USA Baseball is committed to growing the game and developing our players both on and off the field. In an effort to foster philanthropy, USA Baseball is working with long-time partner Pitch In For Baseball (PIFB) to collect new and gently used baseball equipment to help underprivileged kids around the world play ball.

If you are not familiar with this fantastic charity, Pitch In For Baseball was founded in 2005 and helps to increase access to the game by providing equipment to children and communities . Since its inception, PIFB has donated over $7 million worth of equipment to nearly 600,000 kids worldwide in over 90 countries and every state in the US. In addition to the partnership with USA Baseball, PIFB also works very closely with a broad network of partners including (but not limited to) Major League Baseball, Little League, Wilson Sporting Goods, Louisville Slugger, and current and former MLB players .

Here at USA Baseball, we believe it is important for players to give back. With Pitch In For Baseball, we are excited to offer our USA Baseball family an opportunity to recycle your unused gear and help another child get on the field.

How does it work?

USA Baseball has special bags with prepaid postage available for you to donate equipment! Donating is easy - just follow the steps below!

1. Pick up a donation bag (available at USA Baseball tournaments or by calling the office)

2. Fill it with any new or gently used baseball/softball gear

3. Complete the donor information form on the bag and place it inside the bag

4. Seal and drop off at any USPS Post Office location

Here are some examples of what equipment to include in your bag:

- Gloves/catcher's mitts
- Baseballs/softballs
- New socks
- Belts
- Rubber cleats

Don't have equipment to donate but still want to support PIFB?

- Make a donation online at pifb.org
- Checks can be made payable to Pitch In For Baseball and sent in a separate envelope to:
