CAPPY'S "NO CAP" STAT OF THE DAY:

Home runs are usually a recipe for success but that has not been the case this season for the 'Caps. Brewster is 2-4 this season when hitting a homer. On the other hand the Whitecaps are 4-1 when not going deep.

Starting Pitcher

| #13 | MAVRICK RIZY
| RHP | OLE MISS |
DOB: 12-16-04 (21y, 193d)

The Whitecaps throw out the 6'9 LSU transfer for the third time this season. Rizy has thrown 6.1 innings with a 4.26 ERA. The incoming junior has a 2-1 record in his two seasons with Brewster.

Recap of yesterday:

Despite leading by two runs entering the ninth inning the Whitecaps got walked off by the Braves 6-5. Bourne struck first in the bottom of the first with an Andrew Costello solo shot. However that was really the only blemish for 'Caps starter Charlie West. The Uconn product went 4.2 innings with a season high nine strikeouts and allowing just the one hit. In the top of the fourth first baseman Dane Harvey went yard to center field for his second homer of the year. From there it was deadlocked until the sixth frame. The Whitecaps stormed in front on a passed ball and grabbed another couple runs in the seventh to take a 4-1 lead. In the eighth Bourne notched a pair of runs fueled by a Brewster error but left the bases loaded. Heading into the ninth inning the 'Caps grabbed an insurance run to take a two run lead but in the home half it all went downhill for the Whitecaps. A base hit to left field scored a run and a throwing error scored another to even up the score. With a runner on third and one out the Whitecaps had five infielders but it was a sacrifice fly that ended the game and handed the 'Caps their second straight loss.

A COUPLE OF FIRSTS:

The last time these two teams faced off the Whitecaps had a couple of firsts. Brewster shout out it's first team of the year beating the Kettleers 6-0. It was also the first and only game that did not play a full nine innings. Dark skies ended the game after seven innings.

2025 SUMMARY:

The Whitecaps wrapped up the 2025 regular season with their most wins since 2021 (22) and just their third 20-win season in the Jamie Shevchik era (others: 2015 & 2017). 61 players appeared in at least one game this past summer for the 'Caps - 27 position players, 34 pitchers - nearly 20% more players than the 2024 summer. Brewster's season began with a franchise-best 6-0 start, and the Whitecaps had the most wins in the league at the All-Star Break (15). The Whitecaps earned the three-seed in the East and a first round matchup with the two-seeded Harwich Mariners. Brewster's season came to a close in a two games to one series loss.

WELCOME TO STONY BROOK FIELD:

Cotuit visits the friendly confines of Stony Brook field as the seventh team to play at Brewster's place. The Kettleers hope for a better fate then the first meeting between these two at Lowell park. The Whitecaps allowed just two hits and forced a pair of errors.
