The Complainant shall have the obligation to serve the complaint and any associated documentation filed therewith by the Complainant, upon any known Respondent and provide evidence of service by mail or other means, subject to proof. Such service shall be made simultaneous with the filing of the complaint or as soon as practicable thereafter, but in no case more than fourteen (14) business days after the complaint has been filed. In cases where it is unclear whether the Respondent received service of the complaint, USA Baseball shall have the right to serve the complaint and any associated documentation filed therewith, upon any known Respondent and may do so within fourteen (14) business days of the filing of the complaint. In cases where USA Baseball is the Respondent, the filing of the complaint with USA Baseball shall constitute sufficient service on USA Baseball.

In disciplinary proceedings where USA Baseball is the Complainant or USA Baseball is otherwise enforcing disciplinary action, USA Baseball shall have the obligation to serve upon any Respondent, the complaint or analogous documentation initiating said disciplinary proceeding and shall do so within fourteen (14) business days after the filing of the complaint. Service of said complaint or analogous documentation on a Respondent in a disciplinary proceeding shall set forth the range of remedies, sanctions or consequences in the event a violation is determined.

The Respondent shall have the right to answer or otherwise respond to the complaint within 30 calendar days of service of the Complaint. The Respondent shall have the obligation to serve its answer or response upon the Complainant simultaneous with the filing of its answer. In cases where it is unclear whether or not the Respondent has served its answer or response to the complaint on the Complainant, USA Baseball shall have the right to serve Respondent's answer or response upon the Complainant directly and may do so within fourteen (14) business days of receipt of Respondent's answer.

A written request for a hearing must be made by the Complainant either immediately upon filing the complaint if an expedited hearing is requested, or after mediation efforts pursuant to Section 11.9. If no written request for a hearing is made by the Complainant with the filing of its complaint, a Respondent may make a written request for a hearing with its answer or response to the complaint. In disciplinary proceedings, the request for a hearing must be made by the party against whom the complaint is made (a "Respondent") after written notice of proposed disciplinary action.

Section 11.4 Filing Fee. A complaint relating to administrative grievances or to the right to participate filed by an individual shall be accompanied with a \$250.00 filing fee. A complaint filed by an organization shall be accompanied with a \$500.00 filing fee, except that

USA Baseball is not required to pay a filing fee. No filing fee is required to file a complaint related to disciplinary proceedings. The Complainant may request that the filing fee be reduced or waived for reasons of significant financial hardship. If such request is made, the Executive Director shall determine whether or not to reduce or waive the filing fee.

Section 11.5 Statute of Limitations. A complaint filed under these Bylaws shall be filed within one hundred and eighty (180) days of the occurrence of the alleged violation, grievance, denial or threat to deny of opportunity to participate. There shall be no time bar for complaints regarding alleged SafeSport violations.

Section 11.6 Doping Decisions. A decision concerning a doping violation adjudicated by the independent anti-doping organization designated by the USOPC to serve as the U.S. National Anti-Doping Organization (currently the United States Anti-Doping Agency) shall not be reviewable through, or the subject of, these complaint procedures.

Section 11.7 SafeSport Decisions. A decision concerning a SafeSport violation adjudicated by the independent safe-sport organization designated by the USOPC (currently the United States Center for Safe Sport) shall not be reviewable through, or the subject of, these complaint procedures.

Section 11.8 Field of Play Decisions. The final decision of a an umpire or technical official during a competition regarding a field of play decision (a matter set forth in the rules of the competition to be within the discretion of the referee) shall not be reviewable through, or the subject of these complaint procedures unless the decision is: (i) outside the authority of the referee to make, or (ii) the product of fraud, corruption, partiality or other misconduct of the referee. For purposes of this Section, the term “an umpire or technical official” shall include any individual with discretion to make field of play decisions.

