2019 Pace of Play Rules

15-Second and 20-Second Pitch Timer

Except for the first pitch of an at-bat, the pitcher shall be allowed 15 seconds to throw each pitch with no runners on base and 20 seconds with runners on base. The timer begins as soon the pitcher receives the ball from the catcher while on the dirt circle of the mound during an at-bat. The pitcher must come set or begin his motion before the clock reaches 0:00 or he will be penalized with an automatic “ball.” The hitter must be in the batter’s box by the time the clock reaches 0:05 or he will be penalized with an automatic “strike.” The 15-second clock is waved off and restarted on the next pitch after plays that prompt the hitter to exit the batter’s box (inside pitch, foul ball, etc.).

30-Second Timer Between Batters

The 30-second clock will start as soon as the umpire signals the prior batter out or the prior play concludes during an inning except for the first batter after a break which will use the inning clock described above. The hitter should be in the batter’s box with at least 15 seconds remaining on the clock. If the batter is not in the box and alert to the pitcher with at least five seconds remaining, the umpire should call an automatic “strike” on the batter. If the pitcher does not begin his motion or come set to deliver the pitch prior to the expiration of the timer, the umpire should call an automatic “ball.” In the event the umpire calls time to stop the game (e.g., for the batter to give his batting gloves/protective gear to base coach), the field timing coordinator should shut off the 30-second clock and instead utilize the 15-second pitch clock as detailed above.

2:15 Break Timer

The 2:15 clock starts as soon as the third out is made every half inning. The pitcher can deliver the pitch as soon as he and the batter are ready, however, the pitcher must begin his motion and the batter must be in the batter’s box ready to hit by 0:00 on the clock. If the game is televised, the timer may shift to 2:25 or 2:55 for those games.

30-Second Mound Visit Timer

The stadium timer shall operate during mound visits initiated by a manager or coach. The timer will be set at 30 seconds and will begin counting down when the manager or coach crosses the foul line.

Mound Visit Limitations

Mound visits without pitching changes by managers, coaches and position players will be limited to five (5) visits per team per nine innings. In the event the game goes into extra innings, each team shall receive one additional mound visit per extra inning played which will be added to any unused mound visits left from its initial allotment of mound visits..

Extra-Inning Runner Placement

As implemented universally throughout MLB in 2018, extra innings will begin with a runner on second base with the exception of the October 26 championship game.

Also, the “Robinson Rule” (see below) will be in place for all Arizona Fall League games except the October 26 championship game.

For regular-season games in the Arizona Fall League, each half-inning following the ninth inning (or seventh inning if part of a double-header) will begin with a runner on second base. The batter who leads off an inning shall continue to be the batter who would lead off the inning in the absence of this extra-innings rule. The runner placed on second base at the start of each half-inning shall be the player (or a substitute for such player) in the batting order immediately preceding that half-inning’s leadoff hitter. By way of example, if the number five hitter in the batting order is due to lead off the 10th inning, the number four player in the batting order (or a pinch-runner for such player) shall begin the inning on second base. Any runner or batter removed from the game for a substitute shall be ineligible to return to the game as is the case in all circumstances under the Official Baseball Rules.

For purposes of calculating earned runs under Rule 9.16, the runner who begins an inning on second base pursuant to this rule shall be deemed to be a runner who has reached second base because of a fielding error, but no error shall be charged to the opposing team or to any player. For purposes of Rule 9.02, the official scorer shall keep records of the number of times each batter and runner is placed at second base in accordance with this experimental rule.

NOTE: In accordance with Arizona Fall League extra innings rules, the “Robinson Rule” will remain in effect and all games will end in a tie following the completion of 11 innings.

TODAY'S FALL LEAGUE FIVE

1) There was a premier matchup in Mesa on Saturday when the Solar Sox took on the Peoria Javelinas. The Fall League's top-rated hitter, Jo Adell (LAA), faced off against the circuit's top pitching prospect, Forrest Whitley (HOU). Whitley was able to get the slugger to ground out twice but Adell ultimately got the last laugh going 1-for-3 with a home run off of the righty in the contest. Adell is baseball's No. 5 overall rated prospect according to MLB Pipeline while Whitley is rated at No. 16.

2) Random Stat Alert: J.A. Happ is the 4th-oldest pitcher to appear in a postseason game on his birthday according to @MLBStats. The Yankees' southpaw turned 37th on October 19 during game six of the ALCS. Happ pitched for the 2006 Peoria Saguaros of the Arizona Fall League.

3) Minnesota Twins' prospect, outfielder Luke Raley, went yard twice in Saturday's contest against the Surprise Saguaros. He's the 4th player to have a multi-homer game this AFL season. Joey Bart (SF, SCO), Logan Driscoll (SD, PEJ) and Brandon Marsh (LAA, MSS) are the other players to accomplish the feat this season.

4) Join us early for Sunday's 6:30 p.m. Surprise/Salt River contest at Salt River Fields to witness Former AFL Director Steve Cobb's Arizona Fall League Hall of Fame induction. Under Cobb's direction from 1994 through 2018, the AFL became the premier development experience for Major League Baseball prospects, featuring more than 2900 future MLB players, including 296 All-Stars, 19 MVPs, 6 Cy Young Award winners, 42 MLB Managers, 56 MLB Umpires, and two members of the National Baseball Hall of Fame.

5) The Arizona Fall League Championship Game is slated for Saturday, October 26 at Salt River Fields. First pitch is scheduled for 11:08 a.m. The Peoria Javelinas are the reigning AFL Champions and have won back-to-back titles.

CHAMPIONSHIP CHAINS HITTER AND PITCHER OF THE WEEK

Hitter of the Week: Salt River Infielder/Outfielder Royce Lewis (Minnesota Twins)

MLB Pipeline's No. 9 prospect continued his tear through the AFL while showing off his versatility in week four. Lewis played three games in the short week leading up to the Fall Stars Game, hitting .600 (6-for-10) with three RBIs and a pair of doubles while playing three different positions (2B, 3B, CF). Lewis currently leads the AFL in batting average and hits. He also ranks in the top five in home runs, RBIs, and extra base hits.

Pitcher of the Week: Surprise Pitcher Sterling Sharp (Washington Nationals)

In his only start in week four, Sharp was just that. Washington's No. 13 prospect on MLB Pipeline cruised through five scoreless innings throwing just 62 pitches. He allowed two hits and struck out three en route to his second win of the Fall. Sharp leads the AFL in innings pitched and has allowed just three hits over his last 10 innings.
