Good Luck Y-D Red Sox!!!

Coaches & Trainers

Scott Pickler

Position: Manager
Experience: 18th season
Alma Mater: San Diego State

One of the most respected veteran community college coaches in the nation, 2015 marks Scott Pickler's 18th season at the helm of the Yarmouth-Dennis Red Sox. Pickler has enjoyed considerable success both within the Cape Cod Baseball League and at Cypress College, leading Y-D

to four Cape League Championships (2004, 2006, 2007, 2014) and runner-up finishes in two others, along with five East Division crowns.

"Pick" took over a struggling Cypress program in 1985, quickly turning the Chargers into a respected California powerhouse. He has been chosen as the National Coach of the Year for California Junior Colleges four times. Pickler, who also served as a coach for the 1995 USA Baseball National Trials, has led Cypress to five state championships (1991, 1994, 1997, 2003, 2013) and four runner-up finishes (1996, 1999, 2004, 2007).

With all of his professional accomplishments, Pickler's biggest victories and proudest moments come when he sees his athletes move to four-year colleges and universities or the professional ranks. Over 200 student-athletes have received scholarships, and more than 120 players have been selected in the Major League Draft. There have been 15 former Cypress Chargers and several other Y-D alums who have been brought up to the Majors in Pickler's tenure.

Before coming to Cypress, Pickler had an outstanding high school coaching career. In six seasons at Savanna and Loara high schools, he posted a combined record of 123-36 and won the CIF championship with his 1983 Loara squad. Pickler is a 1968 graduate of Savanna (Calif.) High, winning Athlete of the Year recognition. He attended Cypress College and earned All-Conference recognition under Coach Larry Mercadante. He earned a degree in physical education from San Diego State University and played second base for the Aztecs.

Pickler and his wife Sharon have two children; Jeff and Kari. Jeff was an All-Conference choice for his father at Cypress in 1995 and then went on to be an All-American and All-Academic American at the University of Tennessee. Kari is a graduate of UCLA and was a Bruins Song Leader. She has performed on Broadway in the musical "Big", is the owner of The E-Factor, and is the mother of Scott's first grandchild. Pickler's younger brother Brad is the head coach of the softball team at Cypress and has led the Chargers to eight state championships.

James Cordes

Position: Assistant Coach
Experience: Third Season
Alma Mater: University of Redlands '04 / Boston College '08G

After stepping aside for the 2014 season, James Cordes returned to the Y-D Red Sox coaching staff in the spring of 2015. Cordes previously worked in the same capacity under Y-D manager

Scott Pickler from 2012-13.

In his previous stint with the Red Sox, Cordes helped tutor Y-D to a runner-up finish in the 2012 Cape Cod Baseball League Championship as well as an appearance in the Eastern Division Semifinals the following summer.

A native of Sun Valley, Idaho, Cordes played shortstop for four years at the University of Redlands (Calif.), majoring in history while playing with the Bulldogs. After finishing his undergraduate career, he moved into coaching. Cordes previously served as an assistant at UMass Boston from 2007 to 2008 and has held the same role with the Los Angeles Angels' Elite Scout Team since 2010. Additionally, he formerly aided the baseball program at Redlands East Valley (Calif.) High School, taking the reins of the Wildcats in 2008 and sitting at the helm since then.

Entering 2015, Cordes has compiled an overall record of 126-41-1 with REV and a 71-17 mark in Citrus Belt League play. In that timespan, he has guided the Wildcats to four CBL Championships.

A four-time CBL Coach of the Year, Cordes is proud of the REV players he has coached who have been drafted by Major League Baseball, and many more who have gone on to collegiate baseball careers in California and other states.

Cordes earned his Bachelor's degree in 2004 from Redlands and later earned his Master's in English at Boston College in 2008.

Matt Blake

Position: Assistant Coach
Experience: First season
Alma Mater: Holy Cross '07

A former four-year letterwinner at the College of the Holy Cross, Matt Blake joined the Y-D Red Sox staff as an assistant coach in May of 2015.

Coaches & Trainers

Jenzen Torres

Position: Assistant Coach
Experience: First season
Alma Mater: Cal Poly Pomona '12

Y-D Red Sox manager Scott Pickler announced the addition of Jenzen Torres to his staff in the spring of 2015. Torres has also been an assistant coach at Cal Poly Pomona, his alma mater, for three seasons.

Originally from Valencia, Calif., Torres put together an impressive playing career at CPP while quickly becoming the West Region's top catcher at the NCAA Division II level. He received All-West Region honors in three of his four years as a student-athlete with the Broncos.

In the 2012 season, Torres led the Broncos in homeruns (8), on-base percentage (.431) and slugging percentage (.503). He excelled defensively behind the plate as well, tallying a fielding mark of .992. With eight homers in 2012, he pushed his career total to 34, becoming the program's all-time leader.

He graduated in June 2012 with a degree in Sociology, finishing as a three-time Dean's List honoree.

After graduation, Torres played a summer of professional baseball with the Hawaii Stars of the North American Baseball League (NAL).

Valerie Serijan

Position: Athletic Trainer
Experience: 17th season
Alma Mater: Clemson '98 / FSU '07G

Val Serijan is in her 17th season working in the Cape League serving the Y-D Red Sox and, previously, the Harwich Mariners.

Serijan earned her Bachelor's Degree at Clemson, later completing her Athletic Training Certification at

South Carolina. She also obtained a Master's Degree in Sport Management from Florida State University.

In addition to her work in collegiate baseball, Serijan boasts experience in several other sports. From 1999 to 2002, she was an athletic training assistant at South Carolina, providing support to the football, softball, and track programs. After working with the Gamecocks, she held the same role at Boston College with the football and baseball teams on Chestnut Hill.