Section 11.9 Administration. The Executive Director shall generally administer and

oversee all complaints and shall be responsible to ensure that all complaints are heard in a timely, fair and impartial manner. The Executive Director shall promptly acknowledge the complaint, and in cases of disciplinary proceedings the Executive Director shall provide notice of the complaint to the individual against whom the complaint (the “Respondent”) was made with reasonable time to respond. The Parties shall be afforded basic due process rights, including fair notice and an opportunity for a hearing.

The Executive Director may review the complaint, seek information from the parties as to the merits of the complaint, meet with the parties involved in-person or by other appropriate means to determine if the complaint can be mediated, and attempt to resolve the complaint to the satisfaction of the parties.

In administrative grievances and right to participate complaints, if the complaint is not resolved, the Complainant may file a written request for a hearing within fourteen (14) business days of filing the complaint, or as otherwise agreed upon by the parties and with consent of the Hearing Panel. If no agreement is made to extend the time, and no request for a hearing is made, then the complaint will be dismissed.

In disciplinary proceedings, if the complaint is not resolved, the Executive Director shall provide the Respondent with a proposed disciplinary action. The Respondent may accept the disciplinary action, or submit a written request for a hearing on the merits within ten (10) days of receipt of the notice of disciplinary action. If the Respondent does not respond or does not request a hearing, the disciplinary action shall go into effect.

The Executive Director, with the assistance of USA Baseball’s legal counsel, may promulgate procedures in addition to those set forth in these Bylaws for the effective administration of complaints filed with USA Baseball.

If the Executive Director has a conflict of interest in the outcome of the proceeding,

his/her duties shall be delegated by the President to a disinterested individual.

Section 11.10 Hearing Panel. Upon the filing of a complaint, the President shall appoint a Hearing Panel consisting of three (3) individuals to hear the complaint. The Hearing Panel shall consist of one (1) member of the Board (who shall chair the Hearing Panel and who is an independent board member as defined in Section 6.2(d)); one (1) individual who is independent of USA Baseball but may be a full-time staff or active board member of another NGB, or MLB, or any Active Athlete-Silver from USA Baseball or be a former Board member who has not served as a director in the last three (3) years, and one (1) Active Athlete-Silver. The members of the Hearing Panel will be disclosed to all necessary parties. The Hearing Panel shall not include any person who has an interest in the outcome of the proceeding. Should a conflict of interest be determined, then the President will replace the member with a disinterested individual from the appropriate category outlined in this Section 11.10. No party and no one acting on behalf of any party shall communicate ex parte with a Hearing Panel member.

Section 11.11 Conduct of the Proceeding. The Hearing Panel shall rule on all motions and other matters raised in the proceeding.

If the Respondent contends that jurisdiction of the complaint is improper, that the Complainant has failed to exhaust available remedies, that there is some other procedural or jurisdictional defect that would preclude a hearing on the merits, or that the complaint fails to state a claim upon which relief can be granted, the Respondent may move to dismiss the complaint. Such motion to dismiss will set forth the grounds for dismissal and will be filed within 30 days after receipt of the complaint by the Respondent. The Complainant will be given the opportunity to submit papers in opposition to the Respondent's motion to dismiss. The Hearing Panel will determine whether or not to have argument on the motion to dismiss.

The Hearing Panel shall set such timelines and other rules regarding the proceeding and the conduct of the hearing as it deems necessary including whether to schedule a preliminary hearing and directing the production of documents and other information. The hearing shall be informal, except that testimony shall be taken under oath.

The hearing may be conducted in-person at the offices of USA Baseball or at a location to be determined by the Hearing Panel. The hearing may be conducted by teleconference if necessary or convenient to the parties. Each party shall have the right to appear personally or through a legal representative. All parties shall be given a reasonable opportunity to present and examine evidence, cross-examine witnesses and to present argument. Each party to a proceeding shall be required to give written notice to the other party and to the Hearing Panel of any expected witnesses, except in cases where the identity of any witness is subject to confidentiality concerns. Members of the Hearing Panel shall have the right to question witnesses or the parties to the proceeding at any time.

