

# INDIANS FAN CUTOUT PHOTO GUIDE

## WHAT TO WEAR

- Sport your Tribe gear and colors
- Stand in front of a blank wall for contrast

- If you wear glasses, please avoid glare
- If you wear a baseball hat, make sure there is a good source of light in front of your face to show your eyes

## HOW TO TAKE THE PHOTO

- Have a friend or family member take the photo – no selfies
- Face the camera straight on and take the photo from the waist up
- Whoever is taking your photo should stand 4 feet away and take the photo vertically
- Keep your hands along the sides of your body so they fit in the frame
- Only one person in the photo
- Smile!
