Welcome Back

Under the Lights at Judy Walden Scarafile Field

Hawks Nation,

As we gear up for another exciting season of baseball, I want to extend a warm welcome to all our players, coaches, interns, fans, board members, and host families. Your unwavering support is what makes our community special, and I am thrilled to have you all on this journey with us.

A heartfelt thank you to our dedicated board members for your countless hours of hard work and commitment to the organization. Your passion for the Hyannis Harbor Hawks shines through everything we do, and I am truly grateful for your efforts.

I would also like to express my appreciation to our wonderful host families. Your generosity and hospitality provide our players with the support they need to thrive on and off the field. Thank you for opening your homes and hearts to our team.

I would like to extend a special thank you to the Hyannis restaurant community for generously supplying meals to our team. Your support sustains our players and keeps their spirits high as they compete, and we are incredibly grateful for your contributions.

This season is particularly exciting thanks to a generous \$20,000 grant from the Yawkey Foundation. This funding will be allowed to purchase new bleachers and conduct crucial renovations to our press box, enhancing the experience for everyone who walks through our gates. We are committed to making the Hyannis Harbor Hawks a place where memories are made and cherished.

I look forward to seeing you at the ballpark as we embark on this new season together. Let's cheer loudly, support each other, and make every game unforgettable!

Go Hawks!
Sincerely,
Dan Johnson
President, Hyannis Harbor Hawks

**71,600
Meals.**

We're working to knock hunger out of the park!

Every time a participating home team hits a home run in a Cape Cod Baseball League game, we donate \$50 to the Family Pantry of Cape Cod, which in turn, provides meals to our neighbors in need. Over the last six years, we are pleased to say our Home Runs Against Hunger program has served up more than 71,000 meals.

Hyannis Harbor Hawks Internship Program

The Hyannis Athletic Association relies on the hard work and talent of high school college interns to help make the season a smooth running and memorable one. These dedicated interns cover everything from game day operations to social media and photography, broadcasting, and baseball operations. Dozens of our interns have gone on to secure jobs with MLB and MLB organizations.

If you are a student interested in an internship with the Hyannis Harbor Hawks, please contact Leah Rogers at interns@harborhawks.org.

MEET THE COACHES

Sean Riley — Hitting Coach

Coch Sean Riley is a Massachusetts native where he graduated from Lowell High School. He captained the baseball and basketball teams and then went on to play at Chipola Jr. College (Marianna, FL). He has coached for over 25 years on the east and west coast and many of his former players have gone on to play at the college and pro level.

Coch Riley’s coaching experience ranges from time with the Lowell American Legion Baseball Team to most recently working at San Joaquin Delta College (Stockton, CA).

Ray Korn — Pitching Coach

Ray Korn has great experience coaching teams like the 1990 USA Junior National World Champion- ships and coaching for minor league affiliate teams for the Detroit Tigers and the Chicago Cubs. He was inducted into the American Baseball Coaches Hall of Fame in 2015. Coch Korn has great experience in developing young athletes, and will look to continue to do that this season with the Harbor Hawks.

Blaise Martinez –

Blaise Martinez serves as the pitching coordinator at Cressey Sports Performance in Hudson, Massachusetts, one of the nation’s premier training facilities for baseball athletes. At CSP, Blaise leads pitching development with a focus on individualized programming backed by biomechanics, high-speed video, force plate data, and pitch tracking technology. The facility’s data-driven, evidence-based approach allows him to blend cutting-edge sports science with personalized coaching to help pitchers optimize performance and stay healthy.

With over eight years of coaching experience, Blaise has worked at highly regarded programs including Don Bosco Preparatory School and Delbarton Preparatory School, both known for their strong baseball traditions. He is currently the varsity pitching coach at Lawrence Academy in Groton, Massachusetts, where he has helped lead multiple programs to county and state championships.

Prior to joining CSP, Blaise was part of the staff at VeloU in Pleasantville, New York, and also coached at Teel’s Baseball and Performance in New Jersey, where he worked with athletes across all levels.

He holds both a B.S. and M.S. in Exercise Science and Education, combining academic knowledge with practical coaching experience to deliver high-level pitching instruction.

Mitch Karraker — Field Manager

Mitch Karraker is a native of Clovis, California, and currently serves as the Head Coach at Fresno City College. Karraker replaced former Head Coach Ron Scott, who is the winningest Junior College baseball coach in California history, and led his team to an impressive 34-12 record in his inaugural season.

Karraker began his personal collegiate playing career at Fresno City College before transferring to the University of Oregon, where he spent 3 seasons as a catcher for the Ducks from 2009-2011. After graduating, Karraker transitioned into a coaching role at Oregon, where he coached in numerous roles from 2011-2019 under the legendary George Horton, a National Championship winning coach at California State Fullerton who revitalized Oregon’s previously dormant baseball program during his tenure.

In 2012 and 2016, Karraker had two stints coaching for Team USA Collegiate National Team on a staff that included George Horton (Former Head Coach, Oregon and Cal State Fullerton), Andy Stankiewicz (current Head Coach at the University of Southern California), Jason Gill (Assistant Coach, Cal Poly), Ted Silva (Former Assistant Coach, University of Nebraska, USC, Cal State Fullerton), and John Altobelli (Former Head Coach, Orange Coast College and Brewster Whitecaps Head Coach).

In 2019, he became an assistant coach at Baylor University, under Head Coach Steve Rodriguez, who now serves as the hitting coach at the University of Texas. In 2021, he took the assistant coaching job at Loyola Marymount University, where he served as the hitting and outfielder’s coach. He also served as the Head Coach of the Klamath Falls Gems, a summer league team in the West Coast League.

Off the field, Karraker has been married to his wife Kelly for eight years, and they are blessed with three wonderful daughters, Ella, Nora, and Sophie. His hobbies include golfing, cooking, fitness, and being with family.

Rich Cogliano – Bench Coach

Rich was born and raised in Brockton Ma. A 1985 graduate of Brockton High School, he attended Kirkwood Community College in Cedar Rapids Iowa and the University of Iowa. Rich was a long time coach and GM in American Legion baseball in the Brockton area. Rich lives with his wife Maria in West Barnstable.

Host Families

The Heart of the Hawks

One of the most important contributions the Hyannis Harbor Hawks receive each summer comes from our host families. Without the generosity of these families, who open their spare bedrooms for our team members and coaches we would not be able to compete in the Cape Cod Baseball League.

It is more than just a spare bedroom. It is an experience. Families connect and bond with the players and their families-very often form lifelong relationships. Players arrive in mid-June and stay through early August, but the memories stay with the family forever!

All you need to provide while these players chase their dreams is a private bedroom, a hot meal each day and access to laundry facilities. Our players will work together to make sure they have transportation to and from the field for practices and games. The Hyannis Harbor Hawks will also give your family a small stipend to help offset the cost of food for your athlete.

RED SHIRT FRIDAYS

Red Shirt Friday is a national program created to support our troops in harm's way and promote public awareness. We will do this by wearing red every Friday. Each home team will wear a specially designed uniform jersey to support this program. Join us in wearing **Red** too!

PROUDLY SUPPORTED BY:

Est. 1994

Perpetuating Tom Yawkey and Jean Yawkey's love for baseball, the Yawkey Foundation recently awarded a generous grant to the Hyannis Harbor Hawks. These funds will be invested right here in Hyannis to ensure that players, fans and our community enjoy improved equipment, facilities, and the overall game experience, this season and beyond.