The burden of proof, which shall be a preponderance of evidence, shall be upon the Complainant who shall also initially have the burden of going forward with the evidence. The Respondent shall then have the burden of going forward with evidence in opposition to the complaint and in support of Respondent's position.

Any party may have a record made of the hearing. A court reporter may be present at the hearing at the request of a party. The court reporter shall be paid for by the party requesting the court reporter, or if mutually agreed, the cost may be equally divided. Any transcript shall be paid for by the party requesting the transcript. Any transcript ordered by a party shall be made available to the Hearing Panel at the request of the panel.

Section 11.12 Expedited Procedures. Upon the request of a party, and provided that it is necessary to expedite the proceeding in order to resolve a matter relating to a competition that is so scheduled that compliance with regular procedures would not be likely to produce a sufficiently early decision to do justice to the affected parties, the Executive Director is authorized to order that the complaint be heard and decided within forty-eight (48) hours of the filing of the complaint. In such a case, the Hearing Panel is authorized to hear and decide the complaint pursuant to such procedures as are necessary, but fair to the parties involved.

Section 11.13 Complaints Involving Selection to Participate in a Competition. Where a complaint is filed involving an individual's opportunity to participate in a competition, the Complainant shall include with the complaint the specific competition, the date of the competition, and a list of all other individuals, together with their contact information if known, that may be adversely affected by a decision rendered on the complaint. USA Baseball shall also submit a list of individuals, together with their contact information, that may be adversely affected by a decision rendered on the complaint. The Hearing Panel shall determine those individuals who must receive notice of the complaint. The Hearing Panel shall determine the form of the notice and how and who shall provide the notice. Any individual so notified then shall have the option to participate in the proceeding as a party. If an individual is notified of the complaint, then that individual shall be bound by the decision of the Hearing Panel even though the individual chose not to participate as a party.

Section 11.14 Decision. A decision shall be determined by a majority of the Hearing Panel. The Hearing Panel shall issue a written reasoned decision which shall be distributed to the parties in a reasonable amount of time. For complaints regarding Sanctioning, the decision shall be issued no less than thirty (30) days prior to the planned competition.

For complaints related to Membership Status (Section 3), the Hearing Panel shall provide a recommendation to the Board as to the action to be taken by the Board as set forth in Section 3.6 and 3.7. A decision shall be determined by a majority of the Board of Directors.

Section 11.15 Arbitration. Any party may appeal a decision of the Hearing Panel or the Board of Directors to the American Arbitration Association (AAA). Appeals must be filed with the AAA within thirty (30) days after the decision or imposition of remedy. The arbitrator appointed by the American Arbitration Association shall have the authority to hear the matter anew or if requested by a party to render a decision on a more limited review. Either party may submit the decision of the Hearing Panel to the arbitrator for the arbitrator's consideration.

In accordance with the USOPC Bylaws, an athlete who alleges that he or she has been denied, or threatened to be denied, by USA Baseball an opportunity to participate in protected competition, may also file a complaint directly with the USOPC pursuant to their procedures outlined in Section 9 of the USOPC Bylaws. USA Baseball agrees to submit to binding arbitration conducted under the commercial rules of the American Arbitration Association, in any controversy involving its recognition as a national governing body, as provided in the Ted Steven's Act, or in any controversy involving the opportunity of any athlete, coach, trainer, manager, administrator, or official to participate in Athletics competition, as provided for in the constitution and bylaws of the USOPC.

## **SECTION 12**

### **FINANCIAL AUTHORITY AND RESPONSIBILITY**

Section 12.1 The Board shall have the right to delegate to the Executive Director the authority to solicit, collect, and disburse funds for the support of the activities of USA Baseball and for financing participation of the United States in international baseball competitions.

Section 12.2 All Officers, directors, and committee members of USA Baseball shall act and serve without compensation, except as otherwise specifically provided in these Bylaws.

