## 2019 Pace of Play Rules

### 15-Second and 20-Second Pitch Timer

Except for the first pitch of an at-bat, the pitcher shall be allowed 15 seconds to throw each pitch with no runners on base and 20 seconds with runners on base. The timer begins as soon the pitcher receives the ball from the catcher while on the dirt circle of the mound during an at-bat. The pitcher must come set or begin his motion before the clock reaches 0:00 or he will be penalized with an automatic “ball.” The hitter must be in the batter’s box by the time the clock reaches 0:05 or he will be penalized with an automatic “strike.” The 15-second clock is waved off and restarted on the next pitch after plays that prompt the hitter to exit the batter’s box (inside pitch, foul ball, etc.).

### 30-Second Timer Between Batters

The 30-second clock will start as soon as the umpire signals the prior batter out or the prior play concludes during an inning except for the first batter after a break which will use the inning clock described above. The hitter should be in the batter’s box with at least 15 seconds remaining on the clock. If the batter is not in the box and alert to the pitcher with at least five seconds remaining, the umpire should call an automatic “strike” on the batter. If the pitcher does not begin his motion or come set to deliver the pitch prior to the expiration of the timer, the umpire should call an automatic “ball.” In the event the umpire calls time to stop the game (e.g., for the batter to give his batting gloves/protective gear to base coach), the field timing coordinator should shut off the 30-second clock and instead utilize the 15-second pitch clock as detailed above.

### 2:15 Break Timer

The 2:15 clock starts as soon as the third out is made every half inning. The pitcher can deliver the pitch as soon as he and the batter are ready, however, the pitcher must begin his motion and the batter must be in the batter’s box ready to hit by 0:00 on the clock. If the game is televised, the timer may shift to 2:25 or 2:55 for those games.

### 30-Second Mound Visit Timer

The stadium timer shall operate during mound visits initiated by a manager or coach. The timer will be set at 30 seconds and will begin counting down when the manager or coach crosses the foul line.

### Mound Visit Limitations

Mound visits without pitching changes by managers, coaches and position players will be limited to five (5) visits per team per nine innings. In the event the game goes into extra innings, each team shall receive one additional mound visit per extra inning played which will be added to any unused mound visits left from its initial allotment of mound visits..

### Extra-Inning Runner Placement

As implemented universally throughout MLB in 2018, extra innings will begin with a runner on second base with the exception of the October 26 championship game.

Also, the “Robinson Rule” (see below) will be in place for all Arizona Fall League games except the October 26 championship game.

For regular-season games in the Arizona Fall League, each half-inning following the ninth inning (or seventh inning if part of a double-header) will begin with a runner on second base. The batter who leads off an inning shall continue to be the batter who would lead off the inning in the absence of this extra-innings rule. The runner placed on second base at the start of each half-inning shall be the player (or a substitute for such player) in the batting order immediately preceding that half-inning’s leadoff hitter. By way of example, if the number five hitter in the batting order is due to lead off the 10th inning, the number four player in the batting order (or a pinch-runner for such player) shall begin the inning on second base. Any runner or batter removed from the game for a substitute shall be ineligible to return to the game as is the case in all circumstances under the Official Baseball Rules.

For purposes of calculating earned runs under Rule 9.16, the runner who begins an inning on second base pursuant to this rule shall be deemed to be a runner who has reached second base because of a fielding error, but no error shall be charged to the opposing team or to any player. For purposes of Rule 9.02, the official scorer shall keep records of the number of times each batter and runner is placed at second base in accordance with this experimental rule.

**NOTE:** In accordance with Arizona Fall League extra innings rules, the “Robinson Rule” will remain in effect and all games will end in a tie following the completion of 11 innings.

## TODAY'S FALL LEAGUE FIVE

- 1) Friday's October 4 matchup between the Glendale Desert Dogs and Surprise Saguaros was the first game this AFL season that reached extra innings. The Desert Dogs went on to win by a score of 7-6 in 11 innings. Jonathan India (CIN) drove in the eventual game-winning run on an RBI sacrifice fly scoring Tyler Stephenson (CIN). Seth Elledge (STL) earned his first save of the season in the contest, he had three in 2019 for Double-A Springfield. Glendale was 2-3 in 2018 during extra-inning games.
- 2) The Salt River Rafters and Peoria Javelinas had themselves a slugfest on October 4. The Rafters ended up coming out on top by a score of 10-9. The 19 combined runs were the most scored in a Fall League game this season. The game clocked in at 3 hours and 24 minutes, the longest game measured by time this season. Arizona D-backs' prospect, Seth Beer, led the way offensively going 2-for-3 at the dish with three RBIs in the contest. Miami Marlins' prospect, Victor Victor Mesa, had a nice game as well going 2-for-4 with three runs scored.
- 3) Scottsdale's Connor Seabold (PHI) has been dominant in three starts in the Fall League thus far. The Philadelphia Phillies' No. 30 rated prospect per MLB Pipeline is 1-0 allowing just one earned run on five hits over 12 IP with a .128 batting average against. Seabold leads the league coming into the October 4 games with 18 strikeouts.
- 4) Mesa's Jo Adell (LAA) hit his second lead-off home run of the AFL season on October 2 against the Surprise Saguaros. His first came on September 25 against Caneros de Los Mochis of the Mexican Pacific League. Adell has hit safely in six straight contests coming into the October 4 games.
- 5) Important AFL dates to remember: October 12 - Fall Stars Game at Salt River Fields; October 6 - Military Appreciation Game, Scottsdale at Glendale; and October 26 - Championship Game at Salt River Fields.

## CHAMPIONSHIP CHAINS PLAYER AND PITCHER OF THE WEEK

### Player of the Week: Surprise Infielder Brandon Wagner (New York Yankees)

In four games last week, Wagner went 5-for-13 with a pair of grand slams and 11 runs batted in. The Yankee infielder terrorized the Peoria Javelinas, driving in all of his runs against them, including a seven-RBI performance on September 29 to secure the weekly award. After two weeks, Wagner leads the AFL in RBIs with 15.

### Pitcher of the Week: Salt River Rafter RHP Nick Neidert (Miami Marlins)

In two starts last week, Neidert went 2-0, allowing one run and striking out nine in nine innings. He started his week with a dominant four innings against Mexican Pacific League opponent Hermosillo, striking out six. He then set a new AFL high in innings pitched against Glendale with five, allowing one run and striking out three.
