RAY MATTER—The Rays are coming off a series split with the Blue Jays but have won seven of their last 9 games overall...they are in sole possession of first place in the AL East by 0.5 games over the Yankees, but have a lower winning pct. (.633) than New York (.640)...tonight the Rays are attempting to avoid losing back-to-back games for the first time since their 0-5 road trip from July 29–Aug 2 at ATL/BAL...at 19-11, the Rays are 1 GB of the Athletics and Twins for the best record in the AL...the Rays are 13-3 in their last 16 games since Aug 8 (G2), the best mark in the majors over that stretch, and 15-5 in their last 20 games since Aug 4, best in the AL.

- + The Rays have won five straight games against lefty starters.

- + If all games are played as currently scheduled today, it will be the first time all 30 clubs have played on the same day since July 26.