Section 12.3 No individual officer, director or committee member of USA Baseball shall be personally liable for any debt or other obligation incurred in the name of USA Baseball or any of its committees pursuant to authority granted directly or indirectly by the Board. The Board shall adopt a standard form of contract restricting recourse for payment to the assets of USA Baseball, and the Executive Director shall include said form of contract in all agreements to which USA Baseball is a party.

## **SECTION 13**

### **LIABILITY AND INDEMNIFICATION**

Section 13.1 A director shall not be personally liable for monetary damages as Director for any action taken, or any failure to take any action, unless the director has breached or failed to perform the duties of Director and that breach or failure to perform constitutes self-dealing, willful misconduct or recklessness. Provided, however, the foregoing provision shall not apply to the responsibility or liability of the Director pursuant to any criminal statute or the liability of a Director for the payment of taxes pursuant to local, state, or federal law.

Section 13.2 USA Baseball shall indemnify each of its present or former directors, Officers, employees, or official representatives or any person who is or was serving another corporation or other entity in any capacity at the request of USA Baseball against all expenses actually and reasonably incurred by such person (including, but not limited to, judgments, fines, costs, and counsel fee) in connection with the defense of any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, to which such person is, or is threatened to made, a party because such person is or was serving in such capacity. This right of indemnification shall also apply to expenses of litigation, which is compromised or settled, including amounts paid in settlement, if USA Baseball shall approve such settlement as provided in Section 13.2 hereof. Such person shall be entitled to be indemnified if he/she acted in good faith and in a manner he/she reasonably believed to be in, and not opposed to, the best interests of USA Baseball, and with respect to any criminal proceeding, had no reason to believe such conduct was illegal, provided, however, that no persons shall be entitled to indemnification pursuant to this Section in any instance in which the action or failure to take action giving rise to the claim for indemnification is determined by a

court to have constituted willful misconduct or recklessness; and provided, further, however, in instances of claim by or in the right of USA Baseball, indemnification shall not be made under this section in respect of any claim, issue, or matter as to which the person has been adjudged to be liable to USA Baseball unless and only to the extent that the court of common pleas of the judicial district embracing the county in which the registered office of USA Baseball is located or the court in which the action was brought determines upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnify for such expenses that the court of common pleas or other court shall deem proper. Further, the termination of any litigation by judgment, order, settlements, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner reasonably believed to be in, and not opposed to, the best interests of USA Baseball.

Section 13.3 Unless ordered by a court, any indemnification under Section 13.2 or otherwise permitted by law shall be made by USA Baseball only as authorized in the specific case upon a determination that indemnification is proper in the circumstances because he/she has met the applicable standard of conduct set forth under that section. Such determination shall be made by the Board by a majority vote of a quorum consisting of directors who were not parties to the action or proceeding; or if such a quorum is not obtainable or if obtainable and a majority vote of a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion.

Section 13.4 Expenses incurred by a person entitled to indemnification pursuant to the Section or otherwise permitted by law in defending a civil or criminal action, suit, or proceeding shall, in any case required by Section 13.2, and may, in any other case, be paid by USA Baseball

in advance of the final disposition of such action, suit, or proceeding upon receipt of an undertaking by or on behalf of such person to repay the amount so advanced if it shall ultimately be determined that such person is not entitled to be indemnified by USA Baseball.

Section 13.5 The indemnification and advancement of expenses provided pursuant to this Section shall continue as to any person who has ceased to be an officer, director, or employee, or representative of USA Baseball and shall inure to the benefit of the heirs, executors and administrators of such person.

Section 13.6 This Section shall not be exclusive of any other right that USA Baseball may have to indemnify any person as a matter of law.

## **SECTION 14**

### **DISSOLUTION**

Section 14.1 Upon the dissolution of USA Baseball, the Board of Directors shall, after paying or making provision for the payment of all liabilities of USA Baseball, dispose all assets of USA Baseball exclusively for the purposes of USA Baseball in such a manner, or to such organization or organizations as shall at the time qualify as an exempt organization or organizations under the Code (or the corresponding provision of any future United States Internal Revenue Law), as the Board shall determine. Any such assets not so disposed of shall be disposed of by a Court of competent jurisdiction in the state in which the principal office of USA Baseball is then located, exclusively for such purposes, or to such organization or organizations, as said Court shall determine which are organized and operated for such purposes.

