Welcome Back

Under the Lights at Scarafile Field

Hyannis Harbor Hawks Fans,

Welcome to the 2023 season! It is with great pleasure that I write this to you, as we embark on another exciting summer of baseball here in beautiful Hyannis.

I am thrilled to announce that Eric Beattie, CCBL'S 2022 Coach of the Year winner, will be returning as our head coach for the upcoming season. Coach Beattie has a wealth of experience and knowledge of the game, and we are fortunate to have him lead our team once again. He has shown a remarkable ability to develop young talent and get the best out of his players, and I am confident that he will continue to do so this season.

As we enter the 2023 season, our team is focused and determined to compete at the

highest level. We have a talented roster of players who are eager to showcase their skills on the field and represent the Hyannis Harbor Hawks with pride, on and off the field.

A special thanks to our dedicated board members, donors, housing families and volunteers who make this all possible.

As always, we are grateful for your unwavering support and dedication to our team. Your enthusiasm and passion for the game is what makes the Hyannis Harbor Hawks such a special organization. We are honored to have you as our fans, and we look forward to seeing you at the ballpark this season.

Thank you for your continued support, and let's go Harbor Hawks!

Sincerely,

Dan Johnson

Farewell and Thank You, Brad & Laurie Pfeifer

Brad and Laurie Pfeifer have been an integral part of the growth and success of the Hyannis Athletic Association.

Brad first got involved in 1999 when former general manager John Howitt recruited him to do all the jobs our interns do today... hanging banners, passing the hat and helping at field work days to name a few. Brad went on to become Assistant GM in charge of the field, Vice President and finally President of the HAA. If you ask Brad about his time in the Association, he will say he is happiest about the field improvements that took place under his watch. Brad was involved in 2 major fundraising campaigns that resulted in the installation of new lights, the construction of a new press box and backstop, and a completely renovated playing field and state of the art scoreboard. Brad also devoted time to creating a beneficial partnership with town government through his work on the board of the Hyannis Civic Association.

Laurie joined in a few years later, doing all the jobs at the field that Brad had done, helping to sell merchandise and becoming a fan. At a board meeting, she volunteered to keep a schedule of game events that, over time, saw Laurie becoming the Gameday coordinator. Laurie also took over the expanding intern program. While Laurie was in charge the program grew from 6 interns to 25 interns doing specialized jobs. Laurie enjoyed organizing special events, like Kids Day or Christmas in July and breezed through the hectic non stop fun pace of game time, taking very few game nights off over many summers.

Brad and Laurie are finally taking well deserved time for themselves after many many summers of baseball. The members of the Hyannis Athletic Association would like to take this opportunity to thank them for all that they have done. We will be missing you both each summer night we gather and hear the crack of the bat at McKeon Park. But we also hope you enjoy your time together with family and friends. Life is short, eat the cake, drink the wine and take the trip to see the Northern Lights.

Thank you Brad & Laurie – We'll miss you!

Thank You, Jay Doherty

The Hyannis Athletic Association would like to thank Hyannis firefighter and community member Jay Doherty for all his efforts and support on behalf of the Hyannis Harbor Hawks. MEET THE COACHES

Coach Eric Beattie won the Cape Cod Coach of the Year in 2022—his very first year with the Harbor Hawks.

Coach Beattie comes to Hyannis with an impressive baseball resume. Drafted in the 47th round out of high school by the Tampa Bay Rays, Eric decided to attend the University of Tampa.

As a Spartan he threw four career shutouts, third-most in school history, on his way to winning 30 games over his three years. Beattie threw 288 innings at Tampa, which ranks him seventh in program history. He's eighth in career strikeouts with 278. He set a single-season school record with 15 wins in 2004, and also sits atop the Spartan record books with three shutouts pitched in 2003.

In 2003 he pitched for the Bourne Braves he was named the Most Outstanding Pitcher in the Cape Cod League. He posted a 0.39 era, 2nd lowest in cape league history, with 54 strikeouts in 46 innings pitched.

Beattie was selected in the second round of the 2004 MLB Draft by the Detroit Tigers. He remains one of three UT players selected in the first two rounds, joining Tino Martinez and Sergio Perez. He was later signed by the Boston Red Sox. Following his professional baseball career, Beattie returned to UT and completed his degree. After college, He was given the opportunity to start the baseball program at Strawberry Crest HS in 2009.

He is a member of the University of Tampa Athletics Hall of Fame, Cape Cod League Hall of Fame (Class of 2014), and in 2015 He was inducted into the Sunshine State Conference

Hall of Fame.

Eric is currently the head coach at Strawberry Crest High School outside of Tampa Florida. Under his tenure at Crest he was won back to back to back district championships, two regional championships and has been to the state final two times in the last three seasons played.

Eric has been married to Molly Beattie, a University of Tampa Volleyball stand-out, for 16 years. Eric is father to Jaxon (11) and Tate (7).

