Welcome to Falmouth!

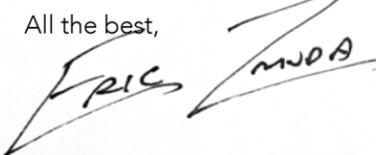

The 2022 Cape Cod Baseball League season is here and we're back to watch some more great games on Arnie Allen Diamond at Guv Fuller Field. The Commodores hold a special place in my heart as our family continues to host players for Falmouth each summer, as well as having had the honor of being a GM for the team for six years prior to becoming Commissioner for the league in 2019.

For Falmouth, I am very excited to see all of the changes that have come to Fuller Field, with the new backstop, netting, and larger dugouts and visiting bleachers – all done with funds raised over the years by the Commodores, the Town of Falmouth, and the Community Preservation Committee, that were all put together to create a more updated and modern environment for our players, coaches, staff, and fans to enjoy.

As the Cape League Commissioner, I again look forward to watching the best college players from across the country compete on the Cape as part of our 10 teams, in the best Summer Collegiate League in the nation. They will showcase their skills nightly for all of us, as well as the MLB scouts from all 30 teams that are looking for the next player to draft into their organization.

All of our teams have devoted and enthusiastic volunteers that have worked throughout the off-season prepping fields, gathering new gear, signing players, and preparing for a terrific summer for all to experience and enjoy. It's been said before that this is all done as a labor of love, and we want to give many thanks to everyone that worked tirelessly to make it happen. I encourage anyone interested in getting involved to ask team personnel how you can help. Consider becoming a Host Family, a Bat Boy/Girl, Bullpen Catcher, Board Member, or volunteer in so many other ways that can help the team. You won't regret it!

In the meantime, relax on the bleachers, your lawn chair, or on the blanket on the hill, and enjoy the game. Go 'Dores!

All the best,  
  
Eric Zmuda, Commissioner  
Cape Cod Baseball League

# FROM THE PRESIDENT

Welcome to All Our Fans to the 2022 Commodore Season:

It is a pleasure for me to welcome you all back to the start of the 2022 season. As I come to the end of my 36 years with the Commodores and the league, I am proud of how we have grown to become the best Summer College Baseball league in the country.

The Commodores' executive board and volunteers have worked extremely hard, year-round, to bring you the best summer baseball in the country. During the off season they are setting up housing, working on schedules and events, ordering merchandise to name only a few of the year-round tasks.

The team has become a proving ground for not only the players and coaches but the internet broadcasters, writers, the production people who provide the streaming of all our home games for the parents who cannot attend all the games but the fans, as well.

The General Manager and coaches have worked hard during the off season to select the top College Baseball Players in the country. This allows for us to provide, you the fans, the best baseball in the summer. Many of these players will be drafted and some will become "Where the stars of tomorrow shine tonight."

Our Host Families become second families to our players who have come from all over the country to play on the Cape. They open their homes and hearts to these ball players. Without the Host Families this team or the league could not exist.

I also want to take the time to acknowledge our Corporate Sponsors. They provide the team with over \$200,000 to allow the team to return year in and year out.

To all of you, our fans that come from both near and far, I want to thank you for all your support! Attending our games, both home and away, supporting our players and our sponsors allow us to remain the number one Summer College Baseball League in the US!

I also want to inform all our fans that the league has developed Policy and Procedures to deal with the COVID-19 virus. Those were developed by the league Medical Team which has the Falmouth Commodore Doctor, Dr. Donald O'Malley and our Athletic Trainer, Laura Murphy as an integral part of that team. Thank you, Doc and Laura.

So, fans... pull up a chair or put down a blanket, relax with a hot dog, soda and peanuts and watch the best of college baseball.

When you arrive at the park for the first time this year you will see the major renovations to this ballpark. The design has the safety of all to enjoy the sport. A special "THANK YOU" goes out to all that made this dream come true.

"Let's PLAY BALL!"

## FROM THE GENERAL MANAGER

Leading the team on the field this year will once again be the all time winningest coach in Commodores history Jeff Trundy. Coach Trundy enters the season with 494 total career wins as head coach of the Commodores. Supporting coach Trundy will be four familiar faces as all are returning coaches. Pitching coach Mike Landry will also be returning for his 11th season with the team, hitting coach Brett Becker will be returning for his 6th season, assistant coach Ryan Ihle will be returning for his 4th season and assistant coach Will Hawks will be returning for his 2nd season.

This year, Natalie and I would like to welcome the newest Commodore fan George Fitzgerald, our beloved son who was born in January.

As always, I would like to thank our community and fans from across the country for all your support. It is because of you we are able to continue this cherished franchise.

