General Manager Team

Baseball Analytics Intern

The Falmouth Commodores is one of ten Cape Cod League Baseball Teams, the preeminent summer collegiate baseball league in the United States. Scouts from all major league teams attend games and many players are ultimately drafted to play in the MLB. Baseball Operations plays a major role in ensuring the success of our summer game schedule. Members of our Baseball Operations team have gone on to hold positions with Team USA, the Arizona Fall League, Perfect Game and management positions in baseball operations for D1 Power4 teams. This is an excellent opportunity to gain hands-on experience in the day-to-day operations and be recognized by professional organizations looking to hire Baseball Operations staff.

All intern positions are non-paying. Prospective interns must arrange for their own housing and transportation while on Cape Cod. The Commodores staff will assist where possible in helping interns find affordable lodging and part-time employment.

The Commodores are seeking a Baseball Analytics Intern, who will report directly to the Assistant General Manager. Responsibilities include:

- Provide analytical scouting reports to front office and coaching staff during winter and spring to assist with roster decisions
- Prepare advanced opponent scouting reports in the preferred format of the coaching staff
- Create visualizations and tables on players and opponents for coaching staff usage
- Deliver detailed reports directly to coaches for player development purposes
- Program, manage, and troubleshoot Game Day Signals system throughout the season

- Operate “Dores’ Analytics,” a public X account providing advanced baseball analytics to 200+ followers
- Actively participating in the Youth Clinics that occur Tuesday-Friday from 8:30-11:30am
- Assist front office and coaching staff with various operational and administrative tasks as needed
- Effectively communicating with coaching staff
- Assisting in maintaining the locker room and general team facilities
- Interns are expected on occasion to also staff other functions that may not be their primary role on an as needed basis at the discretion of their supervisor. Working as a group with varying responsibilities provides a powerful in-depth experience that exemplifies the high quality of the Falmouth Commodore program.

Qualifications:

- Prior experience producing advanced scouting reports for a college baseball program required
- Must have access to TruMedia and Synergy
- Advanced knowledge of Python and/or R is a plus
- Working knowledge of Trackman and 6-4-3 charts preferred
- Must be proficient in Microsoft applications (Word, Excel, PowerPoint, Access).
- Ability to communicate effectively with all aspects of the organization
- Professional attitude and work ethic with strong interpersonal skills
- Must be able to work in a fast-paced environment and effectively problem solve
- Must be highly organized and detail oriented
- The ideal candidate must be willing to work long hours, including days, nights, weekends and holidays
- Candidate enrolled at a college or university in either an undergraduate program or graduate program is preferred.
