# Welcome Back

## Under the Lights at Judy Walden Scarafile Field

*Welcome to the 2026 Hyannis Harbor Hawks season, our 50th in the Cape Cod Baseball League.*

With our roster set, coaches returning, and even Ospreys nesting on our light poles, we are ready for baseball at McKeon Park.

I want to thank our growing membership and Board of Directors for their off-season work expanding our fundraising and community outreach. I especially want to spotlight our host families; your commitment to welcoming players into your homes is the essential strength of this organization.

Thank you in advance for the full-time care you provide once the season begins.

Please also recognize our hardworking interns who manage everything from broadcasting and gate donations to the T-shirt toss and the Centerville pie-eating contest.

Last of all, we owe a huge thank you to all of our loyal fans for their support and commitment to our team. Ozzie and I look forward to seeing you all at the ballpark for an exciting season of baseball, new friends, and TNT Snack Bar food.

Best,  
Jim Hurley, *President*  
Hyannis Harbor Hawks

# 114,700 Meals.

### We're working to knock hunger out of the park!

Every time a participating home team hits a home run in a Cape Cod Baseball League game, we donate \$50 to the Family Pantry of Cape Cod, which in turn, provides meals to our neighbors in need. Over the last eight years, we are pleased to say our Home Runs Against Hunger program has served up more than 114,700 meals.

# MEET THE COACHES

## Sean Riley — Hitting Coach

A Massachusetts native, Riley graduated from Lowell High School where he captained both the basketball and baseball teams before continuing his playing career at Chipola Junior College in Florida. He brings more than 25 years of coaching experience at both the high school and collegiate levels. Riley currently serves as Head Varsity Baseball Coach at Campolindo High School following coaching stops at San Joaquin Delta College and Santa Clara University, where he worked with hitters and infielders. Throughout his career, Riley has helped develop numerous collegiate and professional players, including more than 10 former high school players who were eventually drafted into Major League Baseball.

At the high school level, Riley enjoyed significant success at Serra High School in California, winning two WCAL championships and reaching a CCS Championship game. He also led Menlo High School to a CCS title in 2017. Earlier in his career, he coached the Lowell American Legion Baseball Team to district championships and a Massachusetts state runner-up finish.

In addition to coaching, Riley previously worked with Team USA/NTIS Baseball as a coach and evaluator and also assisted with scouting for the Pittsburgh Pirates.

## Mitch Karraker — Field Manager

Mitch Karraker returns for his third season in Hyannis after back-to-back playoff appearances. Mitch is a native of Clovis, California, and currently serves as the Head Coach at Fresno City College. Karraker replaced former Head Coach Ron Scott, who is the winningest Junior College baseball coach in California history, and led his team to an impressive 34-12 record in his inaugural season. Karraker began his personal collegiate playing career at Fresno City College before transferring to the University of Oregon, where he spent 3 seasons as a catcher for the Ducks from 2009-2011. After graduating, Karraker transitioned into a coaching role at Oregon, where he coached in numerous roles from 2011-2019 under the legendary George Horton, a National Championship winning coach at California State Fullerton who revitalized Oregon's previously dormant baseball program during his tenure. In 2012 and 2016, Karraker had two stints coaching for Team USA Collegiate National Team on a staff that included George Horton (Former Head Coach, Oregon and Cal State Fullerton), Andy Stankiewicz (current Head Coach at the University of Southern California), Jason Gill (Assistant Coach, Cal Poly), Ted Silva (Former Assistant Coach, University of Nebraska, USC, Cal State Fullerton), and John Altobelli (Former Head Coach, Orange Coast College and Brewster Whitecaps Head Coach). In 2019, he became an assistant coach at Baylor University, under Head Coach Steve Rodriguez, who now serves as the hitting coach at the University of Texas. In 2021, he took the assistant coaching job at Loyola Marymount University, where he served as the hitting and out-fielder's coach. He also served as the Head Coach of the Klamath Falls Gems, a summer league team in the West Coast League. Off the field, Karraker has been married to his wife Kelly for nine years, and they are blessed with three wonderful daughters, Ella, Nora, and Sophie. His hobbies include golfing, cooking, fitness, and being with family.

## Rich Cogliano — Bench Coach

Rich was born and raised in Brockton Ma. A 1985 graduate of Brockton High School, he attended Kirkwood Community College in Cedar Rapids Iowa and the University of Iowa. Rich was a long time coach and GM in American Legion baseball in the Brockton area. Rich lives with his wife Maria in West Barnstable.

Rich is also a member of the Hyannis Harbor Hawks Board of Directors

## Austin Wallace — Pitching Coach

Austin Wallace returns to Hyannis as Pitching Coach after previously serving as the Harbor Hawks' Director of Pitching Development & Assistant Pitching Coach during the 2024 season, helping lead the club to its first West Division title in eight years while the pitching staff finished third in the CCBL in ERA and strikeouts.

A former pitcher at the University of Texas, Wallace was a member of the Longhorns' 2021 Omaha team and pitched for Hyannis that same summer. He later continued his playing career at Wichita State and UT Arlington, earning both a Bachelor's Degree in Sport Management and an MBA.

Following his time in Hyannis, Wallace joined the Boston Red Sox Player Development department in 2025, working with rehab pitchers and the FCL club in Fort Myers while specializing in technology-driven player development. He later became the Director of Pitching Development & Analytics at Texas State, where the Bobcats ranked among the Sun Belt leaders in strikeouts and tied a school record for shutouts during the 2026 season.

## Ray Korn — Pitching Coach

Ray Korn has great experience coaching teams like the 1990 USA Junior National World Championships and coaching for minor league affiliate teams for the Detroit Tigers and the Chicago Cubs. He was inducted into the American Baseball Coaches Hall of Fame in 2015. Coach Korn has great experience in developing young athletes, and will look to continue to do that this season with the Harbor Hawks.

Team roster available at [HarborHawks.org](http://HarborHawks.org)

## Jen Hollis — Trainer

Jen Hollis returns for her third season as athletic trainer for the Hyannis Harbor Hawks in 2026. A Cape Cod native, Hollis currently serves as Head Athletic Trainer and Assistant Athletic Director at St. John Paul II School. She brings experience across the collegiate, high school, and private practice levels.

During her time at Colby-Sawyer College, Hollis gained experience working with student-athletes at both the Division I and Division II levels, including assignments at Dartmouth College with rugby, along with football and men's and women's ice hockey coverage. She has also worked with athletes at Nauset Regional High School, Bishop Guertin High School, Bishop Brady High School, and St. Paul's School.

In addition to injury prevention and on-field care, Hollis has extensive experience developing rehabilitation and return-to-play programs, conducting athletic assessments, and utilizing a variety of therapeutic recovery modalities. She is a member of the National Athletic Trainers' Association, Athletic Trainers of Massachusetts, and the Eastern Athletic Trainers' Association.

# Host Families

## The Heart of the Hawks

One of the most important contributions the Hyannis Harbor Hawks receive each summer comes from our host families. Without the generosity of these families, who open their spare bedrooms for our team members and coaches we would not be able to compete in the Cape Cod Baseball League.

It is more than just a spare bedroom. It is an experience. Families connect and bond with the players and their families—very often form lifelong relationships. Players arrive in mid-June and stay through early August, but the memories stay with the family forever!

All you need to provide while these players chase their dreams is a private bedroom, a hot meal each day and access to laundry facilities. Our players will work together to make sure they have transportation to and from the field for practices and games. The Hyannis Harbor Hawks will also give your family a small stipend to help offset the cost of food for your athlete.