## **SECTION 15**

### **SANCTIONING**

Section 15.1 The Executive Director shall annually recommend to the Board sanctioning fees for:

The sanctioning fees shall be reasonable and non-discriminatory.

Section 15.3 Except for good cause shown, all requests for sanction shall be made in writing to the Executive Director at least ninety (90) days prior to the planned competition, and shall be accompanied by the sanctioning fee and sufficient supporting information to permit the Executive Director to determine whether the criteria set forth in Section 15.5 have been met. Within thirty (30) days of the request sanction, the Executive Director shall provide the requesting party a letter of sanction, or a written explanation as to why the sanction will not be granted. In the event that the Executive Director denies a request for sanction, an appeal may be

made within ten (10) days of receipt of notification of denial in accordance with Section 15.6 of these Bylaws.

Section 15.4 Any amateur sports organization that is a non-member of USA Baseball must comply with all sanctioning requirements as set forth in this Section. Any non-USA Baseball member sports organization which knowingly violates these requirements in any fashion, including, but not limited to, failure to obtain the proper USA Baseball sanction for an international competition shall be subject to possible future restrictions and/or penalties.

If the Executive Director believes that a non-USA Baseball member has violated the sanctioning provisions, the Executive Director shall immediately present the facts to the Officers who may refer the matter to further investigation and a possible reply from USA Baseball and/or refer the matter to the full Board of Directors for action.

The Board of Directors can take whatever action they deem fair and appropriate against the organization. The Board may refer the matter to the USOPC or WBSC for review and/or possible action.

Section 15.5 Unless the Executive Director determines by clear and convincing evidence that holding or sponsoring an international baseball competition would be detrimental to the best interest of the sport, he will promptly grant to a sports organization or person a sanction to do the following:

- (a) Hold an international baseball competition in the United States, if such sports organization or person pays to USA Baseball any required sanctioning fee and demonstrates that:

- (1) Necessary, appropriate measures have been taken to protect the status of athletes who will take part in the competition and to protect their eligibility to compete in other baseball competition;

- (2) Appropriate provision has been made for validation of records, which may be established during the competition;
  - (3) Due regard has been given to any international athletic requirements specifically applicable to the competition;
  - (4) The competition will be conducted by qualified officials;
  - (5) Proper medical supervision and, if necessary, drug testing procedures, will be provided for athletes who participate in the competition; and
  - (6) Proper safety precautions have been taken to protect the personal welfare of the athletes and spectators at the competition.
- (b) Sponsor United States athletes to compete in international baseball competition held outside the United States, provided that such sports organization or person pays to USA Baseball any required sanctioning fee and submits a letter from the appropriate entity which will hold the international baseball competition that assures that the provisions outlined in the previous sub-section (a) 1-6, are met.

Section 15.6 Sanction Denied and Appeal Process. USA Baseball will deny a host the right to conduct an international baseball competition only when, following proper investigation, it determines such a host incapable of adequately hosting or conducting such competition in compliance with acceptable international standards. When such disapproval is determined by USA Baseball's Executive Director, the host may appeal the decision and request a hearing, and the matter will proceed pursuant to Section 11 of these Bylaws.

Section 15.7 The members of the Hearing Panel shall review the request for sanction and all supporting information accompanying the request, and shall advise the requesting party of their decision no less than thirty (30) days prior to the planned competition.

Section 15.8 Within thirty (30) days of the conclusion of the international baseball competition for which sanction was granted, or in which a sanctioned team competed, the organization or person to whom the sanction was granted shall submit to the Executive Director a report of the competition, including, as appropriate, an itinerary, schedule of games, results of the competition and a financial report.

Section 15.9 A baseball team, which is a member of USA Baseball, shall not need to request a sanction to participate in a baseball competition within the member's program.