The Hyannis Harbor Hawks are excited to announce the hiring of new part time hitting coach **Tino Martinez**. Martinez is a 16 year MLB veteran, 4 time World Series Champion, 2 time All-Star, 1988 Gold Medalist and former first round pick. He was a 3 time All American at the Univeristy of Tampa where he was a finalist for the Golden Spikes Award, which has never been given to any NCAA Division II player. Since 2010, the Tino Martinez Award has been given to the most outstanding NCAA Division II baseball player. In 2013, Martinez was inducted into the National College Baseball Hall of Fame

Legendary pitching coach **Ray Korn** will be returning to the Harbor Hawks for the 2023 season. He has great experience coaching teams like the 1990 USA Junior National World Championships and coaching for minor league affiliate teams for the Detroit Tigers and the Chicago Cubs. He was inducted into the American Baseball Coaches Hall of Fame in 2015. Coach Korn has great experience in developing young athletes, and will look to continue to do that this season with the Harbor Hawks.

MEET THE COACHES

BJ Johnson returns to the Harbor Hawks for his 3rd season on the Cape. Johnson has coached and mentored at multiple levels throughout his coaching and business career.

As a player, Johnson won a Florida State High School Championship as a sophomore pitcher with Lakewood, and transferred that success to his playing career at Florida Southern College; being part of the 1975 National Champions in DII, along with 3 DII World Series appearances.

After graduation and the end of his playing career, Johnson had a 35-year stint in Sales and Marketing Management with General Mills, Inc. He always remained close to the game and close to his former teammates who pursued coaching careers. He became active in youth sports, coaching multiple All-Star teams, and spent almost 15 years coaching at the prestigious Wesleyan School in Peachtree Corners, GA. Wesleyan won 4 State Championships during

his tenure, and Johnson's pitching staff of 2015 developed 3 D1 pitchers, and continue to hold most school, and many County, pitching records. Johnson won multiple Community Coach of the Year honors during his time at Wesleyan.

BJ moved to Florida after 2015 and has subsequently coached at Indian Rocks Christian and Fletcher High Schools, with success. Johnson has coached at least 100 D1 and DII players, along with multiple players who reached AAA and Major League levels. He is happy to return to Hyannis, and he thinks this is the best place to play in the Cape. He cites the organization, coaching staff, volunteers, and location as being a perfect situation for a player and coach.

Johnson has been part of many high achieving programs in the past, and expects 2023 to be a great time to be a Harbor Hawk!

Johnny Davis, a native of Barnstable, MA is a 2020 graduate of Worcester Academy where Davis Served as a Captain of the Baseball team. A standout pitcher, he accepted a scholarship to pitch at Division II Assumption University.

After a covid shortened freshman season and sophomore red shirt due to Tommy John Surgery, Davis came back to lead the team in ERA and share a lead in appearances during the 2023 season.

Davis has excelled in the Data Sciences, recently earning him the award for most distinguished student in the Science at his University. In February, he finished the first ever Open Sourced Stuff+ model which is used by MLB organizations, Top 25 Division I programs and Sports Agency's alike to find and develop top tier pitching talent.

Davis brings a vast background in Data Analysis and Player Development. Helping improve athletes from High School to Professional ranks with data driven solutions.

He will be running the Hyannis Data Team serving as head of analytics as well as coaching this summer.

Drew Ehrhard (Gr.) University of Tampa
Drew now holds the D2 S hit record with 349 after today's playoff performance. Brother Zach is playing for the Harbor Hawks 2023. His father played for the Harbor Hawks as well and now he joins the coaching staff after playing for the Hawks in 2022.

Host Families

The Heart of the Hawks

One of the most important contributions the Hyannis Harbor Hawks receive each summer comes from our host families. Without the generosity of these families, who open their spare bedrooms for our team members and coaches we would not be able to compete in the Cape Cod Baseball League.

It is more than just a spare bedroom. It is an experience. Families connect and bond with the players and their families-very often form lifelong relationships. Players arrive in mid-June and stay through early August, but the memories stay with the family forever!

All you need to provide while these players chase their dreams is a private bedroom, a hot meal each day and access to laundry facilities. Our players will work together to make sure they have transportation to and from the field for practices and games. The Hyannis Harbor Hawks will also give your family a small stipend to help offset the cost of food for your athlete.

YAWKEY FOUNDATION

Perpetuating Tom Yawkey and Jean Yawkey's love for baseball, the Yawkey Foundation recently awarded a generous grant to the Hyannis Harbor Hawks. These funds will be invested right here in Hyannis to ensure that players, fans and our community enjoy improved equipment, facilities, and the overall game experience, this season and beyond. The Yawkey Foundation is proud to support baseball's stars of tomorrow, and their fans, here at Judy Walden Scarafille Field!