Chris Fitzgerald  
General Manager  
Falmouth Commodores

Welcome to another year of Dores baseball! The 2022 season will be an exciting one as we finally get to unveil the new dugouts, backstop, safety netting and visitor bleachers. I would like to thank the Falmouth CPC for the funding for these much needed improvements, as well as Green Acres Landscape & Construction Company for their work building it and Andrew Borgese of INTEGRATA architecture + construction for all the selfless hours spent designing and overseeing this project. I would also like to give a special thank you to Mark Kasprzyk, Dave Johnson and Bob Curtis from the Commodores for all their hard work seeing this project through to completion. There are so many others that had a hand in getting this completed and from the bottom of my heart I thank you all.

## FROM THE HEAD COACH

The 2022 Falmouth Commodores season fills me with gratefulness and excitement. After the painful loss of the 2020 season where so many great young players and people lost out on their opportunity to experience the Cape League, the 2021 summer was saved by the efforts of many, and players filled the fields again on the Cape. The 2022 season will see the return to even more normalcy and the Commodore family will have the added excitement with the long awaited field improvements becoming a reality. New dugouts, backstop, netting, fencing, stands and other additions will grace Guv Fuller and our players and fans will all benefit from the hard work of many unselfish and dedicated individuals and groups.

I wish to take this opportunity to thank the many people, organizations, and businesses who all contributed to make these improvements become a reality.

And I certainly need to mention our Commodores Faithful – the Fans, who enthusiastically support and cheer us on, night after night.

I also wish to express my appreciation to the members of the Commodores Family, comprised of our host families, our interns, our bat girls and bat boys, who make each season possible. The 2022 Commodores players have much to look forward to as they enter the summer of their lives. I am once again excited and grateful to be part of their journey.

Let the fun begin on the newly improved Guv Fuller Field. It will be a memorable summer for all.

All the best,  
Jeff Trundy

# 2021 SEASON RECAP: COMMODORES RETURN IN MEMORABLE SEASON

by Tommy Mumau

Photo by Meghan Murphy

The Falmouth Commodores' 2021 season was certainly one to remember, as the club made its return to the diamond after 683 days of anticipation. The club navigated the COVID-19 pandemic, as the world worked to return to normalcy.

Falmouth ultimately finished in fourth place in the West Division, posting a 14-19-2 record. Manager Jeff Trundy said that he was simply happy that the group had the opportunity to play in "the premier collegiate summer baseball league."

"It's just been so special to be able to see kids compete again and be able to enjoy a game that they love, and

they've worked so hard at," Trundy said. "And [to] have this opportunity to experience the Cape. The Cape is an awesome, awesome experience, and for these kids to be able to have that chance this summer, has been special."

The 2021 season presented unique challenges, including several rule changes. Any game that was unable to be played because of inclement weather was not made up at a later date, canceling five scheduled games. The Cape Cod Baseball League also did not play extra innings this season, resulting in two ties after nine innings, for Falmouth.

Despite facing these obstacles, this Commodores team gave the Falmouth faithful something to cheer for each night. First baseman Kris Armstrong (Florida) led the team in several offensive categories, posting a .308 batting average with seven home runs and 21 runs batted in.

Pitcher Anthony DeFabbia (Stetson) tied for the league lead in wins, tallying four victories for the 'Dores. The southpaw said that while his primary objective was to help the team win, he was proud to be at the top of the list in victories.

"It's pretty cool," DeFabbia said. "When I'm out pitching, I don't really try to focus on my individual stats, it's more [about] trying to help the team win in any way I can. But when you look at it, I think it's a pretty cool feeling to see your name at the top of the leaderboard."

Second baseman Brayden Taylor (TCU), outfielder Jace Bohrofen (Arkansas), and pitchers Chase Jeter (Sacred Heart) and Lucas Gordon (Texas) were named to the 2021 West Division All-Star team. But the league did not hold an All-Star game this season, due to the ongoing pandemic.

The 'Dores also delivered several memorable moments throughout the course of the summer. Armstrong gave the club its only walk-off of the season, crushing a game-winning blast against the Chatham Anglers on July 25.

Armstrong was also a part of the Commodores' offensive clinic on July 6 at Brewster, in which the club left the yard six times in a 14-2 victory over the Whitecaps.

Anthony Hall (Oregon) finished the season on a high note, ending the campaign with hits in 11 of his last 12 games, raising his batting average from .200 to .283. He tallied 18 hits, nine extra-base hits, nine RBIs, nine runs, seven walks and just six strikeouts over that stretch.

While the 2021 Commodores fell short of reaching the postseason, the organization achieved its goals of developing its players both on and off the field. Pitching coach Mike Landry said that he was thrilled to bring baseball back to Falmouth for a memorable season.

