## Hyannis Athletic Association 2023 Membership Application

*The Hyannis Athletic Association is a nonprofit volunteer organization that oversees the year-round support and operation of the Hyannis Harbor Hawks. Through fundraising efforts and thousands of hours donated by an all-volunteer membership, the Hyannis Athletic Association works behind the scenes at McKeon Park and in the community to ensure that the Harbor Hawks are counted among the premier franchises in the Cape Cod Baseball League.*

*Not only does your membership with us help fund transportation, uniforms, equipment and supplies for our team of players, but it also funds baseball camps, college scholarships and free family friendly entertainment for our residents. Any level of membership is deeply appreciated and will help provide recreation and goodwill through sports in the Hyannis Community and beyond.*
