- Baseball Chapel
- Stamp Out Hunger
- Rise Against Hunger
- Meals on Wheels
- Books Among Friends

FANS for the CURE

League-wide Service Projects

As part of the All-Star Game festivities, Appalachian League executives volunteered at Roosevelt Elementary School in Kingsport, TN. The group assisted in preparing Roosevelt Elementary for the fall semester. League executives built cafeteria tables, created a pathway for students, prepared the playground and provided general cleanup on school grounds.

During Father's Day weekend, Appalachian League clubs participated in the Fans for the Cure Prostate Cancer initiative. Clubs provided public awareness through PA announcements, radio spots, social media posts, handouts and brochures. Additionally, clubs raised money for the cause by auctioning off team autographed bats.

BLUEFIELD RIDGE RUNNERS