She is a Yarmouth native and works as a Physical Education and Health instructor at Dennis-Yarmouth Regional High School.

Elite Baseball Development Program. This collaboration allows Matt and Cressey Sports Performance to manage the off-season throwing programs for over 100 professional, college and high school players each year.

Blake is also currently the Pitching Coach at Lincoln-Sudbury Regional High School since 2009. Previously, he was the Pitching Coordinator for the New England Ruffnecks college development program based out of Boston.

Additionally, he maintains a role as an Associate Scout for the New York Yankees in the Northeast region, where he has aided in the selection and coaching of the Northeast Yankees Area Code team since 2011.

The Concord, N.H. native is a 2007 graduate Holy Cross, where he majored in Psychology and Philosophy and captained the baseball team his senior year.

Roberto Mercado

Position: Assistant Coach
Experience: Second season
Alma Mater: Fitchburg State '03

The Yarmouth-Dennis Red Sox announced the addition of Roberto Mercado to the team's staff in the spring of 2014. He enters his fifth season as head coach of the New Britain High School Hurricanes in New Britain, Conn. New Britain High School is in

the CCC West Conference, considered one of the best conferences in the state of Connecticut. In Mercado's inaugural year (2011), the Hurricanes captured their first conference title since 1984 and also made the LL state semifinals for the first time since 2001. Mercado has coached 13 All-Conference players and two All-State players in his time as head coach.

Prior to coaching at New Britain High School, he coached the New Britain Fall Legion baseball program and won state titles in 2007, 2009, and 2010.

Mercado played collegiate baseball for Roger Bidwell and former Yarmouth-Dennis and current UConn Huskies Coach Chris Podezwa at UConn-Avery Point. Mercado also played at Fitchburg State University as the starting centerfielder and was named Male Student Athlete of the year in 2002.

PATTI NEWHARD
Sandi Hoyt Memorial Scholarship
Michael Diebolt Scholarship

A three-season athlete the past four years – in field hockey, basketball, and softball – Patricia Newhard embraces the true definition of what it means to be a student-athlete, balancing her academic and

athletic responsibilities with maturity while also representing her teams with genuine sportsmanship. These activities have also taught her to shake off disappointments and to move forward with composure. Patty has welcomed the chance to participate in two Work-Based Learning internships opportunities. She completed an internship at Cape Cod Orthopedics in her junior year. As part of this practicum she was able to shadow specialists in the fields of physical therapy and sports medicine. Senior year she shadowed our school's athletic director, creating schedules for sports teams while working with teachers and coaches in the process. Patty elected to be an Eighth-Grade Mentor. Her participation in our school's mentoring program as a junior and senior is another way she has pushed beyond her comfort zone and welcomed a leadership role. In addition Patty assisted at Red Lake, MN, and at Busby, MT, helping to fix homes on the Native American reservations there. Patty comments that these experiences opened her eyes to a bigger world, and she enjoyed helping people in need. In all realms – in the community, classroom, or on the playing field – Patty is devoted, flexible, and reliable. She will attend Plymouth State University in the fall where she plans to study Sports Management.

BEN CHAPASKO
Michael Diebolt Scholarship

Ben is bright, well spoken, and a solid all-around student and member of our school. He has a genuine group of friends and he is the one they go to for encouragement and motivation to get things done. Ben is able to keep a group focused as he is goal oriented and does not want to waste time or generate a product that is anything less than his best work. He is a natural leader in the classroom and others look to him for direction. Ben has many strengths but his passions lie in history and economics. He independently researches topics of interest and finds connections with present day life. He hopes to be a world traveler and visit many of the places he has read and learned about.

ANGUS CROSSLEY
Michael Frick Memorial Scholarship

Angus cares about himself and his reputation. He is conscientious that each impression he gives off be positive. Angus is always well prepared for class and goes above and beyond what is expected by his teachers always striving for complete mastery through carefully completing each task beyond what other top students produce.

His competitive nature has always pushed him to take the toughest classes available. He loves the challenge and is fueled by the knowledge he acquires. Angus has been part of our Concert Band, Jazz Band and award winning Marching Band all four years of high school. The time commitment required for these three groups is significant and many nights had him up doing school work after midnight. Quitting was never an option. He loves music and has become a leader and role model for all students. Diligent and dedicated are two qualities that are part of who he is. He is unable to leave anything undone or ever do less than his best in any activity or academic he is part of.

CATHERINE MULLANEY
Michael Frick Memorial Scholarship

Catherine Mullaney is bright and original. She is also a young lady who is effectively able to handle pressure in a calm manner. Although she is very interested in the field of veterinary science, thinking at one time she would like to establish herself in this career path, she has many interests and is curious to explore a range of

other options. That said, the past two years Caty has been participating in our school's Work-Based Learning program. This experience has provided Caty the chance to shadow at a veterinary clinic, giving her the opportunity to interact with the professionals as well as the animals at this facility. Caty has welcomed the chance to assist the doctors when called upon to help and has truly gained an understanding for the challenges and rewards of this field. What is more, Caty gives her time and full attention to different artistic mediums, including media and music. She loves the social aspect along with the seriousness and commitment that comes with being a member of our school's musical ensemble. Caty has a twin sister, and she acknowledges that through the band program she has been able to assert herself as an individual and not as a twin. This commitment has been something Caty has done with passion and grace. She enjoys giving her time to activities – whether they are in the form of a sports team or a club – that allow her the chance to interact with others for a common goal. Caty plans to attend Assumption College in the fall where she intends to focus on Biology.
