LAST TIME OUT: CANADA

The 18U National Team bounced back from its first loss in its seven-game friendship series against Canada on Tuesday, September 7, with a commanding 9-0 victory on Wednesday, September 8. After collecting just four hits in the 3-2 loss, Team USA tallied ten on Wednesday and the pitching staff remained dominant to protect the offense's production. U.S. starting hurler Cade Fisher (Dalton, Ga.) combined with relievers Andrew Dutkanych (Indianapolis, Ind.), Jackson Ferris (Mount Airy, N.C.), and Gavin Guidry (Lake Charles, La.) to throw a two-hit shutout against Canada that marks the first shutout of the series for either team. On the offensive side, the U.S. struck early with two runs in the top of the second and one in the third before piling on six runs in the fifth to seal the victory.

TERMARR-VELOUS OFFENSIVE PRODUCTION

Termarr Johnson (Atlanta, Ga.) has been on fire throughout the entire seven-game series against Canada this week. The infielder has played in each of the first six games of the series - including starting in five of those - and currently leads Team USA in multiple offensive categories going into the series finale. Through six contests, Johnson paces the U.S. in hits (8), RBIs (7), walks (8), stolen bases (5), on-base percentage (.654), and his tied for the team lead in runs scored with six. He also launched a grand slam

in game two of the series on September 4 and owns a .471 batting average ahead of the series finale on Thursday.

HI, OUR NAME IS TEAM USA AND WE HIT DINGERS

Team USA is already showing off some serious power through the first six games of its seven-game series against Canada, having already crushed at least one bomb in each of the first five games of the series for a total of eight. Blake Mitchell (Sinton, Texas) got the dinger party started in game one with a three-run shot that helped lead Team USA to a 16-2 victory over Canada on September 3, and Termarr Johnson (Atlanta, Ga.) and Paxton Kling (Roaring Spring, Pa.) kept the momentum going in game two. Johnson came to the plate with the bases loaded and laced a ball over the left field fence for a go-ahead grand slam while Kling followed two innings later with a two-run blast over the left-center wall. The two homers highlighted another big win as the U.S. took game two, 10-2, over Canada.

On Sunday, Kling added his second homer of the series with a solo shot that opened the scoring in the contest and Elijah Green (Windermere, Fla.) launched two dingers in the game to extend the U.S. lead and secure the 6-2 victory. Green then hit a moonshot to center field in Monday's 16-1 series-clinching victory and destroyed a ball to left in Tuesday's 3-2 loss for a series-leading four so far this week.

LONG(GONE) BALLS

The 18U National Team hasn't just hit longballs in this seven-game series against Canada, it has hit balls that are long gone. Seven of Team USA's eight bombs through six games of the series have traveled over 400 feet, led by Elijah Green's (Windermere, Ga.) 456-foot dinger in game four on Monday, September 6. Paxton Kling (Roaring Spring, Pa.) has also contributed over 800 feet of homers, launching his first homer 401 feet and his second 417 feet. Green's series-leading four homers have gone a combined 1,715 feet.

STREAKING THROUGH THE SERIES

Paxton Kling (Roaring Spring, Pa.) has a five-game hit streak going right now, collecting at least one hit in Team USA's first five games against Canada. Elijah Green (Windermere, Fla.) also goes into the series finale with a hitting streak, having collected at least one hit in each of Team USA's last four games, including a team-leading four home runs.

CAN'T TOUCH THIS

The 18U National Team pitching staff has been lights out through the first five games of the seven-game friendship series against Canada. Collectively, they have allowed just eight earned runs through six games and collected 80 strikeouts, holding Canadian batters to a miniscule .164 batting average. They have also combined to toss double-digit punchouts in five of the six games so far, recording 17 in both game two on September 4 and game three on September 5 before tallying 11 in game four on September 6 and 12 in game five on September 7. In a combined two-hit shutout performance on Wednesday, September 8, four U.S. pitchers collected 13 punchouts. Louis Rodriguez (Long Beach, Calif.), Cade Fisher (Dalton, Ga.), and Jackson Ferris lead all U.S. pitchers with 10 strikeouts each in the series. The next closest are Owen Murphy (Riverside, Ill.) and Michael Kennedy (Troy, N.Y.) with six each.

THESE BATS WERE MADE FOR CLINCHING

With four straight wins to start the seven-game friendship series against Canada, the 18U National Team clinched the series victory in dominant fashion on Monday. The U.S. jumped out to a fast start in the series, grabbing a 16-2 victory in game one on September 3 to set the tone for the rest of the first half. The squad didn't let up in game two on September 4 either as they put together a 10-2 victory with the pitching staff tallying 17 strikeouts. In game three, the offense cooled off just a little while still secure a strong 6-4 victory to start the series 3-0 on September 5.

The U.S. and Canada then took the series to Tropicana Field, the home of the Tampa Bay Rays, for game four with Team USA's first chance to clinch the series on the line - and the stars and stripes lived up to the challenge. Behind another double-digit victory, the U.S. improved to 4-0 and earned the series victory with a 16-1 defeat of Canada on September 6.

DOUBLES AND TRIPLES AND HOMERS, OH MY!

Through the first six games of the seven-game friendship series against Canada, Team USA has racked up 55 hits and 40% of those went for extra bases. The U.S. hit ten doubles, four triples, and eight home runs for a total of

22 extra-base knocks in its first six games. Elijah Green's (Windermere, Fla.) four home runs and Druw Jones' (Suwanee, Ga.) one double and two triples lead the squad, followed closely by Jayden Hylton (Palm Beach Gardens, Fla.) and Ryan Clifford (Raleigh, N.C.) with two doubles each, and Paxton Kling (Roaring Spring, Pa.) with two dingers.

CANADA, EH?

Both Team USA and Canada were set to play in the World Baseball Softball Confederation (WBSC) U-18 Baseball World Cup this summer but after the tournament's postponement to 2022, the two programs decided to keep each other on their schedules. After the U.S. names its final 26-man 18U National Team on August 31, Team USA and Canada will go head-to-head in a seven game friendship series starting on September 3. The two teams have a long history of competition in both international tournaments and international friendship series since 1987. The U.S. holds a 36-6-1 all-time record over its neighbor to the north, including victories in the last six matchups between the two programs.

Additionally, the two teams have met in two gold medal games over the years, with Team USA coming out on top in both. The red, white, and blue took the gold in the COPABE Pan Am "AAA" Championships on November 27, 2011, with a 12-2 defeat of Canada before earning a world championship with a 6-2 victory over the Canadian squad in the International Baseball Federation (IBAF) "AAA" World Cup on September 8, 2012.

Most recently, Team USA took on Canada in the Super Round of the 2019 WBSC U-18 Baseball World Cup. Behind a complete-game shutout performance by Ben Hernandez (Chicago, Ill.) for the U.S., the stars and stripes took down Canada 10-0 on September 5, 2019, at the Gijang-Hyundai Dream Ballpark in Gijang, South Korea to claim its sixth win of the World Cup.

LET'S PLAY...SEVEN

In 2021, Team USA will take on Canada in a seven-game friendship series that was added to the schedule following the postponement of the 2021 WBSC U-18 Baseball World Cup to 2022. The series will kick off on September 3 with three games at Ed Smith Stadium in Sarasota, Florida, before the two teams head to Tropicana Field on September 6. The final three games of the series will be played at LECOM Park (September 7, September 9) and Pirate City (September 8) in Bradenton, Florida.

A (PDP) LEAGUE OF THEIR OWN

Twenty-two members of the 2021 26-man 18U National Team were selected from the 2021 Prospect Development Pipeline (PDP League), which serves as a primary identification event for the 18U National Team program. The PDP League, which took place in Cary, North Carolina, from July 24-31, is an invitation-based development and assessment opportunity for high school players eligible for the following year's MLB Draft. It provides athletes with an unprecedented amateur experience, including competitive gameplay, player development sessions, educational seminars, and additional programming aimed to prepare players for a professional baseball career.

TEAM USA TIMES TWO, THREE, AND FOUR

Four players are making a return to the red, white, and blue in 2021 after representing the stars and stripes in previous international competition. Karson Bowen (Anaheim Hills, Calif.) has played for three other national teams in his career, including the 2016 12U National Team and both the 2018 and 2019 15U National Teams. He won a silver medal with Team USA in 2016 and helped the U.S. win back-to-back gold medals in 2018 and 2019.

