

Wareham Gatemen Team Videographer Internship

The Wareham Gatemen, a non-profit organization operating a collegiate summer baseball team in the prestigious Cape Cod Baseball League, is seeking a videographer Intern to join our dynamic team. Our organization has a rich history dating back to 1927 including 9 CCBL Championships. We actively contribute to the community and to the legacy of the CCBL, a league that celebrated its 100th anniversary in 2023. This historic milestone is a testament to the league's enduring dedication to developing top MLB talent while fostering community engagement through baseball.

The Wareham Gatemen, known for their commitment to player and intern development, have seen 150+ of our former team players make their mark in Major League Baseball. For instance, just this past year, we had 15 players drafted, highlighted by the #1 overall pick in the 2023 MLB draft, Paul Skenes. Many of our interns have gone on to successful sports media or sports management careers. As we continue to nurture emerging talent, we are also dedicated to promoting the captivating journey of baseball within our community and beyond.

This internship offers an invaluable opportunity to gain hands-on experience in videography and content creation within the world of baseball while being a part of the storied history of both the Wareham Gatemen and the Cape Cod Baseball League. Interns will have the chance to put their stamp on the team's brand while building a portfolio and creating a lifetime of memories, friendships, and unique experiences.

Duration and Housing:

This unpaid internship will typically run from mid-June through early August (or approximately 10 days later if a championship run). Please note that housing is not provided; however, we are committed to working with you to find affordable housing options and explore summer job opportunities to support your stay.

Videographer Internship Overview

As a Videographer Intern, you will play a pivotal role in capturing the electrifying moments, inspiring stories, and behind-the-scenes action of our baseball journey. Your videography skills and creative vision will help us engage fans, showcase our players, and build an authentic sports media presence.
