SEASON IN REVIEW: Eflin was limited to one start on March 31 vs. Texas, allowing one run on four hits (1 HR) and two walks with seven strikeouts.

🗓 It marked the first of Eflin's 189 career starts in which he worked 3.2 innings or fewer while striking out at least seven batters.

🗓 He became the fourth Orioles starter (fifth occurrence) in franchise history (since 1954) to record such a start, joining Dylan Bundy (2x, 9/7/16 at TB & 3/31/19 at NYY), Yovani Gallardo (9/15/16 vs. TB), and Daniel Cabrera (8/6/05 at TEX).

INJURY BUG: He left the start vs. Texas with right elbow discomfort, and on April 1, was placed on the 15-day Injured List with the same injury designation.

🗓 On April 7, Eflin was transferred to the 60-day IL and underwent Tommy John surgery on April 8.

🗓 It marked his second consecutive season cut short due to injury (low back discomfort), with him making his final start of the 2025 campaign on July 28 vs. Toronto.

CAUSE FOR CELEBRATION: Despite being limited to one start in 2026, Eflin reached 10 years of major league service in August... He was the second Oriole to reach the milestone this past season, joining **Chris Bassitt**, who reached the mark in May.