Two-time world champion Ryan Clifford (Raleigh, N.C.) was named to his third national team on Tuesday. He not only helped the 12U National Team earn its second consecutive WBSC U-12 Baseball World Cup title in 2015, but also played a role in the 15U National Team's first-ever world championship at the 2018 U-15 Baseball World Cup.

Louis Rodriguez (Long Beach, Calif.) is now a three-time USA Baseball alum after playing with Bowen on both the 2016 12U National Team and the 2019 15U National Team, and Termarr Johnson (Atlanta, Georgia) will make his second appearance in international competition for Team USA in 2021, joining 2019 15U National Team teammates Bowen and Rodriguez on this year's 18U National Team.

AND FOR THE FIRST TIME IN THE RED, WHITE, AND BLUE

Out of 26 players on the 2021 18U National Team, 22 are making their USA Baseball national team debuts in this summer's seven-game friendship series against Canada.

KEEP YOUR SILVER, GIMME THAT GOLD

In 31 international competitions since 1987, the 18U National Team has won 13 gold medals, including eight in a row from 2011-2018. The program has also brought home five world championships in its history, winning four consecutive world titles in 2012, 2013, 2015, and 2017.

WORLD CHAMPION MANAGER

Jason Maxwell is back at the helm of a USA Baseball national team in 2021 for the first time after leading the 15U National Team to the program's first-ever world championship in 2018 at the WBSC U-15 Baseball World Cup. Under his guidance the 15U squad finished the tournament with an 8-1 record, a .323 batting average, 69 RBIs, 17 doubles, five triples, and three home runs while outscoring opponents 88-13. In addition, the pitching staff tallied a collective team ERA of 1.24 over 58 innings of work and four of Maxwell's players were named to the WBSC U-15 Baseball World Cup All-World Team. The team was named the 2018 USA Baseball Team of the Year and Maxwell was honored as the 2018 USA Baseball Developmental Coach of the Year for his work with the squad.

ALL-STAR ASSISTANTS

In 2021, the 18U National Team coaching staff features not one, not two, but three former MLB All-Stars. Michael Cuddyer (2011, 2013) and Brad Penny (2006, 2007) were both named to two All-Star Games in their lengthy major league careers, while Jack Wilson earned the honor in 2004.

In 2011, Cuddyer was selected to his first All-Star game, finishing that season on the Minnesota Twins with 150 hits, including 29 doubles, two triples, and two home runs. He also drove in 70 RBIs and stole 11 bases while recording a .284/.346/.459 slash line. He went on to earn the honor a second time in 2013 - the same season he won the National League batting champion title after recording a .331 average on the year. That season, Cuddyer also tallied 84 RBIs and had another 20-home run campaign.

Penny made his first All-Star Game appearance in 2006 and finished that season with a 4.33 ERA, a career-high 148 strikeouts, and a league-leading 16 wins for the Los Angeles Dodgers. In 2007, he collected a 3.03 ERA, 135 punchouts, and an MLB-best .800 (16-4) win percentage to earn his second All-Star Game selection in as many years and finish third in National League Cy Young Award voting. He finished his playing career with stints playing for the Boston Red Sox, San Francisco Giants, St. Louis Cardinals, and the Detroit Tigers before returning to the Marlins in 2014 for the final season.

Wilson was named to the 2004 MLB All-Star Game in just his fourth big league season. He finished that season leading the National League in triples with 12 while also hitting 11 home runs and a career-best 41 doubles. The infielder also recorded a career-best mark in runs scored that season, crossing the plate 82 times while also driving in 59 runs.

TEAMMATES ALL YEAR LONG

The 2021 18U National Team features two sets of players that are already very familiar with playing with each other. Karson Bowen, Louis Rodriguez, and Oliver Santos all play high school baseball together at Orange Lutheran, while Elijah Green and Jackson Ferris are teammates at IMG Academy during the high school season.

IT RUNS IN THE FAMILY

For two members of the 2021 18U National Team, baseball is a family pastime. Druw Jones (Suwanee, Ga.) is the son of five-time MLB All-Star, 10-time Gold Glover, and 2005 National League home run leader, Andruw Jones. Additionally, 18U National Team middle infielder Jackson Holliday also grew up around the game, watching his dad - seven-time MLB All-Star and 2011 World Series Champion, Matt Holliday - play.

BASEBALL MUST BE COUNTRY-WIDE

Fifteen different states are represented on Team USA's 26-man roster. Georgia leads all states with four players hailing from the Peach State, followed closely by California and North Carolina with three representatives each. Florida, Louisiana, and Oklahoma all have two athletes on the 2021 18U National Team while Alabama, Illinois, Indiana, New Hampshire, New York, Pennsylvania, Texas, Virginia, and Wisconsin all boast one player.

BACK AGAIN: USA BASEBALL ALUMNI ON THE ROSTER

Four former USA Baseball national team alumni will wear the red, white, and blue once again in 2021 as they suit up for the 2021 18U National Team, including Karson Bowen (Anaheim Hills, Calif.) who was named to his fourth national team this summer. All four of the alums have won gold medals in their careers with Team USA. Bowen and Ryan Clifford (Raleigh, N.C.) were members of the 2018 15U National Team that won the program's first-ever world championship at the 2018 WBSC U-15 Baseball World Cup. The title was Clifford's second after he helped the 2015 12U National Team win its second consecutive world championship at the WBSC U-12 Baseball World Cup.

USA BASEBALL COACHING STAFF

JASON MAXWELL

MANAGER

2021 marks Maxwell's third time coaching for Team USA and his second stint as a manager for the red, white, and blue. After helping to guide the 2016 15U National Team to a WBSC U-15 Baseball World Cup bronze medal as an assistant coach, Maxwell made his managerial debut in 2018 and led the 15U National Team to the program's first-ever world championship. The U.S. finished the tournament with an 8-1 record, a .323 batting average, 69 RBIs, 17 doubles, five triples, and three home runs while outscoring opponents 88-13. In addition, the pitching staff tallied a collective team ERA of 1.24 over 58 innings of work and four of Maxwell's players were named to the WBSC U-15 Baseball World Cup All-World Team. The team was named the 2018 USA Baseball Team of the Year and Maxwell was honored as the 2018 USA Baseball Developmental Coach of the Year for his work with the squad.

Maxwell has also served as the field coordinator for the 2017 14U National Team Development Program (NTDP) and has worked at numerous National Team Trials, the USA Baseball National Team Championships, and the USA Baseball National Team Identification Series (NTIS) throughout his tenure with USA Baseball.

Maxwell is the head coach at Ensworth School (Nashville, Tenn.) and is currently in his 17th season at the helm. He has led the program to eight straight playoff appearances and two Tennessee Secondary School Athletic Association quarterfinal appearances. Prior to his coaching career, he was an All-Conference player for Middle Tennessee State University in 1992 and 1993 before being selected by the Chicago Cubs in the 1993 Major League Baseball Draft and playing 12 years of professional baseball. After six seasons in the minor leagues, Maxwell made his Major League debut with the Cubs in 1998. He also saw playing time in the major leagues with the Minnesota Twins in 2000 and 2001 before beginning his coaching career in 2004 as the first coach in school history for Ensworth School. BRAD PENNY

PITCHING COACH

Penny will make his national team coaching debut with the 2021 18U National Team staff after serving as a coach at the inaugural MLB Draft Combine from June 20-18 and the 2021 PDP League from July 24-31. Both events were hosted at the USA Baseball National Training Complex in Cary, North Carolina. Under Penny's guidance at the PDP League, Team Light Blue's pitching staff tallied a 3.20 ERA in 39.1 innings of work while collecting 64 strikeouts and allowing just six extra base hits en route to earning the 2021 PDP League championship. In addition to his USA Baseball coaching experience, Penny also donned the stars and stripes as a player when he suited up for the organization's first Professional National Team in 1999. The squad won a silver medal at the 1999 Pan American Games, qualifying Team USA for the Sydney 2000 Olympic Games where the U.S. earned the gold medal with a 4-0 defeat of Cuba.

The right-hander was selected in the fifth round of the 1996 MLB Draft by the Arizona Diamondbacks to begin a 14-year MLB playing career that included two All-Star selections and a World Series championship. The Blackwell, Oklahoma, native finished his career with 121 wins, 1,273 strikeouts, and a 4.29 ERA in 1,925.0 innings pitched in the big leagues. After making his major league debut with the Miami Marlins in 2000, he helped lead the team to the organization's second World Series championship in 2003 with a 4.13 ERA in 32 starts during the season. Penny also made two starts in the Fall Classic against the New York Yankees, earning a 2-0 record while striking out seven in 12.1 innings of work.

Penny made his first All-Star Game appearance in 2006 and finished that season with a 4.33 ERA, a career-high 148 strikeouts, and a league-leading 16 wins for the Los Angeles Dodgers. In 2007, he collected a 3.03 ERA, 135 punchouts, and an MLB-best .800 (16-4) win percentage to earn his second All-Star Game selection in as many years and finish third in National League Cy Young Award voting. He finished his playing career with stints playing for the Boston Red Sox, San Francisco Giants, St. Louis Cardinals, and the Detroit Tigers before returning to the Marlins in 2014 for the final season.

MICHAEL CUDDYER

ASSISTANT COACH

//PRONUNCIATION: CUH-DYE-ER//

Cuddyer will make his USA Baseball coaching debut in 2021 but is no stranger to the stars and stripes, having played on both the 1996 and 1997 18U National Teams. He hit .367 and recorded the second-most RBIs (5) on the 1996 squad. In 1997, he hit .397 with a .853 slugging percentage while leading the team in RBIs (26) and home runs (7). In that same year, he was named the Virginia Player of the Year, Gatorade National Player of the Year, and a USA Today All-Star. Cuddyer was selected ninth overall by the Minnesota Twins in the 1997 MLB Draft before making his MLB Debut in 2001. In his 15-year MLB career, he played in over 1,500 games, spending the first 11 seasons of his career with the Twins where he was named to his first All-Star team in 2011. From 2012 to 2014, Cuddyer played for the Colorado Rockies and was selected to his second All-Star team in 2013. Cuddyer was also a 2013 Silver Slugger and finished the season with the National League batting title, hitting a league-best .331 with a career-high 162 hits. Cuddyer was only the 30th Major League player to hit for the cycle twice in his career and was just the third to accomplish the feat in both the American and National Leagues. Since retirement, Cuddyer contributes a weekly online video series called "Cuddyer's Corner" for the USA Baseball Develops blog, covering topics surrounding the game to help young athletes grow both on and off the field.

JACK WILSON

ASSISTANT COACH

Rounding out the staff is Wilson who also makes his USA Baseball coaching debut this summer. Currently the head coach at Thousand Oaks High School (Thousand Oaks, Calif.), Wilson led the Lancers to a 24-6 overall record, including a 10-2 mark in league play, en route to winning the Marmonte League championship in 2019. He followed that by managing the squad to an 8-0 start to the 2020 season and a No. 1 CIF-SS Division 2 ranking before the pause in play caused by COVID-19. Under Wilson's guidance, the program picked up where it left off in 2021 as the Lancers claimed another Marmonte League championship and finished with a 27-1 record. Before beginning his coaching career, Wilson played for the Pittsburgh Pirates, Seattle Mariners, and Atlanta Braves for over 12 years in the big leagues. He led the National League with 12 triples in 2004, earning a spot on the National League All-Star team and a Silver Slugger award for his efforts. 2021 18U NATIONAL TEAM | RECAPS & STATS

UNITED STATES VS. CANADA // W, 16-2

Highlighted by a three-run homer off the bat of Blake Mitchell (Sinton, Texas), the 18U National Team secured a dominant ___ over Canada in the first of a seven-game friendship series between the two countries on Friday at Ed Smith Stadium in Sarasota, Florida.

Team USA broke the game wide open immediately with seven runs in the bottom of the first and never looked back. After Canada got one back in the top of the second, Mitchell's three-run longball in the bottom of the third extended the lead back out and made it a 10-1 game. Canada plated one more in the fourth to cut the U.S. lead to eight but Team USA wasn't done as the squad capitalized on a few Canada miscues in the fifth and got a bases-clearing triple from Owen Murphy (Riverside, Ill.) in the eighth for the final 16-2 score.