# COMMODORES BASEBALL CLINICS – A VIEW FROM THE INSIDE

Michael Butler was 9 years old when he first attended the Falmouth Commodores Baseball Clinics. Now, at age 15 and still attending the clinics, he provides his view.

Ah, the sounds of Guv Fuller Field – the crack of the wooden bat, the smack of the ball hitting the glove, and the roar of the fans – signal it's baseball season on the Cape. Though I love attending the Commodores games, some of my best summer memories come from the Falmouth Commodores baseball clinics. The highlight of the clinics is really the friendships you make. These friendships last all summer and include kids from all over the country. You not only form friendships with other kids, but you get to know the players, coaches, staff, and interns. Year after year, you see many of the same friends. At the end of the day, you can meet up with your friends at the Commodores games.

At the clinics, the Commodores players do a great job at putting on a variety of entertaining activities, many are focused on making your baseball skills better but also just making sure you have fun. Day-to-day activities include drills, competitions, and scrimmages; all things the players might do in their own practices. I know that by the end of the clinic week, I have improved and learned skills to make me a better player. Where else can you get baseball instruction from Division 1 players? Just getting a chance to watch and talk to them helps you improve.

The clinics also include enjoyable activities for kids and their families. Two of my favorites are the rag ball games and the end-of-the-week slip and slide, which is always fun, because the players participate too! I made a great choice in going to the Falmouth Commodores baseball clinics and I am looking forward to this summer. I hope you make the same choice too.

Michael Butler experiencing the joys of baseball and summers at Guv Fuller Field over the years.

# GUV FULLER FIELD RENOVATIONS

## A PUBLIC-PRIVATE PARTNERSHIP AND FUNDING

This year marks the culmination of a multiple-year effort to provide state-of-the-art facilities at Guv Fuller Field for the Falmouth Commodores and Falmouth High School baseball teams. Renovations include: a new solar-powered LED scoreboard; a newly constructed multipurpose building for advanced telecasting and audio broadcasting of games, space for retail sales of Commodores merchandise, and baseball equipment storage; and a recently added observation deck, known as the Crows Nest; all funded, in part, by private donations and the Falmouth Road Race.

In late 2021, through the winter and spring of 2022, major field renovations comprised of new dugouts, safety netting attached to a new brick wall and back-stop, visitor bleachers, and new fencing around the field were funded by a \$1M+ grant from the Falmouth Community Preservation Committee. Renovations will be completed by the time the first pitch is thrown out on June 12.

The transformation of Guv Fuller Field into one of the best in the Cape Cod Baseball League will be appreciated by fans and players alike. As an example, the installation of safety netting will provide a new level of protection from errant balls for both fans and players.

A special thank you to Integrata Architecture + Construction, Johnson Custom Homes, Inc and Holmes and McGrath, Inc for providing substantial in-kind services and value to the project.

So come out to a game and enjoy Commodores baseball in our new facilities. A dedication of the new field will be held at the Commodores game on June 30.

## LIVE FROM THE 2022 OLYMPICS IN BEIJING IT IS GABRIELLE LUCIVERO REPORTING FOR NBC CONNECTICUT!

regional college sports. In January of 2018, Gabby assumed a fulltime position as lead sports anchor and multimedia journalist for NBC CT, based in Hartford. Her most interesting assignment recently was covering the Winter Olympics in Beijing, China. Asked what the most exciting event was she experienced while there, she responded, "Interviewing my cousin, Lindsey Jacobellis, who won two gold medals for individual and mixed team snowboarding." How cool is that? She maintains contact with a few Commodores families and fellow interns whom she has met along the way. We look forward to watching Gabby as she ascends the ranks of sports reporting and broadcasting.

Gabrielle has come a long way since being an intern with the Falmouth Commodores in 2013. Originally from Boylston, MA, she and her family were frequent summer visitors to Cape Cod. Gabby came to the Commodores with an impressive resume, having already experienced internships with the Boston Bruins and CBS News in London. While attending Boston University (BU) as a Broadcast Journalism major, she was a radio host and television reporter for the BU stations. She was a competitive figure skater for BU, which held the national title, and also served as member and secretary of the BU snowboarding team. Graduating in 2014, she has since held a series of increasingly responsible positions in the sports reporting and broadcasting arena. She went on to hold a series of overlapping positions with Sportsnet New York, and was sideline reporter with Fox College Sports covering various teams and sports in the Atlantic Region, including the CCBL All Star Game. Breaking into the sports media world is not an easy task, so she also took on roles with Time Warner Cable Sports and News and Spectrum News, which covered everything from writing stories for print and reporting on high school and
