a 2.23 ERA (32.1IP, 8ER), 31 SO, 8 BB, and a .218 (26-for-119) opp. average in six postseason outings...only the Braves rotation (2.14) has registered a better ERA this postseason.

BEST IN 4 OF THE 7—Including the Brewers victory last night at LAD, clubs to win Game 4 have completed their sweep or went on to win their LCS 56 of 81 times (69.1%) since league championships lengthened to best-of-seven in 1985...this includes both the 2008 Rays, who took a 3-1 series lead over the Red Sox with a 13-4 win in Game 4, and the 2020 Rays, who dropped Games 4, 5, and 6 of the ALCS after taking a 3-0 lead before claiming Game 7 in San Diego over the Astros...the last club to lose an LCS Game 4 and advance to the World Series was the 2023 Rangers.

★ Teams with home-field advantage in a best-of-seven series that split the first two games have gone on to win the set 55 of 102 times (53.9%), including 24 of 40 times (60.0%) in the ALCS or NLCS.

★ This is the first time the Rays have trailed through three games of an ALCS...they led at this juncture in both of their previous two appearances in 2020 (3-0) and 2008 (2-1)...six teams since 2016 have come back to win an ALCS/NLCS after trailing through three games (see table on the right).

DO OR DIE—The Rays have recorded 11 of their 16 RBI (68.8%) this postseason with two outs, the highest clip among clubs that advanced beyond the Wild Card round...only the Yankees (13) have more two-out RBI than the Rays this postseason...it would surpass 2010 (7 of 12/58.3%) for the Rays highest clip in a single postseason, excluding 2023, when their lone RBI in their AL Wild Card Series vs. TEX was a two-out single by **Curtis Mead**...during the regular season, the Rays tallied 39.0 pct. (273 of 700) of their RBI with outs, the sixth-highest clip in the AL and their highest since 2018 (39.5%/262 of 664).

★ Four of the Rays six game-tying/go-ahead hits have come with two outs, tied with the Braves for the most such hits by any club this postseason.

THE BAY-KER—**Bryan Baker** (4) surpassed **Diego Castillo** and **Pete Fairbanks** for the most postseason saves in franchise history and the most saves in a single postseason in team history in ALCS Game 2...all three of Castillo's and Fairbanks' saves came in 2020...Baker is the 10th pitcher to register a save in each of his first four appearances of a postseason since saves became a statistic in 1969...he is the first pitcher to turn the trick since AZ **Paul Sewald** in 2023 and the first AL arm since BOS **Craig Kimbrel** in 2018...Baker is the first pitcher in postseason history to accomplish the feat without allowing a base hit.

★ If he were to earn a fifth save in his next appearance, he would match Kimbrel and MIN **Rick Aguilera** (1991) for the longest streak to open a single postseason.

★ Between the regular season and postseason, he has converted a franchise record 34 consecutive save opportunities...since 2012, only two AL pitchers have had longer single-season streaks: BAL **Zack Britton** (47) in 2016 and CLE **Emmanuel Clase** (36) in 2024.

★ The Rays are 89-0 this season when leading after eight frames, one of nine clubs in the modern era (since 1900) to go 89-0 or better in such contests (see table on the right)...they have won 101 consecutive games when leading entering the 9th, tied for the 17th-longest streak in AL history and the longest by an AL club since the Tigers 105-game streak from Aug. 11, 2024–Sept. 14, 2025.

AT THE CORNER—The Rays and Guardians meet in the postseason for the third time, with the previous matchups coming in a 2022 AL Wild Card Series (swept, 2-0) and the 2013 AL Wild Card Game (won, 4-0)...the 2022 series featured a combined four runs and was capped by a 15-inning, 1-0 loss that marked the longest scoreless game in postseason history before **Oscar Gonzalez's** walk-off homer...in 2013, the Rays blanked Cleveland, 4-0, behind **Alex Cobb**, **Joel Peralta**, **Jake McGee**, and **Fernando Rodney**...it remains one of four times the Guardians have been shut out in 75 home postseason games...the Rays went 5-1 against Cleveland during the regular season, improving to 5-2-1 in season sets since 2018 (clubs did not meet in 2020)...from July 24-26 in St. Pete, they swept the Guardians for the first time since July 5-7, 2021 at the Trop, logging back-to-back shutout wins to close the set (3-0, 1-0)...in the series finale, the Rays yielded a leadoff double to **Steven Kwan** and permitted no hits the rest of the way, their second time conceding a leadoff hit in a one-hitter (also: May 2, 2003 at DET)...their 1.19 ERA (53.0IP, 7ER) against Cleveland during the regular season was their lowest vs. an AL opponent in club history, surpassing the Mariners in 2004 (1.50)...they also posted their lowest opp. slugging pct. (.245) and opp. OPS (.471) vs. an AL opponent this year against Cleveland.

★ Rays pitchers have yielded 3 ER or fewer in 22 of their last 24 games against the Guardians (Sept. 3, 2023–pres.), posting a 2.08 ERA (211.2IP, 49ER), second lowest by any club vs. Cleveland over that span behind the Phillies (2.03, incl. postseason)...the 22 games yielding 3 ER or fewer are the most by any non-AL Central club vs. the Guardians in that stretch, ahead of the Rangers (13).

★ Thirty of the last 37 matchups between the Rays and Guardians since the beginning of 2022 have been decided by three runs or fewer, including 26 by two runs or fewer and 16 one-run games...13 of the last 20 regular season and postseason games matchups at Progressive Field have been one-run contests (July 25, 2021–pres.), including four of the last five.

★ Tonight is the Rays fifth postseason game at Progressive Field...excluding neutral-site venues in 2020, it marks their second-most postseason contests at any visiting ballpark behind Fenway Park (7G).

★ The Rays have a three-game losing streak in postseason affairs at Progressive Field since winning the 2013 AL Wild Card Game, tied for the third longest in the venue's history...only the Guardians (4G, 2017 ALDS Game 5–2020 ALWC Game 2) and Yankees (4G, 2007 ALDS Game 1–2017 ALDS Game 4) have lost more consecutive postseason games at the ballpark.