Termarr Johnson (Atlanta, Ga.), who went 3-for-4, and Ryan Clifford (Raleigh, N.C.), who finished 2-for-3, collected Team USA's multi-hit games on the night while Mitchell and Murphy were responsible for three RBIs each. Gavin Kilen (Milton, Wis.) also tallied a hit and two RBIs in the win and Paxton Kling (Roaring Spring, Pa.) scored three runs.

Andrew Dutkanych (Indianapolis, Ind.) got the start for Team USA and went four strong innings, allowing just one earned run on five hits and one walk while striking out two. Cade Fisher (Dalton, Ga.) was credited with the win following his four scoreless innings of relief in which he gave up just two hits and tallied five punch outs. Canada's Micah Bucknam suffered the loss after allowing 10 runs on five hits and issuing five walks in his 2.1 innings of work.

UNITED STATES VS. CANADA // W, 10-2

Behind a Termarr Johnson (Atlanta, Ga.) grand slam and a Paxton Kling (Roaring Spring, Pa.) two-run homer, the 18U National Team put together another offensive show to take down Canada, 10-2, in game two of a seven-game friendship series on Saturday at Ed Smith Stadium in Sarasota, Florida.

Canada got on the board first with two runs in the bottom of the first but Team USA didn't stay down long, using clutch hitting and Johnson's go-ahead grand slam to plate six runs in the top of the second for a 6-2 advantage. A pair of runs in both the third and fourth innings put the game out of reach and secured the 10-2 victory and a 2-0 series lead for the U.S.

Multi-hit games from Jackson Holliday (Stillwater, Okla.) and Jayden Hylton (Palm Beach Gardens, Fla.), as well as Johnson's four RBIs, paced Team USA at the plate. Kling added two runs scored to his two RBIs in the contest while Holliday also crossed the plate twice.

Louis Rodriguez (Long Beach, Calif.) was credited with the win in the contest after five stellar innings of relief. The right-hander did not allow a hit or a walk in his scoreless outing while striking out 10 batters. Canada's Turner Spoljaric (0-1) was tagged with the loss after allowing eight runs on eight hits and one walk in his three-inning start.

UNITED STATES VS. CANADA // W, 6-2

Elijah Green (Windermere, Fla.) crushed two home runs and Paxton Kling (Roaring Spring, Pa.) added one of his own to pace Team USA's 6-2 defeat of Canada on Sunday night at Ed Smith Stadium in Sarasota, Florida. The victory is the third consecutive for the stars and stripes, giving them a 3-0 advantage in the seven-game friendship series.

For the third time in as many games, the U.S. broke onto the scoreboard first with two runs in the second inning, including Kling's solo shot over the left field fence to start things off. The teams traded runs in the third and fourth before Green launched his first moonshot of the night to extend the U.S. lead to 5-1. Canada added one more in the top of the fifth to get within three but Green's second homer of the night, an eight-inning solo bomb into the parking lot, sealed the 6-2 victory.

Green's two home runs and three RBIs led the U.S. offense on the night while Kling finished 2-for-2 with his own homer and two walks. Termarr Johnson (Atlanta, Ga.) drew a walk every time he came up to bat, tallying five in the contest, and Owen Murphy (Riverside, Ill.) went 1-for-3 with an RBI and a run scored.

Joe Allen (Hampton Falls, N.H.) got the ball to start the game for Team USA and

went three strong innings, giving up just one hit and one walk while striking out five. Jack O'Connor (Arlington, Va.) was credited with the win after striking out four batters and allowing just two hits and a walk in two scoreless innings of work. Owen Millar, who started on the bump for Canada and gave up three runs on four hits, suffered the loss.

UNITED STATES VS. CANADA // W, 16-1

Owen Murphy (Riverside, Ill.), Walter Ford (McCalla, Ala.), and Riley Stanford (Gainesville, Ga.) combined to toss eight hitless innings as the 18U National Team clinched its seven-game friendship series against Canada with a 16-1 victory at Tropicana Field on Monday in St. Petersburg, Florida. Team USA improved to 4-0 in the series with the win.

