CAPPY'S "NO CAP" STAT OF THE DAY:

The Whitecaps have won 20 games for the fourth time under manager Jamie Shevchik. In the skipper's 12-year managerial career the most regular season wins the 'Caps have had is 24 in 2015, Shev's first year at the helm.

Starting Pitcher
| #39 | GAINES ESTRIDGE |
RHP | AIR FORCE | DOB: 10-31-04 (21y, 265d)

This is Estridge's second start of the summer for the 'Caps. In his first Estridge worked through five innings and allowed just two runs. The Air Force product has a 3.00 ERA and a 0.83 WHIP this season.

Recap of last game:

The Brewster Whitecaps grabbed their 20th victory of the year with a 5-1 win over the Wareham Gatemen. Brewster starter Charlie Willcox took the hill for the last time with the 'Caps and put an exclamation mark on his season. The incoming sophomore threw four innings of scoreless ball with five strikeouts. The 'Caps struck first capitalizing on a passed ball in the second inning and took a 1-0 lead. In the fourth catcher Owen Jenkins laced his second hit of the day, a triple. Cash Strayer came around to score and the Whitecaps went up 2-0. Outfielder Michael Torres hit a sacrifice fly to center field to cap off the scoring and take a 3-0 lead. In the eighth Will Baker hit a two run shot for his first Brewster homerun and the 'Caps took a 5-0 lead. In the ninth things got a little dicey but the Gatemen scored only one and left the bases loaded en route to a 5-1 Brewster win.

GUARD THE... ?:

The Gatemen have done anything but guard against the Whitecaps here in 2026. Brewster has beat Wareham three times this season. The 'Caps are the only team to beat the Gatemen a trio of times and are one of just two teams (HYA) to not lose to Wareham. The Whitecaps can cap off a perfect 4-0 record against Wareham with a win this evening.

2025 SUMMARY: The Whitecaps wrapped up the 2025 regular season with their most wins since 2021 (22) and just their third 20-win season in the Jamie Shevchik era (others: 2015 & 2017). 61 players appeared in at least one game this past summer for the 'Caps - 27 position players, 34 pitchers - nearly 20% more players than the 2024 summer. Brewster's season began with a franchise-best 6-0 start, and the Whitecaps had the most wins in the league at the All-Star Break (15). The Whitecaps earned the three-seed in the East and a first-round matchup with the two-seeded Harwich Mariners. Brewster's season came to a close in a two games to one series loss.

Whitecaps playing for luxury, Gatemen playing for their season:

Brewster still has an outside chance at the No.1 seed. The 'Caps are three games back on the Red Sox but don't hold the tiebreaker. The Whitecaps are four and half games up on Harwich for the No.3 seed. On the other hand Wareham is just one back on Cotuit for the final playoff spot in the West. The Gatemen are playing the Kettleers tomorrow.