The U.S. offense got rolling early by capitalizing on a few Canada errors to take a 2-0 lead in the top of the first and never let up. Another run in the third made it 3-0 before Team USA used a three-run fourth and a two-run fifth, highlighted by Elijah Green's (Windermere, Fla.) third dinger of the series and a two-RBI triple from Druw Jones (Suwanee, Ga.), to take an 8-0 lead. After a quiet sixth inning, the stars and stripes piled on eight runs in the final three innings to take a commanding 16-0 lead before Canada scored one in the ninth for the 16-1 final score.

Jones finished 2-for-5 with two triples, two RBIs, and two runs scored in the game and RJ Austin (Atlanta, Ga.) also recorded a multi-hit game to lead Team USA's offense. Karson Bowen (Anaheim Hills, Calif.) recorded two RBIs of his own in the win while scoring two runs and drawing a pair of walks.

Ford threw three scoreless innings of relief and did not give up a hit while striking out four batters to earn the win. Canada's Parker Burgess suffered the loss after allowing four earned runs on five hits in two innings on the mound.

UNITED STATES VS. CANADA // L, 2-3

Runs in the sixth and eighth innings weren't enough for the stars and stripes as the 18U National Team suffered its first loss of a seven-game friendship series against Canada on Tuesday, dropping a 3-2 contest at LECOM Park in Bradenton, Florida. Team USA falls to 4-1 in the series with the loss.

Canada jumped out to an early lead that the U.S. offense couldn't overcome with two runs in the top of the second. Team USA finally broke onto the scoreboard in the bottom of the sixth and added a second run in the bottom of the eighth with Elijah Green's (Windermere, Fla.) fourth home run of the series. But Canada's insurance run in the top of the eighth proved to be the difference and the stars and stripes fell, 3-2.

Green, Paxton Kling (Roaring Spring, Pa.), Walker Jenkins (Oak Island, N.C.), and Termarr Johnson (Atlanta, Ga.) were responsible for Team USA's four hits in the game. Druw Jones (Suwanee, Ga.) and Green each collected an RBI in the loss while Blake Mitchell (Sinton, Texas) scored a run and drew two walks.

Kade Anderson (Madisonville, La.) got the start for the red, white, and blue and suffered the loss in the contest after allowing two runs on three hits and one walk in three innings of work. The southpaw also struck out five batters in the game. Canada's Reece Usselman earned the win with his two innings of scoreless relief in which he gave up just one hit while Jordan Woods earned the save.

UNITED STATES VS. CANADA // W, 9-0

Behind a stellar two-hit shutout from U.S. pitchers Cade Fisher (Dalton, Ga.), Andrew Dutkanych (Indianapolis, Ind.), Jackson Ferris (Mount Airy, N.C.), and Gavin Guidry (Lake Charles, La.), the 18U National Team earned a 9-0 victory over Canada on Wednesday at Pirate City in Bradenton, Florida. Team USA improves to 5-1 in the seven-game friendship series with the win.

A clutch bases-loaded, two-RBI single from Termarr Johnson (Atlanta, Ga.) started the scoring for the U.S. in Wednesday's contest and the stars and stripes never looked back. After adding one run in the third, Team USA piled on six in the fifth for a commanding 9-0 advantage that it wouldn't relinquish as the pitching staff secured the victory.

Elijah Green (Windermere, Fla.) and Johnson paced the offense in the victory with multi-hit games. Johnson also collected three RBIs while Ryan Clifford (Raleigh, N.C.) tallied two of his own with a double in the fifth. Walker Jenkins (Oak Island,

N.C.), Riley Stanford (Gainesville, Ga.), Karson Bowen (Anaheim Hills, Calif.), and Jackson Holliday (Stillwater, Okla.) also recorded hits in the win.

Fisher got the start in the game and allowed just two hits and two walks in his four scoreless innings of work. Ferris was perfect in his two innings of relief to earn the win, striking out four without allowing a hit or a walk. Canada's Caleb Clark, who allowed three runs on four hits, was tagged with the loss.
